1 (c) any current license in effect at the premises has been surrendered
2 or placed in safekeeping, or has been deemed abandoned by the authority.

3 3. The liquor authority in granting such permit shall ensure that:

4 (a) issuance of the permit will not inordinately hinder the operation
5 or effective administration of this chapter; and

6 (b) the applicant would in all likelihood be able to ultimately obtain
7 the manufacturing license being applied for; and

8 (c) the applicant has substantially complied with the requirements
9 necessary to obtain such license.

10 4. The application for a permit shall be approved or denied by the
11 liquor authority within forty-five days after the receipt of such appli-
12 cation.

13 5. A temporary permit shall authorize the permittee to operate a manu-
14 facturing facility for the manufacture and sale of alcoholic beverages
15 according to the laws applicable to the type of manufacturing license
16 being applied for.

17 6. Such temporary permit shall remain in effect for six months or
18 until the manufacturing license being applied for is approved and the

22 such extension.

23 7. Notwithstanding any provision of law to the contrary, a temporary
24 permit may be summarily cancelled or suspended at any time if the liquor

27 writing of such cancellation or suspension and shall set forth the
28 reasons for such action.

29 8. The liquor authority in reviewing such application shall review the
30 entire record and grant the temporary permit unless good cause is other-

32 evidence in the record and supported by a preponderance of the evidence
33 in favor of the applicant.

34 § 4. This act shall take effect on the ninetieth day after it shall
35 have become a law; provided, however, that upon effect, any valid permit

38 beverage control law as if such section had not been repealed, and
39 provided further, any application duly submitted prior to the effective
40 date of this act and not yet acted upon shall be processed as if such
41 section had not been repealed, and if such application is approved, any
42 permit issued shall remain in effect according to the terms of section
43 76-b of the alcoholic beverage control law as if such section had not
44 been repealed.
