AN ACT to amend the public health law, in relation to requiring a physician who treats a minor patient with a medical condition to provide certain educational information to such patient's parents or guardians

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Shepherd  
2 Patterson law".

3 § 2. The public health law is amended by adding a new section 2500-m  
4 to read as follows:

5 § 2500-m. Information on education accommodations for a minor patient  
6 with a medical condition that may cause a disability. 1. On or before  
7 July first, two thousand twenty-three, the department, in consultation  
8 with the department of education, shall develop an informational  
9 pamphlet for practitioners to distribute to the parents or guardians of  
10 a patient under the age of eighteen with a medical condition that may  
11 create a disability for the patient as defined under section five  
12 hundred four of the federal rehabilitation act of nineteen hundred  
13 seventy-three. Such information shall indicate that such minor may be  
14 entitled to a free and appropriate public education as defined under  
15 section five hundred four of the federal rehabilitation act of nineteen  
16 hundred seventy-three, as amended, which may include accommodations for  
17 the delivery of programs and services for eligible students with disa-

1 bilities. Such written information shall also state that the parent,  
2 guardian, or person in a parental relationship with the patient should  
3 contact their school to discuss possible accommodations for the patient  
4 and the benefits of sharing potentially life-saving emergency medical  
5 information with school personnel.

6 2. The informational pamphlet shall be made available for use by prac-  
7 titioners on the department's website in a printable file, and may be  
8 available for order as a printed deliverable on the department's  
9 website. The pamphlet shall be written in English and the six most  
10 common non-English languages spoken by individuals based on the most  
11 recent federal census.

12 3. A practitioner may provide the parent and/or guardian of the  
13 patient with the informational pamphlet developed pursuant to this  
14 section.

15 4. For purposes of this section, "practitioner" means a health care  
16 professional licensed, certified, or otherwise authorized to practice  
17 under the education law, acting within the scope of practice.

18 § 3. This act shall take effect on the one hundred twentieth day after  
19 it shall have become a law. Effective immediately, the addition, amend-  
20 ment and/or repeal of any rule or regulation necessary for the implemen-  
21 tation of this act on its effective date are authorized to be made and  
22 completed on or before such effective date.
