STATE OF NEW YORK

75--A

Cal. No. 1032

2021-2022 Regular Sessions

IN SENATE

(Prefiled)

January 6, 2021

Introduced by Sens. HOYLMAN, COMRIE, PERSAUD -- read twice and ordered printed, and when printed to be committed to the Committee on Health -- reported favorably from said committee, ordered to first and second report, ordered to a third reading, amended and ordered reprinted, retaining its place in the order of third reading

AN ACT to amend the public health law, in relation to adult immunization reporting requirements

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph (b) of subdivision 3 of section 2168 of the 2 public health law, as amended by chapter 420 of the laws of 2014, is 3 amended to read as follows:

(b) (i) Any health care provider who administers any vaccine to a 5 person nineteen years of age or older, [may shall report[, with the 6 consent of the vaccineer] all such immunizations to the department in a 7 format prescribed by the commissioner within fourteen days of adminis-8 tration of such immunizations. Health care providers administering immunizations to persons nineteen years of age or older in the city of 10 New York [may] shall report[, with the consent of the vaccinee,] in a format prescribed by the city of New York commissioner of health and 11 mental hygiene, all such immunizations to the citywide immunization 12 registry. The reporting by a health care provider of administration of 13 14 an immunization to a person nineteen years of age or older to a regional 15 health information organization or other health information exchange 16 shall satisfy the reporting requirements in this section if such data is provided by the regional health information organization or health 17 18 information exchange to the department or citywide immunization regis-19 **try.**

20 (ii) A registered professional nurse, or a pharmacist who administers 21 a vaccine pursuant to subdivision two of section sixty-eight hundred one

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD00349-03-1

S. 75--A 2

1 of the education law, to a person nineteen years of age or older, shall report[with the consent of the vaccineer] all such immunizations to the department in a format prescribed by the commissioner within four-3 teen days of administration of such immunizations. Registered professional nurses or pharmacists administering immunizations pursuant to subdivision two of section sixty-eight hundred one of the education law, 7 to persons nineteen years of age or older in the city of New York shall report[- with the consent of the vaccinee,] in a format prescribed by 9 the city of New York commissioner of health and mental hygiene, all such 10 immunizations to the citywide immunization registry. The reporting by a 11 registered professional nurse or a pharmacist of administration of an immunization to a person nineteen years of age or older to a regional 12 health information organization or other health information exchange 13 14 shall satisfy the reporting requirements in this section if such data is provided by the regional health information organization or health 15 16 information exchange to the department or citywide immunization regis-17 try.

- 18 (iii) However, no report shall be made under this paragraph if the
 19 person to whom the vaccine is administered, or a person authorized to
 20 consent to health care for the person, objects to the person who admin21 istered the vaccine, prior to the making of the report.
- 22 § 2. This act shall take effect on the ninetieth day after it shall 23 have become a law.
