AN ACT to amend the public health law and the penal law, in relation to prohibiting the falsification of COVID-19 vaccination records

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 2183 to read as follows:

§ 2183. Falsifying of COVID-19 vaccination records. 1. For purposes of this section, the following terms shall have the following meanings:

(a) "COVID-19 vaccination record card" shall mean a card or record given to an individual after they have received a COVID-19 vaccine which keeps track of vital vaccination information, including, but not limited to, the date in which the first and second dose of the vaccine were administered to such individual and the type of vaccine received.

(b) "Digital vaccine passport" shall mean a system accessed through a mobile application which provides certified COVID-19 health information from medical facilities about an individual and is shared with airlines and border authorities as a method of protecting public health when traveling.

2. No individual shall intentionally falsify or alter a COVID-19 vaccination record card or digital vaccine passport to misrepresent such individual's history and record of vaccine treatment. Such falsification or fraudulent misrepresentation of an individual's vaccine history shall be a crime pursuant to sections 190.90 and 190.91 of the penal law.

§ 2. The penal law is amended by adding two new sections 190.90 and 190.91 to read as follows:

§ 190.90 Falsification of COVID-19 vaccination records in the second degree.

A person is guilty of falsification of COVID-19 vaccination records in the second degree when such person is not a licensed medical profes-
