STATE OF NEW YORK

2021-2022 Regular Sessions

IN SENATE

March 8, 2021

- Introduced by Sens. RIVERA, RAMOS, ADDABBO, BAILEY, BENJAMIN, BIAGGI, BRESLIN, BRISPORT, BROUK, COMRIE, COONEY, GIANARIS, GOUNARDES, HARCK-HAM, HINCHEY, HOYLMAN, JACKSON, KAVANAGH, KENNEDY, KRUEGER, LIU, MAY, MAYER, MYRIE, PARKER, PERSAUD, REICHLIN-MELNICK, SALAZAR, SANDERS, SEPULVEDA, SERRANO, STAVISKY, THOMAS -- read twice and ordered printed, and when printed to be committed to the Committee on Health
- AN ACT to amend the public health law and the state finance law, in relation to enacting the "New York health act" and establishing New York Health

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as
 the "New York health act".

3 § 2. Legislative findings and intent. 1. The state constitution states: "The protection and promotion of the health of the inhabitants 4 5 of the state are matters of public concern and provision therefor shall be made by the state and by such of its subdivisions and in such manner, 6 and by such means as the legislature shall from time to time determine." 7 8 (Article XVII, §3.) The legislature finds and declares that all resi-9 dents of the state have the right to health care. While the federal 10 Affordable Care Act brought many improvements in health care and health coverage, it still leaves many New Yorkers without coverage or with 11 inadequate coverage. Millions of New Yorkers do not get the health care 12 they need or face financial obstacles and hardships to get it. That is 13 not acceptable. There is no plan other than the New York health act 14 15 that will enable New York state to meet that need. New Yorkers - as 16 individuals, employers, and taxpayers - have experienced a rise in the 17 cost of health care and coverage in recent years, including rising 18 premiums, deductibles and co-pays, restricted provider networks and high 19 out-of-network charges. Many New Yorkers go without health care because 20 they cannot afford it or suffer financial hardship to get it. Busi-

1 nesses have also experienced increases in the costs of health care benefits for their employees, and many employers are shifting a larger share 2 3 of the cost of coverage to their employees or dropping coverage entire-4 ly. Including long-term services and supports (LTSS) in New York Health 5 is a major step forward for older adults, people with disabilities, and б their families. Older adults and people with disabilities often cannot 7 receive the services necessary to stay in the community or other LTSS. 8 Even when older adults and people with disabilities receive LTSS, espe-9 cially services in the community, it is often at the cost of unreason-10 able demands on unpaid family caregivers, depleting their own or family 11 resources, or impoverishing themselves to qualify for public coverage. Health care providers are also affected by inadequate health coverage in 12 13 New York state. A large portion of hospitals, health centers and other 14 providers now experience substantial losses due to the provision of care 15 Medicaid and Medicare often do not pay rates that is uncompensated. 16 that are reasonably related to the cost of efficiently providing health 17 care services and sufficient to assure an adequate and accessible supply of health care services, as guaranteed under the New York Health Act. 18 Individuals often find that they are deprived of affordable care and 19 20 choice because of decisions by health plans guided by the plan's econom-21 interests rather than the individual's health care needs. To address ic the fiscal crisis facing the health care system and the state and to 22 assure New Yorkers can exercise their right to health care, affordable 23 and comprehensive health coverage must be provided. Pursuant to the 24 25 state constitution's charge to the legislature to provide for the health 26 of New Yorkers, this legislation is an enactment of state concern for 27 the purpose of establishing a comprehensive universal guaranteed health care coverage program and a health care cost control system for the 28 29 benefit of all residents of the state of New York.

30 2. (a) It is the intent of the Legislature to create the New York 31 Health program to provide a universal single payer health plan for every 32 New Yorker, funded by broad-based revenue based on ability to pay. The 33 legislature intends that federal waivers and approvals be sought where 34 they will improve the administration of the New York Health program, but 35 the legislature intends that the program be implemented even in the 36 absence of such waivers or approvals. The state shall work to obtain 37 waivers and other approvals relating to Medicaid, Child Health Plus, 38 Medicare, the Affordable Care Act, and any other appropriate federal programs, under which federal funds and other subsidies that would 39 40 otherwise be paid to New York State, New Yorkers, and health care 41 providers for health coverage that will be equaled or exceeded by New 42 York Health will be paid by the federal government to New York State and 43 deposited in the New York Health trust fund, or paid to health care providers and individuals in combination with New York Health trust fund 44 45 payments, and for other program modifications (including elimination of 46 cost sharing and insurance premiums). Under such waivers and approvals, 47 health coverage under those programs will, to the maximum extent possible, be replaced and merged into New York Health, which will operate as 48 49 a true single-payer program.

50 (b) If any necessary waiver or approval is not obtained, the state 51 shall use state plan amendments and seek waivers and approvals to maxi-52 mize, and make as seamless as possible, the use of federally-matched 53 health programs and federal health programs in New York Health. Thus, 54 even where other programs such as Medicaid or Medicare may contribute to 55 paying for care, it is the goal of this legislation that the coverage 56 will be delivered by New York Health and, as much as possible, the 1 multiple sources of funding will be pooled with other New York Health 2 funds and not be apparent to New York Health members or participating 3 providers.

4 (c) This program will promote movement away from fee-for-service 5 payment, which tends to reward quantity and requires excessive adminis-6 trative expense, and towards alternate payment methodologies, such as 7 global or capitated payments to providers or health care organizations, 8 that promote quality, efficiency, investment in primary and preventive 9 care, and innovation and integration in the organizing of health care.

10 (d) The program shall promote the use of clinical data to improve the 11 quality of health care and public health, consistent with protection of patient confidentiality. The program shall maximize patient autonomy in 12 13 choice of health care providers and health care decision making. Care 14 coordination within the program shall ensure management and coordination 15 among a patient's health care services, consistent with patient autonomy 16 and person-centered service planning, rather than acting as a gatekeeper 17 to needed services.

(e) The program shall operate with care, skill, prudence, diligence,
and professionalism, and for the best interests primarily of the members
and health care providers.

3. This act does not create or relate to any employment benefit or employment benefit plan, nor does it require, prohibit, or limit the providing of any employment benefit or employment benefit plan.

24 4. In order to promote improved quality of, and access to, health care 25 services and promote improved clinical outcomes, it is the policy of the 26 state to encourage cooperative, collaborative and integrative arrange-27 ments among health care providers who might otherwise be competitors, under the active supervision of the commissioner of health. It is the 28 29 intent of the state to supplant competition with such arrangements and 30 regulation only to the extent necessary to accomplish the purposes of 31 this act, and to provide state action immunity under the state and federal antitrust laws to health care providers, particularly with 32 33 respect to their relations with the single-payer New York Health plan 34 created by this act.

35 There have been numerous professional economic analyses of state 5. 36 and national single-payer health proposals, including the New York 37 Health Act, by noted consulting firms and academic economists. They have 38 almost all come to similar conclusions of net savings in the cost of health coverage and health care. These savings are driven by (a) elimi-39 nating the administrative bureaucracy costs, marketing, and profit of 40 41 multiple health plans and replacing that with the dramatically lower 42 costs of running a single-payer system; (b) substantially reducing the 43 administrative costs borne by health care providers dealing with those 44 health plans; and (c) using the negotiating power of 20 million consum-45 ers to achieve lower drug prices. These savings will more than offset 46 costs primarily from (a) relieving patients of deductibles, co-pays, and 47 out-of-network charges; (b) covering the uninsured; (c) increasing provider payment rates above Medicare and Medicaid rates; and (d) 48 replacing uncompensated home health care with paid care. Unlike premiums 49 50 and out-of-pocket spending, the New York Health Act tax will be progres-51 sively graduated based on ability to pay. The vast majority of New 52 Yorkers today spend dramatically more in premiums, deductibles and other 53 out-of-pocket costs than they will in New York Health Act taxes. They 54 will have broader coverage (including long-term care), no restricted 55 provider networks or out-of-network charges, and no deductibles or 56 co-pays.

1	§ 3. Article 50 and sections 5000, 5001, 5002 and 5003 of the public
2	health law are renumbered article 80 and sections 8000, 8001, 8002 and
3	8003, respectively, and a new article 51 is added to read as follows:
4	ARTICLE 51
5	NEW YORK HEALTH
б	Section 5100. Definitions.
7	5101. Program created.
8	5102. Board of trustees.
9	5103. Eligibility and enrollment.
10	5104. Benefits.
11	5105. Health care providers; care coordination; payment method-
12	ologies.

15	5108. Regulations.
16	5109. Provisions relating to federal health programs.
17	5110. Additional provisions.
18	5111. Regional advisory councils.
19	§ 5100. Definitions. As used in this article, the following terms
20	shall have the following meanings, unless the context clearly requires
21	<u>otherwise:</u>
22	<u>1. "Board" means the board of trustees of the New York Health program</u>
23	<u>created by section fifty-one hundred two of this article, and "trustee"</u>
24	means a trustee of the board.
25	2. "Care coordination" means, but is not limited to, managing, refer-
26	ring to, locating, coordinating, and monitoring health care services for
27	the member to assure that all medically necessary health care services
28	are made available to and are effectively used by the member in a timely
29	manner, consistent with patient autonomy. Care coordination does not
30	include a requirement for prior authorization for health care services
31	or for referral for a member to receive a health care service.
32	3. "Care coordinator" means an individual or entity approved to
33	provide care coordination under subdivision two of section fifty-one
34	hundred five of this article.
35	4. "Federally-matched public health program" means the medical assist-
36	ance program under title eleven of article five of the social services
37	law, the basic health program under section three hundred sixty-nine-qq
38	of the social services law, and the child health plus program under
	title one-A of article twenty-five of this chapter.
39	
40	5. "Health care organization" means an entity that is approved by the
41	commissioner under section fifty-one hundred six of this article to
42	provide health care services to members under the program.
43	6. "Health care provider" means any individual or entity legally
44	authorized to provide a health care service under Medicaid or Medicare
45	or this article. "Health care professional" means a health care provider
46	that is an individual licensed, certified, registered or otherwise
47	authorized to practice under title eight of the education law to provide
48	such health care service, acting within his or her lawful scope of prac-
49	<u>tice.</u>
50	7. "Health care service" means any health care service, including care
51	coordination, included as a benefit under the program.
52	8. "Implementation period" means the period under subdivision three of
53	section fifty-one hundred one of this article during which the program
54	will be subject to special eligibility and financing provisions until it
55	is fully implemented under that section.

1 "Medicaid" or "medical assistance" means title eleven of article 9. five of the social services law and the program thereunder. 2 "Child 3 health plus" means title one-A of article twenty-five of this chapter 4 and the program thereunder. "Medicare" means title XVIII of the federal 5 social security act and the programs thereunder. "Affordable care act" б means the federal patient protection and affordable care act, public law 7 111-148, as amended by the health care and education reconciliation act 8 of 2010, public law 111-152, and as otherwise amended and any regu-9 lations or guidance issued thereunder. "Basic health program" means section three hundred sixty-nine-gg of the social services law and the 10 program thereunder. 11 12 10. "Member" means an individual who is enrolled in the program. 11. "New York Health", "New York Health program", and "program" 13 mean 14 the New York Health program created by section fifty-one hundred one of this article. 15 16 12. "New York Health trust fund" means the New York Health trust fund established under section eighty-nine-j of the state finance law. 17 13. "Out-of-state health care service" means a health care service 18 19 provided to a member while the member is temporarily out of the state 20 and (a) it is medically necessary that the health care service be 21 provided while the member is out of the state, or (b) it is clinically appropriate that the health care service be provided by a particular 22 health care provider located out of the state rather than in the state. 23 However, any health care service provided to a New York Health enrollee 24 25 by a health care provider qualified under paragraph (a) of subdivision 26 three of section fifty-one hundred five of this article that is located 27 outside the state shall not be considered an out-of-state service and shall be covered as otherwise provided in this article. 28 29 14. "Participating provider" means any individual or entity that is a 30 health care provider qualified under subdivision three of section 31 fifty-one hundred five of this article that provides health care services to members under the program, or a health care organization. 32 33 15. "Person" means any individual or natural person, trust, partnership, association, unincorporated association, corporation, company, 34 35 limited liability company, proprietorship, joint venture, firm, joint stock association, department, agency, authority, or other legal entity, 36 37 whether for-profit, not-for-profit or governmental. 38 16. "Prescription and non-prescription drugs" means prescription drugs 39 as defined in section two hundred seventy of this chapter, and non-prescription smoking cessation products or devices. 40 41 17. "Resident" means an individual whose primary place of abode is in 42 the state or, in the case of an individual whose primary place of abode 43 is not in the state, who is employed or self-employed full-time in the 44 state, without regard to the individual's immigration status, as deter-45 mined according to regulations of the commissioner. Such regulations 46 shall include a process for appealing denials of residency. 47 § 5101. Program created. 1. The New York Health program is hereby created in the department. The commissioner shall establish and imple-48 ment the program under this article. The program shall provide compre-49 hensive health coverage to every resident who enrolls in the program. 50 51 2. The commissioner shall, to the maximum extent possible, organize, 52 administer and market the program and services as a single program under the name "New York Health" or such other name as the commissioner shall 53 54 determine, regardless of under which law or source the definition of a benefit is found including (on a voluntary basis) retiree health bene-55 56 fits. In implementing this article, the commissioner shall avoid jeop-

1	ardizing federal financial participation in these programs and shall
2	take care to promote public understanding and awareness of available
3	benefits and programs.
4	3. The commissioner shall determine when individuals may begin enroll-
5	ing in the program. There shall be an implementation period, which shall
б	begin on the date that individuals may begin enrolling in the program
7	and shall end as determined by the commissioner. Individuals may not
8	enroll in the New York Health program until the legislature has enacted
9	the revenue proposal, as amended, and as the legislature shall further
10	provide.
11	4. An insurer authorized to provide coverage pursuant to the insurance
12	law or a health maintenance organization certified under this chapter
13	may, if otherwise authorized, offer benefits that do not cover any
14	service for which coverage is offered to individuals under the program,
15	but may not offer benefits that cover any service for which coverage is
16	offered to individuals under the program. Provided, however, that this
17	subdivision shall not prohibit (a) the offering of any benefits to or
18	for individuals, including their families, who are employed or self-em-
19	ployed in the state but who are not residents of the state, or (b) the
20	offering of benefits during the implementation period to individuals who
21	enrolled or may enroll as members of the program, or (c) the offering of
22	retiree health benefits.
23	5. A college, university or other institution of higher education in
24	the state may purchase coverage under the program for any student, or
25	student's dependent, who is not a resident of the state.
26	6. To the extent any provision of this chapter, the social services
27	law, the insurance law or the elder law:
28	(a) is inconsistent with any provision of this article or the legisla-
29	tive intent of the New York Health Act, this article shall apply and
30	prevail, except where explicitly provided otherwise by this article; or
31	explicitly required by applicable federal law or regulations and
32	(b) is consistent with the provisions of this article and the legisla-
33	tive intent of the New York Health Act, the provision of that law shall
34	apply.
35	7. (a) (i) The program shall be deemed to be a health care plan for
36	purposes of external appeal under article forty-nine of this chapter
37	(referred to in this subdivision as "article forty-nine"), subject to
38	this subdivision and any other applicable provision of this article.
39	(ii) An external appeal shall not require utilization review or an
40	adverse determination under title one of article forty-nine of this
41	chapter. Any reference in article forty-nine to utilization review or a
42	universal review agent shall mean the program. Where the program makes
43	an adverse determination, an external appeal shall be automatic unless
44	specifically waived or withdrawn by the member or the member's designee.
45	Services, including services provided for a chronic condition, will
46	continue unchanged until the outcome of the external appeal decision is
47 40	issued. Where an external appeal is initiated or pursued by the patient's health care provider, the provider shall notify the member or
48	the member's designee, and it shall be subject to the member's or
49 50	member's designee's right to waive or withdraw the external appeal. No
51 52	fee shall be required to be paid by any party to an external appeal, including the member's health care provider.
5∠ 53	(iii) Where an external appeal is denied, the external appeal agent
53 54	shall notify the member or the member's designee and, where appropriate,
54 55	the member's health care provider, within two business days of the
55 56	determination. The notice shall include a statement that the member,
50	decermination. The notice phair include a statement that the member,

1	members designed on health gave mension has the wight to encode the
1	member's designee or health care provider has the right to appeal the
2	determination to a fair hearing under this subdivision and seek judicial
3	review.
4	(iv) An enrollee may designate a person or entity, including, but not
5	limited to, the enrollee's family member, care coordinator, a health
6	care organization providing the service under review or appeal, or a
7	labor union or an entity affiliated with and designated by a labor union
8	of which the enrollee or enrollee's family member is a member, to serve
9	as the enrollee's designee for purposes of that article, if the person
10	or entity agrees to be the designee.
11	(b) (i) This paragraph applies where an external appeal is denied in
12	whole or in part; or the program denies coverage for a health care
13	service on any grounds other than under article forty-nine; or the
14	program makes any other determination as to a member or individual seek-
15	ing to become a member, contrary to the interest of the member or indi-
16	vidual (including but not limited to a denial of eligibility for lack of
17	residence).
18	
19	designee or health care provider, as appropriate, that the person has
20	the right to appeal the determination to a fair hearing under this
21	<u>subdivision or seek judicial review.</u>
22	(iii) The commissioner shall establish by regulation a process for
23	fair hearings under this subdivision. The process shall at a minimum
24	conform to the standards for fair hearings under section twenty-two of
25	the social services law.
26	(c) Article seventy-eight of the civil practice law and rules shall
27	apply to any matter under this article.
28	8. (a) No member shall be required to receive any health care service
29	through any entity organized, certified or operating under guidelines
30	under article forty-four of this chapter, or specified under section
31	three hundred sixty-four-j of the social services law, the insurance law
32	or the elder law. No such entity shall receive payment for health care
33	services (other than care coordination) from the program.
34	(b) However, this subdivision shall not preclude the use of a Medicare
35	managed care ("Medicare advantage") entity or other entity created by or
36	under the direction of the program where reasonably necessary to maxi-
37	mize federal financial participation or other federal financial support
38	under any federally-matched public health program, Medicare or the
39	Affordable Care Act. Any entity under this paragraph shall, to the maxi-
40	mum extent feasible, operate in the background, without burden on or
41	interference with the member and health care provider, without depriving
42	the member or health care provider of any right or benefit under the
43	program and otherwise consistent with this article.
44	9. The program shall include provisions for an appropriate reserve
45	fund.
46	10. (a) This subdivision applies to every person who is a retiree of a
47	public employer, as defined in section two hundred one of the civil
48	service law, and any person who is a beneficiary of the retiree's public
49	employee retiree health benefit. Any reference to the retiree shall mean
50	and include any beneficiary of the retiree. This subdivision does not
51	create or increase any eligibility for any public employee retiree
	health benefit that would not otherwise exist and does not diminish any
52	
53	public employee retiree health benefit.
54	(b) This paragraph applies to the retiree while he or she is a resi-
55	dent of New York state. The retiree shall enroll in the program. If, by
56	the implementation date, the retiree has not enrolled in the program.

the appropriate public employee retiree health benefit program and the 1 2 commissioner shall enroll the retiree in the New York Health program. If 3 the retiree's public employee retiree health benefit includes any 4 service for which coverage is not offered under the New York Health 5 program, the retiree shall continue to receive that benefit from the б appropriate public employee retiree health benefit program. 7 (c) For every retiree, while he or she is not a resident of New York 8 state, the appropriate public employee retiree health benefit program 9 shall maintain the retiree's public employee retiree health benefit as 10 if this article had not been enacted. 11 § 5102. Board of trustees. 1. The New York Health board of trustees is hereby created in the department. The board of trustees shall, at the 12 13 request of the commissioner, consider any matter to effectuate the 14 provisions and purposes of this article, and may advise the commissioner thereon; and it may, from time to time, submit to the commissioner any 15 16 recommendations to effectuate the provisions and purposes of this article. The commissioner may propose regulations under this article and 17 amendments thereto for consideration by the board. The board of trustees 18 19 shall have no executive, administrative or appointive duties except as 20 otherwise provided by law. The board of trustees shall have power to 21 establish, and from time to time, amend regulations to effectuate the provisions and purposes of this article, subject to approval by the 22 23 commissioner. 24 2. The board shall be composed of: (a) the commissioner, the superintendent of financial services, and 25 26 the director of the budget, or their designees, as ex officio members: 27 (b) thirty-one trustees appointed by the governor; 28 (i) six of whom shall be representatives of health care consumer advo-29 cacy organizations which have a statewide or regional constituency, who have been involved in issues of interest to low- and moderate-income 30 31 individuals, older adults, and people with disabilities; at least three 32 of whom shall represent organizations led by consumers in those groups; 33 (ii) three of whom shall be representatives of professional organiza-34 tions representing physicians; 35 (iii) five of whom shall be representatives of professional organizations representing licensed or registered health care professionals 36 37 other than physicians; 38 (iv) three of whom shall be representatives of general hospitals, one 39 of whom shall be a representative of public general hospitals; 40 (v) one of whom shall be a representative of community health centers; (vi) two of whom shall be representatives of rehabilitation or home 41 42 care providers; 43 (vii) two of whom shall be representatives of behavioral or mental 44 health or disability service providers; 45 (viii) two of whom shall be representatives of health care organiza-46 tions; 47 (ix) three of whom shall be representatives of organized labor; 48 (x) two of whom shall have demonstrated expertise in health care 49 finance; and 50 (xi) two of whom shall be employers or representatives of employers 51 who pay the payroll tax under this article, or, prior to the tax becoming effective, will pay the tax; and 52 53 (c) fourteen trustees appointed by the governor; five of whom to be 54 appointed on the recommendation of the speaker of the assembly; five of 55 whom to be appointed on the recommendation of the temporary president of the senate; two of whom to be appointed on the recommendation of the 56

1	minority leader of the assembly; and two of whom to be appointed on the
2	recommendation of the minority leader of the senate.
3	3. (a) After the end of the implementation period, no person shall be
4	<u>a trustee unless he or she is a member of the program.</u>
5	(b) Each trustee shall serve at the pleasure of the appointing offi-
б	cer, except the ex officio trustees.
7	4. The chair of the board shall be appointed, and may be removed as
8	chair, by the governor from among the trustees. The board shall meet at
9	least four times each calendar year. Meetings shall be held upon the
10	call of the chair and as provided by the board. A majority of the
11	appointed trustees shall be a quorum of the board, and the affirmative
12	vote of a majority of the trustees voting, but not less than twelve,
13	shall be necessary for any action to be taken by the board. The board
14	may establish an executive committee to exercise any powers or duties of
15	the board as it may provide, and other committees to assist the board or
16	the executive committee. The chair of the board shall chair the execu-
17	tive committee and shall appoint the chair and members of all other
18	committees. The board of trustees may appoint one or more advisory
19	committees. Members of advisory committees need not be members of the
20	board of trustees.
21	5. Trustees shall serve without compensation but shall be reimbursed
22	for their necessary and actual expenses incurred while engaged in the
23	business of the board. However, the board may provide for compensation
24	in cases where a lack of compensation would limit the ability of a trus-
25	tee or represented organization to participate in board business.
26	6. Notwithstanding any provision of law to the contrary, no officer or
27	employee of the state or any local government shall forfeit or be deemed
28	to have forfeited his or her office or employment by reason of being a
29	trustee.
30	7. The board and its committees and advisory committees may request
31	and receive the assistance of the department and any other state or
32	local governmental entity in exercising its powers and duties.
33	8. No later than two years after the effective date of this article:
34	(a) The board shall develop proposals for: (i) incorporating retiree
35	health benefits into New York Health; (ii) accommodating employer reti-
36	ree health benefits for people who have been members of New York Health
37	but live as retirees out of the state; and (iii) accommodating employer
38	retiree health benefits for people who earned or accrued such benefits
39	while residing in the state prior to the implementation of New York
40	Health and live as retirees out of the state. The board shall present
41	its proposals to the governor and the legislature.
42	(b) The board shall develop a proposal for New York Health coverage of
43	health care services covered under the workers' compensation law,
44	including whether and how to continue funding for those services under
45	that law and whether and how to incorporate an element of experience
46	rating.
47	(c) The board shall develop a proposal for New York Health coverage,
48	for members, of health care services covered under paragraph one of
40 49	subsection (a) of section fifty-one hundred two of the insurance law
49 50	relating to motor vehicle insurance reparations, including whether and
51 52	how to continue funding for those services.
52 52	(d) The board shall develop a proposal for integration of federal
53 E4	veterans health administration programs with New York Health coverage of
54 55	health care services; provided however that enrollment in or eligibility
55 56	for federal veterans health administration programs shall not affect a resident's eligibility for New York Health coverage.
	r_{PR}

1	§ 5103. Eligibility and enrollment. 1. Every resident of the state
2	shall be eligible and entitled to enroll as a member under the program.
3	2. No individual shall be required to pay any premium or other charge
4	for enrolling in or being a member under the program.
5	3. A newborn child shall be enrolled as of the date of the child's
6	birth if enrollment is done prior to the child's birth or within sixty
7 8	days after the child's birth. § 5104. Benefits. 1. The program shall provide comprehensive health
	coverage to every member, which shall include all health care services
9	required to be covered under any of the following, without regard to
10	
11	whether the member would otherwise be eligible for or covered by the program or source referred to:
12	
13	(a) child health plus;
14	(b) Medicaid, including but not limited to services provided under
15	Medicaid waiver programs, including but not limited to those granted
16	under section 1915 of the federal social security act to persons with
17	traumatic brain injuries or qualifying for nursing home diversion and
18	transition services;
19	(c) Medicare;
20	(d) article forty-four of this chapter or article thirty-two or
21	forty-three of the insurance law;
22	(e) article eleven of the civil service law, as of the date one year
23	before the beginning of the implementation period;
24	(f) any cost incurred defined in paragraph one of subsection (a) of
25	section fifty-one hundred two of the insurance law, provided that this
26	coverage shall not replace coverage under article fifty-one of the
27	insurance law;
28	(g) any additional health care service authorized to be added to the
29	program's benefits by the program; and
30	(h) provided that where any state law or regulation related to any
31	federally-matched public health program states that a benefit is contin-
32	gent on federal financial participation, or words to that effect, the
33	benefit shall be included under the New York Health program without
34 25	regard to federal financial participation.
35	2. No member shall be required to pay any premium, deductible, co-pay-
36	ment or co-insurance under the program.
37	3. The program shall provide for payment under the program for:
38 39	(a) emergency and temporary health care services provided to a member or individual entitled to become a member who has not had a reasonable
40	opportunity to become a member or to enroll with a care coordinator; and (b) health care services provided in an emergency to an individual who
41	
42 43	is entitled to become a member or enrolled with a care coordinator,
	regardless of having had an opportunity to do so. § 5105. Health care providers; care coordination; payment methodol-
44	
45	ogies. 1. Choice of health care provider. (a) Any health care provider qualified to participate under this section may provide health care
46	services under the program, provided that the health care provider is
47	otherwise legally authorized to perform the health care service for the
48	
49 50	individual and under the circumstances involved.
50 51	(b) A member may choose to receive health care services under the program from any participating provider, consistent with provisions of
51 52	this article relating to care coordination and health care organiza-
52 53	tions, the willingness or availability of the provider (subject to
	provisions of this article relating to discrimination), and the appro-
54	provisions of this afficie relating to discrimination), and the appro-

55 priate clinically-relevant circumstances.

1	2. Care coordination. (a) A care coordinator may be an individual or
2	entity that is approved by the program that is:
3	(i) a health care practitioner who is: (A) the member's primary care
4	practitioner; (B) at the option of a female member, the member's provid-
5	er of primary gynecological care; or (C) at the option of a member who
б	has a chronic condition that requires specialty care, a specialist
7	health care practitioner who regularly and continually provides treat-
8	ment for that condition to the member;
9	(ii) an entity licensed under article twenty-eight of this chapter or
10	certified under article thirty-six of this chapter, or, with respect to
11	a member who receives chronic mental health care services, an entity
12	licensed under article thirty-one of the mental hygiene law or other
13	entity approved by the commissioner in consultation with the commission-
14	er of mental health;
15	<u>(iii) a health care organization;</u>
16	(iv) a labor union or an entity affiliated with and designated by a
17	labor union of which the enrollee or enrollee's family member is a
18	member, with respect to its members and their family members; provided
19	that this provision shall not preclude such an entity from becoming a
20	care coordinator under subparagraph (v) of this paragraph or a health
21	care organization under section fifty-one hundred six of this article;
22	or
23	(v) any not-for-profit or governmental entity approved by the program.
24	(b)(i) Every member shall enroll with a care coordinator that agrees
25	to provide care coordination to the member prior to receiving health
26	care services to be paid for under the program. Health care services
27	provided to a member shall not be subject to payment under the program
28	unless the member is enrolled with a care coordinator at the time the
29	health care service is provided.
30	(ii) This paragraph shall not apply to health care services provided
31	under subdivision three of section fifty-one hundred four of this arti-
32	cle (certain emergency or temporary services).
33 24	(iii) The member shall remain enrolled with that care coordinator
34 35	until the member becomes enrolled with a different care coordinator or ceases to be a member. Members have the right to change their care coor-
36	dinator on terms at least as permissive as the provisions of section
37	three hundred sixty-four-j of the social services law relating to an
38	individual changing his or her primary care provider or managed care
39	provider.
40	(c) Care coordination shall be provided to the member by the member's
41	care coordinator. A care coordinator may employ or utilize the services
42	of other individuals or entities to assist in providing care coordi-
43	nation for the member, consistent with regulations of the commissioner.
44	(d) A health care organization may establish rules relating to care
45	coordination for members in the health care organization, different from
46	this subdivision but otherwise consistent with this article and other
47	applicable laws.
48	(e) The commissioner shall develop and implement procedures and stand-
49	ards for an individual or entity to be approved to be a care coordinator
50	in the program, including but not limited to procedures and standards
51	relating to the revocation, suspension, limitation, or annulment of
52	approval on a determination that the individual or entity is not quali-
53	fied or competent to be a care coordinator or has exhibited a course of
54	conduct which is either inconsistent with program standards and regu-
55	lations or which exhibits an unwillingness to meet such standards and
56	regulations, or is a potential threat to the public health or safety.

Such procedures and standards shall not limit approval to be a care 1 coordinator in the program for criteria other than those under this 2 3 section and shall be consistent with good professional practice. In 4 developing the procedures and standards, the commissioner shall: (i) 5 consider existing standards developed by national accrediting and б professional organizations; and (ii) consult with national and local 7 organizations working on care coordination or similar models, including 8 health care practitioners, hospitals, clinics, birth centers, long-term 9 supports and service providers, consumers and their representatives, and 10 labor organizations representing health care workers. When developing 11 and implementing standards of approval of care coordinators for individuals receiving chronic mental health care services, the commissioner 12 13 shall consult with the commissioner of mental health. An individual or 14 entity may not be a care coordinator unless the services included in 15 care coordination are within the individual's professional scope of 16 practice or the entity's legal authority. 17 (f) To maintain approval under the program, a care coordinator must: (i) renew its status at a frequency determined by the commissioner; and 18 19 (ii) provide data to the department as required by the commissioner to 20 enable the commissioner to evaluate the impact of care coordinators on 21 guality, outcomes, cost, and patient and provider satisfaction. 22 (q) Nothing in this subdivision shall authorize any individual to 23 engage in any act in violation of title eight of the education law. 24 3. Health care providers. (a) The commissioner shall establish and maintain procedures and standards for health care providers to be quali-25 26 fied to participate in the program, including but not limited to proce-27 dures and standards relating to the revocation, suspension, limitation, or annulment of qualification to participate on a determination that the 28 health care provider is not qualified or competent to be a provider of 29 30 specific health care services or has exhibited a course of conduct which 31 is either inconsistent with program standards and regulations or which 32 exhibits an unwillingness to meet such standards and regulations, or is 33 a potential threat to the public health or safety. Such procedures and standards shall not limit health care provider participation in the 34 program for criteria other than those under this section and shall be 35 36 consistent with good professional practice. Such procedures and stand-37 ards may be different for different types of health care providers and 38 health care professionals. The commissioner may require that health care providers and health care professionals participate in Medicaid, 39 child health plus, or Medicare to qualify to participate in the program. 40 Any health care provider that is qualified to participate under Medi-41 42 caid, child health plus or Medicare shall be deemed to be qualified to 43 participate in the program, and any health care provider's revocation, 44 suspension, limitation, or annulment of qualification to participate in 45 any of those programs shall apply to the health care provider's quali-46 fication to participate in the program; provided that a health care 47 provider qualified under this sentence shall follow the procedures to become qualified under the program by the end of the implementation 48 49 <u>period.</u> 50 (b) The commissioner shall establish and maintain procedures and stan-51 dards for recognizing health care providers located out of the state for 52 purposes of providing coverage under the program for out-of-state health 53 care services. 54 (c) Procedures and standards under this subdivision shall include provisions for expedited temporary qualification to participate in the 55 56 program for health care professionals who are (i) temporarily authorized

1	to practice in the state or (ii) are recently arrived in the state or
2	recently authorized to practice in the state.
3	4. Payment for health care services. (a) (i) The commissioner may
4	establish by regulation payment methodologies for health care services
5	and care coordination provided to members under the program by partic-
б	ipating providers, care coordinators, and health care organizations.
7	There may be a variety of different payment methodologies, including
8	those established on a demonstration basis.
9	(ii) All payment methodologies and rates under the program shall be
10	reasonable and reasonably related to the cost of efficiently providing
11	the health care service and assuring an adequate and accessible supply
12	of the health care service.
13	(iii) In determining such payment methodologies and rates, the commis-
14	sioner shall consider factors including usual and customary rates imme-
15	diately prior to the implementation of the program, reported in a bench-
16	marking database maintained by a nonprofit organization specified by the
17	superintendent of financial services, under section six hundred three of
18	the financial services law; the level of training, education, and expe-
19	rience of the health care provider or providers involved; and the scope
20	of services, complexity, and circumstances of care including geographic
21 22	factors. Until and unless other applicable payment methodologies are established, health care services provided to members under the program
23	shall be paid for on a fee-for-service basis, except for care coordi-
24	nation.
25	(b) The program shall engage in good faith negotiations with health
26	care providers' representatives under title III of article forty-nine of
27	this chapter, including, but not limited to, in relation to rates of
28	payment and payment methodologies.
29	(c) (i) Prescription drugs eligible for reimbursement under this arti-
30	cle and dispensed by a pharmacy shall be provided and paid for under the
31	preferred drug program and the clinical drug review program under title
32	one of article two-A of this chapter, except as otherwise provided in
33	this paragraph. As used in this paragraph, "managed care provider"
34	means an entity under paragraph (b) of subdivision eight of section
35	fifty-one hundred one of this article that qualifies under the federal
36	Public Health Services Act (the "340B program").
37	(ii) Where the member is enrolled in a managed care provider and a
38	prescription for the member is made under section 340B of the federal
39	Public Health Service Act (the "340B program") and under a memorandum of
40	understanding relating to the 340B program between the New York Health
41	program and the relevant 340B program covered entity, the managed care
42	provider shall purchase, pay for and provide for the drugs under the
43	340B program. However, the prescription shall be subject to section two
44	hundred seventy-three (preferred drug program prior authorization) and
45	section two hundred seventy-four (clinical drug review program) of this
46	chapter.
47	(iii) The New York Health program shall enter into and maintain a
48	memorandum of understanding relating to the 340B program with each 340B
49	covered entity in the state that agrees to do so.
50	(iv) Where prescription drugs are not dispensed through a pharmacy,
51	payment shall be made as otherwise provided in this article, including
52 52	use of the 340B program as appropriate.
53 E4	(d) Payment for health care services established under this article
54 55	shall be considered payment in full. A participating provider shall not
55 56	charge any rate in excess of the payment established under this article
56	for any health care service provided under the program and shall not

1	solicit or accept payment from any member or third party for any such
2	service except as provided under section fifty-one hundred nine of this
3	article. However, this paragraph shall not preclude the program from
4	acting as a primary or secondary payer in conjunction with another
5	third-party payer where permitted under section fifty-one hundred nine
6	of this article.
7	(e) The program may provide in payment methodologies for payment for
8	capital related expenses for specifically identified capital expendi-
9	tures incurred by not-for-profit or governmental entities certified
10	under article twenty-eight of this chapter. Any capital related expense
11	generated by a capital expenditure that requires or required approval
12	under article twenty-eight of this chapter must have received that
13	approval for the capital related expense to be paid for under the
14	program.
15	(f) Payment methodologies and rates shall include a distinct component
16	of reimbursement for direct and indirect graduate medical education as
17	defined, calculated and implemented pursuant to section twenty-eight
18	hundred seven-c of this chapter.
19	(g) The commissioner shall provide by regulation for payment method-
20	ologies and procedures for paying for out-of-state health care services.
21	5. Prior authorization. The program shall not require prior authori-
22	zation for any health care service in any manner more restrictive of
23	access to or payment for the service than would be required for the
24	service under Medicare Part A or Part B. Prior authorization for
25	prescription drugs provided by pharmacies under the program shall be
26	under title one of article two-A of this chapter.
27	§ 5106. Health care organizations. 1. A member may choose to enroll
28	with and receive health care services under the program from a health
29	care organization.
30	2. A health care organization shall be a not-for-profit or govern-
31	mental entity that is approved by the commissioner that is:
32	(a) an accountable care organization under article twenty-nine-E of
33	this chapter; or
34	(b) a labor union or an entity affiliated with and designated by a
35	labor union of which the enrollee or enrollee's family member is a
36	member (i) with respect to its members and their family members, and
37	(ii) if allowed by applicable law and approved by the commissioner, for
38	other members of the program.
39	3. A health care organization may be responsible for providing all or
40	part of the health care services to which its members are entitled under
41	the program, consistent with the terms of its approval by the commis-
42	sioner.
43	4. (a) The commissioner shall develop and implement procedures and
44	standards for an entity to be approved to be a health care organization
45	in the program, including but not limited to procedures and standards
45 46	relating to the revocation, suspension, limitation, or annulment of
	approval on a determination that the entity is not competent to be a
47 40	health care organization or has exhibited a course of conduct which is
48	
49 50	
50	either inconsistent with program standards and regulations or which
	exhibits an unwillingness to meet such standards and regulations, or is

2	field of health care organizations, including health care practitioners,
3	hospitals, clinics, birth centers, long-term supports and service
4	providers, consumers and their representatives and labor organizations
5	representing health care workers. When developing and implementing stan-
6	dards of approval of health care organizations, the commissioner shall
7	consult with the commissioner of mental health, the commissioner of
8	developmental disabilities, the director of the state office for the
9	aging, the commissioner of the office of addiction services and
10	supports, and the commissioner of the division of human rights.
11	(b) To maintain approval under the program, a health care organization
12	must: (i) renew its status at a frequency determined by the commission-
13	er; and (ii) provide data to the department as required by the commis-
14	sioner to enable the commissioner to evaluate the health care organiza-
$14 \\ 15$	tion in relation to quality of health care services, health care
16	outcomes, cost, and patient and provider satisfaction.
$10 \\ 17$	5. The commissioner shall make regulations relating to health care

	organizations consistent with and to ensure compliance with this arti-
19	<u>cle.</u>
20	6. The provision of health care services directly or indirectly by a health care organization through health care providers shall not be
21	
22	considered the practice of a profession under title eight of the educa-
23	tion law by the health care organization.
24	§ 5107. Program standards. 1. The commissioner shall establish
25	requirements and standards for the program and for health care organiza-
26	tions, care coordinators, and health care providers, consistent with
27	this article, including requirements and standards for, as applicable:
28	(a) the scope, quality and accessibility of health care services;
29	(b) relations between health care organizations or health care provid-
30	ers and members; and
31	(c) relations between health care organizations and health care
32	providers, including (i) credentialing and participation in the health
33	care organization; and (ii) terms, methods and rates of payment.
34 35	2. Requirements and standards under the program shall include, but not be limited to, provisions to promote the following:
36	(a) simplification, transparency, uniformity, and fairness in health
37	care provider credentialing and participation in health care organiza-
38	tion networks, referrals, payment procedures and rates, claims process-
39	ing, and approval of health care services, as applicable;
40	(b) primary and preventive care, care coordination, efficient and
41	effective health care services, quality assurance, coordination and
42	integration of health care services, including use of appropriate tech-
43	nology, and promotion of public, environmental and occupational health;
44	(c) elimination of health care disparities;
45	(d) non-discrimination with respect to members and health care provid-
46	ers on the basis of race, ethnicity, national origin, religion, disabil-
47	ity, age, sex, sexual orientation, gender identity or expression, or
48	economic circumstances; provided that health care services provided
49	under the program shall be appropriate to the patient's clinically-rele-
50	vant circumstances;
51	(e) accessibility of care coordination, health care organization
52	services and health care services, including accessibility for people
53	with disabilities and people with limited ability to speak or understand
54	English, and the providing of care coordination, health care organiza-
55	tion services and health care services in a culturally competent manner;
56	and

1	(f) especially in relation to long-term supports and services, the
2	maximization and prioritization of the most integrated community-based
3	supports and services.
4	3. Any participating provider or care coordinator that is organized as
5	a for-profit entity (other than a professional practice of one or more
6	health care professionals) shall be required to meet the same require-
7	ments and standards as entities organized as not-for-profit entities,
8	and payments under the program paid to such entities shall not be calcu-
9	lated to accommodate the generation of profit or revenue for dividends
10	or other return on investment or the payment of taxes that would not be
11	paid by a not-for-profit entity.
12	4. Every participating provider shall furnish to the program such
13	information to, and permit examination of its records by, the program,
14	as may be reasonably required for purposes of reviewing accessibility
15	and utilization of health care services, quality assurance, promoting
16	improved patient outcomes and cost containment, the making of payments,
17	and statistical or other studies of the operation of the program or for
18	protection and promotion of public, environmental and occupational
19	health.
20	5. In developing requirements and standards and making other policy
21	determinations under this article, the commissioner shall consult with
22	the commissioner of mental health, the commissioner of developmental
23	disabilities, the director of the state office for the aging, the
24	commissioner of the office of addiction services and supports, the
25	commissioner of the division of human rights, representatives of
26	members, health care providers, care coordinators, health care organiza-
27	tions employers, organized labor including representatives of health
28	care workers, and other interested parties.
29	6. The program shall maintain the security and confidentiality of all
30	data and other information collected under the program when such data
31	would be normally considered confidential patient data. Aggregate data
32	of the program which is derived from confidential data but does not
33	violate patient confidentiality shall be public information including
34	for purposes of article six of the public officers law.
35	§ 5108. Regulations. The commissioner shall make regulations under
36	this article by approving regulations and amendments thereto, under
37	subdivision one of section fifty-one hundred two of this article. The
38	commissioner may make regulations or amendments thereto under this arti-
39	cle on an emergency basis under section two hundred two of the state
40	administrative procedure act, provided that such regulations or amend-
41	ments shall not become permanent unless adopted under subdivision one of
42	section fifty-one hundred two of this article.
43	§ 5109. Provisions relating to federal health programs. 1. The commis-
44	sioner shall seek all federal waivers and other federal approvals and
45	arrangements and submit state plan amendments necessary to operate the
46	program consistent with this article to the maximum extent possible. No
47	provision of this article and no action under the program shall diminish
48	any right or benefit the member would otherwise have under any federal-
49	ly-matched program or Medicare.
50	2. (a) The commissioner shall apply to the secretary of health and
51	human services or other appropriate federal official for all waivers of
52	requirements, and make other arrangements, under Medicare, any federal-
53	ly-matched public health program, the affordable care act, and any other
54	federal programs that provide federal funds for payment for health care
55	services, that are necessary to enable all New York Health members to
	receive all benefits under the program through the program to enable the

state to implement this article and to receive and deposit all federal 1 payments under those programs (including funds that may be provided in 2 lieu of premium tax credits, cost-sharing subsidies, and small business 3 4 tax credits) in the state treasury to the credit of the New York Health 5 trust fund and to use those funds for the New York Health program and б other provisions under this article. To the extent possible, the commis-7 sioner shall negotiate arrangements with the federal government in which 8 bulk or lump-sum federal payments are paid to New York Health in place of federal spending or tax benefits for federally-matched health 9 10 programs or federal health programs. The commissioner shall take actions under paragraph (b) of subdivision eight of section fifty-one 11 hundred one of this article as reasonably necessary. 12 13 (b) The commissioner may require members or applicants to be members 14 to provide information necessary for the program to comply with any waiver or arrangement under this subdivision. 15 16 3. (a) The commissioner may take actions consistent with this article 17 to enable New York Health to administer Medicare in New York state, to create a Medicare managed care plan ("Medicare Advantage") that would 18 operate consistent with this article, and to be a provider of drug 19 20 coverage under Medicare part D for eligible members of New York Health. 21 (b) The commissioner may waive or modify the applicability of provisions of this section relating to any federally-matched public 22 health program or Medicare as necessary to implement any waiver or 23 arrangement under this section or to maximize the benefit to the New 24 25 York Health program under this section, provided that the commissioner, 26 in consultation with the director of the budget, shall determine that 27 such waiver or modification is in the best interests of the members affected by the action and the state, and provided further that no 28 action under this paragraph shall diminish any right or benefit the 29 30 member would otherwise have under the program or any federally-matched 31 public health program or Medicare. 32 (c) The commissioner may apply for coverage under any federally-33 matched public health program on behalf of any member and enroll the 34 member in the federally-matched public health program or Medicare if the member is eligible for it. Enrollment in a federally-matched public 35 36 health program or Medicare shall not cause any member to lose any health 37 care service provided by the program or diminish any right or benefit 38 the member would otherwise have. 39 (d) The commissioner shall by regulation increase the income eligibility level, increase or eliminate the resource test for eligibility, 40 simplify any procedural or documentation requirement for enrollment, and 41 42 increase the benefits for any federally-matched public health program, 43 and for any program to reduce or eliminate an individual's coinsurance, 44 cost-sharing or premium obligations or increase an individual's eligi-45 bility for any federal financial support related to Medicare or the 46 affordable care act notwithstanding any law or regulation to the contrary. The commissioner may act under this paragraph upon a finding, 47 approved by the director of the budget, that the action (i) will help to 48 increase the number of members who are eligible for and enrolled in 49 federally-matched public health programs, or for any program to reduce 50 51 or eliminate an individual's coinsurance, cost-sharing or premium obligations or increase an individual's eligibility for any federal finan-52 53 cial support related to Medicare or the affordable care act; (ii) will 54 not diminish any individual's access to any health care service, benefit or right the individual would otherwise have; (iii) is in the interest 55

of the program; and (iv) does not require or has received any necessary 1 federal waivers or approvals to ensure federal financial participation. 2 3 (e) To enable the commissioner to apply for coverage or financial 4 support under any federally-matched public health program, the Afforda-5 ble Care Act, or Medicare on behalf of any member and enroll the member б in any such program, including an entity under paragraph (b) of subdivision eight of section fifty-one hundred one of this article if the 7 8 member is eligible for it, the commissioner may require that every 9 member or applicant to be a member shall provide information to enable 10 the commissioner to determine whether the applicant is eligible for such 11 program. The program shall make a reasonable effort to notify members of their obligations under this paragraph. After a reasonable effort has 12 13 been made to contact the member, the member shall be notified in writing 14 that he or she has sixty days to provide such required information. If such information is not provided within the sixty day period, the 15 16 member's coverage under the program may be terminated. Upon the member's 17 satisfactory provision of the information, the member's coverage under the program shall be reinstated retroactive to the date upon which the 18 19 coverage was terminated. 20 (f) To the extent necessary for purposes of this section, as a condi-21 tion of continued eligibility for health care services under the program, a member who is eligible for benefits under Medicare shall 22 enroll in Medicare, including parts A, B and D. 23 (g) The program shall provide premium assistance for all members 24 25 enrolling in a Medicare part D drug coverage under section 1860D of 26 Title XVIII of the federal social security act limited to the low-income 27 benchmark premium amount established by the federal centers for Medicare and Medicaid services and any other amount which such agency establishes 28 29 under its de minimis premium policy, except that such payments made on 30 behalf of members enrolled in a Medicare advantage plan may exceed the 31 low-income benchmark premium amount if determined to be cost effective 32 to the program. 33 (h) If the commissioner has reasonable grounds to believe that a member could be eligible for an income-related subsidy under section 34 35 1860D-14 of Title XVIII of the federal social security act, the member shall provide, and authorize the program to obtain, any information or 36 documentation required to establish the member's eligibility for such 37 38 subsidy, provided that the commissioner shall attempt to obtain as much 39 of the information and documentation as possible from records that are available to him or her. 40 41 (i) The program shall make a reasonable effort to notify members of 42 their obligations under this subdivision. After a reasonable effort has 43 been made to contact the member, the member shall be notified in writing 44 that he or she has sixty days to provide such required information. If 45 such information is not provided within the sixty day period, the 46 member's coverage under the program may be terminated. Upon the member's satisfactory provision of the information, the member's cover-47 48 age under the program shall be reinstated retroactive to the date upon 49 which the coverage was terminated. § 5110. Additional provisions. 1. The commissioner shall contract 50 51 with not-for-profit organizations to provide: (a) consumer assistance to individuals with respect to selection and 52 53 changing selection of a care coordinator or health care organization, 54 enrolling, obtaining health care services, and other matters relating to 55 the program;

18

1	(b) boolth news exercise and to boolth news exercising
1	(b) health care provider assistance to health care providers providing
2	and seeking or considering whether to provide, health care services
3	under the program, with respect to participating in a health care organ-
4	ization and dealing with a health care organization; and
5	(c) care coordinator assistance to individuals and entities providing
б	and seeking or considering whether to provide, care coordination to
7	members.
8	2. The commissioner shall provide grants from funds in the New York
9	Health trust fund or otherwise appropriated for this purpose, to health
10	systems agencies under section twenty-nine hundred four-b of this chap-
11	ter to support the operation of such health systems agencies.
12	3. Retraining and re-employment of impacted employees. (a) As used in
	this subdivision:
13	
14	(i) "Third party payer" has its ordinary meaning and includes any
15	entity that provides or arranges reimbursement in whole or in part for
16	the purchase of health care services.
17	(ii) "Health care provider administrative employee" means an employee
18	of a health care provider primarily engaged in relations or dealings
19	with third party payers or seeking payment or reimbursement for health
20	care services from third party payers.
21	(iii) "Impacted employee" means an individual who, at any time from
22	the date this section becomes a law until two years after the end of the
23	implementation period, is employed by a third party payer or is a health
24	care provider administrative employee, and whose employment ends or is
25	reasonably anticipated to end as a result of the implementation of the
26	New York Health program.
20	(b) Within ninety days after this section shall become a law, the
28	commissioner of labor shall convene a retraining and re-employment task
29	force including but not limited to: representatives of potential
30	impacted employees, human resource departments of third party payers and
31	health care providers, individuals with experience and expertise in
32	retraining and re-employment programs relevant to the circumstances of
33	impacted employees, and representatives of the commissioner of labor.
34	The commissioner of labor and the task force shall review and provide:
35	(i) analysis of potential impacted employees by job title and
36	geography;
37	(ii) competency mapping and labor market analysis of impacted employee
38	occupations with job openings; and
39	(iii) establishment of regional retraining and re-employment systems,
40	including but not limited to job boards, outplacement services, job
41	search services, career advisement services, and retraining advisement,
42	to be coordinated with the regional advisory councils established under
43	section fifty-one hundred eleven of this article.
44	(c) (i) Three or more impacted employees, a recognized union of work-
	ers including impacted employees, or an employer of impacted employees
45	
46	may file a petition with the commissioner of labor to certify such
47	employees as being impacted employees.
48	(ii) Impacted employees shall be eligible for:
49	(A) up to two years of retraining at any training provider approved by
50	the commissioner of labor; and
51	(B) up to two years of unemployment benefits, provided that the
52	impacted employee is enrolled in a department of labor approved training
53	program, is actively seeking employment, and is not currently employed
54	full time; provided, however, that such impacted employee may maintain
55	unemployment benefits for up to two years even if he or she does not

1	meet the criteria set forth in this clause but is sixty-three years of
2	age or older at the time of loss of employment as an impacted employee.
3	(d) The commissioner shall provide funds from the New York Health
4	trust fund or otherwise appropriated for this purpose to the commission-
5	er of labor for retraining and re-employment programs for impacted
б	employees under this subdivision.
7	(e) The commissioner of labor shall make regulations and take other
8	actions reasonably necessary to implement this subdivision. This subdi-
9	vision shall be implemented consistent with applicable law and requ-
10	lations.
11	4. The commissioner shall, directly and through grants to not-for-pro-
12	fit entities, conduct programs using data collected through the New York
13	Health program, to promote and protect the quality of health care
14	services, patient outcomes, and public, environmental and occupational
15	health, including cooperation with other data collection and research
16	programs of the department, consistent with this article, the protection
17	of the security and confidentiality of individually identifiable patient
18	information, and otherwise applicable law.
19	5. Settlements and judgments. This subdivision applies where any
20	settlement, judgment or order in the course of litigation, or any
21	contract or agreement made as an alternative to litigation, provides
22	that one party shall pay for health care coverage for another party who
23	is entitled to enroll in the program. Any party to the settlement, judg-
24	ment, order, contract or agreement may apply to an appropriate court for
25	modification of the judgment, order, contract or agreement. The modifi-
26	cation may provide that the paying party, instead of paying for health
27	care coverage, shall pay all or part of the New York Health tax that is
28	owed by the other party, and may include other or further provisions.
29	The modifications shall be appropriate, consistent with the program, and
30	in the interest of justice. As used in this subdivision, "New York
31	Health tax" means the tax or taxes enacted by the legislature as part of
32	the revenue proposal, as amended, to fund the program.
33	§ 5111. Regional advisory councils. 1. The New York Health regional
34	advisory councils (each referred to in this article as a "regional advi-
35	sory council") are hereby created in the department.
36	2. There shall be a regional advisory council established in each of
37	the following regions:
38	(a) Long Island, consisting of Nassau and Suffolk counties;
39	(b) New York City;
40	(c) Hudson Valley, consisting of Delaware, Dutchess, Orange, Putnam,
41	Rockland, Sullivan, Ulster, Westchester counties;
42	(d) Northern, consisting of Albany, Clinton, Columbia, Essex, Frank-
43	lin, Fulton, Greene, Hamilton, Herkimer, Jefferson, Lewis, Montgomery,
44	Otsego, Rensselaer, Saratoga, Schenectady, Schoharie, St. Lawrence,
45	<u>Warren, Washington counties;</u>
46	(e) Central, consisting of Broome, Cayuga, Chemung, Chenango, Cort-
47	land, Livingston, Madison, Monroe, Oneida, Onondaga, Ontario, Oswego,
48	Schuyler, Seneca, Steuben, Tioga, Tompkins, Wayne, Yates counties; and
49	(f) Western, consisting of Allegany, Cattaraugus, Chautaugua, Erie,
50	<u>Genesee, Niagara, Orleans, Wyoming counties.</u>
51	3. Each regional advisory council shall be composed of not fewer than
52	twenty-seven members, as determined by the commissioner and the board,
53	as necessary to appropriately represent the diverse needs and concerns
54	of the region. Members of a regional advisory council shall be residents
55	of or have their principal place of business in the region served by the
56	regional advisory council.

1	4. Appointment of members of the regional advisory councils.
2	<u>(a) The twenty-seven members shall be appointed as follows:</u>
3	(i) nine members shall be appointed by the governor;
4	(ii) six members shall be appointed by the governor on the recommenda-
5	tion of the speaker of the assembly;
б	(iii) six members shall be appointed by the governor on the recommen-
7	dation of the temporary president of the senate;
8	(iv) three members shall be appointed by the governor on the recommen-
9	dation of the minority leader of the assembly; and
10	(v) three members shall be appointed by the governor on the recommen-
11	dation of the minority leader of the senate.
12	Where a regional advisory council has more than twenty-seven members,
13	additional members shall be appointed and recommended by these officials
14	in the same proportion as the twenty-seven members.
15	(b) Regional advisory council membership shall include but not be
16	limited to:
17	(i) representatives of organizations with a regional constituency that
18	advocate for health care consumers, older adults, and people with disa-
19	bilities including organizations led by members of those groups, who
20	shall constitute at least one third of the membership of each regional
21	council;
22	(ii) representatives of professional organizations representing physi-
23	cians;
24	(iii) representatives of professional organizations representing
25	health care professionals other than physicians;
26	(iv) representatives of general hospitals, including public hospitals;
27	(v) representatives of community health centers;
28	(vi) representatives of mental health, behavioral health (including
29	substance use), physical disability, developmental disability, rehabili-
30	tation, home care and other service providers;
31	(vii) representatives of women's health service providers;
32	(viii) representatives of health service providers serving lesbian,
33	gay, bisexual, transgender, gender non-conforming, and nonbinary
34	
	patients;
35	(ix) representatives of health care organizations;
36	(x) representatives of organized labor including representatives of
37	health care workers;
38	(xi) representatives of employers; and
39	(xii) representatives of municipal and county government.
40	5. Members of a regional advisory council shall be appointed for terms
41	of three years provided, however, that of the members first appointed,
42	one-third shall be appointed for one year terms and one-third shall be
43	appointed for two year terms. Vacancies shall be filled in the same
44	manner as original appointments for the remainder of any unexpired term.
45	No person shall be a member of a regional advisory council for more than
46	six years in any period of twelve consecutive years.
47	6. Members of the regional advisory councils shall serve without
48	compensation but shall be reimbursed for their necessary and actual
49	expenses incurred while engaged in the business of the advisory coun-
50	cils. The program shall provide financial support for such expenses and
51	other expenses of the regional advisory councils. However, the board may
52	provide for compensation in cases where a lack of compensation would
53	limit the ability of a trustee or represented organization to partic-
54	ipate in council business.
55	7. Each regional advisory council shall meet at least quarterly. Each
56	regional advisory council may form committees to assist it in its work.

Members of a committee need not be members of the regional advisory 1 The New York City regional advisory council shall form a 2 council. committee for each borough of New York City, to assist the regional 3 4 advisory council in its work as it relates particularly to that borough. 5 8. Each regional advisory council shall advise the commissioner, the б board, the governor and the legislature on all matters relating to the 7 development and implementation of the New York Health program. 8 9. Each regional advisory council shall adopt, and from time to time revise, a community health improvement plan for its region for the 9 10 purpose of: (a) promoting the delivery of health care services in the region, 11 improving the quality and accessibility of care, including cultural 12 competency, clinical integration of care between service providers 13 14 including but not limited to physical, mental, and behavioral health, physical and developmental disability services, and long-term supports 15 16 and services; 17 (b) facility and health services planning in the region; (c) identifying gaps in regional health care services; 18 19 (d) promoting increased public knowledge and responsibility regarding 20 the availability and appropriate utilization of health care services. 21 Each community health improvement plan shall be submitted to the commis-22 sioner and the board and shall be posted on the department's website; (e) identifying needs in professional and service personnel required 23 24 to deliver health care services; and 25 (f) coordinating regional implementation of retraining and re-employ-26 ment programs for impacted employees under subdivision three of section 27 fifty-one hundred ten of this article. 28 10. Each regional advisory council shall hold at least four public 29 hearings annually on matters relating to the New York Health program and 30 the development and implementation of the community health improvement 31 plan. 11. Each regional advisory council shall publish an annual report to 32 33 the commissioner and the board on the progress of the community health improvement plan. These reports shall be posted on the department's 34 35 website. 36 12. All meetings of the regional advisory councils and committees 37 shall be subject to article six of the public officers law. 38 § 4. Financing of New York Health. 1. (a) As used in this section, 39 unless the context clearly requires otherwise: 40 (i) "New York Health program" and the "program" mean the New York 41 Health program, as created by article 51 of the public health law and 42 all provisions of that article. (ii) "Revenue proposal" means the revenue plan and legislative bills, 43 44 as proposed and enacted under this section, to provide the revenue 45 necessary to finance the New York Health program. 46 (iii) "Tax" means the payroll tax or non-payroll tax to be enacted 47 under the revenue proposal. "Payroll tax" means the tax on payroll income and self-employed income subject to the Medicare Part A tax, 48 provided for in subdivision two of this section. "Non-payroll tax" means 49 the tax on taxable income (such as interest, dividends, and capital 50 51 gains) not subject to the payroll tax, provided for in subdivision two 52 of this section. 53 (b) The governor shall submit to the legislature a revenue proposal. 54 The revenue proposal shall be submitted to the legislature as part of the executive budget under article VII of the state constitution, for 55 56 the fiscal year commencing on the first day of April in the calendar

22

1 year after this act shall become a law. In developing the revenue 2 proposal, the governor shall consult with appropriate officials of the 3 executive branch; the temporary president of the senate; the speaker of 4 the assembly; the chairs of the fiscal and health committees of the 5 senate and assembly; and representatives of business, labor, consumers 6 and local government.

7 2. (a) Basic structure. The basic structure of the revenue proposal 8 shall be as follows: Revenue for the program shall come from two taxes. 9 First, there shall be a progressively graduated tax on all payroll and self-employed income, paid by employers, employees and self-employed 10 Second, there shall be a progressively graduated tax on 11 individuals. taxable income (such as interest, dividends, and capital gains) not 12 13 subject to the payroll tax. Income in the bracket below twenty-five 14 thousand dollars per year shall be exempt from the taxes; provided that 15 for individuals enrolled in Medicare as defined in the program, income in the bracket below fifty thousand dollars per year shall be exempt 16 from the taxes. Higher brackets of income subject to the taxes shall be 17 assessed at a higher marginal rate than lower brackets. The taxes shall 18 set at levels anticipated to produce sufficient revenue to finance 19 be 20 the program, to be scaled up as enrollment grows, taking into consider-21 ation anticipated federal revenue available for the program. Provision shall be made for state residents who are employed out-of-state, and 22 23 non-residents who are employed in the state (including those employed less than full-time). 24

25 (b) Payroll tax. The income to be subject to the payroll tax shall be 26 income subject to the Medicare Part A tax. The payroll tax shall be all 27 set at a percentage of that income, which shall be progressively gradu-28 ated, so the percentage is higher on higher brackets of income. For 29 employed individuals, the employer shall pay eighty percent of the 30 payroll tax and the employee shall pay twenty percent of the tax, except 31 that an employer may agree to pay all or part of the employee's share. 32 A self-employed individual shall pay the full tax.

(c) Non-payroll income tax. There shall be a tax on income that is subject to the personal income tax under article 22 of the tax law and is not subject to the payroll tax. It shall be set at a percentage of that income, which shall be progressively graduated, so the percentage is higher on higher brackets of income.

(d) Phased-in rates. Early in the program, when enrollment is growing, the amount of the taxes shall be at an appropriate level, and shall be changed as anticipated enrollment grows, to cover the actual cost of the program. The revenue proposal shall include a mechanism for determining the rates of the taxes.

(e) Cross-border employees. (i) State residents employed out-of-state. 43 44 If an individual is employed out-of-state by an employer that is subject 45 to New York state law, the employer and employee shall be required to 46 pay the payroll tax as to that employee as if the employment were in the 47 state. If an individual is employed out-of-state by an employer that is not subject to New York state law, either (A) the employer and employee 48 shall voluntarily comply with the tax or (B) the employee shall pay the 49 50 tax as if he or she were self-employed.

(ii) Out-of-state residents employed in the state. The payroll tax shall apply to any out-of-state resident who is employed or self-employed in the state. Such individual and individual's employer shall be able to take a credit against the payroll taxes each would otherwise pay as to that individual for amounts they spend respectively on health benefits (A) for the individual, if the individual is not eligible to be

a member of the program, and (B) for any member of the individual's 1 2 immediate family. For the employer, the credit shall be available regardless of the form of the health benefit (e.g., health insurance, a 3 4 self-insured plan, direct services, or reimbursement for services), to 5 make sure that the revenue proposal does not relate to employment beneб fits in violation of any federal law. For non-employment-based spending 7 by the individual, the credit shall be available for and limited to 8 spending for health coverage (not out-of-pocket health spending). The 9 credit shall be available without regard to how little is spent or how 10 sparse the benefit. The credit may only be taken against the payroll tax. Any excess amount may not be applied to other tax liability. The 11 credit shall be distributed between the employer and employee in the 12 same proportion as the spending by each for the benefit and may be 13 14 applied to their respective portion of the tax. If any provision of this 15 subparagraph or any application of it shall be ruled to violate federal 16 law, the provision or the application of it shall be null and void and 17 the ruling shall not affect any other provision or application of this 18 section or the act that enacted it.

19 3. (a) The revenue proposal shall include a plan and legislative 20 provisions for ending the requirement for local social services 21 districts to pay part of the cost of Medicaid and replacing those 22 payments with revenue from the taxes under the revenue proposal.

(b) The taxes under this section shall not supplant the spending of other state revenue to pay for the Medicaid program as it exists as of the enactment of the revenue proposal as amended, unless the revenue proposal as amended provides otherwise.

4. To the extent that the revenue proposal differs from the terms of subdivision two or paragraph (b) of subdivision three of this section, the revenue proposal shall state how it differs from those terms and reasons for and the effects of the differences.

5. All revenue from the taxes shall be deposited in the New York Health trust fund account under section 89-j of the state finance law. S 5. Article 49 of the public health law is amended by adding a new title 3 to read as follows:

1	4. "Strike" means a work stoppage in part or in whole, direct or indi-
2	rect, by a body of workers to gain compliance with demands made on an
3	employer.
4	5. "Health care provider" means a health care provider under article
5	fifty-one of this chapter. A health care professional as defined in
6	article fifty-one of this chapter who practices as an employee or inde-
7	pendent contractor of another health care provider shall not be deemed a
8	health care provider for purposes of this title.
9	§ 4921. Collective negotiation authorized. 1. Health care providers
10	may meet and communicate for the purpose of collectively negotiating
11	with New York Health on any matter relating to New York Health, includ-
12	ing but not limited to rates of payment and payment methodologies.
13	2. Nothing in this section shall be construed to allow or authorize an
14	alteration of the terms of the internal and external review procedures
15	set forth in law.
16	3. Nothing in this section shall be construed to allow a strike of New
17	York Health by health care providers.
18	4. Nothing in this section shall be construed to allow or authorize
19	terms or conditions which would impede the ability of New York Health to
20	obtain or retain accreditation by the national committee for quality
21	assurance or a similar body or to comply with applicable state or feder-
22	al law.
23	§ 4922. Collective negotiation requirements. 1. Collective negotiation
24	rights granted by this title must conform to the following requirements:
25	(a) health care providers may communicate with other health care
26	providers regarding the terms and conditions to be negotiated with New
27	York Health;
28	(b) health care providers may communicate with health care providers'
29	representatives;
30	(c) a health care providers' representative is the only party author-
31	ized to negotiate with New York Health on behalf of the health care
32	providers as a group;
33	(d) a health care provider can be bound by the terms and conditions
34	negotiated by the health care providers' representatives; and
35	(e) in communicating or negotiating with the health care providers'
36	representative, New York Health is entitled to offer and provide differ-
37	ent terms and conditions to individual competing health care providers.
38	2. Nothing in this title shall affect or limit the right of a health
39	care provider or group of health care providers to collectively petition
40	a government entity for a change in a law, rule, or regulation.
41	3. Nothing in this title shall affect or limit collective action or
42	collective bargaining on the part of any health care provider with his
43	or her employer or any other lawful collective action or collective
44	bargaining.
45	§ 4923. Requirements for health care providers' representative. Before
46	engaging in collective negotiations with New York Health on behalf of
47	health care providers, a health care providers' representative shall
48	file with the commissioner, in the manner prescribed by the commission-
49	er, information identifying the representative, the representative's
50	plan of operation, and the representative's procedures to ensure compli-
51	ance with this title.
52 52	§ 4924. Mediation. 1. In the event the commissioner determines that an
53 E4	impasse exists in the negotiations, the commissioner shall render
54 55	<u>assistance as follows:</u> (a) to assist the parties to effect a voluntary resolution of the
55	TALLO ASSIST THE DATITES TO ETTECT A VOLUMEARY TESOLUTION OF THE
56	negotiations, the commissioner shall appoint a mediator who is mutually

26

1	acceptable to both the health care providers' representative and the
2	representative of New York Health. If the mediator is successful in
3	resolving the impasse, then the health care providers' representative
4	shall proceed as set forth in this article;
5	(b) if an impasse continues, the commissioner shall appoint a fact-
6	finding board of not more than three members, who are mutually accepta-
7	ble to both the health care providers' representative and the represen-
8	tative of New York Health. The fact-finding board shall have, in
9	addition to the powers delegated to it by the board, the power to make
10	recommendations for the resolution of the dispute;
11	(c) the fact-finding board, acting by a majority of its members, shall
12	transmit its findings of fact and recommendations for resolution of the
13	dispute to the commissioner, and may thereafter assist the parties to
14^{13}	effect a voluntary resolution of the dispute. The fact-finding board
15	shall also share its findings of fact and recommendations with the
	health care providers' representative and the representative of New York
16	
17	Health. If within twenty days after the submission of the findings of
18	fact and recommendations, the impasse continues, the commissioner shall
19	order a resolution to the negotiations based upon the findings of fact
20	and recommendations submitted by the fact-finding board.
21	§ 4925. Certain collective action prohibited. 1. This title is not
22	intended to authorize competing health care providers to act in concert
23	in response to a health care providers' representative's discussions or
24	negotiations with New York Health except as authorized by other law.
25	2. No health care providers' representative shall negotiate any agree-
26	ment that excludes, limits the participation or reimbursement of, or
27	otherwise limits the scope of services to be provided by any health care
28	provider or group of health care providers with respect to the perform-
