AN ACT granting David Ladd retroactive Tier IV membership in the New York state and local employees' retirement system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 David Ladd, a member of the New York state and local employees' retire-
3 ment system, who on November 30, 2009 commenced employment with the New
4 York City Department of Probation, and who separated from the New York
5 city employees' retirement system on January 7, 2011 and joined the New
6 York state employees' retirement system, and has purchased credited
7 service to November 30, 2009, and who, for reasons not ascribable to his
8 own negligence, failed to become a member of the New York city employ-
9 ees' retirement system on November 30, 2009 and therefore has Tier V
10 instead of Tier IV status, shall be deemed to have joined such retire-
11 ment system on November 30, 2009, the commencement of his employment
12 with the New York City Department of Probation, if within one year of
13 the effective date of this act he shall file an application therefor
14 with the state comptroller. Upon receipt of such application, David Ladd
15 shall be deemed to have joined the retirement system on November 30,
16 2009.

17 § 2. All past service costs of implementing the provisions of this act
18 shall be borne by the state of New York, and there shall be no refund of
19 the members contributions to David Ladd.

20 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would change David Ladd's date of membership in the New York State and Local Employees' Retirement System (ERS) to November 30, 2009, resulting in Tier 4 status. Currently, David Ladd is a Tier 5 member in ERS. No member contributions will be refunded because of this bill.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD11717-02-1

If this bill is enacted during the 2021 legislative session, we anticipate that there will be an increase of approximately \$3,000 in the annual contributions of Jefferson County for the fiscal year ending March 31, 2022. In future years, this cost will vary as the billing rates and salary of the member change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$4,950 which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2022.
