AN ACT to amend the executive law, in relation to designating January sixth as "Democracy Day"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The Legislature finds and declares  
2 the following:

3 1. On Wednesday, January 6th, 2021, the President of the United States  
4 at the time, Donald J. Trump, members of his administration and presi-  
5 dential campaign, and several Republican Members of Congress, directly  
6 incited and encouraged an armed and violent insurrection against the  
7 government of the United States, with the express purpose of preventing  
8 the peaceful transfer of power and overturning the results of a free and  
9 fair election.

10 2. In the months leading up to January 6th, the former President,  
11 members of his administration, and numerous elected members of his  
12 party, intentionally spread false and inflammatory claims regarding the  
13 legitimacy of the election, and both implicitly and explicitly promised  
14 violent or armed opposition to prevent the election from being certified  
15 and the President-Elect from taking office.

16 3. In the course of their attack, the insurrectionists trespassed on  
17 and destroyed Federal property, including flagrantly looting the Capi-  
18 tol, and openly bragged about their exploits on social media. The  
19 attackers carried white supremacist symbols including the flag known as  
20 the "Confederate battle flag," as well as anti-Semitic, fascist, and  
21 neo-nazi ideology. At the same time as many were carrying these symbols  
22 of the enemies of the United States, some of the attackers were observed

1 removing the flag of the United States, throwing it to the ground, and  
2 replacing it with a flag bearing the name of President Donald J. Trump.

3 4. One hundred thirty-eight police officers were injured defending the  
4 Capitol, and four insurrectionists and a Capitol Police officer died. In  
5 the months that followed the attack, four additional Capitol Police  
6 officers died by suicide. More than seven hundred people have been  
7 arrested in connection with the attack, however those most responsible  
8 have avoided accountability.

9 5. It is the intent of the legislature to establish an annual day of  
10 commemoration to be known as Democracy Day, to honor those who were  
11 wounded or died as a result of defending the Capitol, reiterate the need  
12 to protect and strengthen our democratic institutions, and recognize the  
13 ongoing threat of anti-democratic, white nationalist, and authoritarian  
14 movements in the United States.
