 $\S$  2. The public health law is amended by adding a new section 2500-m to read as follows:

5 § 2500-m. Information on education accommodations for a minor patient 6 with a medical condition that may cause a disability. 1. On or before July first, two thousand twenty-two, the department, in consultation 7 8 with the department of education, shall develop an informational 9 pamphlet for practitioners to distribute to the parents or guardians of 10 a patient under the age of eighteen with a medical condition that may create a disability for the patient as defined under section five 11 hundred four of the federal rehabilitation act of nineteen hundred 12 seventy-three. Such information shall indicate that such minor may be 13 14 entitled to a free and appropriate public education as defined under 15 section five hundred four of the federal rehabilitation act of nineteen hundred seventy-three, as amended, which may include accommodations for 17 the delivery of programs and services for eligible students with disa-18 bilities. Such written information shall also state that the parent, guardian, or person in a parental relationship with the patient should 19 20 contact their school to discuss possible accommodations for the patient
