IN SENATE

October 25, 2021

Introduced by Sen. ORTT -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the military law, in relation to determining that disability compensation or benefits received by veterans from the United States department of veterans affairs are not to be treated as income or resources for purposes of determining eligibility for means-tested programs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The military law is amended by adding a new section 235-b
2 to read as follows:

3 § 235-b. Income and resources not to include United States department
4 of veterans affairs disability compensation or benefits. 1. Notwith-
5 standing any inconsistent provision of law, the terms "income" and
6 "resources" for the purpose of determining eligibility for or the amount
7 of benefits under any means-tested state or state assisted or federally
8 assisted program including but not limited to programs of public assist-
9 ance and care, including family assistance, safety net assistance,
10 medical assistance, title XX of the social security act, food stamp
11 program, the program of additional state payments to persons eligible
12 for supplemental security income, the low income home energy assistance
13 program and grants, loans and scholarships and other means-tested
14 programs for educational assistance, shall not include benefits or
15 payments received from the United States department of veterans affairs
16 for veterans affairs disability compensation or veterans affairs disa-
17 bility benefits. The foregoing requirements shall not apply to any
18 means-tested federally assisted program where the exclusion of such
19 disability benefits or payments received from income is expressly and
20 unanimously prohibited by federal law, rule or regulation.

21 2. Notwithstanding any inconsistent provision of law, any application
22 for any means-tested state or state assisted or federally assisted
