24 amended by chapter 487 of the laws of 2012, is REPEALED.

25 § 8. Subdivision 1 of section 502 of the vehicle and traffic law, as  
26 amended by chapter 37 of the laws of 2019, is amended to read as  
27 follows:

28 1. Application for license. Application for a driver's license shall  
29 be made to the commissioner. The fee prescribed by law may be submitted  
30 with such application. The applicant shall furnish such proof of identi-  
31 ty, age, and fitness as may be required by the commissioner. The license  
32 shall display the sex designation of M, F, or X as certified by the  
33 applicant, with no additional documentation required. The applicant may  
34 amend the sex designation of their driver's license upon request. Upon  
35 amendment of the sex designation, the change shall be made consistent  
36 through all affiliated records within the control of the department.

37 With respect to a non-commercial driver's license or learner's permit  
38 which does not meet federal standards for identification, in addition to  
39 the acceptable proofs of age and identity approved by the commissioner  
40 as of January first, two thousand nineteen, acceptable proof of identity  
41 shall also include, but not be limited to, a valid, unexpired foreign  
42 passport issued by the applicant's country of citizenship (which shall  
43 also be eligible as proof of age), a valid, unexpired consular identifi-  
44 cation document issued by a consulate from the applicant's country of  
45 citizenship, or a valid foreign driver's license that includes a photo  
46 image of the applicant and which is unexpired or expired for less than  
47 twenty-four months of its date of expiration, as primary forms of such  
48 proof. Nothing contained in this subdivision shall be deemed to preclude  
49 the commissioner from approving additional proofs of identity and age.  
50 The commissioner may also provide that the application procedure shall  
51 include the taking of a photo image or images of the applicant in  
52 accordance with rules and regulations prescribed by the commissioner. In  
53 addition, the commissioner also shall require that the applicant provide  
54 [~~his or her~~] such applicant's social security number or, in lieu there-

56 or learner's permit which does not meet federal standards for identifi-

1 cation, an affidavit signed by such applicant that they have not been  
2 issued a social security number and shall provide space so that the  
3 applicant may request a notation upon such license that the applicant is  
4 a veteran of the United States armed forces. The commissioner also  
5 shall provide space on the application so that the applicant may regis-  
6 ter in the New York state organ and tissue donor registry under section  
7 forty-three hundred ten of the public health law with the following  
8 stated on the application in clear and conspicuous type:

9 "You must fill out the following section: Would you like to be added  
10 to the Donate Life Registry? Check box for 'yes' or 'skip this ques-  
11 tion'."

12 The commissioner of health shall not maintain records of any person  
13 who checks "skip this question". Except where the application is made in  
14 person or electronically, failure to check a box shall not impair the  
15 validity of an application, and failure to check "yes" or checking "skip  
16 this question" shall not be construed to imply a wish not to donate. In  
17 the case of an applicant under eighteen years of age, checking "yes"  
18 shall not constitute consent to make an anatomical gift or registration  
19 in the donate life registry, except as otherwise provided pursuant to  
20 the provisions of paragraph (b) of subdivision one of section forty-  
21 three hundred one of the public health law. Where an applicant has  
22 previously consented to make an anatomical gift or registered in the  
23 donate life registry, checking "skip this question" or failing to check  
24 a box shall not impair that consent or registration. In addition, an  
25 applicant for a commercial driver's license who will operate a commer-  
26 cial motor vehicle in interstate commerce shall certify that such appli-  
27 cant meets the requirements to operate a commercial motor vehicle, as  
28 set forth in public law 99-570, title XII, and title 49 of the code of  
29 federal regulations, and all regulations promulgated by the United  
30 States secretary of transportation under the hazardous materials trans-  
31 portation act. In addition, an applicant for a commercial driver's  
32 license shall submit a medical certificate at such intervals as required  
33 by the federal motor carrier safety improvement act of 1999 and Part  
34 383.71(h) of title 49 of the code of federal regulations relating to  
35 medical certification and in a manner prescribed by the commissioner.  
36 For purposes of this section and sections five hundred three, five  
37 hundred ten-a, and five hundred ten-aa of this title, the terms "medical  
38 certificate" and "medical certification" shall mean a form substantially  
39 in compliance with the form set forth in Part 391.43(h) of title 49 of  
40 the code of federal regulations. Upon a determination that the holder of  
41 a commercial driver's license has made any false statement, with respect  
42 to the application for such license, the commissioner shall revoke such  
43 license.

44 § 9. Section 4132 of the public health law is amended by adding a new  
45 subdivision 5 to read as follows:

46 5. Each parent of the child may choose to be designated on the  
47 original certificate of birth or by amendment as "father" or "mother" or  
48 "parent".

49 § 10. The section heading and paragraph (e) of subdivision 1 of  
50 section 4138 of the public health law, the section heading as amended by  
51 chapter 201 of the laws of 1972 and paragraph (e) of subdivision 1 as  
52 amended by section 9 of part L of chapter 56 of the laws of 2020, are  
53 amended and a new paragraph (f) is added to subdivision 1 to read as  
54 follows:

2 unwed parents; adoption; adjudication of parentage; change of name of  
3 registrant or parent; gender transition of registrant or parent.

4 (e) the certificate of birth of a child born out of wedlock as defined  
5 in paragraph (b) of subdivision one of section four thousand one hundred  
6 thirty-five of this article has been filed without entry of the name of  
7 the signatory other than the person who gave birth and the commissioner  
8 thereafter receives the acknowledgment of parentage pursuant to section  
9 one hundred eleven-k of the social services law or section four thousand  
10 one hundred thirty-five-b of this article executed by the person who  
11 gave birth and the other signatory which authorizes the entry of the  
12 name of such other signatory, and which may also authorize a conforming  
13 change in the surname of the child[~~+~~]; or

14 (f) any person born in New York state who submits an application to  
15 change the gender on the birth certificate and an affidavit attesting  
16 under penalty of perjury that the request for a change of gender to  
17 (female, male, or X) is to conform the person's documents and records to  
18 the person's gender identity and is not made for any fraudulent purpose.  
19 A sex designation of X shall not be a required sex designation of any  
20 individual. Upon receipt of the documentation, the commissioner shall  
21 establish a new birth certificate reflecting the gender stated in the  
22 application and any change in name, if accompanied by a court order for  
23 a change of name. If such application is made on behalf of a person  
24 younger than seventeen, such affidavit shall be signed by the person's  
25 parent, legal guardian, mental health or medical provider, or social  
26 services provider.

27 § 11. This act shall take effect on the one hundred eightieth day  
28 after it shall have become a law. Effective immediately, the addition,  
29 amendment and/or repeal of any rule or regulation necessary for the  
30 implementation of this act on its effective date are authorized to be  
31 made and completed on or before such effective date.
