2 woman or her relatives and if not available from such sources, such  
3 maintenance and medical care shall be paid by the state. In cases where  
4 payment of such accommodations, maintenance and medical care is assumed  
5 by the county, city or town from which such inmate was committed the  
6 payor shall make payment by issuing payment instrument in favor of the  
7 agency or individual that provided such accommodations and services,  
8 after certification has been made by the head of the institution to  
9 which the inmate was legally confined, that the charges for such accom-  
10 modations, maintenance and medical care were necessary and are just, and  
11 that the institution has no available funds for such purpose.

12 2. A child so born may be returned with its mother to the correctional  
13 institution in which the mother is confined unless the chief medical  
14 officer of the correctional institution shall certify that the mother is  
15 physically unfit to care for the child, in which case the statement of  
16 the said medical officer shall be final. A child may remain in the  
17 correctional institution with its mother for such period as seems desir-  
18 able for the welfare of such child, but not after it is one year of age,  
19 provided, however, if the mother is in a state reformatory and is to be  
20 paroled shortly after the child becomes one year of age, such child may

22 case after the child is eighteen months old. If the mother is an inmate  
23 at a state correctional facility, the department shall inform her of her  
24 ability to apply to any nursery program run by the department. The offi-  
25 cer in charge of such institution may cause a child cared for therein  
26 with its mother to be removed from the institution at any time before  
27 the child is one year of age. He shall make provision for a child  
28 removed from the institution without its mother or a child born to a  
29 woman inmate who is not returned to the institution with its mother as  
30 hereinafter provided. He may, upon proof being furnished by the father  
31 or other relatives of their ability to properly care for and maintain  
32 such child, give the child into the care and custody of such father or  
33 other relatives, who shall thereafter maintain the same at their own  
34 expense. If it shall appear that such father or other relatives are  
35 unable to properly care for and maintain such child, such officer shall  
36 place the child in the care of the commissioner of public welfare or  
37 other officer or board exercising in relation to children the power of a  
38 commissioner of public welfare of the county from which such inmate was  
39 committed as a charge upon such county. The officer in charge of the  
40 correctional institution shall send to such commissioner, officer or  
41 board a report of all information available in regard to the mother and  
42 the child. Such commissioner of public welfare or other officer or board  
43 shall care for or place out such child as provided by law in the case of  
44 a child becoming dependent upon the county.

46 female inmates or his or her designee shall inform any inmate known to  
47 be pregnant of her option of participating in pregnancy counseling  
48 services and of her right to abortion services.

49 § 2. This act shall take effect on the one hundred twentieth day after  
50 it shall have become a law. Effective immediately, the addition, amend-  
51 ment and/or repeal of any rules or regulations necessary for the imple-  
52 mentation of this act on its effective date are authorized to be made by
