2021-2022 Regular Sessions

IN SENATE

May 4, 2021

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public service law, in relation to establishing a program for eligible zero emissions energy systems

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public service law is amended by adding a new section 2 66-s to read as follows:

3

5

8

14

§ 66-s. Establishment of a zero emissions energy systems program. 1. As used in this section:

- (a) "zero emissions energy systems" means systems, other than renewable energy systems, that generate electricity or thermal energy through the use of technologies that do not lead to a net increase in greenhouse gas emissions into the atmosphere over their full lifecycle in the proc-9 ess of generating electricity;
- (b) "renewable energy systems" shall have the meaning provided in 10 section sixty-six-p of this article; and 11
- (c) "greenhouse gas" shall have the meaning provided in section 12 13 75-0101 of the environmental conservation law.
- 2. No later than one year from the effective date of this section, the 15 commission shall establish a competitive program to attract private sector investment in a minimum of one gigawatt of installed capacity of 16
- zero emissions energy systems that use eligible technologies that the 17
- 18 commission has determined, after notice and provision for the opportu-19 nity to comment, are technically feasible by the year two thousand thir-
- 20 ty of providing the operating flexibility and longer-term performance
- 21 that the electric grid system will require. The commission shall: (a)
- establish a competitive program, after notice and provision for the opportunity to comment, for the purpose of meeting the target estab-22
- 23
- 24 lished pursuant to subdivision two of section sixty-six-p of this arti-

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 cle that by the year two thousand forty the statewide electrical demand system will be zero emissions; (b) commence the implementation of the 3 program no later than two years from the effective date of this section; and (c) require that zero emissions energy systems that are installed pursuant to this section shall commence commercial operation by the year two thousand thirty.

- 3. The commission may temporarily suspend or modify the obligations under such program upon its finding that the program: impedes the provision of safe and adequate electric service; is likely to impair obligations and agreements in existence at the time of the enactment of 11 this section; and/or results in a significant increase in arrears or service disconnections that the commission determines are related to the 12 program.
- 14 4. No later than three years from the effective date of this section 15 and every two years thereafter, the commission shall issue a comprehen-16 sive review of the program to determine, among other matters, progress 17 in meeting the target for the deployment of zero emissions energy 18
- 19 § 2. This act shall take effect immediately.
