STATE OF NEW YORK

641

2021-2022 Regular Sessions

IN SENATE

(Prefiled)

January 6, 2021

Introduced by Sen. LIU -- read twice and ordered printed, and when printed to be committed to the Committee on Cities

AN ACT to amend the administrative code of the city of New York, in relation to repair or replacement of damaged residential lateral sewer and water pipes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The administrative code of the city of New York is amended 1 2 by adding two new sections 24-316.1 and 24-531 to read as follows: 3 § 24-316.1 Water lateral pipe repair or replacement. When at least three properties within a radius of seven hundred fifty feet have been 4 5 issued a three-day notice to repair a damaged residential lateral water pipe pursuant to subdivision (p) of section 20-02 of title 15 of the б 7 rules of the city of New York within a six-month period, and, after 8 investigation by the department of environmental protection of the city of New York and an opportunity to submit evidence to such department, in 9 10 accordance with rules promulgated by such department, by any applicable 11 public utility company, as defined in section two of the public service 12 law, such department concludes, based on substantial evidence, that the 13 infrastructure, electric current or other activity of any such public 14 utility company was a cause of significant damage to such residential lateral water pipe, such public utility company shall be responsible for 15 the repair or replacement of such pipe. In any investigation by the 16 17 department of environmental protection pursuant to this section, the 18 applicable public utility company shall cooperate with such investi-19 gation, and comply with any requests by such department relating to such 20 investigation. Any public utility found to have caused significant 21 damage, after an investigation as provided in this section, shall be 22 responsible for all costs associated with such investigation, and

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

S. 641

1	payment shall be due for such costs within sixty days after the depart-
2	ment of environmental protection has issued its conclusion.
3	<u>§ 24-531 Sewer lateral pipe repair or replacement. When at least</u>
4	three properties within a radius of seven hundred fifty feet have been
5	issued a three-day notice to repair a damaged residential lateral sewer
б	pipe pursuant to subdivision (p) of section 20-02 of title 15 of the
7	rules of the city of New York within a six-month period, and, after
8	investigation by the department of environmental protection of the city
9	of New York and an opportunity to submit evidence to such department, in
10	accordance with rules promulgated by such department, by any applicable
11	public utility company, as defined in section two of the public service
12	law, such department concludes, based on substantial evidence, that the
13	infrastructure, electric current or other activity of any such public
14	utility company was a cause of significant damage for such residential
15	lateral sewer pipe, such public utility company shall be responsible for
16	the repair or replacement of such pipe. In any investigation by the
17	department of environmental protection pursuant to this section, the
18	applicable public utility company shall cooperate with such investi-
19	gation, and comply with any requests by such department relating to such
20	investigation. Any public utility found to have caused significant
21	damage, after an investigation as provided in this section, shall be
22	responsible for all costs associated with such investigation, and
23	payment shall be due for such costs within sixty days after the depart-
24	ment of environmental protection has issued its conclusion.
25	§ 2. This act shall take effect immediately.

1 payment shall be due for such costs within sixty days after the depart
