9 superintendent shall prepare a report card containing information on how

39 disaster or emergency that these complaints represent; and

40 (xiii) Any other information that the superintendent deems necessary.

41 (g) The superintendent may, at his or her discretion, waive the
42 requirement to prepare a report card if the declared disaster, as
43 defined in subsection (a) of this section, does not result in a signif-
44 icant amount of insurance related claims filed in New York state and the
45 superintendent does not believe the best interest of the public will be
46 served by issuing a report card.

47 § 2. This act shall take effect immediately.
