AN ACT to amend the New York state urban development corporation act, in relation to enacting the food retail establishment subsidization for healthy communities (FRESH Communities) act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as the "food retail establishment subsidization for healthy communities act".

4 § 2. Legislative intent. The legislature finds that the lack of access 5 to fresh foods is a problem of growing concern in many communities across the state. Substantial increases in urban land values and rents, б 7 limited access to financing and other economic pressures have left many lower-income residents in urban and rural areas underserved by supermar-8 9 kets and other food retail establishments. The resulting lack of access 10 to a variety of fresh food retailers makes it more difficult and expen-11 sive for these residents to maintain a nutritionally balanced diet and 12 leads to increased public health costs, dilutes the value of public 13 assistance for food purchases, leads to greater travel times and energy 14 expenditures to obtain fresh food, and deprives the state's farmers of 15 markets for their products. Providing access to financial assistance for urban and rural supermarkets in underserved areas will remedy these 16 adverse conditions, create employment opportunities and help to revital-17 18 ize and stabilize currently underserved neighborhoods.

19 § 3. Subdivision 1 of section 16-m of section 1 of chapter 174 of the 20 laws of 1968, constituting the New York state urban development corpo-21 ration act, is amended by adding a new paragraph (o) to read as follows: 22 (o) Loans, loan guarantees, interest subsidies and grants to busi-23 nesses, municipalities, not-for-profit corporations or local development
