AN ACT making appropriations for the support of government

### CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the  
2 purpose of the appropriations, are appropriated by comprehensive  
3 construction programs (hereinafter referred to by the abbreviation CCP),  
4 purposes, and projects designated by the appropriations, and authorized  
5 to be made available as hereinafter provided to the respective public  
6 officers; such appropriations shall be deemed to provide all costs  
7 necessary and pertinent to accomplish the intent of the appropriations  
8

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 and are appropriated in accordance with the provisions of section 93 of  
2 the state finance law.

3 b) Any amounts specified in this chapter for advances for capital  
4 projects, or so much thereof as shall be necessary to accomplish the  
5 purpose of the appropriations, are appropriated by comprehensive  
6 construction programs (hereinafter referred to by the abbreviation CCP),  
7 purposes and projects designated by the appropriations as advances from  
8 the capital projects fund in accordance with the provisions of sections  
9 40-a and 93 of the state finance law, and are authorized to be paid as  
10 hereinafter provided as an advance for a share, part or whole of the  
11 cost for such programs, purposes and projects hereinafter specified.

12 c) The several amounts specified in this chapter as capital projects -  
13 reappropriations, or so much thereof as shall be sufficient to accom-  
14 plish the purpose of the appropriations, as appropriated by comprehen-  
15 sive construction programs (hereinafter referred to by the abbreviation  
16 CCP), purposes, and projects, being the undisbursed and/or unexpended  
17 balances of the prior year's appropriations, are reappropriated and  
18 unless otherwise amended or repealed in part or total in this chapter  
19 shall continue to be available for the same purposes as the prior appro-  
20 priations or as otherwise amended for the fiscal year beginning April 1,  
21 2022.

22 The capital projects reappropriations contained in this chapter may be  
23 amended by repealing the items set forth in brackets and by adding ther-  
24 eto the underscored material. Certain reappropriations in this chapter  
25 are shown using abbreviated text, with three leader dots (an ellipsis)  
26 followed by three spaces (... ) used to indicate where existing law  
27 that is being continued is not shown. However, unless a change is clear-  
28 ly indicated by the use of brackets [-] for deletions and underscores  
29 for additions, the purpose, amounts, funding source and all other  
30 aspects pertinent to each item of appropriation shall be as last appro-  
31 priated.

32 For the purpose of complying with section 25 of the state finance law,  
33 the year, chapter and section of the last act reappropriating a former  
34 original appropriation or any part thereof is, unless otherwise indi-  
35 cated, chapter 54, section 1, of the laws of 2021.

36 d) No moneys appropriated by this chapter shall be available for  
37 payment until a certificate of approval has been issued by the director  
38 of the budget, who shall file such certificate with the department of  
39 audit and control, the chairperson of the senate finance committee and  
40 the chairperson of the assembly ways and means committee.

41 e) The appropriations contained in this chapter shall be available for  
42 the fiscal year beginning on April 1, 2022 except as otherwise noted.

1 by the commissioner of health for the purposes that strengthen and  
2 protect continued access to health care services in communities  
3 including but not limited to children's residential treatment facil-  
4 ities. Such purposes may include debt retirement and capital  
5 projects or non-capital projects that facilitate health care trans-  
6 formation activities including, merger, consolidation, acquisition  
7 or other activities intended to: create financially sustainable  
8 systems of care; preserve or expand essential health care services;  
9 modernize obsolete facility physical plants and infrastructure;  
10 foster participation in alternative payment arrangements, including  
11 but not limited to contracts with managed care plans and accountable  
12 care organizations; increase the quality of resident care or experi-  
13 ence in residential health care facilities; or improve health infor-  
14 mation technology infrastructure, including telehealth, to strength-  
15 en the acute, post-acute care, primary care, and longterm care  
16 continuum. Grants shall not be available to support general operat-  
17 ing expenses.

18 The commissioner and the president of the dormitory authority of the  
19 state of New York shall enter into an agreement, subject to the  
20 approval of the director of the budget, and subject to section  
21 1680-r of the public authorities law, for the purposes of awarding,  
22 distributing, and administering the funds made available pursuant to  
23 this appropriation.

24 In determining awards for eligible applicants under this appropri-  
25 ation, the commissioner of health shall consider criteria including,  
26 but not limited to:

- 27 (a) The extent to which the proposed project will contribute to the  
28 integration of health care services or the long term sustainability  
29 of the applicant or preservation of essential health services in the  
30 community or communities served by the applicant;
- 31 (b) The extent to which the proposed project or purpose is aligned  
32 with delivery system reform incentive payment ("DSRIP") program  
33 goals and objectives;
- 34 (c) The geographic distribution of funds;
- 35 (d) The relationship between the proposed project and identified  
36 community need;
- 37 (e) The extent to which the applicant has access to alternative  
38 financing;
- 39 (f) The extent to which the proposed project furthers the development  
40 of primary care and other outpatient services;
- 41 (g) The extent to which the proposed project benefits medicaid enrol-  
42 lees and uninsured individuals;
- 43 (h) The extent to which the applicant has engaged the community  
44 affected by the proposed project and the manner in which community  
45 engagement has shaped such project; and
- 46 (i) The extent to which the proposed project addresses potential risk  
47 to patient safety and welfare.

48 Notwithstanding any inconsistent provision of law to the contrary, and  
49 upon approval of the director of the budget, the commissioner may  
50 award up to \$300,000,000 of the funds made available pursuant to

9 in the state.

10 8. When combined with other funds made available in the 2016-17 and  
11 2017-18 state fiscal year housing program (ccp), up to a total of  
12 \$125,000,000 shall be made available for the purpose of substantial  
13 or moderate rehabilitation and/or the demolition and replacement  
14 through new construction of site-specific multi-family rental hous-  
15 ing currently owned by public housing authorities outside of New  
16 York city. The distribution of any funds which the division of hous-  
17 ing and community renewal or other appropriate state agencies or  
18 authorities authorizes to be used as part of a federal housing  
19 program, shall require the division of housing and community renewal  
20 to monitor and ensure that any affected public housing tenants are  
21 properly informed regarding participation in the federal housing  
22 program and that appropriate documents related to participation in  
23 such federal housing program are made publicly available and are  
24 posted on each applicable housing authority's website in a timely  
25 manner to properly inform such public housing authority tenants. The  
26 residents of public housing that receives and uses such funds to  
27 participate in such federal program shall be provided a uniform  
28 lease agreement that provides, at a minimum, terms and conditions  
29 consistent with those found in the public housing lease they had  
30 prior to the public housing having received any such funds. Public  
31 housing authorities that receive and use such funds shall be  
32 required to: provide resident education, which shall include compre-  
33 hensive information about any anticipated changes to the public  
34 housing; provide language assistance to residents with limited  
35 English proficiency; recognize the right of residents to form a  
36 resident organization; require resident participation funding  
37 commensurate to the funding that was being allocated to residents  
38 already; develop a set of procedures for resident grievances and  
39 lease termination proceedings that apply to residents following the  
40 use of such funds, which shall be consistent with any existing  
41 procedures, can provide stronger resident protections, and conform  
42 with any other applicable federal rules and/or regulations. In cases  
43 when there is a property manager other than the public housing  
44 authority that receives these funds, then such property manager  
45 shall be required to take actions including, but not limited to,  
46 providing clear and accessible information to residents before,  
47 during, and after becoming the property manager; provide language  
48 assistance to residents with limited English proficiency; and recog-  
49 nize a legitimate resident organization as the residents' represen-  
50 tative, invite such resident organization to all resident engage-  
51 ments, and meet regularly with the resident organization to discuss  
52 emerging property-wide issues.

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than an additional \$500,000,000 for the period April 1, 2019 through and past March 31, 2020, and not more than an additional \$41,525,000 for the period April 1, 2020 through and past March 31, 2021 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.
2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.
3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.
5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.
6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.
7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$75,000,000 shall be made available for the purpose of providing

capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of

\$41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom there are few affordable home ownership alternatives in the private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority; provided further to the extent practicable, the New York city housing authority in its administration of such funds shall include employment opportunities for NYCHA tenants consistent with section 3 of the housing and urban development act of 1968.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08111707) (30904) ... 541,525,000 ..... (re. \$541,525,000)

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2020:

In support of a comprehensive, statewide multi-year housing program.

The commissioner shall provide, in electronic excel format or as requested by the Legislature, an annual report to the director of the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). 13 agreement with the division of housing and community renewal or  
14 another state, federal or local housing agency.
- 15 7. When combined with other funds made available in the 2016-17 and  
16 2017-18 state fiscal year housing program (ccp), up to a total of  
17 \$75,000,000 shall be made available for the purpose of providing  
18 capital subsidies to preserve and improve Mitchell-Lama properties  
19 in the state.
- 20 8. When combined with other funds made available in the 2016-17 and  
21 2017-18 state fiscal year housing program (ccp), up to a total of  
22 \$125,000,000 shall be made available for the purpose of substantial  
23 or moderate rehabilitation and/or the demolition and replacement  
24 through new construction of site-specific multi-family rental hous-  
25 ing currently owned by public housing authorities outside of New  
26 York city. The distribution of any funds which the division of hous-  
27 ing and community renewal or other appropriate state agencies or  
28 authorities authorizes to be used as part of a federal housing  
29 program, shall require the division of housing and community renewal  
30 to monitor and ensure that any affected public housing tenants are  
31 properly informed regarding participation in the federal housing  
32 program and that appropriate documents related to participation in  
33 such federal housing program are made publicly available and are  
34 posted on each applicable housing authority's website in a timely  
35 manner to properly inform such public housing authority tenants. The  
36 residents of public housing that receives and uses such funds to  
37 participate in such federal program shall be provided a uniform  
38 lease agreement that provides, at a minimum, terms and conditions  
39 consistent with those found in the public housing lease they had  
40 prior to the public housing having received any such funds. Public  
41 housing authorities that receive and use such funds shall be  
42 required to: provide resident education, which shall include compre-  
43 hensive information about any anticipated changes to the public  
44 housing; provide language assistance to residents with limited  
45 English proficiency; recognize the right of residents to form a  
46 resident organization; require resident participation funding  
47 commensurate to the funding that was being allocated to residents  
48 already; develop a set of procedures for resident grievances and  
49 lease termination proceedings that apply to residents following the  
50 use of such funds, which shall be consistent with any existing  
51 procedures, can provide stronger resident protections, and conform  
52 with any other applicable federal rules and/or regulations. In cases

Aviation Purpose

By chapter 54, section 1, of the laws of 1991:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development

purposes not directly related to a private facility until the commissioner of transportation has provided the director of the budget with the following projections to support any such allocation of funds: (a) effect on Stewart airport net operating revenues; (b) effect on new jobs for the state of New York; and (c) effect on net revenues of amortization of state capital expenditures. It is acknowledged that funds provided herein pursuant to the transportation capital facilities development act of 1967 are made available by repealing a portion of an appropriation for the payment of the state's share to the Niagara frontier transportation authority for construction, reconstruction, and improvement of airport or aviation capital projects at Buffalo international airport. It is the intent of the legislature that the repeal of such funds appropriated to the Niagara frontier transportation authority does not void the state's commitment to provide alternative state share funding sources to the authority to complete the airport or aviation capital projects at Buffalo international airport as originally provided by chapter 54, section 1, of the laws of 1982, as amended by chapter 54, section 3, of the laws of 1988. It is further the intent of the legislature that such alternative state share funding be provided to the authority no later than March 31, 1993 (17439114) (53271) ..... 11,800,000 ..... The sum of \$185,000,000 is hereby appropriated for the Local Community Assistance Program. Funds appropriated herein shall be for grants for the payment of the capital costs of acquisition, design, construction, reconstruction, demolition, rehabilitation and improvement of an existing or proposed facility or other property real and personal, and other appurtenances thereto; and the acquisition of equipment and other capital assets with a useful life of not less than ten years purchased for installation or use in infrastructure that is owned or controlled by the grant recipient or appurtenant thereto. Eligible purposes shall include but not be limited to projects that support community development or redevelopment, revitalization, economic development, economic sustainability, arts and cultural development, housing, public security and safety and local infrastructure improvement or enhancement. Eligible entities may include municipal and state governmental entities, public authorities and not-for-profit corporations. Individual grants issued pursuant to this appropriation shall be in an amount no less than \$50,000. Notwithstanding any provision of law to the contrary, funds appropriated herein may, subject to the approval of the director of the budget, be (i) interchanged, (ii) transferred from this appropriation to any other appropriation of any state department, agency, public benefit corporation, or public

The sum of \$50,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements.
