7006--A

2021-2022 Regular Sessions

## IN SENATE

May 21, 2021

---

Introduced by Sens. MAY, HOYLMAN, KRUEGER -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public service law, in relation to certificate and permit conditions for dormant power generating facilities that are in layup or out of service

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public service law is amended by adding a new section  
2 174 to read as follows:

3 § 174. Certificate and permit conditions for dormant facilities. 1.  
4 Notwithstanding subdivision two of section one hundred sixty-two of this  
5 article, a certificate and any air and water permits issued by the  
6 department of environmental conservation shall not be transferred for a  
7 major electric generating facility that was permitted prior to two thou-  
8 sand twelve and has provided notification that such facility is in layup  
9 or out of service.

10 2. A major electric generating facility that was permitted prior to  
11 two thousand twelve and that has provided notification that such facili-  
12 ty is in layup or out of service shall not utilize a fossil fuel  
13 resource to produce electricity, or for any other industrial purpose,  
14 without issuance of a new certificate by the commission and issuance of  
15 new air and water permits by the department of environmental conserva-  
16 tion.

17 § 2. This act shall take effect on the one hundred eightieth day after  
18 it shall have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
