STATE OF NEW YORK

6064

2021-2022 Regular Sessions

IN SENATE

April 2, 2021

- Introduced by Sens. O'MARA, MARTUCCI, OBERACKER, ORTT, PALUMBO, STEC, TEDISCO -- read twice and ordered printed, and when printed to be committed to the Committee on Veterans, Homeland Security and Military Affairs
- AN ACT to amend the executive law, in relation to enacting the "stop continuing unnecessary orders and mandates at once act"; and to amend chapter 71 of the laws of 2021, amending the executive law relating to the termination of certain executive powers, in relation to requiring the governor to notify the legislature of a proposed extension or modification of an executive order

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as
the "stop continuing unnecessary orders and mandates at once act".

3 § 2. Legislative intent. The legislature seeks to provide legislative 4 review and authorization of any executive orders issued by the governor which would extend or modify a directive issued in response to the 5 6 COVID-19 pandemic. To date, nothing has been done to balance the powers 7 of the governor and the legislature. In fact, the executive branch has 8 been given more power. This act serves as a necessary measure to ensure 9 that the power of the executive is checked and that the elected repre-10 sentatives of the people of New York in the legislature are empowered to 11 effectively govern in times of crisis. Further, it is the intent of this act to allow businesses to operate with proper public health guidelines 12 13 such as the wearing of face coverings, social distancing and sanitation protocols without further government interference. 14

15 Many businesses have been deemed non-essential or have faced 16 restrictions or closures as a result of the governor's executive orders 17 and directives contained therein. These executive orders and directives 18 have been overreaching and anti-business. Businesses have had to jump 19 through hoops to remain open and make ends meet. These executive orders

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD10489-02-1

1 and directives have led to establishments putting "Cuomo Chips" on the 2 menu so they can stay in business.

The legislature recognizes that New York's businesses are the backbone of our state economy and the legislature must act boldly to address the negative impacts the governor's various executive directives have had on the state's economy by reviewing and approving all extension and modifications of directives moving forward.

8 When reviewing the governor's directives, it is the intent of the 9 legislature to prohibit the governor from extending or modifying arbi-10 trary directives that serve no legitimate purpose and have caused irre-11 parable harm to the New York state economy and the lives of all New 12 Yorkers, including but not limited to, directives that:

(1) place a curfew or limitation on businesses requiring them to cease all on premises service and consumption of food and beverages or otherbusiness cease sales and require closure at a set time whether licensed by the state liquor authority or otherwise;

(2) require a business licensed by the state liquor authority to serve alcoholic beverages for on premises consumption or for off premises consumption only if the service of such alcoholic beverage is accompanied by the purchase of a food item by each individual that is being served an alcoholic beverage;

22 (3) require the closing of a business or house of worship;

(4) place restrictions on operations or capacity limitations on businesses, including, but not limited to, restaurants, bars, event and catering halls, billiard/dart halls, bowling alleys, liquor stores, gyms, amusement parks, horse racing and auto racing tracks, and movie theaters, provided however, that enforcement of public health guidelines such as the wearing of face coverings and sanitation shall be permitted; and

30 (5) place limits on gatherings at private residences or houses of 31 worship, provided however, that enforcement of public health guidelines 32 such as the wearing of face coverings and sanitation shall be permitted. 33 § 3. Subdivision 4 of section 29-a of the executive law, as added by 34 chapter 640 of the laws of 1978, is amended to read as follows:

4. The legislature may terminate <u>or modify</u> by concurrent resolution
executive orders issued under this section at any time.

37 § 4. Subdivision 2 of section 2 of chapter 71 of the laws of 2021, 38 amending the executive law relating to the termination of certain execu-39 tive powers, is amended to read as follows:

2. Any directive previously issued pursuant to chapter 23 of the laws of 2020 in effect at the time of the repeal of such chapter shall be permitted to continue for 30 days from the effective date of this chapter notwithstanding the repeal of chapter 23 of the laws of 2020 and following the expiration of such 30 day period, any extensions or modifications of such directives shall be subject to the following provisions:

47 a. The governor [may] shall apply to the state legislature for author-48 <u>ization to</u> extend or modify any directive, by executive order, that has 49 been issued and remains in effect on the effective date of this act for 50 additional 30 day increments in a manner provided for in this section, 51 provided that the purpose of extending or modifying the directive is to 52 issue a public health directive related to managing the COVID-19 pandem-53 ic.

54 [b. No later than 5 days prior to the extension or modification of 55 such a directive, the governor shall notify including via electronic 56 means the relevant committee chairs in the assembly and senate and the S. 6064

speaker of the assembly and temporary president of the senate of his or 1 her intent to extend or modify any directive, and shall include there-2 with the certification required by subdivision 1 of this section, to 3 describe the need for extension or modification of such directive and 4 5 the threat to the public health or safety that requires the extension or б modification. If the governor certifies that the extension or modifica-7 tion of such a directive is necessary to address any exigent circumstances that address an imminent threat to public health or safety, he 8 or she shall provide such certification required by the commissioner of 9 health as provided in subdivision 1 of this section as soon as possible, 10 but in any event, prior to the issuance of an extension or modification 11 of such a directive. The governor shall provide an opportunity to 12 comment on any such directive by the relevant committee chairs, which 13 comments may be received after the issuance of the directive and shall 14 not affect the validity thereof. 15 16 c. No later than 5 days prior to the extension or modification of a directive only explicitly affecting specific municipalities, the gover-17 nor shall notify including via electronic means the relevant executive 18 leaders of such municipalities and such municipal legislature of his or 19 her intent to extend or modify any such directive, and shall include 20 therewith the certification required by subdivision 1 of this section to 21 describe the need for extension or modification of such directive and 22 the specific threat to the public health or safety that requires the 23 extension or modification. If the governor certifies that the extension 24 or modification of such a directive is necessary to address any exigent 25 26 circumstances that address an imminent threat to the public health or 27 safety, he or she shall provide such certification required by the commissioner of health as provided in subdivision 1 of this section, as 28 soon as possible but in any event, prior to the issuance of an extension 29 30 or modification of such a directive. The governor shall provide an opportunity to comment on any such directive by such executive leaders 31 32 and legislatures, which comments may be received after the issuance of 33 the directive and shall not affect the validity thereof.] b. No later than five days prior to any proposed extension or modifi-34 35 cation of such a directive, the governor shall notify, including via electronic means, each member of the legislature of his or her request 36 for authorization to extend or modify a directive. A request made by the 37 38 governor pursuant to this act shall be made for each directive individually, and shall include with each request to the legislature the 39 certification required by subdivision 1 of this section to describe the 40 need for such extension or modification. Notice of the governor's 41 42 request to extend or modify any directive shall be immediately posted on 43 the governor's website; and in the event a directive that the governor 44 is requesting to extend or modify explicitly affects a municipality, the 45 governor shall also notify, including via electronic means, the chief 46 executive officer of such municipality of his or her request. (i) Upon receiving a request from the governor as to his or her desire 47 to extend or modify any directive, the speaker of the assembly and 48 temporary president of the senate shall call their respective houses of 49 the legislature into session to consider the governor's request. No 50 51 later than five days following receipt of a request by the governor to extend or modify a directive, the legislature, upon a majority vote of 52 the members in each house, may approve such a request by concurrent 53 54 resolution. If the legislature fails to return to session to consider the governor's request to extend or modify any directive within five

⁵⁵ the governor's request to extend or modify any directive within five 56 days of receiving a request from the governor, such request shall be

S. 6064

deemed approved notwithstanding the failure of the legislature to adopt 1 a concurrent resolution and such directive shall be allowed to be 2 3 extended or modified as requested. 4 (ii) If the governor certifies that the extension or modification of a 5 directive is necessary to address an exigent circumstance relating to an б imminent threat to public health or safety, a directive shall be permit-7 ted to be extended or modified immediately without prior approval of the 8 legislature. Certification of exigent circumstances shall require 9 notification of such a threat and justification thereof being posted on the governor's website. Immediately following posting of such notifica-10 11 tion on his or her website as to the exigent need to extend or modify an executive order, the governor shall make a formal request to the legis-12 13 lature as provided in subparagraph (i) of this paragraph b. No later 14 than five days following receipt of a request by the governor to extend 15 or modify a directive under this subparagraph, the legislature, upon a 16 majority vote of the members in each house, may approve such a request 17 by concurrent resolution. If the legislature fails to return to session to consider the governor's request to extend or modify any directive 18 19 within 5 days of receiving a request from the governor, such request 20 shall be deemed approved notwithstanding the failure of the legislature 21 to adopt a concurrent resolution and such directive shall be allowed to 22 be extended or modified as requested. c. The governor shall provide an opportunity to comment on any direc-23 24 tive he or she seeks to extend or modify. Comments shall be accepted via 25 electronic means. 26 d. No directive shall be modified pursuant to this section unless such 27 modification is solely for the purpose of altering the numeric amount or percentage of individuals, businesses, vaccination locations or provid-28 29 ers or administrators, or other entities impacted by a directive, or 30 additional restrictions or reducing existing restrictions placing 31 related to testing, quarantine, social distancing, air quality or 32 filtration, or mask requirements, for any entity located in the state, 33 including but not limited to modification of individuals eligible for vaccination or modification of limits on the seating capacity of a busi-34 35 ness to operate during a state of emergency. 36 e. No directive shall be extended or modified to the extent that such 37 directive prohibits the adoption by any municipality of this state a 38 local executive order within such municipality's existing power except where such an order conflicts with any executive order issued by the 39 40 state. 41 f. No directive may be extended or modified more than once unless the 42 governor has responded, including electronically, to any comments provided by [the chairs of any relevant committee or relevant municipal 43 entities pursuant to this section which have been received within 5 days 44 45 of the time required for such notice pursuant to paragraph b of this 46 subdivision, and which may be attested to in the notice by the governor 47 to the relevant chairs and the leaders as provided in paragraph b of this subdivision, which shall be deemed sufficient for purposes of the 48 effectiveness of such directive] any member of the legislature or chief 49 executive of a municipality that received notice pursuant to this 50 51 section. Comments of state legislators and municipal chief executives 52 shall be posted on the governor's website along with responses thereto.

53 <u>Certification that responses have been made and posted online shall be</u> 54 <u>included along with any request by the governor to the legislature for</u>

55 <u>authorizations for additional extensions or modifications of a</u>

56 directive.

S. 6064

1 g. The legislature may terminate by concurrent resolution executive 2 orders issued under this section at any time.

h. [Directives] No extension or modification of a directive shall be 3 effective [from the time and in the manner prescribed in such orders 4 and] until approved by the legislature pursuant to this section; 5 б provided, however, that any exigent extension or modification that is approved by the legislature pursuant to subparagraph (ii) of paragraph b 7 8 of this subdivision shall be deemed to have been effective upon the 9 governor providing notice on his or her website of such necessary exigent action. All directives shall be published as soon as practica-10 ble in the state bulletin and as provided in this section and this act. 11 § 5. This act shall take effect immediately and shall apply to any 12 proposed extension or modification of a directive requested by the 13 governor on or after the effective date of this act; provided, however, 14 that the amendments to section 2 of chapter 71 of the laws of 2021 made 15 16 by section four of this act shall not affect the repeal of such section 17 and shall be deemed repealed therewith.
