Alterations to the configuration of any such units shall be permitted and shall comply with any applicable requirements of any state law, local law, ordinance, resolution or regulation relating to Class B hotels. If occupancy for permanent residence purposes is authorized under the provisions of this subdivision within a district where the local zoning regulations or ordinances would not otherwise permit such use, the residential tenants shall be notified of the district's zoning.

b. Occupancy of units in a dwelling shall not be authorized under the provisions of paragraph a of this subdivision unless such units are (1) financed by the state pursuant to and in compliance with the provisions of article thirty-one of the private housing finance law; or (2) purchased, acquired, or financed by a local housing agency, for the purpose of creating supportive and/or affordable housing to be operated by an appropriate nonprofit organization pursuant to a regulatory agreement or contract with such local agency for low-income households or people experiencing homelessness immediately prior to entering such housing, where tenants shall pay no more than thirty percent of their income toward rent and all units are rent stabilized and subject to permanent affordability restrictions. For purposes of this paragraph, "appropriate nonprofit organization", "affordable housing", "experiencing homelessness", "rent stabilized", and "permanent affordability restrictions" shall have the same meaning as defined in article thirty-one of the private housing finance law.

§ 2. This act shall take effect immediately.
