or upon the issuance of a federal disaster declaration a voter seeking to vote by affidavit need not affirm that such voter is duly registered in the election district in which such voter seeks to cast an affidavit ballot if such voter is registered to vote within the county for which such declaration has been issued.

§ 5. Paragraph (a) of subdivision 2 of section 9-209 of the election law is amended by adding a new subparagraph (viii) to read as follows:

(viii) Notwithstanding subparagraph (iii) of this paragraph, the board of elections for the county in which such voter resides shall cast and canvass such ballot, if it determines that such voter was entitled to vote regardless of the fact that the voter may have appeared in the incorrect polling location due to the declaration of a state of emergency. Such ballot shall not be cast and canvassed for such contest for which the person was not entitled to vote at such election.

§ 6. The opening paragraph of section 9-209 of the election law, as amended by section 4 of part CCC of chapter 55 of the laws of 2019, is amended to read as follows:

Before completing the canvass of votes cast in any primary, general, special, or other election at which voters are required to sign their registration poll records before voting, the board of elections shall proceed in the manner hereinafter prescribed to cast and canvass any absentee, military, special presidential, special federal or other special ballots and any ballots voted by voters who moved within the 24 state after registering, voters who are in inactive status, voters whose registration was incorrectly transferred to another address even though they did not move, voters whose registration poll records were missing on the day of such election, voters who have not had their identity previously verified, voters who submitted a voter registration application through the electronic voter registration transmittal system but did not provide the required exemplar signature, and voters whose registration poll records did not show them to be enrolled in the party in which they claimed to be enrolled and voters incorrectly identified as having already voted. Each such ballot shall be retained in the original envelope containing the voter's affidavit and signature, in which it is delivered to the board of elections until such time as it is to be cast and canvassed. Absentee ballots cast by voters pursuant to section 8-414 of this chapter shall be transmitted by the county board of elections where such ballot was cast to the board of elections where such voter is registered to vote to be canvassed with other affidavit and absentee ballots for the election district wherein the voter resides.

§ 7. This act shall take effect on the one hundred eightieth day after it shall have become a law provided, however, that if part CCC of chapter 55 of the laws of 2019 has not taken effect on or before such date then section six of this act shall take effect on the same date and in the same manner as such part. Effective immediately, the board of elections is authorized to promulgate such rules and regulations necessary for the further implementation of this act on its effective date.
