IN SENATE

March 30, 2021

Introduced by Sen. GALLIVAN -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT granting retroactive membership with tier I status in the New York teachers' retirement system to James J. DeMarco

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other law to the contrary, James J. DeMarco, who was employed as a seasonal employee with the New York power authority with a start date of July 17, 1969, and who is currently a retired member of the New York state teachers' retirement system, who through no fault of his own did not become a member of the New York state and local employees' retirement system on July 17, 1969 when first employed by the New York power authority shall be deemed to have been a member of the New York state and local employees' retirement system on such date he commenced his employment and shall be granted Tier I status, provided that an application is filed with the head of the New York state teachers' retirement system within one year from the effective date of this act.

§ 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill (legislative bill draft 08825-01-1) would allow James J. DeMarco, a retired Tier 2 member of the New York State Teachers' Retirement System, to be reclassified as a Tier 1 member. His date of membership would be changed based upon his employment as a seasonal employee in 1969 for the New York Power Authority. Additionally, Mr. DeMarco's pension would be recalculated with retroactive adjustment to payments made since his date of retirement of December 7, 2007. Mr. DeMarco must file a written request with the head of the New York State Teachers' Retirement System within one year of the effective date of this bill.

The cost of this benefit is equal to the increase in the present value of liabilities, which is estimated to be $85,000. This cost is to be
