AN ACT to amend the education law, in relation to the dispensing of self-administered hormonal contraceptives

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 6527 of the education law is amended by adding a new subdivision 11 to read as follows:

11. A licensed physician may prescribe and order a non-patient specific regimen to a pharmacist licensed and located in the state, pursuant to regulations promulgated by the commissioner, and consistent with section sixty-eight hundred seven of this title, for dispensing self-administered hormonal contraceptives as defined in section sixty-eight hundred two of this title.

§ 2. Section 6802 of the education law is amended by adding a new subdivision 29 to read as follows:

29. "Self-administered hormonal contraceptives", for the purpose of section sixty-eight hundred seven of this article, means self-administered contraceptive medications or devices approved by the federal Food and Drug Administration to prevent pregnancy by using hormones to regulate or prevent ovulation, and includes oral hormonal contraceptives, hormonal contraceptive vaginal rings and hormonal contraceptive patches.

§ 3. Section 6807 of the education law is amended by adding a new subdivision 4 to read as follows:

4. a. A pharmacist licensed and located in the state may dispense a non-patient specific regimen of self-administered hormonal contraceptives, prescribed or ordered by a licensed physician or certified nurse

1 practitioner, pursuant to rules and regulations promulgated by the
2 commissioner, in accordance with the provisions of this subdivision.

3 b. Prior to dispensing self-administered hormonal contraceptives to a
4 patient, and at a minimum of every twelve months for each returning
5 patient, the pharmacist shall:

6 (i) provide the patient with a self-screening risk assessment ques-
7 tionnaire, developed by the commissioner of health and made available in
8 English and the top six languages spoken in the state, according to the
9 latest available data from the United States Census Bureau, to be used
10 by the patient to help the patient select an appropriate self-adminis-
11 tered hormonal contraceptive; and

12 (ii) provide the patient with a fact sheet, developed by the commis-
13 sioner of health and made available in English and the top six languages
14 spoken in the state, according to the latest available data from the
15 United States Census Bureau, that includes but is not limited to, the
16 clinical considerations and recommendations for use of the self-adminis-
17 tered hormonal contraceptive, the appropriate method for using such
18 hormonal contraceptive, information on the importance of follow-up
19 health care, and health care referral information.

20 c. The commissioner may require pharmacists to undergo training
21 related to the provisions of this subdivision.

22 d. A pharmacist shall notify the patient's primary health care practi-
23 tioner, within seventy-two hours of dispensing a self-administered
24 hormonal contraceptive, that such self-administered hormonal contracep-
25 tive has been dispensed. If the patient does not have a primary health
26 care practitioner, or is unable to provide contact information for their
27 primary health care practitioner, the pharmacist shall provide the
28 patient with a written record of the contraceptives dispensed, and
29 advise the patient to consult an appropriate health care practitioner.

30 e. Nothing in this subdivision shall prevent a pharmacist from refus-
31 ing to dispense pursuant to this subdivision if, in their professional
32 judgment, potential adverse effects, interactions or other therapeutic
33 complications could endanger the health of the patient.

34 § 4. Section 6909 of the education law is amended by adding a new
35 subdivision 11 to read as follows:

36 11. A certified nurse practitioner may prescribe and order a non-pa-
37 tient specific regimen to a pharmacist licensed and located in the
38 state, pursuant to regulations promulgated by the commissioner, and
39 consistent with section sixty-eight hundred seven of this title, for
40 dispensing self-administered hormonal contraceptives as defined in
41 section sixty-eight hundred two of this title.

42 § 5. This act shall take effect eighteen months after it shall have
43 become a law. Effective immediately, the addition, amendment and/or
44 repeal of any rule or regulation necessary for the implementation of
45 this act on its effective date are authorized to be made and completed
46 on or before such effective date.
