2021-2022 Regular Sessions

IN SENATE

(Prefiled)

January 6, 2021

Introduced by Sen. BIAGGI -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law, in relation to requirements for the re-registration for physicians

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 6524 of the education law is amended by adding a 2 new subdivision 12 to read as follows:

(12) (a) As used in this section:

7

9

- (i) "Adverse childhood experiences" means stressful or traumatic experiences experienced during childhood, which are strongly related to the development and prevalence of a wide range of health problems throughout a person's lifetime, including, but not limited to physical or sexual abuse; domestic violence; parental mental illness; substance abuse; and incarceration.
- 10 (ii) "Continuing medical education organization" means an accredi-11 tation council for continuing medical education, a physician specialty 12 organization, or any other appropriate entity, as determined by the 13 commissioner, in consultation with the commissioner of health.
- (iii) "Physician specialty organization" means the American Board of
 Medical Specialties; the American Osteopathic Association Bureau of
 Professional Education; the American Board of Physician Specialties; the
 Royal College of Physicians of Canada; and any other entity maintaining
 standards for and certifying physician specialty certification that is
 approved by the Accreditation Council of Graduate Medical Education, or
 any other equivalent entity, as determined by the commissioner, in
 consultation with the commissioner of health.
- 22 <u>(b) No physician may be re-registered unless he or she, as part of the</u> 23 <u>re-registration application, includes an attestation, in a form</u> 24 <u>prescribed by the commissioner, that he or she has previously completed</u>

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
