AN ACT to authorize James Unger to receive certain credit under section 384-d of the retirement and social security law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law, James Unger, currently a town of West Seneca police officer and member of the New York state and local police and fire retirement system covered by section 384-d of the retirement and social security law, who between January 21, 2003 and September 6, 2006 was employed by the Erie county sheriff's department where he was a member of the New York state and local employees' retirement system, and who, for reasons not ascribable to his own negligence, was not granted service credit under section 384-d of the retirement and social security law for his period of employment with the Erie county sheriff's department, shall be granted such service credit under section 384-d of the retirement and social security law and shall be entitled to the full rights and benefits associated with coverage under such section, provided a request to that effect is filed with the state comptroller within one year from the effective date of this act. be creditable service under section 384-d of the retirement and social security law for James Unger.

§ 2. All past service costs incurred in implementing the provisions of this act shall be borne by the town of West Seneca.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant service credit under section 384-d together with 384-e of the Retirement and Social Security Law to James Unger, a current member of the New York State and Local Police and Fire Retirement System (PFRS), for the period of January 21, 2003 through September 6, 2006, while employed as a deputy sheriff for Erie County. Currently, deputy sheriff service is not creditable in a PFRS twenty-year police retirement plan. James Unger is currently employed by the Town of West Seneca.

If this bill is enacted during the 2022 legislative session, there will be an immediate past service cost of approximately 208,000 which will be borne by the Town of West Seneca as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023.
