56 determine the location of the highway construction or maintenance work

1 areas located on an interstate or auxiliary interstate highway under the  
2 jurisdiction of the commissioner in which to install and operate photo  
3 speed violation monitoring systems. In selecting a highway construction  
4 or maintenance work area in which to install and operate a photo speed  
5 violation monitoring system, the commissioner shall consider criteria  
6 including, but not limited to, the speed data, crash history, and road-  
7 way geometry applicable to such highway construction or maintenance work  
8 area. A photo speed violation monitoring system shall not be installed  
9 or operated on an interstate or auxiliary interstate highway exit ramp.

10 2. Notwithstanding any other provision of law, after holding a public  
11 hearing in accordance with the public officers law and subsequent  
12 approval by a majority of the members of the entire board the chair of  
13 the thruway authority is hereby authorized to establish a demonstration  
14 program imposing monetary liability on the owner of a vehicle for fail-  
15 ure of an operator thereof to comply with posted maximum speed limits in  
16 a highway construction or maintenance work area when highway  
17 construction or maintenance work is occurring and located on the thruway  
18 (i) when a work area speed limit is in effect as provided in paragraph  
19 two of subdivision (d) or subdivision (f) of section eleven hundred  
20 eighty of this article or (ii) when other speed limits are in effect as  
21 provided in subdivision (b) or (g) or paragraph one of subdivision (d)  
22 of section eleven hundred eighty of this article. Such demonstration  
23 program shall empower the chair to install photo speed violation moni-  
24 toring systems within no more than five highway construction or mainte-  
25 nance work areas located on the thruway and to operate such systems when  
26 highway construction or maintenance work is occurring and within such  
27 work areas (iii) when a work area speed limit is in effect as provided  
28 in paragraph two of subdivision (d) or subdivision (f) of section eleven  
29 hundred eighty of this article or (iv) when other speed limits are in  
30 effect as provided in subdivision (b) or (g) or paragraph one of subdi-  
31 vision (d) of section eleven hundred eighty of this article. The chair,  
32 in consultation with the superintendent of the division of state police,  
33 shall determine the location of the highway construction or maintenance  
34 work areas located on the thruway in which to install and operate photo  
35 speed violation monitoring systems. In selecting a highway construction  
36 or maintenance work area in which to install and operate a photo speed  
37 violation monitoring system, the chair shall consider criteria includ-  
38 ing, but not limited to, the speed data, crash history, and roadway  
39 geometry applicable to such highway construction or maintenance work  
40 area. A photo speed violation monitoring system shall not be installed  
41 or operated on a thruway exit ramp.

42 3. No photo speed violation monitoring system shall be used in a high-  
43 way construction or maintenance work area unless (i) on the day it is to  
44 be used it has successfully passed a self-test of its functions; and  
45 (ii) it has undergone an annual calibration check performed pursuant to  
46 paragraph five of this subdivision. The commissioner or chair, as appli-  
47 cable, shall install signs giving notice that a photo speed violation  
48 monitoring system is in use, in conformance with standards established  
49 in the MUTCD.

50 4. Operators of photo speed violation monitoring systems shall have  
51 completed training in the procedures for setting up, testing, and oper-  
52 ating such systems. Each such operator shall complete and sign a daily  
53 set-up log for each such system that he or she operates that (i) states  
54 the date and time when, and the location where, the system was set up  
55 that day, and (ii) states that such operator successfully performed, and  
56 the system passed, the self-tests of such system before producing a

1 recorded image that day. The commissioner or the chair, as applicable,  
2 shall retain each such daily log until the later of the date on which  
3 the photo speed violation monitoring system to which it applies has been  
4 permanently removed from use or the final resolution of all cases  
5 involving notices of liability issued based on photographs, microphoto-  
6 graphs, video or other recorded images produced by such system.

7     5. Each photo speed violation monitoring system shall undergo an annu-  
8 al calibration check performed by an independent calibration laboratory  
9 which shall issue a signed certificate of calibration. The commissioner  
10 or the chair, as applicable, shall keep each such annual certificate of  
11 calibration on file until the final resolution of all cases involving a  
12 notice of liability issued during such year which were based on photo-  
13 graphs, microphotographs, videotape or other recorded images produced by  
14 such photo speed violation monitoring system.

15     6. (i) Such demonstration program shall utilize necessary technologies  
16 to ensure, to the extent practicable, that photographs, microphoto-  
17 graphs, videotape or other recorded images produced by such photo speed  
18 violation monitoring systems shall not include images that identify the  
19 driver, the passengers, or the contents of the vehicle. Provided, howev-  
20 er, that no notice of liability issued pursuant to this section shall be  
21 dismissed solely because such a photograph, microphotograph, videotape  
22 or other recorded image allows for the identification of the driver, the  
23 passengers, or the contents of vehicles where the commissioner or the  
24 chair, as applicable, shows that they made reasonable efforts to comply  
25 with the provisions of this paragraph in such case.

26     (ii) Photographs, microphotographs, videotape or any other recorded  
27 image from a photo speed violation monitoring system shall be for the  
28 exclusive use of the commissioner or the chair, as applicable, for the  
29 purpose of the adjudication of liability imposed pursuant to this  
30 section and of the owner receiving a notice of liability pursuant to  
31 this section, and shall be destroyed by the commissioner or chair, as  
32 applicable, upon the final resolution of the notice of liability to  
33 which such photographs, microphotographs, videotape or other recorded  
34 images relate, or one year following the date of issuance of such notice  
35 of liability, whichever is later. Notwithstanding the provisions of any  
36 other law, rule or regulation to the contrary, photographs, microphoto-  
37 graphs, videotape or any other recorded image from a photo speed  
38 violation monitoring system shall not be open to the public, nor subject  
39 to civil or criminal process or discovery, nor used by any court or  
40 administrative or adjudicatory body in any action or proceeding therein  
41 except that which is necessary for the adjudication of a notice of  
42 liability issued pursuant to this section, and no public entity or  
43 employee, officer or agent thereof shall disclose such information,  
44 except that such photographs, microphotographs, videotape or any other  
45 recorded images from such systems:

46     (A) shall be available for inspection and copying and use by the motor  
47 vehicle owner and operator for so long as such photographs, microphoto-  
48 graphs, videotape or other recorded images are required to be maintained  
49 or are maintained by such public entity, employee, officer or agent; and

50     (B) (1) shall be furnished when described in a search warrant issued  
51 by a court authorized to issue such a search warrant pursuant to article  
52 six hundred ninety of the criminal procedure law or a federal court  
53 authorized to issue such a search warrant under federal law, where such  
54 search warrant states that there is reasonable cause to believe such  
55 information constitutes evidence of, or tends to demonstrate that, a  
56 misdemeanor or felony offense was committed in this state or another

1 state, or that a particular person participated in the commission of a  
2 misdemeanor or felony offense in this state or another state, provided,  
3 however, that if such offense was against the laws of another state, the  
4 court shall only issue a warrant if the conduct comprising such offense  
5 would, if occurring in this state, constitute a misdemeanor or felony  
6 against the laws of this state; and

7 (2) shall be furnished in response to a subpoena duces tecum signed by  
8 a judge of competent jurisdiction and issued pursuant to article six  
9 hundred ten of the criminal procedure law or a judge or magistrate of a  
10 federal court authorized to issue such a subpoena duces tecum under  
11 federal law, where the judge finds and the subpoena states that there is  
12 reasonable cause to believe such information is relevant and material to  
13 the prosecution, or the defense, or the investigation by an authorized  
14 law enforcement official, of the alleged commission of a misdemeanor or  
15 felony in this state or another state, provided, however, that if such  
16 offense was against the laws of another state, such judge or magistrate  
17 shall only issue such subpoena if the conduct comprising such offense  
18 would, if occurring in this state, constitute a misdemeanor or felony in  
19 this state; and

20 (3) may, if lawfully obtained pursuant to this clause and clause (A)  
21 of this subparagraph and otherwise admissible, be used in such criminal  
22 action or proceeding.

23 (b) If the commissioner or chair establishes a demonstration program  
24 pursuant to subdivision (a) of this section, the owner of a vehicle  
25 shall be liable for a penalty imposed pursuant to this section if such  
26 vehicle was used or operated with the permission of the owner, express  
27 or implied, within a highway construction or maintenance work area  
28 located on a controlled-access highway under the jurisdiction of the  
29 commissioner or on the thruway in violation of paragraph two of subdivi-  
30 sion (d) or subdivision (f), or when other speed limits are in effect in  
31 violation of subdivision (b) or (g) or paragraph one of subdivision (d),  
32 of section eleven hundred eighty of this article, such vehicle was trav-  
33 eling at a speed of more than ten miles per hour above the posted speed  
34 limit in effect within such highway construction or maintenance work  
35 area, and such violation is evidenced by information obtained from a  
36 photo speed violation monitoring system; provided however that no owner  
37 of a vehicle shall be liable for a penalty imposed pursuant to this  
38 section where the operator of such vehicle has been convicted of the  
39 underlying violation of subdivision (b), (d), (f) or (g) of section  
40 eleven hundred eighty of this article.

41 (c) For purposes of this section, the following terms shall have the

51 chapter;

52 5. "photo speed violation monitoring system" shall mean a vehicle

56 time it is used or operated in a highway construction or maintenance

1 work area located on a controlled-access highway under the jurisdiction

10 isdiction of the thruway authority for mixed traffic with access limited  
11 as the authority may determine and generally with grade separations at

13 (d) A certificate, sworn to or affirmed by a technician employed by  
14 the commissioner or chair as applicable, or a facsimile thereof, based  
15 upon inspection of photographs, microphotographs, videotape or other  
16 recorded images produced by a photo speed violation monitoring system,  
17 shall be prima facie evidence of the facts contained therein. Any photo-  
18 graphs, microphotographs, videotape or other recorded images evidencing  
19 such a violation shall include at least two date and time stamped images  
20 of the rear of the motor vehicle that include the same stationary object  
21 near the motor vehicle and shall be available for inspection reasonably  
22 in advance of and at any proceeding to adjudicate the liability for such  
23 violation pursuant to this section.

24 (e) An owner liable for a violation of subdivision (b), (d), (f) or  
25 (g) of section eleven hundred eighty of this article pursuant to a  
26 demonstration program established pursuant to this section shall be  
27 liable for monetary penalties not to exceed fifty dollars for a first  
28 violation, seventy-five dollars for a second violation committed within  
29 a period of eighteen months, and one hundred dollars for a third or  
30 subsequent violation committed within eighteen months of the previous  
31 violations; provided, however, that an additional penalty not in excess  
32 of twenty-five dollars for each violation may be imposed for the failure  
33 to respond to a notice of liability within the prescribed time period.

34 (f) An imposition of liability under the demonstration program estab-  
35 lished pursuant to this section shall not be deemed a conviction as an  
36 operator and shall not be made part of the operating record of the  
37 person upon whom such liability is imposed nor shall it be used for  
38 insurance purposes in the provision of motor vehicle insurance coverage.

39 (g) 1. A notice of liability shall be sent by first class mail to each  
40 person alleged to be liable as an owner for a violation of subdivision  
41 (b), (d), (f) or (g) of section eleven hundred eighty of this article  
42 pursuant to this section, within fourteen business days if such owner is  
43 a resident of this state and within forty-five business days if such  
44 owner is a non-resident. Personal delivery on the owner shall not be  
45 required. A manual or automatic record of mailing prepared in the ordi-  
46 nary course of business shall be prima facie evidence of the facts  
47 contained therein.

48 2. A notice of liability shall contain the name and address of the  
49 person alleged to be liable as an owner for a violation of subdivision  
50 (b), (d), (f) or (g) of section eleven hundred eighty of this article

52 involved in such violation, the location where such violation took  
53 place, the date and time of such violation, the identification number of  
54 the camera which recorded the violation or other document locator  
55 number, at least two date and time stamped images of the rear of the

1 motor vehicle that include the same stationary object near the motor  
2 vehicle, and the certificate charging the liability.

3 3. The notice of liability shall contain information advising the  
4 person charged of the manner and the time in which he or she may contest  
5 the liability alleged in the notice. Such notice of liability shall also  
6 contain a prominent warning to advise the person charged that failure to  
7 contest in the manner and time provided shall be deemed an admission of  
8 liability and that a default judgment may be entered thereon.

9 4. The notice of liability shall be prepared and mailed by the commis-  
10 sioner or chair as applicable, or by any other entity authorized by the  
11 commissioner or chair to prepare and mail such notice of liability.

12 (h) Adjudication of the liability imposed upon owners of this section  
13 shall be by a traffic violations bureau established pursuant to section  
14 three hundred seventy of the general municipal law where the violation  
15 occurred or, if there be none, by the court having jurisdiction over  
16 traffic infractions where the violation occurred, except that if a city  
17 has established an administrative tribunal to hear and determine  
18 complaints of traffic infractions constituting parking, standing or  
19 stopping violations such city may, by local law, authorize such adjudi-  
20 cation by such tribunal.

21 (i) If an owner receives a notice of liability pursuant to this  
22 section for any time period during which the vehicle or the number plate  
23 or plates of such vehicle was reported to the police department as  
24 having been stolen, it shall be a valid defense to an allegation of  
25 liability for a violation of subdivision (b), (d), (f) or (g) of section  
26 eleven hundred eighty of this article pursuant to this section that the  
27 vehicle or the number plate or plates of such vehicle had been reported  
28 to the police as stolen prior to the time the violation occurred and had  
29 not been recovered by such time. For purposes of asserting the defense  
30 provided by this subdivision, it shall be sufficient that a certified  
31 copy of the police report on the stolen vehicle or number plate or  
32 plates of such vehicle be sent by first class mail to the traffic  
33 violations bureau, court having jurisdiction or parking violations  
34 bureau.

35 (j) 1. Where the adjudication of liability imposed upon owners pursu-  
36 ant to this section is by a traffic violations bureau or a court having  
37 jurisdiction, an owner who is a lessor of a vehicle to which a notice of  
38 liability was issued pursuant to subdivision (g) of this section shall  
39 not be liable for the violation of subdivision (b), (d), (f) or (g) of  
40 section eleven hundred eighty of this article pursuant to this section,  
41 provided that he or she sends to the traffic violations bureau or court  
42 having jurisdiction a copy of the rental, lease or other such contract  
43 document covering such vehicle on the date of the violation, with the  
44 name and address of the lessee clearly legible, within thirty-seven days  
45 after receiving notice from the bureau or court of the date and time of  
46 such violation, together with the other information contained in the  
47 original notice of liability. Failure to send such information within  
48 such thirty-seven day time period shall render the owner liable for the  
49 penalty prescribed by this section. Where the lessor complies with the  
50 provisions of this paragraph, the lessee of such vehicle on the date of  
51 such violation shall be deemed to be the owner of such vehicle for  
52 purposes of this section, shall be subject to liability for the  
53 violation of subdivision (b), (d), (f) or (g) of section eleven hundred  
54 eighty of this article pursuant to this section and shall be sent a  
55 notice of liability pursuant to subdivision (g) of this section.

2. (i) In a city which, by local law, has authorized the adjudication of liability imposed upon owners by this section by a parking violations bureau, an owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to subdivision (g) of this section shall not be liable for the violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article, provided that:

(A) prior to the violation, the lessor has filed with the bureau in accordance with the provisions of section two hundred thirty-nine of this chapter; and

(B) within thirty-seven days after receiving notice from the bureau of the date and time of a liability, together with the other information contained in the original notice of liability, the lessor submits to the bureau the correct name and address of the lessee of the vehicle identified in the notice of liability at the time of such violation, together with such other additional information contained in the rental, lease or other contract document, as may be reasonably required by the bureau pursuant to regulations that may be promulgated for such purpose.

(ii) Failure to comply with clause (B) of subparagraph (i) of this paragraph shall render the owner liable for the penalty prescribed in this section.

(iii) Where the lessor complies with the provisions of this paragraph, the lessee of such vehicle on the date of such violation shall be deemed to be the owner of such vehicle for purposes of this section, shall be subject to liability for such violation pursuant to this section and shall be sent a notice of liability pursuant to subdivision (g) of this section.

(k) 1. If the owner liable for a violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article pursuant to this section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

2. Notwithstanding any other provision of this section, no owner of a vehicle shall be subject to a monetary fine imposed pursuant to this section if the operator of such vehicle was operating such vehicle without the consent of the owner at the time such operator operated such vehicle in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article. For purposes of this subdivision there shall be a presumption that the operator of such vehicle was operating such vehicle with the consent of the owner at the time such operator operated such vehicle in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article.

(l) Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article.

(m) If the commissioner or chair adopts a demonstration program pursuant to subdivision (a) of this section the commissioner or chair, as applicable, shall conduct a study and submit a report on the results of the use of photo devices to the governor, the temporary president of the senate and the speaker of the assembly on or before June first, two thousand twenty-one and on the same date in each succeeding year in which the demonstration program is operable. Such report shall include:

1. the locations where and dates when photo speed violation monitoring systems were used;

2. the aggregate number, type and severity of crashes, fatalities, injuries and property damage reported within all highway construction or maintenance work areas on controlled-access highways under the jurisdic-

tion of the commissioner or on the thruway, to the extent the information is maintained by the commissioner, chair or the department of motor vehicles of this state;

3. the aggregate number, type and severity of crashes, fatalities, injuries and property damage reported within highway construction or maintenance work areas where photo speed violation monitoring systems were used, to the extent the information is maintained by the commissioner, chair or the department of motor vehicles of this state;

4. the number of violations recorded within all highway construction or maintenance work areas on controlled-access highways under the jurisdiction of the commissioner or on the thruway, in the aggregate on a daily, weekly and monthly basis to the extent the information is maintained by the commissioner, chair or the department of motor vehicles of this state;

5. the number of violations recorded within each highway construction or maintenance work area where a photo speed violation monitoring system is used, in the aggregate on a daily, weekly and monthly basis;

6. to the extent the information is maintained by the commissioner, chair or the department of motor vehicles of this state, the number of violations recorded within all highway construction or maintenance work areas on controlled-access highways under the jurisdiction of the commissioner or on the thruway that were:

(i) more than ten but not more than twenty miles per hour over the posted speed limit;

(ii) more than twenty but not more than thirty miles per hour over the posted speed limit;

(iii) more than thirty but not more than forty miles per hour over the posted speed limit; and

(iv) more than forty miles per hour over the posted speed limit;

7. the number of violations recorded within each highway construction or maintenance work area where a photo speed violation monitoring system is used that were:

(iii) more than thirty but not more than forty miles per hour over the posted speed limit; and

(iv) more than forty miles per hour over the posted speed limit;

8. the total number of notices of liability issued for violations recorded by such systems;

9. the number of fines and total amount of fines paid after the first notice of liability issued for violations recorded by such systems, to the extent the information is maintained by the commissioner, chair or the department of motor vehicles of this state;

4 (n) It shall be a defense to any prosecution for a violation of subdivi-  
5 vision (b), (d), (f) or (g) of section eleven hundred eighty of this  
6 article pursuant to this section that such photo speed violation moni-  
7 toring system was malfunctioning at the time of the alleged violation.
