1 Section 1. Section 606 of the tax law is amended by adding a new
2 subsection (kkk) to read as follows:

4 after January first, two thousand twenty-two, a qualified caregiver
5 shall be allowed a credit against the tax imposed by this article for a

7 expense by such a qualified caregiver for performing caregiving duties
8 provided to a qualified family member that resided within this state.

9 (2) For purposes of this section (A) "qualified caregiving expense"
10 means payments made by the qualified caregiver for goods and services
11 which are provided to or for the benefit of the qualifying family member
12 or to assist the qualified caregiver in caring for the qualifying family

3 or nephew of the qualified caregiver.

4 (C) "qualified caregiver" means an individual who is a New York state
5 resident taxpayer for the taxable year. In the case of a joint return,
6 the term includes the individual and the individual's spouse. The quali-
7 fied caregiver claiming the credit must have a federal adjusted gross
8 income of seventy-five thousand dollars or less for an individual and
9 one hundred fifty thousand dollars or less for a couple, and incur
10 uncompensated expenses directly related to the care of a qualified fami-
11 ly member. In addition, qualified caregivers must provide care to one or
12 more eligible qualified family members during the taxable year, and be
13 eligible to receive a credit against the family caregiver's state tax
14 liability for the taxable year.

15 (3) The credit established pursuant to this subsection shall be

22 credit is waived, and may not be refunded, carried forward or otherwise
23 used to offset taxes.

24 (5) Eligible qualified caregivers shall apply for the credit through
25 the department. The commissioner, in consultation with the commissioner
26 of the department of health and the director of the office for the
27 aging, shall issue a certification for an approved application to the
28 taxpayer that states the amount of the credit allocated to the taxpayer
29 and the allocation year.

30 (6) The aggregate amount of tax credits allowed pursuant to the
31 authority of this subsection shall be thirty-five million dollars each
32 year during the period two thousand twenty-two through two thousand
33 twenty-four. Such aggregate amount of credits shall be allocated by the
34 department on a first come first serve basis in order of priority based
35 upon the date of filing an application for allocation of credit with the
36 department. Once the credits allocated exceed the limit established in
37 this subsection, the commissioner shall cease to allocate and certify
38 tax credits to taxpayers.

39 (7) The commissioner may require a qualified taxpayer to furnish the
40 following information in support of his or her claim for credit under
41 this subsection: household adjusted gross income, the name of the eligi-
42 ble family member and his or her identifying information including
43 social security numbers, and all other information which may be required
44 by the commissioner to determine the credit.

45 (8) The commissioner, after consulting with the commissioner of the
46 department of health and the director of the office for the aging, shall
47 by October thirty-first, two thousand twenty-one promulgate regulations
48 necessary and appropriate to carry out the purposes of this subsection.
49 Notwithstanding any other provisions to the contrary in the state admin-
50 istrative procedure act, such rules and regulations may be adopted on an
51 emergency basis if necessary to meet such October thirty-first, two
52 thousand twenty-one deadline.

53 (9) The department shall submit to the governor, the temporary presi-
54 dent of the senate, and the speaker of the assembly an annual report by
55 February first of each year evaluating the effectiveness of the caregiv-
56 ing tax credit provided by this subsection. Such report shall be based

1 on data available from the application filed with the department for any
2 caregiving credits. Notwithstanding any provision of law to the contra-
3 ry, the information contained in the report shall be public information.
4 The report shall include recommendations for changes in the calculation
5 or administration of the credit proposed by the department, in consulta-
6 tion with the department of health and the office for the aging, that
7 are deemed useful and appropriate.

8 § 2. This act shall take effect immediately and shall apply to taxable
9 years commencing on and after January 1, 2022; provided that the
10 provisions of this act shall expire and be deemed repealed on December
11 31, 2024.
