## IN SENATE

February 9, 2021

Introduced by Sens. STEC, SERINO -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to requiring the department of health to publish and update COVID-19 vaccination distribution data on its website on a weekly basis

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section  
2 206-c to read as follows:

3 § 206-c. Special requirements with respect to COVID-19 vaccine  
4 distribution data. 1. For purposes of this section, the following terms  
5 shall have the following meanings:

6 (a) "Distribution phase" shall mean the phase of eligibility of the  
7 recipient for the COVID-19 vaccine as provided for in the New York state  
8 COVID-19 vaccination program.

9 (b) "Eligible recipient" shall mean an individual qualified to receive  
10 the COVID-19 vaccine under the New York state COVID-19 vaccination  
11 distribution program.

12 (c) "Pharmacy Partnership for Long-Term Care Program" shall mean the  
13 federal Centers for Disease Control's program to provide on-site COVID-  
14 19 vaccination to residents and staff of long-term care facilities.

15 2. The commissioner shall compile and post on the department's website  
16 in a conspicuous location and in a format capable of download in a  
17 spreadsheet format, the following data on a weekly basis:

18 (a) the total number of COVID-19 vaccines allocated to New York state  
19 by the federal government;

20 (b) the total number of COVID-19 vaccines requested by New York state  
21 from the federal government;

22 (c) the total number of COVID-19 vaccines received by New York state  
23 from the federal government;
