The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding subdivision 5 of section 1000 of the

3 of the New York state and local employees' retirement system having  
4 retired December 30, 1997; and who served in the United States military  
5 during the Korean conflict, shall be eligible to apply for military  
6 service credit in the New York state and local employees' retirement  
7 system as otherwise provided pursuant to provisions of section 1000 of

and Social Security Law. The bill requires Mr. Delaney to pay to the NYSLEERS an amount equal to the product of the number of years of military service being claimed and 3% of his final average salary. The retirement benefit will be recalculated and payment will be made retroactive to his date of retirement.

If this bill is enacted during the 2022 legislative session, there will be an immediate past service cost of approximately \$109,000. Approximately \$3,100 of this cost would be borne by Joseph Delaney and the remaining \$105,900 would be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2023.
