

STATE OF NEW YORK

4001

2021-2022 Regular Sessions

IN SENATE

February 1, 2021

Introduced by Sen. BIAGGI -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the labor law in relation to removing certain provisions relating to covered airport workers; and in relation to minimum wage rates for covered airport workers; to repeal certain provisions of the labor law relating thereto; and to repeal section 14 of a chapter of the laws of 2020 amending the labor law relating to enacting the "healthy terminals act", as proposed in legislative bills numbers S.6266-D and A.8142-E relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. The legislature finds that
2 the airports of John F. Kennedy International Airport and LaGuardia
3 Airport operating under the jurisdiction of the Port Authority of New
4 York and New Jersey are some of the most heavily trafficked transporta-
5 tion centers in the world, and are vital not just to the economic health
6 of the state but to the world. The legislature further determines that
7 there is a unique public interest in the operation of the airline indus-
8 try with the critical role of airport workers during the COVID-19
9 pandemic, where airport workers have been placed into contact with
10 members of the public in an often uncontrolled manner. Due to such find-
11 ings, the legislature hereby declares that the access to health care
12 provided in this bill is intended to provide a health care benefit that
13 ensures the health and safety of workers employed at John F. Kennedy
14 International Airport and LaGuardia Airport is protected.

15 § 2. The article heading of article 9 of the labor law, as amended by

4 hearing, and by an order which shall describe particularly the nature of
5 the violation, assess the employer a civil penalty of not more than ten
6 thousand dollars for the first such violation within six years, not more
7 than twenty thousand dollars for a second violation within six years and
8 not more than fifty thousand dollars for a third or subsequent violation
9 within six years. Such penalty shall be paid to the commissioner for
10 deposit in the treasury of the state. In assessing the amount of the
11 penalty, the commissioner shall give due consideration to the size of
12 the employer's business, the good faith of the employer, the gravity of
13 the violation, the history of previous violations and the failure to
14 comply with record-keeping or other requirements.

15 2. Any order issued under subdivision one of this section shall be
16 deemed a final order of the commissioner and not subject to review by
17 any court or agency unless the employer files a petition with the indus-
18 trial board of appeals for a review of the order, pursuant to section
19 one hundred one of this chapter.

20 3. The civil penalty provided for in this section shall be in addition
21 to and may be imposed concurrently with any other remedy or penalty
22 provided for in this chapter.

23 4. Upon a showing by an employee organization, the commissioner may
24 investigate by examining payroll records whether an employer withheld
25 hours of work to employees for the purpose of reducing the employer's
26 obligations under this article. If, after the opportunity for a hearing,
27 the commissioner determines that an employer withheld hours of work to
28 employees for the purpose of reducing the employer's obligations under
29 this article, the commissioner may, in addition to any other penalty
30 available, also require that the employer pay the standard benefits
31 supplement rate to all of the employer's employees, regardless of the
32 number of hours worked by the employees.

33 § 696-g. Civil action. 1. On behalf of any employee paid less than the
34 applicable standard rate to which the employee is entitled under the
35 provisions of this article, the commissioner may bring any legal action
36 necessary, including administrative action, to collect such claim, and
37 the employer shall be required to pay the full amount of the underpay-
38 ment, plus costs, and unless the employer proves a good faith basis to
39 believe that its underpayment was in compliance with the law, an addi-
40 tional amount as liquidated damages. Liquidated damages shall be calcu-
41 lated by the commissioner as no more than one hundred percent of the
42 total amount of underpayments found to be due the employee. In any
43 action brought by the commissioner in a court of competent jurisdiction,
44 liquidated damages shall be calculated as an amount equal to one hundred
45 percent of underpayments found to be due the employee.

46 2. Notwithstanding any other provision of law, an action to recover
47 upon a liability imposed by this article must be commenced within six
48 years. The statute of limitations shall be tolled from the date an
49 employee files a complaint with the commissioner or the commissioner
50 commences an investigation, whichever is earlier, until an order to
51 comply issued by the commissioner becomes final, or where the commis-
52 sioner does not issue an order, until the date on which the commissioner
53 notifies the complainant that the investigation has concluded.

54 3. In any civil action by the commissioner, the commissioner shall
55 have the right to collect attorneys' fees and costs incurred in enforc-
56 ing any court judgment. Any judgment or court order awarding remedies

1 under this section shall provide that if any amounts remain unpaid upon
2 the expiration of ninety days following issuance of judgment, or ninety
3 days after expiration of the time to appeal and no appeal therefrom is
4 then pending, whichever is later, the total amount of judgment shall
5 automatically increase by fifteen percent.

6 § 696-h. Regulations. 1. The commissioner may promulgate such regu-
7 lations as he or she deems appropriate to carry out the purposes of this
8 article and to safeguard minimum compensation standards.

9 § 696-i. Savings clause. 1. If any provision of this article or the
10 application thereof to any person, occupation or circumstance is held
11 invalid, the remainder of the article and the application of such
12 provision to other persons, employees, occupations, or circumstances
13 shall not be affected thereby.

14 2. If any clause, sentence, paragraph, subdivision, section or part of
15 this article shall be adjudged by any court of competent jurisdiction to
16 be invalid, such judgment shall not affect, impair, or invalidate the
17 remainder thereof, but shall be confined in its operation to the clause,
18 sentence, paragraph, subdivision, section or part thereof directly
19 involved in the controversy in which such judgment shall have been
20 rendered. It is hereby declared to be the intent of the legislature that
21 this article would have been enacted even if such invalid provisions had
22 not been included herein.

23 3. If section six hundred ninety-six-a, section six hundred ninety-
24 six-b, or section six hundred ninety-six-c of this article or any
25 portion thereof shall be adjudged, whether by final judgment, a tempo-
26 rary restraining order, or a preliminary injunction, by any court of
27 competent jurisdiction to be preempted by federal law, then the "stand-
28 ard benefits supplement rate" defined in subdivision six of section six
29 hundred ninety-six-a of this article shall immediately mean the follow-
30 ing:

31 (a) An hourly supplement of four dollars and fifty-four cents
32 furnished to an employee by providing at least four dollars and fifty-
33 four cents per hour beginning on July first, two thousand twenty-one in
34 one of the following ways: (i) in the form of health and/or other bene-
35 fits, not including paid leave, that cost the employer the entire
36 required hourly supplemental amount; (ii) by providing a portion of the
37 required hourly supplement in the form of health and/or other benefits,
38 not including paid leave, and the balance in cash; or (iii) by providing
39 the entire supplement in cash.

40 (b) The value of such supplement shall be no less than four dollars
41 and fifty-four cents per hour.

42 (c) The standard benefits supplement rate shall apply only to the
43 first forty hours worked by each covered airport worker in each week and
44 shall not apply to any overtime hours worked by any covered airport
45 worker.

46 (d) The standard benefits supplement rate shall apply to any paid
47 leave taken by a covered airport worker that does not exceed forty hours
48 in a week.

49 4. If section six hundred ninety-six-a, section six hundred ninety-
50 six-b, or section six hundred ninety-six-c of this article or any
51 portion thereof shall be adjudged by any preliminary relief, including a
52 temporary restraining order or a preliminary injunction, by any court of
53 competent jurisdiction to be preempted by federal law but is later
54 adjudged by the same court not to be preempted by federal law in a final
55 judgment, then the definition of "standard benefits supplement rate"

1 shall immediately revert to the definition stated in subdivision six of
2 section six hundred ninety-six-a of this article.

3 § 17. Section 14 of a chapter of the laws of 2020 relating to enacting
4 the "healthy terminals act", as proposed in legislative bills numbers S.
5 6266-D and A. 8142-E is REPEALED.

6 § 18. This act shall take effect on the same date and in the same
7 manner as a chapter of the laws of 2020 amending the labor law relating
8 to enacting the "healthy terminals act", as proposed in legislative
9 bills numbers S.6266-D and A.8142-E, takes effect; provided, however
10 that the commissioner of labor shall begin no investigation of compli-
11 ance with this act before July 1, 2021 and no order issued pursuant to
12 this act shall include any time period before July 1, 2021. Effective
13 immediately, the commissioner of labor may request documents or the
14 preservation of documents relative to payroll and employee health plans
15 for purposes of determining appropriate standards for full-time or part-
16 time work.
