- § 99-nn. Opioid settlement fund. 1. There is hereby established in the joint custody of the state comptroller and the commissioner of taxation and finance a special fund to be known as the "opioid settlement fund".
- 2. Money allocated to the opioid settlement fund shall be kept sepa-6 7 rate and shall not be commingled with any other funds in the custody of 8 the state comptroller.
- 9 3. Money expended from such fund shall be used to supplement and not 10 supplant or replace any other funds, including federal or state funding, 11 which would otherwise have been expended for substance use disorder prevention, treatment, recovery or harm reduction services or programs. 12 13 Provided further, general operating funds or baseline funding shall not 14 be reduced due to monies expended from the fund.
- 4. Such fund shall consist of money received by the state as a result 16 of the settlement of litigation with entities that manufactured, sold, distributed, dispensed or promoted opioids, made in connection with claims arising from the manufacturing, marketing, distributing, promoting or dispensing of opioids, as well as any funds received by the state 20 as a result of a judgment, stipulation, decree, agreement to settle, 21 assurance of discontinuance, or other legal instrument resolving any 22 claim or cause of action against manufacturers, distributors, dispensers or vendors of opioids and related entities arising out of activities alleged to have contributed to increases in opioid addiction, whether 25 filed or unfiled, actual or potential, and whether arising under common

1 law, equity, or any provision of law, and all other monies appropriated, 2 credited, or transferred thereto from any other fund or source pursuant 3 to law. All monies shall remain in such fund unless and until directed 4 by statute or appropriation.

- 5 5. Notwithstanding subdivision eleven of section four of this chapter, 6 or subdivision sixteen of section sixty-three of the executive law, monies from the opioid settlement fund shall be available following 7 8 appropriation by the legislature and shall only be expended on eligible 9 expenditures as defined in section 25.18 of the mental hygiene law for 10 prevention, treatment, harm reduction and recovery services related to 11 substance use disorders and co-occurring mental illnesses in New York state pursuant to the terms of the statewide opioid settlement agree-12 13 ments as defined in section 25.18 of the mental hygiene law. Funding 14 shall be distributed regionally and to ensure adequate geographic disbursement across the state in accordance with the statewide opioid 15 16 settlement agreements. In addition to programs and services overseen by the office of addiction services and supports, funding may also be 17 expended on programs and services overseen by the department of health, 18 19 the office of mental health, the division of housing and community 20 renewal or any other agency that may oversee an appropriate program or 21 service that is considered an eliqible expenditure as provided under section 25.18 of the mental hygiene law. Funding decisions shall include 22 an emphasis on supporting programs that are culturally, linguistically 23 and gender competent, trauma-informed, evidence-based and, where appro-24 25 priate, employ individuals with lived experience as part of the services 26 provided.
- 27 § 2. The mental hygiene law is amended by adding a new section 25.18 28 to read as follows:
- 29 <u>§ 25.18 Statewide opioid settlements.</u>

- 30 (a) Definitions. As used in this section, the following terms shall
 31 have the following meanings: 1. Eligible expenditures shall include
 32 services and programs that are consistent with the approved uses and
 33 terms of the statewide opioid settlement agreement and include but not
 34 be limited to, programs:
 - (i) to prevent substance use disorders through an evidence-based youth-focused public health education and prevention campaign, including school-based prevention and health care services and programs to reduce the risk of substance use by school-aged children;
 - (ii) to develop and implement statewide public education campaigns to reduce stigma against individuals with a substance use disorder, provide information about the risks of substance use, best practices for addressing substance use disorders, and information on how to locate services that reduce the adverse health consequences associated with substance use disorders or provide treatment for substance use disorders;
- 46 (iii) to provide substance use disorder treatment and early recovery 47 programs for youth and adults, with an emphasis on programs that provide 48 a continuum of care that includes screening and assessment for substance use disorders and co-occurring disorders, active treatment, family 49 involvement, case management, relapse management for substance use and 50 51 other co-occurring behavioral health disorders, vocational services, 52 literacy services, parenting classes, family therapy and counseling services, crisis services, recovery services, evidence-based treatments, 53 54 medication-assisted treatments, including medication assisted treatment 55 provided in correctional facilities, psychiatric medication, psychother-

56 apy and transitional services programs;

 (iv) to provide harm reduction counseling and services to reduce the adverse health consequences associated with substance use disorders, including overdose prevention and prevention of communicable diseases related to substance use, provided by a substance use disorder service provider or qualified community-based organization;

- (v) to provide housing services for people who are recovering from a substance use disorder. Such housing services shall be appropriate, based on the individual's current need and stage of recovery. Such housing services may include but are not limited to supportive housing services;
- 11 (vi) to support community-based programs that reduce the likelihood of 12 criminal justice involvement for individuals who have or are at risk of 13 having a substance use disorder;
 - (vii) to provide programs for pregnant women and new parents who currently or formerly have had a substance use disorder and newborns with neonatal abstinence syndrome; and
- 17 <u>(viii) to provide vocational and educational training for individuals</u>
 18 <u>with or at risk for a substance use disorder.</u>
 - 2. "Government entity" means (i) departments, agencies, divisions, boards, commissions and/or instrumentalities of the state of New York including, the department of financial services, the superintendent of the department of financial services, and the New York liquidation bureau, provided however it shall not include the department of law; and (ii) any governmental subdivision within the boundaries of the state of New York, including, but not limited to, counties, municipalities, districts, towns and/or villages, and any of their subdivisions, special districts and school districts, and any department, agency, division, board, commission and/or instrumentality thereof.
 - 3. "Participating entities" means participating entities as such term is defined in any statewide opioid settlement agreement.
 - 4. "Opioid settlement fund" means the fund created by the statewide opioid agreements and section ninety-nine-nn of the state finance law, the funds of which shall be used or distributed by the commissioners, as authorized by the legislature by statute or appropriation, for the purposes of preventing addiction and reducing the harms caused by the overdose and substance use disorder epidemic consistent with the terms of any statewide opioid settlement agreement.
- 38 <u>5. "Released claims" means released claims as such term is defined in</u> 39 <u>the statewide opioid settlement agreements.</u>
 - 6. "Released entities" means released entities as such term is defined in the statewide opioid settlement agreements.
- 7. "New York subdivisions" means each county, city, town, village, or special district in the state of New York.
- 8. "Statewide opioid settlement agreements" means agreements of state-wide applicability, including but not limited to consent judgments, consent decrees filed or unfiled, and related agreements or documents between the state and certain opioid manufacturers, distributors, dispensers, consultants, chain pharmacies, related entities, and/or the New York subdivisions, to provide remuneration for conduct related to the manufacture, promotion, dispensing, sale, and/or distribution of opioid products. Copies of such agreements, including any amendments thereto, shall be kept on file by the attorney general, who shall make such available for inspection and copying pursuant to the provisions of article six of the public officers law.
- 55 (b) Eligible expenditures for opioid settlement funds. 1. The legisla-56 ture shall appropriate funds to be used for eligible expenditures that

are consistent with the approved uses and terms of the statewide opioid 1 settlement agreement. Such expenditures shall be distributed regionally 3 and in accordance with the statewide opioid settlement agreements to ensure adequate geographic disbursement across the state.

- 2. New York subdivisions shall apply to the appropriate agency for funding for eligible expenditures consistent with the terms of any statewide opioid settlement agreement. Any New York subdivision which receives funding pursuant to this section shall be required to annually certify to the appropriate state agency in which funding was received that such New York subdivision is utilizing such funds in accordance with the requirements of this section and section ninety-nine-nn of the state finance law.
- 3. Each New York subdivision shall provide a detailed accounting of how the funds were used as well as an analysis and evaluation of the services and programs funded. Such information shall be included in the report provided pursuant to paragraph ten of subdivision (c) of this section.
- (c) Advisory board establishment and responsibilities. 1. The opioid 18 settlement board is hereby established under the office of addiction 19 20 services and supports to provide recommendations on how funding received 21 by the opioid settlement fund pursuant to section ninety-nine-nn of the state finance law shall be allocated by the legislature. Recommenda-22 tions shall be evidenced-based and may take into consideration federal, 23 state or local initiatives and activities that have shown to be effec-24 25 tive in preventing and treating substance use disorders as well as main-26 taining recovery and assisting with the collateral effects of substance 27 use disorders for individuals and their families or support system. Such recommendations shall also take into account any gaps in access to 28 29 services or programs identified as eligible expenditures and incorporate 30 mechanisms for measurable outcomes for determining the effectiveness of 31 funds expended. The office and any other relevant agency that provides 32 or regulates eliqible expenditures shall provide any necessary staff, 33 resources and technical assistance to assist with the functions of the advisory board. Such assistance shall be supported pursuant to an 34 appropriation by the legislature, in accordance with the statewide 35 36 opioid settlement agreements.
 - 2. The opioid settlement board may make recommendations to the legislature regarding the addition or removal of any eligible expenditures in response to changing substance use disorder needs in the state. No recommendation may be made to remove an eliqible expenditure without three-fourths approval of present board members.
 - 3. The opioid settlement board shall consist of nineteen members appointed as follows:
- 44 (i) the commissioner of addiction services and supports, the commis-45 sioner of mental health, and the commissioner of health, or their desig-46 nees, serving as ex-officio non-voting members;
 - (ii) two appointments by the governor;
 - (iii) two appointments by the temporary president of the senate;
- 49 (iv) two appointments by the speaker of the assembly;
 - (v) two appointments by the attorney general;
 - (vi) one appointment by the mayor of the city of New York; and
- (vii) seven appointments from a list of nominees submitted, pursuant 52 53 to a statewide opioid settlement agreement, by an association of coun-54 ties that represents at least ninety percent of the counties in New York, counting both by number of counties and by population at the time 55

such statewide opioid settlement agreement was finalized. Such appoint-

ments shall be selected as follows: two from the temporary president of the senate, two from the speaker of the assembly, one from the minority leader of the senate, one from the minority leader of the assembly and one from the attorney general.

- 4. Each member shall be appointed to serve three-year terms and in the event of a vacancy, the vacancy shall be filled in the manner of the original appointment for the remainder of the term. The appointed members and commissioners shall receive no compensation for their services but shall be allowed their actual and necessary expenses incurred in the performance of their duties as board members.
- 5. Every effort shall be made to ensure a balanced and diverse board, representing the geographic regions and racial and ethnic demographics of the state as well as those with lived experiences of a substance use disorder. Appointed members shall have an expertise in public and behavioral health, substance use disorder treatment, harm reduction, criminal justice, or drug policy. Further, the board shall include individuals with personal or professional experience with substance use and addiction issues and co-occurring mental illnesses as well as providing services to those that have been disproportionately impacted by the enforcement and criminalization of addiction.
- 21 6. The chairperson of the board and the vice chairperson shall be elected from among the members of the board by the members of such 22 board. The vice chairperson shall represent the board in the absence of 23 the chairperson at all official board functions. A majority of the 24 voting members of the board shall constitute a quorum. 25
 - 7. Members of the board shall not take any action to direct funding from the opioid settlement fund to any entity in which they or their family members have any interest, direct or indirect, or receive any commission or profit whatsoever, direct or indirect. Members of the board shall recuse themselves from any discussion or vote relating to such interest.
 - 8. The board shall meet quarterly, to ensure recommendations are updated and consistent with the needs of the state. Such meetings shall be held in accordance with article seven of the public officers law and pursuant to the federal americans with disabilities act of nineteen hundred ninety, as amended.
- 37 9. On or before November first of each year, beginning November first, 38 two thousand twenty-one, the board shall provide their recommendations for how such funds shall be appropriated, consistent with the require-39 ments of this section and section ninety-nine-nn of the state finance 40 law. Such recommendations shall be provided in a written report to the 41 42 governor, the temporary president of the senate, the speaker of the 43 assembly, the chair of the senate finance committee, the chair of the assembly ways and means committee, the chair of the senate alcoholism 44 45 and substance abuse committee and the chair of the assembly alcoholism 46 and drug abuse committee.
- 10. On or before November first of each year, beginning one year after the initial deposit of monies in the opioid settlement fund, the relevant commissioners, in consultation with the advisory board, shall provide a written report to the governor, temporary president of the senate, speaker of the assembly, chair of the senate finance committee, chair of the assembly ways and means committee, chair of the senate alcoholism and substance abuse committee and chair of the assembly alco-54 holism and drug abuse committee. Such report shall be presented as a consolidated dashboard and be made publicly available on the respective offices' websites. The report shall include the following information:
