1	3. Minimum amount owed. To qualify for placement on the tax levy the
2	amount owed for unpaid code violations must be at least five percent of
3	the amount of the tax assessed value of the property.
4	4. Levy. Such code violation penalty, cost or fine as set forth in a
5	copy of the judgment certified by the municipal counsel to the commis-
б	sioner of finance, treasurer or other public official charged with the
7	duties of overseeing tax collections shall be set down in the annual tax
8	levy under the heading uncollected fines and penalties and in according
9	with this section shall be levied, enforced and collected in the same
10	manner, by the same proceedings, at the same time, under the same penal-
11	ties and having the same lien upon the property assessed as the general
12	municipal tax and as a part thereof.
13	5. Notice. The municipality shall notify all owners or known inter-
14	ested parties of record of the placement of the code violations on the
15	municipal tax levy as uncollected fines and penalties within thirty days
16	of placement, pursuant to section three hundred eight of the civil prac-
17	tice law and rules. The notice shall include the date or dates of such
18	violations, the description of the violations, the amount owed, a state-
19	ment detailing the foreclosure process that will occur if the violations
20	remain unpaid, the process to claim any surplus funds and the contact
21	information for the municipal office in charge of receiving payments.
22	6. Tax year. Any unpaid code violations shall be placed on the tax
23	roll the municipality is currently in and shall not be placed on a list,
24	roll or levy of delinguent taxes.
25	7. Owner occupied. Notwithstanding any other applicable provisions of
26	law, nothing in this section shall be applied to a residential dwelling
27	that is owner-occupied or is the primary residence of a homeowner.
28	8. Tenants. Prior to the placement of any property with unpaid code
29	violations on the tax levy, the municipality shall develop a program to
30	assist tenants residing in a dwelling at risk for tax foreclosure due to
31	unpaid code violations. Such program shall include housing counseling
32	assistance or other support in relocating the tenants to suitable hous-
33	ing prior to the tax foreclosure.
34	9. Payment plan. Nothing in this section shall preclude an owner or
35	landlord from entering into a payment plan with a municipality for past
36	amounts due for code violations.
37	10. Curing code violations. (a) If all of the violations for which the
38	penalties, fees and costs have been assessed are cured, removed or corrected prior to the expiration of the period for redemption pursuant
39	
40 41	to section eleven hundred ten of this chapter, the property shall be removed from the levy and auction and the balance of the amount owed
41 42	shall be placed as a lien on the property pursuant to applicable laws
42 43	for debt collection and an action for foreclosure of the property shall
44	not be maintained for the amount owed.
45	(b) The determination of whether or not the code violations have been
46	cured shall be made by the local municipal enforcing officer in charge
47	of ensuring compliance with applicable housing, building, and fire codes
48	such as a code enforcement officer. An appeal of this determination may
49	be made to the municipality's zoning board of appeals or other local
50	administrative body as provided for in local law. The final determi-
51	nation made by the administrative body shall be reviewable pursuant to
52	article seventy-eight of the civil practice law and rules.
53	(c) This section shall not be applicable to any cause of action
54	brought for money due based on the curing of code violations under any

55 form for receivership or a mechanics lien.

S. 7029

1	11. Payment prior to auction. (a) If the balance owed for code
2	violations placed on the tax levy is paid prior to the expiration of the
3	period for redemption pursuant to section eleven hundred ten of this
4	chapter and there is no balance due for unpaid real property taxes, the
5	property may not be auctioned, and the property shall be removed from
б	the tax levy.
7	(b) The owner shall have the right to pay the full balance prior to
8	the expiration of the period for redemption pursuant to section eleven
9	hundred ten of this chapter in order to redeem the property.
10	12. Surplus. Any surplus funds remaining after the sale of a property
11	at a tax foreclosure for unpaid code violations shall be returned to the
12	former owner of the property in a manner provided under local law. This
13	provision shall not apply to a sale of a property at a tax foreclosure
14	due to unpaid taxes. If a property has both unpaid taxes and unpaid code
15	violations on the same tax levy and is auctioned at a tax foreclosure
16	the amount of the surplus funds returned to the former owner shall be
17	proportionate to the amount of unpaid code violations owed in the total
18	amount of debt owed to the municipality. For the purpose of this
19	section, "surplus funds" shall mean the balance of money received after
20	auction of a property at a tax foreclosure sale minus the amount owed
21	for code violations and the costs and attorneys fees incurred in the
22	collection of the fees by the municipalities.
23	13. Balance due. If after an auction a balance is due for code
24	violations, the municipality may proceed with any action against the
25	former owner pursuant to applicable laws.
26	14. Exclusions. The provisions of this section shall not apply to any
27	municipality that sells their tax liens in a tax lien sale.

28 § 2. This act shall take effect immediately.
