IN SENATE

May 12, 2021

Introduced by Sen. GAUGHRAN -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to amend the retirement and social security law, in relation to disability retirement benefits for sheriffs, deputy sheriffs, undersheriffs, and correction officers in Nassau county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 607-c of the retirement and social security law is
2 amended by adding a new subdivision g to read as follows:

3 g. Any sheriff, deputy sheriff, undersheriff, or correction officer as
4 defined in subdivision a of section sixty-three-b of this chapter, and
5 who is employed in Nassau county, who becomes physically or mentally
6 incapacitated for the performance of duties as the natural and proximate
7 result of an injury, sustained in the performance or discharge of his or
8 her duties by, or as the natural and proximate result of an intentional
9 or reckless act of any civilian visiting, or otherwise present at, an
10 institution under the jurisdiction of such county where such injury was
11 sustained and documented after the enactment of this section, shall be
12 paid a performance of duty disability retirement allowance equal to that
13 which is provided in section sixty-three of this chapter, subject to the
14 provisions of section sixty-four of this chapter. Notwithstanding any
15 other provision of law to the contrary, none of the provisions of this
16 subdivision shall be subject to section twenty-five of this chapter.

17 § 2. All past service costs associated with implementing the
18 provisions of this act will be borne by Nassau county, and may be amor-
19 tized over a ten year period.

20 § 3. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would allow any Tier 3, 4, 5 or 6 sheriff, undersheriff, deputy sheriff, or correction officer employed by Nassau County to become eligible to receive a performance of duty benefit due to the

intentional or reckless act of a civilian visiting an institution under the jurisdiction of such county. The benefit will be 75% of final average salary less worker's compensation. Currently, to be eligible for such improved benefit, it is required that such injuries be sustained as the result of an "act of an inmate". Such injuries must be sustained and documented after the enactment of this legislation.

If this bill is enacted during the 2021 legislative session, we anticipate that there will be an increase of approximately \$220,000 in the annual contributions of Nassau County for the fiscal year ending March 31, 2022. In future years, this cost will vary as the billing rates and salary of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$1.27 million which will be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2022. If Nassau County elects to amortize this cost over a 10 year period, the cost for the first year including interest would be \$167,000.

These estimated costs are based on 845 affected members employed by Nassau County, with annual salary of approximately \$101 million as of March 31, 2020.
