2021-2022 Regular Sessions

## IN SENATE

December 17, 2021

---

Introduced by Sen. RAMOS -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the tax law, in relation to establishing the early learning child care act; to amend the state finance law, in relation to establishing the early learning child care fund; and to amend the social services law, in relation to establishing the early learning child care program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Early  
2 Learning Child Care Act".

3 § 2. Legislative findings and intent. The legislature hereby finds and  
4 declares that New Yorkers are struggling to find quality affordable  
5 child care where the federal government and New York state have ignored  
6 their duty to provide children, particularly infants, with affordable,  
7 safe and proper care.

8 The legislature hereby finds and declares that recent studies suggest  
9 that working parents earning the median household wage must spend nearly  
10 31% of their income to afford center-based child care. Child care in New  
11 York city has an average annual cost for infants and toddlers in  
12 center-based child care of nearly nineteen thousand dollars, while home-  
13 based child care can cost over ten thousand dollars annually.

14 The legislature hereby finds and declares that currently child care  
15 agencies cannot afford to pay their workforce because of low reimburse-  
16 ment rates that have left the industry understaffed, with high employee  
17 turnover and employees living in poverty.

18 Therefore, the legislature hereby finds and declares that the govern-  
19 ment has an obligation to curb child care costs for families and provide  
20 a proper education and environment to children under five years of age,  
21 while investing in the human infrastructure to make sure providers and  
22 educators are properly compensated and trained.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

§ 3. The tax law is amended by adding a new article 24-B to read as follows:

ARTICLE 24-B

871. Imposition of tax and rate.

872. Pass through of tax prohibited.

873. Exemption override.

874. Payment of tax.

875. Deposit and disposition of revenue.

§ 870. Definitions. For the purposes of this article:

(a) Employer. Employer means an employer required by section six hundred seventy-one of this chapter to deduct and withhold tax from wages, that has a payroll expense in excess of two million five hundred thousand dollars in any calendar year; other than:

(1) any agency or instrumentality of the United States;

(2) the United Nations;

(3) an interstate agency or public corporation created pursuant to an agreement or compact with another state or the Dominion of Canada; or

(4) (i) any non-profit early childhood services provider which receives funding from the federal or state government, or any municipal, state or federal agency, or political subdivision.

(ii) As used in this section, the term "early childhood services" shall mean services which include, but are not limited to, registered, certified or licensed care in family day care homes; group family day care homes; school-age child care programs; head start programs; day care centers; child care which may be provided without a permit, certificate or registration in accordance with this statute; early childhood education programs approved by the state education department.

(c) Covered employee. Covered employee means an employee who is employed in the state of New York.

§ 871. Imposition of tax and rate. For the purpose of providing an additional stable and reliable dedicated funding source to address child care affordability, accessibility, and quality for families with children under five years of age, a tax is hereby imposed on employers and individuals as follows: For employers, the tax is imposed at a rate of (a) fifty hundredths (.50) percent of the payroll expense for employers with payroll expense in excess of two million five hundred thousand dollars and not more than five million dollars per calendar year, (b) seventy-five hundredths (.75) percent of the payroll expense for employers with payroll expense in excess of five million dollars and not more than ten million dollars per calendar year, and (c) one (1) percent of the payroll expense for employers with payroll expense in excess of ten million dollars per calendar year. If the employer is a professional employer organization, as defined in section nine hundred sixteen of the labor law, the employer's tax shall be calculated by determining the payroll expense attributable to each client who has entered into a professional employer agreement with such organization and the payroll expense attributable to such organization itself, multiplying each of

1 those payroll expense amounts by the applicable rate set forth in this  
2 paragraph and adding those products together.

3 § 872. Pass through of tax prohibited. An employer cannot deduct from  
4 the wages or compensation of an employee any amount that represents all  
5 or any portion of the tax imposed on the employer under this article.

6 § 873. Exemption override. (a) Except as provided in subsection (b) of  
7 this section, any exemption from tax specified in any other New York

10 the provisions of article twenty-one of the economic development law  
11 shall be exempt from the tax imposed under this article.

12 § 874. Payment of tax. Employers with payroll expense. The tax imposed  
13 on the payroll expense of employers under section eight hundred seven-  
14 ty-one of this article must be paid at the same time the employer is  
15 required to remit payments under section six hundred seventy-four of  
16 this chapter; provided however, that employers subject to the provisions  
17 in section nine of this chapter must pay the tax on the payroll expense  
18 at the same time as the withholding tax remitted under the electronic  
19 payment reporting system and the electronic funds transfer system  
20 authorized by section nine of this chapter.

21 § 875. Deposit and disposition of revenue. (a) The taxes, interest,  
22 and penalties imposed by this article and collected or received by the  
23 commissioner shall be deposited daily with such responsible banks, bank-  
24 ing houses or trust companies, as may be designated by the comptroller.  
25 The comptroller shall require adequate security from all such deposito-  
26 ries. Of the total revenue collected or received under this article,  
27 the comptroller of the city of New York shall retain such amount as the  
28 commissioner may determine to be necessary for refunds under this arti-  
29 cle. The comptroller is authorized and directed to deduct from the  
30 amounts it receives under this article, before deposit into the trust  
31 accounts designated by such comptroller, a reasonable amount necessary  
32 to effectuate refunds of the department to reimburse the department for  
33 the costs incurred to administer, collect and distribute the taxes  
34 imposed by this article.

35 (b) After reserving such amount for such refunds and deducting such  
36 amounts for such costs, as provided for in subsection (a) of this  
37 section, the commissioner shall certify to the comptroller the amount of  
38 all revenues so received during the prior month as a result of the  
39 taxes, interest and penalties so imposed. The amount of revenues so  
40 certified shall be paid over by the fifteenth and the final business day  
41 of each succeeding month from such account without appropriation into  
42 the early learning child care fund.

43 § 876. Procedural provisions. (a) General. All provisions of article  
44 twenty-two of this chapter shall apply to the provisions of this article  
45 in the same manner and with the same force and effect as if the language  
46 of article twenty-two of this chapter had been incorporated in full into  
47 this article and had been specifically adjusted for and expressly  
48 referred to the tax imposed by this article, except to the extent that  
49 any provision is either inconsistent with a provision of this article or  
50 is not relevant to this article. Notwithstanding the preceding sentence,  
51 no credit against tax in article twenty-two of this chapter can be used  
52 to offset the tax due under this article.

53 (b) Combined filings. Notwithstanding any other provisions of this  
54 article:

55 (1) The commissioner may require the filing of a combined return which  
56 may also include any of the returns required to be filed by a taxpayer

1 pursuant to the provisions of section six hundred fifty-one of this  
2 chapter and which may be required to be filed by such taxpayer pursuant  
3 to any local law enacted pursuant to the authority of article thirty,  
4 thirty-A or thirty-B of this chapter.

5 (2) Where a combined return is required, and with respect to the  
6 payment of estimated tax, the commissioner may also require the payment  
7 to it of a single amount which shall equal the total of the amounts  
8 (total taxes less any credits or refunds) which would have been required  
9 to be paid with the returns or in payment of estimated tax pursuant to  
10 the provisions of this article, the provisions of article twenty-two of  
11 this chapter, and the provisions of local laws enacted under the author-  
12 ity of article thirty, thirty-A or thirty-B of this chapter.

13 (3) Notwithstanding any other law to the contrary, the commissioner  
14 may require that all filings of forms or returns under this article  
15 shall be filed electronically and all payments of tax shall be paid  
16 electronically.

17 § 877. Enforcement with other taxes. (a) Joint assessment. If there is  
18 assessed a tax under this article and there is also assessed a tax  
19 against the same taxpayer pursuant to article twenty-two of this chapter  
20 or under a local law enacted pursuant to the authority of article thir-  
21 ty, thirty-A, or thirty-B of this chapter, and payment of a single  
22 amount is required under the provisions of this article, such payment  
23 shall be deemed to have been made with respect to the taxes so assessed  
24 in proportion to the amounts of such taxes due, including tax, penal-  
25 ties, interest and additions to tax.

26 (b) Joint action. If the commissioner takes action under such article  
27 twenty-two or under a local law enacted pursuant to the authority of  
28 article thirty, thirty-A, or thirty-B of this chapter with respect to  
29 the enforcement and collection of the tax or taxes assessed under such  
30 articles, the commissioner shall, whenever possible and necessary,  
31 accompany such action with a similar action under similar enforcement  
32 and collection provisions of the tax imposed by this article.

33 (c) Apportionment of moneys collected by joint action. Any moneys  
34 collected as a result of such joint action shall be deemed to have been  
35 collected in proportion to the amounts due, including tax, penalties,  
36 interest and additions to tax, under article twenty-two of this chapter  
37 or under a local law enacted pursuant to the authority of article thir-  
38 ty, thirty-A, or thirty-B of this chapter and the tax imposed by this  
39 article.

40 (d) Joint deficiency action. Whenever the commissioner takes any  
41 action with respect to a deficiency of income tax under article twenty-  
42 two of this chapter or under a local law enacted pursuant to the author-  
43 ity of article thirty, thirty-A, or thirty-B of this chapter, other than  
44 the action set forth in subsection (a) of this section, the commissioner  
45 may in his or her discretion accompany such action with a similar action  
46 under this article.

47 § 4. The state finance law is amended by adding a new section 99-oo to  
48 read as follows:

56 programs across the state. As a condition of receiving funds pursuant

1 to this section, the child care resource and referral program  
2 shall demonstrate that it is receiving or has an agreement to receive  
3 funds from sources other than the department pursuant to this title.

4 6. Qualified agencies shall apply to the local commissioner of social  
5 services for funds for prospective covered children. All applications  
6 approved by the commissioner shall include a commitment to use appropri-  
7 ate accounting and fiscal control procedures which shall include the  
8 filing of an annual financial statement which has been audited as  
9 required by the department so as to ensure:

10 (a) the proper disbursement accounting for funds received; and

11 (b) appropriate written records regarding the population served,  
12 including the level of financial assistance needed and the type and  
13 extent of services rendered.

14 7. Qualified agencies approved to receive funding shall be required to  
15 follow section four hundred ten-q of this article to provide information  
16 to parents who contact the certified child care center about the best  
17 child care options for parents and their covered child.

18 8. In order for an early learning program application by qualified  
19 agencies to be accepted and approved for funding, a proposal shall:

20 (a) include a needs assessment of the area within the applicant's  
21 community;

22 (b) demonstrate an ability to operate after typical work hours for  
23 parents working a full working day on atypical hours;

24 (c) provide for age and developmentally appropriate curriculum and  
25 activities;

26 (d) provide for periodic assessments of a child's development;

27 (e) provide a proper learning environment, materials and supplies for  
28 children to develop properly;

29 (f) have a robust plan and infrastructure to engage and communicate  
30 with families;

31 (g) meet staffing requirement criteria created by the department;

32 (h) provide adequate training and professional development opportu-  
33 nities for teachers and staff;

34 (i) demonstrate the quality of the facility;

35 (j) demonstrate the manner in which the physical well-being, health

37 (k) ensure equal opportunity by abiding by all standards set by Title  
38 III of the federal Americans with Disabilities Act in accordance with  
39 state law;

40 (l) incorporate an implicit bias and cultural competency training for  
41 child care providers, specifically focusing on served population;

42 (m) demonstrate compliance with local health licensing and permit  
43 requirements;

44 (n) outline the care options provided in relation to full working day  
45 hour sessions and non-school hour sessions; and

46 (o) other standards determined by the department.

47 9. Pursuant to section four hundred ten-cc of this title, an early  
48 learning program shall pay workers a salary that is equivalent to no  
49 less than forty-five thousand dollars annually for a full time teacher  
50 or staff members.

51 10. The department shall create a quality standard that eligible agen-  
52 cies shall meet to accept covered children who qualify for the prekin-  
53 dergarten program, but whose family choose to participate in the early  
54 learning child care program instead. This standard shall be met for an  
55 eligible agency to accept a covered child for a full working day session  
56 into the early learning child care program.

11. An early learning program proposal submitted under this section may be disapproved or a prior designation of qualified agency may be withdrawn only if the commissioner, in accordance with regulations established by the commissioner, has provided:(a) written notice of intention to disapprove such proposal or withdraw such designation, including a statement of the reasons for such disapproval or withdrawal; (b) a reasonable time in which to submit corrective amendments to such plan or undertake other necessary corrective action; and (c) an opportunity for a public hearing upon which basis an appeal to the commissioner may be taken as of right.

12. The New York state child care board established pursuant to title five-E of this article shall adopt all other rules and regulations necessary to administer the program.

§ 410-cc. Financial assistance to qualified agencies for early learning child care program and enrollment. 1. Social services districts shall provide financial assistance for carrying out the early learning child care program to qualified agencies. The amount of financial assistance provided shall be based on a cost estimation model created by the department which determines the actual cost of care in relation to the income eligibility fee scale for each covered child of the program. The cost estimation model shall be determined by a report from the office of children and family services. The formula shall also take into account needed wage increases to hire and retain enough child care professionals to meet the needs of the program in relation to the position of a covered child's family on the income eligibility fee scale. Such payment rates shall take into account the variations in the costs of providing child care in different settings and to children of different age groups, and the additional costs of providing child care for children with special needs.

2. Qualified agencies participating in the early learning child care program shall be reimbursed by the state based on the enrollment of covered children. Financial assistance shall be provided to the qualified agency regardless of whether a covered child attends their assigned session or not.

3. When determining the market rate cost for early child care learning programs, the department shall take into account:

(a) wages for workers that shall not be less than forty-five thousand dollars a year;

(b) an established differential payment rate for child care services for eligible agencies. Such differential payment rate shall be fifteen percent higher than the actual cost of care or the applicable market-related payment rate established by the office in regulations, whichever is less. Differential payment rates shall be provided to eligible agencies who provide care to: (i) a child experiencing homelessness; (ii) a child during non-traditional hours; and/or (iii) any other at-risk children that the New York state child care board deems appropriate;

(c) the education level of the staff member when determining pay, with staff with bachelors and masters degrees being paid more than those without such degrees; and

(d) wages for workers that take into account cost of living differences across different regions of the state.

§ 410-dd. Drop-in care. 1. Eligible agencies that are contracted care facilities or voucher eligible facilities that offer drop-in care shall be eligible to receive a tax credit pursuant to subdivision two of this section, based on the following criteria:

1 (a) the eligible agency meets all requirements outlined in the early  
2 learning child care program; and

3 (b) the eligible agency holds open spots for enrollment to covered
