AN ACT to amend the private housing finance law, in relation to creating the mortgage assisted population recovery program

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The private housing finance law is amended by adding a new
2	section 45-d to read as follows:
3	<u>§ 45-d. Mortgage assisted population recovery program. 1. There is</u>
4	hereby created within the agency a mortgage assisted population recovery
5	program. The program shall make available all mortgage and down payment
6	assistance funding incentives offered by the agency for homebuyers in
7	economically distressed target areas, as designated by the agency
8	through census tracks determined by the United States bureau of the
9	census, to homebuyers in those counties that have experienced negative
10	population growth from January one, two thousand to the latest available
11	annual estimates of the resident population. Such incentives shall
12	include, but may not necessarily be limited to, higher household income
13	and home purchase price limits, as offered by the agency for homebuyers
14	in such economically distressed targeted areas.
15	2. (a) Homebuyer eligibility. In addition to the limitations on house-
16	hold income and home purchase price described in subdivision one of this
17	section, an eligible homebuyer must (1) have established residency
18	outside the county in which the subject property is located, and which
19	
	has experienced negative growth from the two thousand decennial census
