53 install photo speed violation monitoring systems within no more than ten  
54 highway construction or maintenance work areas located on the thruway  
55 and to operate such systems within such work areas (iii) when highway  
56 construction or maintenance work is occurring and a work area speed

1 limit is in effect as provided in paragraph two of subdivision (d) or  
2 subdivision (f) of section eleven hundred eighty of this article or (iv)  
3 when highway construction or maintenance work is occurring and other  
4 speed limits are in effect as provided in subdivision (b) or (g) or

7 division of state police, shall determine the location of the highway  
8 construction or maintenance work areas located on the thruway in which  
9 to install and operate photo speed violation monitoring systems. In  
10 selecting a highway construction or maintenance work area in which to  
11 install and operate a photo speed violation monitoring system, the chair  
12 shall consider criteria including, but not limited to, the speed data,  
13 crash history, and roadway geometry applicable to such highway

20 paragraph five of this subdivision. The commissioner or chair, as appli-  
21 cable, shall install signs giving notice that a photo speed violation  
22 monitoring system is in use, in conformance with standards established

27 set-up log for each such system that he or she operates that (i) states  
28 the date and time when, and the location where, the system was set up  
29 that day, and (ii) states that such operator successfully performed, and  
30 the system passed, the self-tests of such system before producing a  
31 recorded image that day. The commissioner or the chair, as applicable,  
32 shall retain each such daily log until the later of the date on which  
33 the photo speed violation monitoring system to which it applies has been  
34 permanently removed from use or the final resolution of all cases  
35 involving notices of liability issued based on photographs, microphoto-  
36 graphs, video or other recorded images produced by such system.

37 5. Each photo speed violation monitoring system shall undergo an annu-  
38 al calibration check performed by an independent calibration laboratory  
39 which shall issue a signed certificate of calibration. The commissioner  
40 or the chair, as applicable, shall keep each such annual certificate of  
41 calibration on file until the final resolution of all cases involving a  
42 notice of liability issued during such year which were based on photo-

49 driver, the passengers, or the contents of the vehicle. Provided, howev-  
50 er, that no notice of liability issued pursuant to this section shall be  
51 dismissed solely because such a photograph, microphotograph, videotape  
52 or other recorded image allows for the identification of the driver, the  
53 passengers, or the contents of vehicles where the commissioner or the  
54 chair, as applicable, shows that they made reasonable efforts to comply  
55 with the provisions of this paragraph in such case.

(ii) Photographs, microphotographs, videotape or any other recorded image from a photo speed violation monitoring system shall be for the exclusive use of the commissioner or the chair, as applicable, for the purpose of the adjudication of liability imposed pursuant to this section and of the owner receiving a notice of liability pursuant to this section, and shall be destroyed by the commissioner or chair, as applicable, upon the final resolution of the notice of liability to which such photographs, microphotographs, videotape or other recorded images relate, or one year following the date of issuance of such notice of liability, whichever is later. (2) shall be furnished in response to a subpoena duces tecum signed by a judge of competent jurisdiction and issued pursuant to article six hundred ten of the criminal procedure law or a judge or magistrate of a federal court authorized to issue such a subpoena duces tecum under federal law, where the judge finds and the subpoena states that there is reasonable cause to believe such information is relevant and material to the prosecution, or the defense, or the investigation by an authorized law enforcement official, of the alleged commission of a misdemeanor or felony in this state or another state, provided, however, that if such offense was against the laws of another state, such judge or magistrate shall only issue such subpoena if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony in this state; and

(3) may, if lawfully obtained pursuant to this clause and clause (A) of this subparagraph and otherwise admissible, be used in such criminal action or proceeding.

(b) If the commissioner or chair establishes a demonstration program pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such

20 person upon whom such liability is imposed nor shall it be used for  
21 insurance purposes in the provision of motor vehicle insurance coverage.

22 (g) 1. A notice of liability shall be sent by first class mail to each  
23 person alleged to be liable as an owner for a violation of subdivision  
24 (b), (d), (f) or (g) of section eleven hundred eighty of this article

55 has established an administrative tribunal to hear and determine  
56 complaints of traffic infractions constituting parking, standing or

1 stopping violations such city may, by local law, authorize such adjudication by such tribunal.

2  
3 (i) If an owner receives a notice of liability pursuant to this  
4 section for any time period during which the vehicle or the number plate  
5 or plates of such vehicle was reported to the police department as  
6 having been stolen, it shall be a valid defense to an allegation of  
7 liability for a violation of subdivision (b), (d), (f) or (g) of section  
8 eleven hundred eighty of this article pursuant to this section that the  
9 vehicle or the number plate or plates of such vehicle had been reported  
10 to the police as stolen prior to the time the violation occurred and had  
11 not been recovered by such time. For purposes of asserting the defense  
12 provided by this subdivision, it shall be sufficient that a certified  
13 copy of the police report on the stolen vehicle or number plate or  
14 plates of such vehicle be sent by first class mail to the traffic  
15 violations bureau, court having jurisdiction or parking violations  
16 bureau.

17 (j) 1. Where the adjudication of liability imposed upon owners pursu-  
18 ant to this section is by a traffic violations bureau or a court having  
19 jurisdiction, an owner who is a lessor of a vehicle to which a notice of  
20 liability was issued pursuant to subdivision (g) of this section shall  
21 not be liable for the violation of subdivision (b), (d), (f) or (g) of  
22 section eleven hundred eighty of this article pursuant to this section,  
23 provided that he or she sends to the traffic violations bureau or court  
24 having jurisdiction a copy of the rental, lease or other such contract  
25 document covering such vehicle on the date of the violation, with the  
26 name and address of the lessee clearly legible, within thirty-seven days  
27 after receiving notice from the bureau or court of the date and time of  
28 such violation, together with the other information contained in the  
29 original notice of liability. Failure to send such information within  
30 such thirty-seven day time period shall render the owner liable for the  
31 penalty prescribed by this section. Where the lessor complies with the  
32 provisions of this paragraph, the lessee of such vehicle on the date of  
33 such violation shall be deemed to be the owner of such vehicle for  
34 purposes of this section, shall be subject to liability for the  
35 violation of subdivision (b), (d), (f) or (g) of section eleven hundred  
36 eighty of this article pursuant to this section and shall be sent a  
37 notice of liability pursuant to subdivision (g) of this section.

38 2. (i) In a city which, by local law, has authorized the adjudication  
39 of liability imposed upon owners by this section by a parking violations  
40 bureau, an owner who is a lessor of a vehicle to which a notice of  
41 liability was issued pursuant to subdivision (g) of this section shall  
42 not be liable for the violation of subdivision (b), (d), (f) or (g) of  
43 section eleven hundred eighty of this article, provided that:

44 (A) prior to the violation, the lessor has filed with the bureau in  
45 accordance with the provisions of section two hundred thirty-nine of  
46 this chapter; and

47 (B) within thirty-seven days after receiving notice from the bureau of  
48 the date and time of a liability, together with the other information  
49 contained in the original notice of liability, the lessor submits to the  
50 bureau the correct name and address of the lessee of the vehicle identi-  
51 fied in the notice of liability at the time of such violation, together  
52 with such other additional information contained in the rental, lease or  
53 other contract document, as may be reasonably required by the bureau  
54 pursuant to regulations that may be promulgated for such purpose.

1 (ii) Failure to comply with clause (B) of subparagraph (i) of this  
2 paragraph shall render the owner liable for the penalty prescribed in  
3 this section.

4 (iii) Where the lessor complies with the provisions of this paragraph,  
5 the lessee of such vehicle on the date of such violation shall be deemed  
6 to be the owner of such vehicle for purposes of this section, shall be  
7 subject to liability for such violation pursuant to this section and  
8 shall be sent a notice of liability pursuant to subdivision (g) of this  
9 section.

10 (k) 1. If the owner liable for a violation of subdivision (b), (d),  
11 (f) or (g) of section eleven hundred eighty of this article pursuant to  
12 this section was not the operator of the vehicle at the time of the  
13 violation, the owner may maintain an action for indemnification against  
14 the operator.

15 2. Notwithstanding any other provision of this section, no owner of a  
16 vehicle shall be subject to a monetary fine imposed pursuant to this  
17 section if the operator of such vehicle was operating such vehicle with-  
18 out the consent of the owner at the time such operator operated such  
19 vehicle in violation of subdivision (b), (d), (f) or (g) of section  
20 eleven hundred eighty of this article. For purposes of this subdivision  
21 there shall be a presumption that the operator of such vehicle was oper-  
22 ating such vehicle with the consent of the owner at the time such opera-  
23 tor operated such vehicle in violation of subdivision (b), (d), (f) or  
24 (g) of section eleven hundred eighty of this article.

25 (l) Nothing in this section shall be construed to limit the liability  
26 of an operator of a vehicle for any violation of subdivision (b), (d),  
27 (f) or (g) of section eleven hundred eighty of this article.

28 (m) If the commissioner or chair adopts a demonstration program pursu-
