AN ACT to authorize Jeffrey Carr to receive certain service credit under section 384-d of the retirement and social security law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Jeffrey Carr, a member of the New York state and local police and fire
3 retirement system, who is currently employed by the city of Canandaigua,
4 who was employed as a police officer with the town of Lyons, from June
5 9, 1999 through June 14, 2003 and who, through no fault of his own,
6 failed to file a timely application to participate in the special twenty
7 year retirement plan contained in section 384-d of the retirement and
8 social security law, shall be given full credit in the special twenty
9 year retirement plan contained in section 384-d of the retirement and
10 social security law for such service upon the election of the town of
11 Lyons to assume the additional cost of such service.
12 The town of Lyons may so elect by filing with the state comptroller
13 within 180 days of the effective date of this act, a resolution of its
14 legislative body, together with certification that such police officer
15 did not bar himself from participation in such retirement plan as a
16 result of his own negligence. Thereafter, such officer may elect to be
17 covered by the provisions of section 384-d of the retirement and social
18 security law, and shall be entitled to the full rights and benefits
19 associated with coverage under such section, by filing a request to this
20 effect with the state comptroller within one year of the effective date
21 of this act.

LBD03975-11-1

1 § 2. All employer past service costs associated with implementing the
2 provisions of this act shall be borne by the town of Lyons and may be
3 amortized over a ten year period.

4 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant Jeffrey M. Carr, a Tier 2 member of the New York State and Local Police and Fire Retirement System, additional service creditable under the provisions of section 384-d of the Retirement and Social Security Law (RSSL) for time worked as a police officer of the Town of Lyons. Such service is currently creditable in the age 55 retirement plan of section 375-i of the RSSL but not in the 20-year plan of section 384-d. Jeffrey Carr is currently employed by the City of Canandaigua.

If this bill is enacted during the 2022 legislative session, there will be an immediate past service cost of approximately \$137,000 which will be borne by the Town of Lyons as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023. If the Town of Lyons elects to amortize this cost over a 10-year period, the cost for the first year including interest would be \$17,500.
