48 except as a result of a reduction adjustment necessary to conform to the
49 appropriations for support of public libraries.

50 Notwithstanding any other provision of law to the contrary the moneys
51 appropriated for the support of public libraries for the year 2022--2023
52 by a chapter of the laws of 2022 enacting the education, labor and fami-
53 ly assistance budget shall fulfill the state's obligation to provide

55 tion and approved by the director of the budget, the aid payable to
56 libraries and library systems pursuant to such appropriations shall be

1 reduced proportionately to ensure that the total amount of aid payable
2 does not exceed the total appropriations for such purpose.

3 § 34. Severability. The provisions of this act shall be severable, and
4 if the application of any clause, sentence, paragraph, subdivision,
5 section or part of this act to any person or circumstance shall be
6 adjudged by any court of competent jurisdiction to be invalid, such
7 judgment shall not necessarily affect, impair or invalidate the applica-
8 tion of any such clause, sentence, paragraph, subdivision, section or
9 part of this act or remainder thereof, as the case may be, to any other
10 person or circumstance, but shall be confined in its operation to the
11 clause, sentence, paragraph, subdivision, section or part thereof
12 directly involved in the controversy in which such judgment shall have
13 been rendered.

14 § 35. This act shall take effect immediately, and shall be deemed to

22 shall expire September 30, 2024 when upon such date the provisions of
23 such sections shall be deemed repealed;

24 3. The amendments to paragraph d of subdivision 12 of section 3602-e
25 of the education law made by section seventeen-b of this act shall take
26 effect upon the repeal of subdivision 4 of section 51 of part B of

33 PART B

34 Section 1. This Part enacts into law major components of legislation
35 relating to promoting zero-emission school buses. Each component is
36 wholly contained within a Subpart identified as Subparts A and B. The
37 effective date for each particular provision contained within such
38 Subpart is set forth in the last section of such Subpart. Any provision
39 in any section contained within a Subpart, including the effective date
40 of the Subpart, which makes reference to a section "of this act", when
41 used in connection with that particular component, shall be deemed to
42 mean and refer to the corresponding section of the Subpart in which it
43 is found. Section three of this Part sets forth the general effective
44 date of this Part.

45 SUBPART A

46 Section 1. The education law is amended by adding a new section 3638
47 to read as follows:

48 § 3638. Zero-emission school buses. 1. For the purposes of this
49 section "zero-emission school bus" shall mean a school bus that: is
50 propelled by an electric motor and associated power electronics which
51 provide acceleration torque to the drive wheels during normal vehicle
52 operations and draws electricity from a hydrogen fuel cell or battery;
53 or otherwise operates without direct emission of atmospheric pollutants.

1 2. (a) No later than July first, two thousand twenty-seven, every
2 school district shall:

3 (i) only purchase or lease zero-emission school buses when purchasing
4 or leasing new buses;

5 (ii) include requirements in any procurement for school transportation
6 services that any contractors providing transportation services for the
7 school district must only purchase or lease zero-emission school buses
8 when purchasing or leasing new school buses; and

9 (iii) include requirements in any procurement for the manufacturing or
10 retrofitting of a zero-emission school bus and charging or fueling
11 infrastructure that the components and parts used or supplied in the
12 performance of the contract or any subcontract thereto shall be produced
13 or made in whole or substantial part in the United States, its territo-
14 ries or possessions and that final assembly of the zero-emission school
15 bus and charging or fueling infrastructure shall occur in the United
16 States, its territories or possessions.

17 (b) The commissioner, in consultation with the New York state energy
18 research and development authority and office of general services, may
19 waive the contracting requirements set forth in subparagraph (iii) of
20 paragraph (a) of this subdivision if the commissioner determines that
21 the requirements would not be in the public interest, would result in
22 unreasonable costs, or that obtaining such zero-emission school buses
23 and charging or fueling infrastructure components and parts in the
24 United States would increase the cost of a school district's contract
25 for zero-emission school buses and charging or fueling infrastructure by
26 an unreasonable amount, or such zero-emission school busses and charging
27 or fueling infrastructure components and parts cannot be produced, made,
28 or assembled in the United States in sufficient and reasonably available
29 quantities or of satisfactory quality. Such determination must be made
30 on an annual basis no later than December thirty-first, after providing
31 notice and an opportunity for public comment, and be made publicly
32 available, in writing, on the department's website with a detailed
33 explanation of the findings leading to such determination. If the
34 commissioner has issued determinations for three consecutive years that
35 no such waiver is warranted pursuant to this paragraph, then the commis-
36 sioner shall no longer be required to provide the annual determinations
37 required by this paragraph.

38 3. No later than July first, two thousand thirty-five, every school
39 district shall:

40 (a) only operate and maintain zero-emission school buses; and

41 (b) include requirements in any procurement for school transportation
42 services that any contractors providing transportation services for the
43 school district must only operate zero-emission school buses when
44 providing such transportation services to the school district.

45 4. A school district may apply to the commissioner, and the department
46 may grant a one-time extension of up to twenty-four months to comply
47 with the requirements of subdivision two of this section. The commis-
48 sioner shall consider a school district's effort to meet the require-
49 ments of subdivision two of this section when granting an extension,
50 including but not limited to, procurement efforts made by the school
51 district, applications for state or federal funds, changes needed to
52 school district operations to meet the requirements of this section,
53 employee training, and receipt of technical assistance, if any. Upon a
54 school district receiving an extension, the New York state energy
55 research and development authority, in consultation with the department,

1 shall provide any additional technical assistance necessary to the
2 district to meet the requirements of subdivision two of this section.

3 5. (a) Nothing in this section shall alter the rights or benefits, and
4 privileges, including, but not limited to terms and conditions of
5 employment, civil service status, and collective bargaining unit member-
6 ship, of any current employees of school districts or any entity
7 contracted to provide pupil transportation services, or services attend-
8 ant thereto, including but not limited to drivers, attendants, dispatch-
9 ers, and mechanics.

10 (b) Nothing in this section shall result in: (i) the discharge,
11 displacement, or loss of position, including partial displacement such
12 as a reduction in the hours of non-overtime work, wages, or employment
13 benefits; (ii) the impairment of existing collective bargaining agree-
14 ments; (iii) the transfer of existing duties and functions; or (iv) the
15 transfer of future duties and functions, of any currently employed work-
16 er impacted by the proposed purchase or lease who agrees to be
17 retrained.

18 (c) Prior to the beginning of the procurement process for new zero-em-
19 ission school buses, omnibuses, vehicles, charging infrastructure or
20 equipment, fueling infrastructure or equipment, or other equipment, the
21 school district, private school bus company, or other employer whose
22 workers provide pupil transportation services or services attendant
23 thereto, shall create and implement a workforce development report that:
24 (i) estimates the number of current positions that would be eliminated
25 or substantially changed as a result of the purchase or lease, and the
26 number of positions expected to be created at the school district,
27 private school bus company or other employer whose workers provide pupil
28 transportation services or services attendant thereto by the proposed
29 purchase or lease over the intended life of the proposed purchase or
30 lease; (ii) identifies gaps in skills of its current workforce that are
31 needed to operate and maintain zero-emission school buses, omnibuses,
32 vehicles, charging infrastructure or equipment, fueling infrastructure
33 or equipment, or other equipment; (iii) includes a comprehensive plan to
34 transition, train, or retrain employees that are impacted by the
35 proposed purchase or lease; and (iv) contains an estimated budget to
36 transition, train, or retrain employees that are impacted by the
37 proposed purchase or lease.

38 (d) Nothing in this section shall: (i) limit rights of employees
39 pursuant to a collective bargaining agreement, or (ii) alter the exist-
40 ing representational relationships among collective bargaining represen-
41 tatives or the bargaining relationships between the employer and any
42 collective bargaining representative. Employees of public entities serv-
43 ing in positions in newly created titles shall be assigned to the appro-
44 priate bargaining unit.

45 (e) Prior to beginning the procurement process for zero-emission
46 school buses, omnibuses, vehicles, charging infrastructure or equipment,
47 fueling infrastructure or equipment, or other equipment, any employer of
48 workers covered by this section shall inform its employees' collective
49 bargaining representative of any potential impact on its members or
50 unit, including positions that may be affected, altered, or eliminated
51 as a result of the purchase.

52 6. When purchasing zero-emission school buses and charging or fueling
53 infrastructure, school districts are encouraged to utilize the central-
54 ized contracts for zero emission school buses and charging or fueling
55 infrastructure established by the office of general services.

§ 2. Paragraphs c, d and e of subdivision 2 of section 3623-a of the education law, paragraph c as amended by chapter 453 of the laws of 2005, paragraph d as added by chapter 474 of the laws of 1996, and paragraph e as amended by section 68 of part A of chapter 436 of the laws of 1997, are amended and a new paragraph f is added to read as follows:

ARTICLE 2

VETERANS EMPLOYMENT ACT

Section 30. Short title.

31. Legislative findings.

32. Definitions.

33. Temporary hiring.

34. Department of civil services responsibilities.

35. Regulations.

§ 30. Short title. This article shall be known and may be cited as the "veterans employment act".

§ 31. Legislative findings. The legislature hereby finds that it is estimated that over the next five years, forty-four thousand veterans are expected to return to this state from their military posts, making the Empire State home to one of the largest veteran populations in the country. Shockingly, the unemployment rate for Post-9/11 veterans in New York was 10.7% in two thousand twelve, which is nearly one percent higher than the national average and higher than the state's overall 8.2% unemployment rate. The legislature has found previously that it is in the interest of the state to ensure that returning veterans have employment opportunities available upon their separation from military service.

The state already encourages private businesses to hire military veterans through tax credits and other economic incentives. In addition, the legislature has previously found that state agencies spend millions of dollars annually on temporary staff hired from temporary employment service companies to cover temporary staffing needs. These temporary state jobs could serve as a bridge for recently discharged military veterans who have yet to find full-time permanent work. In addition, these temporary assignments could serve to develop the next generation of the state workforce and help with succession planning for the current workforce.

The legislature declares it to be the policy of this state to use veterans for temporary appointments in state agencies rather than utilizing temporary employment service companies in order to provide employment opportunities for returning military veterans.

§ 32. Definitions. As used in this article:

1 § 33. Temporary hiring. Notwithstanding any provision of law to the
2 contrary, a state agency shall select a veteran from the veteran tempo-
3 rary hiring list when making a temporary appointment provided such
4 veteran possesses the applicable skills needed for the temporary assign-
5 ment.

6 § 34. Department of civil services responsibilities. The department of
7 civil service shall:

8 1. establish and maintain a veteran temporary hiring list, for use by

40 including the stages of an investigation; timelines, including the
41 reasons for any potential delays in an investigation; the hearing and
42 adjudication process; outcomes of an investigation; and, anything else
43 the commission deems necessary to inform the public as well as relevant
44 parties to an investigation including complainants, respondents,
45 victims, if any, and witnesses as to such processes and procedures. The
46 guidance documents shall delineate the processes and procedures that
47 apply to the relevant parties, including, where applicable, the due
48 process and any other rights or remedies that the relevant party may
49 have under the commission's procedures or any other area of law. The
50 guidance documents shall be provided to the relevant party of an inves-
51 tigation upon such party's involvement in such investigation.

52 (c) The commission has the authority to compel the testimony of
53 witnesses, and may administer oaths or affirmations, subpoena witnesses,
54 compel their attendance and require the production of any books or
55 records which it may deem relevant or material.

56 6. Executive director and commission staff. The commission shall:

(a) (i) Appoint an executive director through a majority vote of the members of the commission, who shall act in accordance with the policies of the commission. The executive director shall be appointed without regard to political affiliation and solely on the basis of fitness to perform the duties assigned by this section, and meet the qualifications necessary for the services required based on their background and expertise that relate to the candidate's potential service to the commission. No individual shall be eligible to be appointed as an executive director if the individual is currently, or within the last two years has been:

(1) registered as a lobbyist in New York state;

(2) a member or employee of the New York state legislature or a state-wide elected official, or a commissioner of an executive agency appointed by the governor; or

(3) a political party chair, as defined in section seventy-three of the public officers law.

(ii) The appointment and removal of the executive director shall be made by a majority vote of the commission.

(iii) The term of office of the executive director shall be four years from the date of appointment. The salary of the executive director shall be determined by the members of the commission based on experience.

(iv) The commission may remove the executive director for neglect of duty, misconduct in office, violation of the confidentiality restrictions in this section, or inability or failure to discharge the powers or duties of office, including the failure to follow the lawful instructions of the commission.

(b) The commission may delegate authority to the executive director to act in the name of the commission between meetings of the commission provided such delegation is in writing, the specific powers to be delegated are enumerated, and the commission shall not delegate any decisions specified in this section that require a vote of the commission.

(c) The commission, through the executive director, shall establish units within the commission to carry out its duties, including, but not limited to, (i) an advice and guidance unit, (ii) a training unit, (iii) a financial disclosure unit, (iv) a lobbying unit, and (v) an investigations and enforcement unit.

(d) The commission, through the executive director, shall appoint such other staff as are necessary to carry out its duties under this section, including, but not limited to, a deputy director of an advice and guidance unit to provide timely confidential advice to persons subject to the commission's jurisdiction, a deputy director for training, a deputy director for investigations and enforcement, and a deputy director for lobbying.

(e) In addition to meeting the qualifications necessary for the services required for the position, the deputy director for investigations and enforcement shall have completed substantial training and have experience in trauma-informed approaches to investigations and enforcement. The deputy director for investigations and enforcement shall complete a minimum of four hours of training annually in trauma-informed approaches to investigations and enforcement. Such trainings may include, but not be limited to, the impact of trauma, first impression matters, victim interviews, investigative strategies, and alcohol and drug facilitated cases.

(f) The commission, through the executive director, shall review and approve a staffing plan provided and prepared by the executive director which shall contain, at a minimum, a list of the various units and divisions as well as the number of positions in each unit, titles and their

1 duties, and salaries, as well as the various qualifications for each
2 position.

3 7. Advice and guidance. (a) The commission shall establish a unit or
4 units solely for ethics and lobbying guidance, and give such prompt,
5 informal advice to persons whose conduct it oversees, except with
6 respect to members of the legislature and legislative staff, who shall
7 seek advice from the legislative ethics commission in the first
8 instance.

9 (b) Persons receiving such informal advice may rely on that advice
10 absent misrepresentation or omission of material facts to the commission
11 and such communications with the commission shall be treated as confi-
12 dential, except as disclosure is needed to prevent or rectify a
13 crime or fraud, or prevent a substantial threat to public health or
14 safety or if required by court order.

15 (c) The commission may also render, on written request or on its own
16 initiative, advisory opinions, and may allow for public comment before
17 issuance of an advisory opinion. Such an opinion rendered by the
18 commission shall be relied on by those subject to the commission's
19 jurisdiction and until, or unless, amended, superseded, or revoked.
20 Such opinion may also be relied upon by any such person, and may be
21 introduced and shall be a defense, in any criminal or civil action.

22 8. Training. The commission shall establish a training unit and shall
23 develop and administer an on-going program for the education and train-
24 ing in ethics and lobbying for those subject to the provisions of this
25 section, as follows:

26 (a) The commission shall develop and administer a comprehensive and
27 interactive live-in person or live-online ethics training course and
28 shall designate and train instructors to conduct such training. Such
29 live course shall be designed to include practical application of the
30 material covered and a question-and-answer participatory segment. Unless
31 the commission grants an extension or waiver for good cause shown,
32 statewide elected officials, members of the legislature and employees of
33 the legislature, and state officers and employees as defined in sections
34 seventy-three, seventy-three-a, and seventy-four of the public officers
35 law, and the political party chair as is defined in section seventy-
36 three of the public officers law, shall complete the live course within
37 ninety days of appointment or employment and shall complete the live
38 course every two years subsequently.

39 (b) The commission shall develop and administer an online ethics
40 refresher course for all individuals listed under subparagraph (i) of
41 this paragraph who have previously completed the live course. Such
42 refresher course shall be designed to include any changes in law, regu-
43 lation, or policy or in the interpretation thereof, and practical appli-
44 cation of the material covered. Unless the commission grants an exten-
45 sion or waiver for good cause shown, such individuals shall take such
46 refresher course once every year after having completed the live course
47 under paragraph (a) of this subdivision.

48 (c) The commission shall develop and administer an online live ques-
49 tion and answer course for agency ethics officers.

50 (d) The commission shall develop and administer training courses for
51 lobbyists and clients of lobbyists.

52 (e) The provisions of this subdivision shall be applicable to the
53 legislature except to the extent that an ethics training program is
54 otherwise established by the assembly and/or senate for their respective
55 members and employees and such program meets or exceeds each of the
56 requirements set forth in this subdivision.

1 (f) On an annual basis, the commission, in coordination with the
2 legislative ethics commission, shall determine the status of compliance
3 with the training requirements under this subdivision by each state
4 agency and by the senate and the assembly. Such determination shall
5 include aggregate statistics regarding participation in such training
6 and shall be reported on a quarterly basis to the governor and the
7 legislature in writing.

8 9. Financial disclosure statements. (a) The commission may delegate
9 all or part of review, inquiry and advice in this section to the staff
10 under the supervision of the executive director.

11 (b) The commission shall make available forms for annual statements of
12 financial disclosure required to be filed pursuant to section seven-
13 ty-three-a of the public officers law.

14 (c) The commission shall review the financial disclosure statements of
15 the statewide elected officials and members of the legislature within
16 sixty days of their filings to determine, among other things, deficien-
17 cies and conflicts.

18 (d) The commission shall review on a random basis the financial
19 disclosure statements for filers who are not statewide elected officials
20 and members of the legislature.

21 (e) The commission shall review financial disclosure statements filed
22 in accordance with the provisions of this section and (i) inquire
23 into any disclosed conflict to recommend how best to address such
24 conflict; and

25 (ii) ascertain whether any person subject to the reporting require-
26 ments of section seventy-three-a of the public officers law has failed
27 to file such a statement, has filed a deficient statement or has filed a
28 statement which reveals a possible violation of section seventy-three,
29 seventy-three-a or seventy-four of the public officers law.

30 (f) If a person required to file a financial disclosure statement with
31 the commission has failed to file a disclosure statement or has filed a
32 deficient statement, the commission shall notify the reporting person in
33 writing, state the failure to file or detail the deficiency, provide the
34 person with a fifteen-day period to cure the deficiency, and advise the
35 person of the penalties for failure to comply with the reporting
36 requirements. This first notice of deficiency shall be confidential. If
37 the person fails to make such filing or fails to cure the deficiency
38 within the specified time period, the commission shall send a notice of
39 delinquency (i) to the reporting person; (ii) in the case of a statewide
40 elected official, to the chief of staff or counsel to the statewide
41 elected official; (iii) in the case of a member of the legislature or a
42 legislative employee, to the temporary president of the senate and the
43 speaker of the assembly; and (iv) in the case of a state officer,
44 employee or board member, to the appointing authority for such person.
45 Such notice of delinquency may be sent at any time during the reporting
46 person's service as a statewide elected official, state officer or
47 employee, member of the assembly or the senate, or a legislative employ-
48 ee or a political party chair or while a candidate for statewide office,
49 or within one year after termination of such service or candidacy. A
50 copy of any notice of delinquency or report shall be included in the
51 reporting person's file and be available for public inspection and
52 copying pursuant to the provisions of this section. The jurisdiction of
53 the commission, when acting pursuant to this subdivision with respect to
54 financial disclosure, shall continue for two years notwithstanding that
55 the reporting person separates from state service, or ceases to hold
56 public or political party office, or ceases to be a candidate, provided

1 the commission notifies such person of the alleged failure to file or
2 deficient filing pursuant to this subdivision.

3 (g) The commission shall adopt a procedure whereby a person who is
4 required to file an annual financial disclosure statement with the
5 commission may request an additional period of time within which to
6 file such statement, other than members of the legislature, candidates
7 for members of the legislature and legislative employees, due to justi-
8 fiable cause or undue hardship.

9 (h) The commission may permit any person who is required to file a
10 financial disclosure statement with the commission to request that the
11 commission delete from the copy thereof made available for public
12 inspection and copying one or more items of information which may be
13 deleted by the commission upon a finding by the commission that the
14 information which would otherwise be required to be made available
15 for public inspection and copying will have no material bearing on the
16 discharge of the reporting person's official duties. If such request
17 for deletion is denied, the commission, in its notification of denial,
18 shall inform the person of their right to appeal the commission's
19 determination in a proceeding commenced against the commission, pursuant
20 to article seventy-eight of the civil practice law and rules.

21 (i) The commission may permit any person who is required to file a
22 financial disclosure statement with the commission to request an
23 exemption from any requirement to report one or more items of infor-
24 mation which pertain to such person's spouse, domestic partner, or
25 unemancipated children which item or items may be exempted by the
26 commission upon a finding by the commission that the reporting individ-
27 ual's spouse, domestic partner, on their own behalf, or on behalf of an
28 unemancipated child, objects to providing the information necessary to
29 make such disclosure and that the information which would otherwise
30 be required to be reported shall have no material bearing on the
31 discharge of the reporting person's official duties. If such
32 request for exemption is denied, the commission, in its notification of
33 denial, shall inform the person of their right to appeal the commis-
34 sion's determination, pursuant to article seventy-eight of the civil
35 practice law and rules.

36 (j) The commission may permit any person required to file a financial
37 disclosure statement to request an exemption from any requirement to
38 report the identity of a client pursuant to the question under subpara-
39 graph (b) of paragraph eight of subdivision three of section
40 seventy-
41 three-a of the public officers law in such statement based upon an
42 exemption set forth in such question. The reporting individual need not
43 seek an exemption to refrain from disclosing the identity of any
44 client with respect to any matter where they or their firm provided
45 legal representation to the client in connection with an investi-
46 gation or prosecution by law enforcement authorities, bankruptcy, or
47 domestic relations matters. In addition, clients or customers
48 receiving medical or dental services, mental health services, residen-
49 tial real estate brokering services, or insurance brokering
50 services need not be disclosed. Pending any application for deletion or
51 exemption to the commission relating to the filing of a financial
52 disclosure statement, all information which is the subject or part of
53 the application shall remain confidential. Upon an adverse determination
54 by the commission, the reporting individual may request, and upon
55 such request the commission shall provide, that any information that is
56 the subject or part of the application remain confidential for a peri-
od of thirty days following notice of such determination. In the event

1 that the reporting individual resigns their office and holds no
2 other office subject to the jurisdiction of the commission, the informa-
3 tion shall not be made public and shall be expunged in its entirety.

4 (k) The commission shall permit any person who has not been determined
5 by the person's appointing authority to hold a policy-making posi-
6 tion, but who is otherwise required to file a financial disclo-
7 sure statement to request an exemption from such requirement in
8 accordance with rules and regulations governing such exemptions. Such
9 rules and regulations shall provide for exemptions to be granted either
10 on the application of an individual or on behalf of persons who share
11 the same job title or employment classification which the commission
12 deems to be comparable for purposes of this section. Such rules
13 and regulations may permit the granting of an exemption where, in the
14 discretion of the commission, the public interest does not require
15 disclosure and the applicant's duties do not involve the negotiation,
16 authorization or approval of:

17 (i) contracts, leases, franchises, revocable consents, concessions,
18 variances, special permits, or licenses as such terms are defined in
19 section seventy-three of the public officers law;

20 (ii) the purchase, sale, rental or lease of real property, goods or
21 services, or a contract therefor;

22 (iii) the obtaining of grants of money or loans; or

23 (iv) the adoption or repeal of any rule or regulation having the force
24 and effect of law.

25 10. Investigation and enforcement. (a) The commission shall receive
26 complaints and referrals alleging violations of section seventy-three,
27 seventy-three-a or seventy-four of the public officers law, article
28 one-A of the legislative law, or section one hundred seven of the civil
29 service law.

30 (b) Upon the receipt of a complaint, referral, or the commencement of
31 an investigation, members of the commission shall disclose to the
32 commission any personal, professional, financial, or other direct or
33 indirect relationships a member of the commission may have with a
34 complainant or respondent. If any commissioner determines a conflict of
35 interest may exist, the commissioner shall, in writing, notify the other
36 members of the commission setting forth the possible conflict of inter-
37 est. The commissioner may recuse themselves from all subsequent involve-
38 ment in the consideration and determination of the matter. If, after the
39 disclosure, the commissioner does not recuse themselves from the matter,
40 the commission, by a majority vote finding that the disclosed informa-
41 tion creates a substantial conflict of interest, shall remove the
42 conflicted commissioner from all subsequent involvement in the consider-
43 ation and determination of the matter, provided the reason for the deci-
44 sion is clearly stated in the determination of the commission.

45 (c) The commission shall conduct any investigation necessary to carry
46 out the provisions of this section. Pursuant to this power and duty, the
47 commission may administer oaths or affirmations, subpoena witnesses,
48 compel their attendance and testimony, and require the production of any
49 books or records which it may deem relevant or material. The commission
50 may, by a majority vote and pursuant to regulations adopted pursuant to
51 the state administrative procedure act, delegate to the executive direc-
52 tor the authority to issue subpoenas, provided that the executive direc-
53 tor first notify the chair of the commission.

54 (d) The commission staff shall review and investigate, as appropriate,
55 any information in the nature of a complaint or referral received by the
56 commission or initiated by the commission, including through its review

1 of media reports and other information, where there is specific and
2 credible evidence that a violation of section seventy-three, seventy-
3 three-a, or seventy-four of the public officers law, section one hundred
4 seven of the civil service law or article one-A of the legislative law
5 by a person or entity subject to the jurisdiction of the commission
6 including members of the legislature and legislative employees and
7 candidates for members of the legislature.

8 (e) The commission shall notify the complainant, if any, that the
9 commission has received their complaint.

10 (f) If, following a preliminary review of any complaint or referral,
11 the commission or commission staff decides to elevate such preliminary
12 review into an investigation, written notice shall be provided to the
13 respondent setting forth, to the extent the commission is able to, the
14 possible or alleged violation or violations of such law and a
15 description of the allegations against the respondent and the evidence,
16 if any, already gathered pertaining to such allegations, provided howev-
17 er that any information that may, in the judgment of the commission or
18 staff, either be prejudicial to the complainant or compromise the inves-
19 tigation shall be redacted. The respondent shall have fifteen days from
20 receipt of the written notice to provide any preliminary response or
21 information the respondent determines may benefit the commission or
22 commission staff in its work. After the review and investigation, the
23 staff shall prepare a report to the commission setting forth the allega-
24 tion or allegations made, the evidence gathered in the review and inves-
25 tigation tending to support and disprove, if any, the allegation or
26 allegations, the relevant law, and a recommendation for the closing of
27 the matter as unfounded or unsubstantiated, for settlement, for guid-
28 ance, or moving the matter to a confidential due process hearing. The
29 commission shall, by majority vote, return the matter to the staff for
30 further investigation or accept or reject the staff recommendation.

31 (g) In an investigation involving a victim the commission shall ensure
32 that any interview of such victim is upon such victim's consent and
33 that the investigator or investigators interviewing such victim have
34 adequate trauma informed and victim centered investigative training. If
35 a victim is requested to testify at a hearing, the commission shall
36 provide sufficient notice to the victim of such request. Regardless of
37 whether a victim is requested to or testifies at a hearing, the victim
38 shall be informed as to how any statements made or information provided
39 will be used in an investigation.

40 (h) Upon the conclusion of an investigation, if the commission, after
41 consideration of a staff report, determines by majority vote that there
42 is credible evidence of a violation of the laws under its jurisdiction,
43 it shall provide the respondent timely notice for a due process hearing.
44 The commission shall also inform the respondent of its rules regarding
45 the conduct of adjudicatory proceedings and appeals and the other due
46 process procedural mechanisms available to the respondent. If after a
47 hearing the complaint is unsubstantiated or unfounded, the commission
48 shall provide written notice to the respondent, complainant, if any,
49 and victim, if any, provided that such notice shall not include any
50 personally identifying information or information tending to identify
51 any party involved in an investigation.

52 (i) The hearing shall be conducted before an independent arbitrator.
53 Such hearing shall afford the respondent with a reasonable opportunity
54 to appear in person, and by attorney, give sworn testimony, present
55 evidence, and cross-examine witnesses.

1 (j) The commission may, at any time, develop procedures and rules for
2 resolution of de minimus or minor violations that can be resolved
3 outside of the enforcement process, including the sending of a confiden-
4 tial guidance or educational letter.

5 (k) The jurisdiction of the commission when acting pursuant to this
6 section shall continue notwithstanding that a statewide elected official
7 or a state officer or employee or member of the legislature or legisla-
8 tive employee separates from state service, or a political party chair
9 ceases to hold such office, or a candidate ceases to be a candidate, or
10 a lobbyist or client of a lobbyist ceases to act as such, provided that
11 the commission notifies such individual or entity of the alleged
12 violation of law within two years from the individual's separation from
13 state service or termination of party service or candidacy, or from the
14 last report filed pursuant to article one-A of the legislative law.
15 Nothing in this section shall serve to limit the jurisdiction of the
16 commission in enforcement of subdivision eight of section seventy-three
17 of the public officers law.

18 (l) If the commission's vote to proceed to a due process hearing after
19 the completion of an investigation does not carry, the commission shall
20 provide written notice of the decision to the respondent, complainant,
21 if any, and victim, if any, provided that such notice shall not include
22 any personally identifying information or information tending to identi-
23 fy any party involved in an investigation.

24 (m) If the commission determines a complaint or referral lacks specif-
25 ic and credible evidence of a violation of the laws under its jurisdic-
26 tion, or a matter is closed due to the allegations being unsubstantiated
27 prior to a vote by the commission, such records and all related material
28 shall be exempt from public disclosure under article six of the public
29 officers law, except the commission's vote shall be publicly disclosed
30 in accordance with articles six and seven of the public officers law.
31 The commission shall provide written notice of such closure to the
32 respondent, complainant, if any, or victim, if any, provided that such
33 notice shall not include any personally identifying information or
34 information tending to identify any party involved in an investigation.

35 (n) (i) An individual subject to the jurisdiction of the commission
36 who knowingly and intentionally violates the provisions of subdivisions
37 two through five-a, seven, eight, twelve or fourteen through seventeen
38 of section seventy-three of the public officers law, section one hundred
39 seven of the civil service law, or a reporting individual who knowingly
40 and willfully fails to file an annual statement of financial disclosure
41 or who knowingly and willfully with intent to deceive makes a false
42 statement or fraudulent omission or gives information which such indi-
43 vidual knows to be false on such statement of financial disclosure filed
44 pursuant to section seventy-three-a of the public officers law, shall be
45 subject to a civil penalty in an amount not to exceed forty thousand
46 dollars and the value of any gift, compensation or benefit received as a
47 result of such violation.

48 (ii) An individual who knowingly and intentionally violates the
49 provisions of paragraph a, b, c, d, e, g, or i of subdivision three of
50 section seventy-four of the public officers law, shall be subject to a
51 civil penalty in an amount not to exceed ten thousand dollars and the
52 value of any gift, compensation or benefit received as a result of such
53 violation.

54 (iii) An individual subject to the jurisdiction of the commission who
55 knowingly and willfully violates article one-A of the legislative law
56 shall be subject to civil penalty as provided for in that article.

1 (iv) With respect to a potential violation of any criminal law where
2 the commission finds sufficient cause by a majority vote, it shall refer
3 such matter to the appropriate law enforcement authority for further
4 investigation.

5 (v) In assessing the amount of the civil penalties to be imposed, the
6 commission shall consider the seriousness of the violation, the amount
7 of gain to the individual and whether the individual previously had any
8 civil or criminal penalties imposed pursuant to this section, and any
9 other factors the commission deems appropriate.

10 (vi) A civil penalty for false filing shall not be imposed under this
11 subdivision in the event a category of "value" or "amount" reported
12 hereunder is incorrect unless such reported information is falsely
13 understated.

14 (vii) Notwithstanding any other provision of law to the contrary, no
15 other penalty, civil or criminal may be imposed for a failure to file,
16 or for a false filing, of such statement, or a violation of subdivision
17 six of section seventy-three of the public officers law or section one
18 hundred seven of the civil service law, except that the commission may
19 recommend that the individual in violation of such subdivision or
20 section be disciplined.

21 (o) The commission shall be deemed to be an agency within the meaning
22 of article three of the state administrative procedure act and shall
23 adopt rules governing the conduct of adjudicatory proceedings and
24 appeals taken pursuant to a proceeding commenced under article seventy-
25 eight of the civil practice law and rules relating to the assessment of
26 the civil penalties or the recommendation of employee discipline herein
27 authorized. Such rule shall provide for due process procedural mech-
28 anisms substantially similar to those set forth in article three of the
29 state administrative procedure act but such mechanisms need not be iden-
30 tical in terms or scope.

31 (p) (i) The commission shall have jurisdiction to investigate, but
32 shall have no jurisdiction to impose penalties or discipline upon
33 members of or candidates for member of the legislature or legislative
34 employees for any violation of the public officers law or section one
35 hundred seven of the civil service law. If, after investigation and a
36 due process hearing, the commission has found, by a majority vote, a
37 substantial basis to conclude that a member of the legislature or a
38 legislative employee or candidate for member of the legislature has
39 violated any provisions of such laws, it shall prepare a written report
40 of its findings and provide a copy of that report to the legislative
41 ethics commission, and to such individual in violation of such law. The
42 commission shall provide to the legislative ethics commission copies of
43 the full investigative file and hearing record.

44 (ii) With respect to the investigation of any individual who is not a
45 member of the legislature or a legislative employee or candidate for
46 member of the legislature, if after its investigation and due process
47 hearing, the commission has found, by a majority vote, a substantial
48 basis to conclude that the individual or entity has violated the public
49 officers law, section one hundred seven of the civil service law, or the
50 legislative law, the commission shall determine whether, in addition to
51 or in lieu of any fine authorized by this article, the matter should be
52 referred to their employer for discipline with a warning, admonition,
53 censure, suspension or termination or other appropriate discipline. With
54 regard to statewide elected officials, the commission may not order
55 suspension or termination but may recommend impeachment. The commission
56 shall then issue a report containing its determinations including its

1 findings of fact and conclusions of law to the complainant and respond-
2 ent. The commission shall publish such report on its website within
3 twenty days of its delivery to the complainant and respondent.

4 11. Confidentiality. (a) When an individual becomes a commissioner or
5 staff of the commission, such individual shall be required to sign a
6 non-disclosure statement.

7 (b) Except as otherwise required or provided by law, or when necessary
8 to inform the complainant or respondent of the alleged violation of
9 law, if any, of the status of an investigation, testimony received, or
10 any other information obtained by a commissioner or staff of the commis-
11 sion, shall not be disclosed by any such individual to any person or
12 entity outside of the commission during the pendency of any matter. Any
13 confidential communication to any person or entity outside the commis-
14 sion related to the matters before the commission shall occur only as
15 authorized by the commission. For the purposes of this paragraph,
16 "matter" shall mean any complaint, review, inquiry, or investigation
17 into alleged violations of this chapter.

18 (c) The commission shall establish procedures necessary to prevent the
19 unauthorized disclosure of any information received by any member of the
20 commission or staff of the commission. Any breaches of confidentiality
21 may be investigated by the New York state office of the inspector gener-
22 al, attorney general, or other appropriate law enforcement authority
23 upon a majority vote of the commission to refer, and appropriate action
24 shall be taken.

25 (d) Any commission member or person employed by the commission who
26 intentionally and without authorization releases confidential informa-
27 tion received or generated by the commission shall be guilty of a class
28 A misdemeanor.

29 12. Annual report. (a) The commission shall make an annual public
30 report summarizing the activities of the commission during the previous
31 year and recommending any changes in the laws governing the conduct of
32 persons subject to the jurisdiction of the commission, or the rules,
33 regulations and procedures governing the commission's conduct. Such
34 report shall include, but is not limited to:

35 (i) information on the number and type of complaints received by the
36 commission and the status of such complaints;

1 f. Promulgate guidelines to assist appointing authorities in determin-

3 seventy-three-a of the public officers law and may promulgate guidelines

6 seventy-three of the public officers law, and promulgate guidelines to
7 assist any firm, association or corporation in which any present or
8 former statewide elected official, state officer or employee, member of
9 the legislature or legislative employee, or political party [~~chairman~~]
10 chair is a member, associate, retired member, of counsel or shareholder,
11 in complying with the provisions of subdivision ten of section seventy-

13 present or former statewide elected official, state officer or employee,
14 member of the legislature or legislative employee, or political party
15 [~~chairman~~] chair from the net revenues of the firm, association or
16 corporation. Such firm, association or corporation shall not be required
17 to adopt the procedures contained in the guidelines to establish compli-

19 cers law, but if such firm, association or corporation does adopt such
20 procedures, it shall be deemed to be in compliance with such subdivision

22 g. Make available forms for financial disclosure statements required
23 to be filed pursuant to subdivision six of section seventy-three and

38 A formal written opinion rendered by the commission, until and unless
39 amended or revoked, shall be binding on the legislative ethics commis-
40 sion in any subsequent proceeding concerning the person who requested
41 the opinion and who acted in good faith, unless material facts were
42 omitted or misstated by the person in the request for an opinion. Such
43 opinion may also be relied upon by such person, and may be introduced
44 and shall be a defense in any criminal or civil action. The [~~joint~~]
45 commission on [~~public~~] ethics and lobbying in government shall not
46 investigate an individual for potential violations of law based upon
47 conduct approved and covered in its entirety by such an opinion, except
48 that such opinion shall not prevent or preclude an investigation of and
49 report to the legislative ethics commission concerning the conduct of
50 the person who obtained it by the [~~joint~~] commission on [~~public~~] ethics
51 and lobbying in government for violations of section seventy-three,
52 seventy-three-a or seventy-four of the public officers law to determine
53 whether the person accurately and fully represented to the legislative
54 ethics commission the facts relevant to the formal advisory opinion and
55 whether the person's conduct conformed to those factual representations.
56 The [~~joint~~] commission on ethics and lobbying in government shall be

1 authorized and shall have jurisdiction to investigate potential
2 violations of the law arising from conduct outside of the scope of the
3 terms of the advisory opinion; and

4 j. Issue and publish generic advisory opinions covering questions
5 frequently posed to the commission, or questions common to a class or

9 commission's jurisdiction;

10 k. Develop educational materials and training with regard to legisla-
11 tive ethics for members of the legislature and legislative employees
12 including an online ethics orientation course for newly-hired employees
13 and, as requested by the senate or the assembly, materials and training
14 in relation to a comprehensive ethics training program; and

15 l. Prepare an annual report to the governor and legislature summariz-
16 ing the activities of the commission during the previous year and recom-

18 to the jurisdiction of the commission, or the rules, regulations and
19 procedures governing the commission's conduct. Such report shall
20 include: (i) a listing by assigned number of each complaint and report
21 received from the [~~joint~~] commission on [~~public~~] ethics and lobbying in
22 government which alleged a possible violation within its jurisdiction,
23 including the current status of each complaint, and (ii) where a matter
24 has been resolved, the date and nature of the disposition and any sanc-
25 tion imposed, subject to the confidentiality requirements of this
26 section. Such annual report shall not contain any information for which
27 disclosure is not permitted pursuant to subdivision twelve of this
28 section.

29 9. (a) An individual subject to the jurisdiction of the commission
30 with respect to the imposition of penalties who knowingly and inten-
31 tionally violates the provisions of subdivisions two through five-a,
32 seven, eight, twelve, fourteen or fifteen of section seventy-three of
33 the public officers law or a reporting individual who knowingly and
34 wilfully fails to file an annual statement of financial disclosure or
35 who knowingly and wilfully with intent to deceive makes a false state-
36 ment or gives information which such individual knows to be false on
37 such statement of financial disclosure filed pursuant to section seven-
38 ty-three-a of the public officers law shall be subject to a civil penal-
39 ty in an amount not to exceed forty thousand dollars and the value of
40 any gift, compensation or benefit received as a result of such
41 violation. Any such individual who knowingly and intentionally violates
42 the provisions of paragraph a, b, c, d, e, g, or i of subdivision three
43 of section seventy-four of the public officers law shall be subject to a
44 civil penalty in an amount not to exceed ten thousand dollars and the
45 value of any gift, compensation or benefit received as a result of such
46 violation. Assessment of a civil penalty hereunder shall be made by the
47 commission with respect to persons subject to its jurisdiction. In
48 assessing the amount of the civil penalties to be imposed, the commis-
49 sion shall consider the seriousness of the violation, the amount of gain
50 to the individual and whether the individual previously had any civil or
51 criminal penalties imposed pursuant to this section, and any other
52 factors the commission deems appropriate. For a violation of this
53 section, other than for conduct which constitutes a violation of subdi-
54 vision twelve, fourteen or fifteen of section seventy-three or section
55 seventy-four of the public officers law, the legislative ethics commis-
56 sion may, in lieu of or in addition to a civil penalty, refer a

1 violation to the appropriate prosecutor and upon such conviction, but
2 only after such referral, such violation shall be punishable as a class
3 A misdemeanor. Where the commission finds sufficient cause, it shall
4 refer such matter to the appropriate prosecutor. A civil penalty for
5 false filing may not be imposed hereunder in the event a category of
6 "value" or "amount" reported hereunder is incorrect unless such reported
7 information is falsely understated. Notwithstanding any other provision
8 of law to the contrary, no other penalty, civil or criminal may be
9 imposed for a failure to file, or for a false filing, of such statement,
10 or a violation of subdivision six of section seventy-three of the public
11 officers law, except that the appointing authority may impose discipli-
12 nary action as otherwise provided by law. The legislative ethics commis-
13 sion shall be deemed to be an agency within the meaning of article three
14 of the state administrative procedure act and shall adopt rules govern-
15 ing the conduct of adjudicatory proceedings and appeals taken pursuant
16 to a proceeding commenced under article seventy-eight of the civil prac-
17 tice law and rules relating to the assessment of the civil penalties
18 herein authorized. Such rules, which shall not be subject to the promul-
19 gation and hearing requirements of the state administrative procedure
20 act, shall provide for due process procedural mechanisms substantially
21 similar to those set forth in such article three but such mechanisms
22 need not be identical in terms or scope. Assessment of a civil penalty
23 shall be final unless modified, suspended or vacated within thirty days
24 of imposition, with respect to the assessment of such penalty, or unless
25 such denial of request is reversed within such time period, and upon
26 becoming final shall be subject to review at the instance of the
27 affected reporting individuals in a proceeding commenced against the
28 legislative ethics commission, pursuant to article seventy-eight of the
29 civil practice law and rules.

30 (b) Not later than [~~forty-five~~] twenty calendar days after receipt
31 from the [~~joint~~] commission on [~~public~~] ethics and lobbying in govern-

33 supporting documentation or other materials regarding a matter before
34 the commission pursuant to [~~subdivision fourteen-a of~~] section ninety-
35 four of the executive law, unless requested by a law enforcement agency
36 to suspend the commission's action because of an ongoing criminal inves-
37 tigation, the legislative ethics commission shall make public such
38 report in its entirety; provided, however, that the commission may with-
39 hold such information for not more than one additional period of the
40 same duration or refer the matter back to the [~~joint~~] commission on
41 [~~public~~] ethics and lobbying in government once for additional investi-
42 gation, in which case the legislative ethics commission shall, upon the
43 termination of such additional period or upon receipt of a new report by
44 the [~~joint~~] commission on [~~public~~] ethics and lobbying in government
45 after such additional investigation, make public the written report and
46 publish it on the commission's website. If the legislative ethics
47 commission fails to make public the written report received from the
48 [~~joint~~] commission on ethics and lobbying in government in accordance
49 with this paragraph, the [~~joint~~] commission on ethics and lobbying in
50 government shall release such report publicly promptly and in any event
51 no later than ten days after the legislative ethics commission is
52 required to release such report. The legislative ethics commission shall
53 not refer the matter back to the [~~joint~~] commission on [~~public~~] ethics
54 and lobbying in government for additional investigation more than once.
55 If the commission refers the matter back to the [~~joint~~] commission on
56 ethics and lobbying in government for additional fact-finding, the

1 ~~[joint commission's]~~ commission on ethics and lobbying in government's
2 original report shall remain confidential.

3 10. Upon receipt of a written report from the ~~[joint]~~ commission on
4 ~~[public]~~ ethics and lobbying in government pursuant to subdivision four-
5 teen-a of section seventy-three of the public officers law, the legisla-
6 tive ethics commission shall commence its review of the matter addressed
7 in such report. No later than ninety days after receipt of such report,
8 the legislative ethics commission shall dispose of the matter by making
9 one or more of the following determinations:

10 a. whether the legislative ethics commission concurs with the ~~[joint~~
11 ~~commission's]~~ commission on ethics and lobbying in government's conclu-
12 sions of law and the reasons therefor;

13 b. whether and which penalties have been assessed pursuant to applica-
14 ble law or rule and the reasons therefor; and

15 c. whether further actions have been taken by the commission to punish
16 or deter the misconduct at issue and the reasons therefor.

17 The commission's disposition shall be reported in writing and
18 published on its website no later than ten days after such disposition
19 unless requested by a law enforcement agency to suspend the commission's
20 action because of an ongoing criminal investigation.

21 12. a. Notwithstanding the provisions of article six of the public
22 officers law, the only records of the commission which shall be avail-
23 able for public inspection and copying are:

24 (1) the terms of any settlement or compromise of a complaint or refer-
25 ral or report which includes a fine, penalty or other remedy reached

34 paragraph (b) of subdivision ~~[nine-b]~~ nine of this section.

35 b. Notwithstanding the provisions of article seven of the public offi-
36 cers law, no meeting or proceeding of the commission shall be open to
37 the public, except if expressly provided otherwise by this section or
38 the commission.

39 13. Within one hundred twenty days of the effective date of this
40 subdivision, the commission shall create and thereafter maintain a
41 publicly accessible website which shall set forth the procedure for
42 filing a complaint with the ~~[joint]~~ commission on ~~[public]~~ ethics and
43 lobbying in government, and which shall contain any other records or
44 information which the commission determines to be appropriate.

A reporting individual need not disclose activities performed while lawfully acting in his or her capacity as provided in paragraphs (c), (d), (e) and (f) of subdivision seven of section seventy-three of this article.

The disclosure requirement in questions (b-1) and (b-2) shall not require disclosing clients or customers receiving medical, pharmaceutical or dental services, mental health services, or residential real estate brokering services from the reporting individual or his or her firm or if federal law prohibits or limits disclosure. The reporting individual need not identify any client to whom he or she or his or her firm provided legal representation with respect to investigation or prosecution by law enforcement authorities, bankruptcy, family court, estate planning, or domestic relations matters, nor shall the reporting individual identify individuals represented pursuant to an insurance policy but the reporting individual shall in such circumstances only report the entity that provides compensation to the reporting individ-

4 provides services to minors, the client's name may be replaced with
5 initials. To the extent that the reporting individual, or his or her

9 the reporting individual shall (i) disclose the identity of the client
10 and the services provided relating to the initial public offering to the
11 office of court administration, who will maintain such information
12 confidentially in a locked box; and (ii) include in his or her response

24 publicly disclosing the name of that client from the ~~[joint]~~ commission
25 on ethics and lobbying in government pursuant to ~~[paragraph (i-1) of~~
26 ~~subdivision nine of]~~ section ninety-four of the executive law, or from
27 the office of court administration. In such application, the reporting
28 individual shall state the following: "My client is not currently

46 the office of court administration shall conduct its own inquiry and
47 shall consider factors including, but not limited to: (i) the nature and
48 the size of the client; (ii) whether the client has any business before

53 iation against the client; (v) whether disclosure may cause undue harm
54 to the client; (vi) whether disclosure may result in undue harm to the
55 attorney-client relationship; and (vii) whether disclosure may result in
56 an unnecessary invasion of privacy to the client.

1 The [~~joint~~] commission on ethics and lobbying in government or, as the
2 case may be, the office of court administration shall promptly make a
3 final determination in response to such request, which shall include an
4 explanation for its determination. The office of court administration
5 shall issue its final determination within three days of receiving the
6 request. Notwithstanding any other provision of law or any professional
7 disciplinary rule to the contrary, the disclosure of the identity of any
8 client or customer in response to this question shall not constitute
9 professional misconduct or a ground for disciplinary action of any kind,
10 or form the basis for any civil or criminal cause of action or proceed-
11 ing. A reporting individual who first enters public office after January
12 first, two thousand sixteen, need not report clients or customers with
13 respect to matters for which the reporting individual or his or her firm

20 If the reporting individual receives income of ten thousand dollars or
21 greater from any employment or activity reportable under question 8(a),
22 identify each registered lobbyist who has directly referred to such
23 individual a client who was successfully referred to the reporting indi-

26 only those referrals that were made to a reporting individual by direct
27 communication from a person known to such reporting individual to be a
28 registered lobbyist at the time the referral is made. With respect to
29 each such referral, the reporting individual shall identify the client,
30 the registered lobbyist who has made the referral, the category of value
31 of the compensation received and a general description of the type of
32 matter so referred. A reporting individual need not disclose activities
33 performed while lawfully acting pursuant to paragraphs (c), (d), (e) and
34 (f) of subdivision seven of section seventy-three of this article. The
35 disclosure requirements in this question shall not require disclosing
36 clients or customers receiving medical, pharmaceutical or dental
37 services, mental health services, or residential real estate brokering
38 services from the reporting individual or his or her firm or if federal
39 law prohibits or limits disclosure. The reporting individual need not
40 identify any client to whom he or she or his or her firm provided legal
41 representation with respect to investigation or prosecution by law
42 enforcement authorities, bankruptcy, family court, estate planning, or

44 individuals represented pursuant to an insurance policy but the report-
45 ing individual shall in such circumstances only report the entity that
46 provides compensation to the reporting individual; with respect to
47 matters in which the client's name is required by law to be kept confi-
48 dential (such as matters governed by the family court act) or in matters
49 in which the reporting individual represents or provides services to
50 minors, the client's name may be replaced with initials. To the extent
51 that the reporting individual, or his or her firm, provided legal repre-
52 sentation with respect to an initial public offering, and federal law or
53 regulations restricts the disclosure of information relating to such
54 work, the reporting individual shall (i) disclose the identity of the
55 client and the services provided relating to the initial public offering
56 to the office of court administration, who will maintain such informa-

tion confidentially in a locked box; and (ii) include in his or her response a statement that pursuant to this paragraph, a disclosure to the office of court administration has been made. Upon such time that the disclosure of information maintained in the locked box is no longer restricted by federal law or regulation, the reporting individual shall disclose such information in an amended disclosure statement in response to the disclosure requirements of this paragraph. The office of court administration shall develop and maintain a secure portal through which information submitted to it pursuant to this paragraph can be safely and confidentially stored. With respect to clients represented in other matters not otherwise exempt, the reporting individual may request an exemption to publicly disclosing the name of that client from the ~~[joint]~~ commission on ethics and lobbying in government pursuant to ~~[paragraph (i-1) of subdivision nine of]~~ section ninety-four of the executive law, or from the office of court administration. In such application, the reporting individual shall state the following: "My client is not currently receiving my services or seeking my services in connection with:

(i) A proposed bill or resolution in the senate or assembly during the reporting period;

(ii) A contract in an amount totaling \$10,000 or more from the state or any state agency for services, materials, or property;

(iv) A grant obtained through a legislative initiative during the reporting period; or

(v) A case, proceeding, application or other matter that is not a ministerial matter before a state agency during the reporting period."

In reviewing the request for an exemption, the ~~[joint]~~ commission on ethics and lobbying in government or the office of court administration may consult with bar or other professional associations and the legislative ethics commission for individuals subject to its jurisdiction and may consider the rules of professional conduct. In making its determination, the ~~[joint]~~ commission on ethics and lobbying in government or the office of court administration shall conduct its own inquiry and shall consider factors including, but not limited to: (i) the nature and the size of the client; (ii) whether the client has any business before the state; and if so, how significant the business is; and whether the client has any particularized interest in pending legislation and if so how significant the interest is; (iii) whether disclosure may reveal trade secrets; (iv) whether disclosure could reasonably result in retaliation against the client; (v) whether disclosure may cause undue harm to the client; (vi) whether disclosure may result in undue harm to the attorney-client relationship; and (vii) whether disclosure may result in an unnecessary invasion of privacy to the client.

The ~~[joint]~~ commission on ethics and lobbying in government or, as the case may be, the office of court administration shall promptly make a final determination in response to such request, which shall include an explanation for its determination. The office of court administration shall issue its final determination within three days of receiving the request. Notwithstanding any other provision of law or any professional disciplinary rule to the contrary, the disclosure of the identity of any client or customer in response to this question shall not constitute professional misconduct or a ground for disciplinary action of any kind, or form the basis for any civil or criminal cause of action or proceeding. A reporting individual who first enters public office after Decem-

The disclosure requirement in questions (b-1) and (b-2) shall not require disclosing clients or customers receiving medical, pharmaceutical or dental services, mental health services, or residential real estate brokering services from the reporting individual or his or her firm or if federal law prohibits or limits disclosure. The reporting individual need not identify any client to whom he or she or his or her firm provided legal representation with respect to investigation or prosecution by law enforcement authorities, bankruptcy, family court, estate planning, or domestic relations matters, nor shall the reporting individual identify individuals represented pursuant to an insurance policy but the reporting individual shall in such circumstances only report the entity that provides compensation to the reporting individ-

ual; with respect to matters in which the client's name is required by law to be kept confidential (such as matters governed by the family court act) or in matters in which the reporting individual represents or provides services to minors, the client's name may be replaced with initials. To the extent that the reporting individual, or his or her firm, provided legal representation with respect to an initial public offering, and professional disciplinary rules, federal law or regulations restrict the disclosure of information relating to such work, the reporting individual shall (i) disclose the identity of the client and the services provided relating to the initial public offering to the office of court administration, who will maintain such information confidentially in a locked box; and (ii) include in his or her response to questions (b-1) and (b-2) that pursuant to this paragraph, a disclosure to the office of court administration has been made. Upon such time that the disclosure of information maintained in the locked box is no longer restricted by professional disciplinary rules, federal law or regulation, the reporting individual shall disclose such information in an amended disclosure statement in response to the disclosure requirements in questions (b-1) and (b-2). The office of court administration shall develop and maintain a secure portal through which information submitted to it pursuant to this paragraph can be safely and confidentially stored. With respect to clients represented in other matters not otherwise exempt, the reporting individual may request an exemption to publicly disclosing the name of that client from the [joint] commission pursuant to ~~paragraph (i-1) of subdivision nine of~~ section ninety-four of the executive law, or from the office of court administration. In reviewing the request for an exemption, the [joint] commission or the office of court administration may consult with bar or other professional associations and the legislative ethics commission for individuals subject to its jurisdiction and may consider the rules of professional conduct. In making its determination, the [joint] commission or the office of court administration shall conduct its own inquiry and shall consider factors including, but not limited to: (i) the nature and the size of the client; (ii) whether the client has any business before the state; and if so, how significant the business is; and whether the client has any particularized interest in pending legislation and if so how significant the interest is; (iii) whether disclosure may reveal trade secrets; (iv) whether disclosure could reasonably result in retaliation against the client; (v) whether disclosure may cause undue harm to the client; (vi) whether disclosure may result in undue harm to the attorney-client relationship; and (vii) whether disclosure may result in an unnecessary invasion of privacy to the client.

2 administration shall promptly make a final determination in response to
3 such request, which shall include an explanation for its determination.
4 The office of court administration shall issue its final determination
5 within three days of receiving the request. Notwithstanding any other
6 provision of law or any professional disciplinary rule to the contrary,
7 the disclosure of the identity of any client or customer in response to
8 this question shall not constitute professional misconduct or a ground

Upon such time that the disclosure of information maintained in the locked box is no longer restricted by federal law or regulation, the reporting individual shall disclose such information in an amended disclosure statement in response to the disclosure requirements of this paragraph. The office of court administration shall develop and maintain a secure portal through which information submitted to it pursuant to this paragraph can be safely and confidentially stored. With respect to clients represented in other matters not otherwise exempt, the reporting individual may request an exemption to publicly disclosing the name of that client from the [joint] commission pursuant to ~~[paragraph (i-1) of subdivision nine of]~~ section ninety-four of the executive law, or from the office of court administration. In such application, the reporting individual shall state the following: "My client is not currently receiving my services or seeking my services in connection with:

In reviewing the request for an exemption, the [joint] commission or the office of court administration may consult with bar or other professional associations and the legislative ethics commission for individuals subject to its jurisdiction and may consider the rules of professional conduct. In making its determination, the [joint] commission or the office of court administration shall conduct its own inquiry and shall consider factors including, but not limited to: (i) the nature and the size of the client; (ii) whether the client has any business before the state; and if so, how significant the business is; and whether the client has any particularized interest in pending legislation and if so how significant the interest is; (iii) whether disclosure may reveal trade secrets; (iv) whether disclosure could reasonably result in retaliation against the client; (v) whether disclosure may cause undue harm to the client; (vi) whether disclosure may result in undue harm to the attorney-client relationship; and (vii) whether disclosure may result in an unnecessary invasion of privacy to the client.

The [joint] commission or, as the case may be, the office of court administration shall promptly make a final determination in response to such request, which shall include an explanation for its determination. The office of court administration shall issue its final determination within three days of receiving the request. Notwithstanding any other provision of law or any professional disciplinary rule to the contrary, the disclosure of the identity of any client or customer in response to this question shall not constitute professional misconduct or a ground for disciplinary action of any kind, or form the basis for any civil or criminal cause of action or proceeding.  50 fully carry out and effectuate its purposes including, but not limited
 51 to, the following powers. The board shall:

25 retirement and social security law.

26 § 6. This act shall take effect immediately and shall be deemed to
27 have been in full force and effect on and after April 1, 2022.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would exclude overtime pay from the annual wages used to
determine the variable member contribution rate for Tier 6 members of
the New York State and Local Retirement System during the period of
April 1, 2022 to April 1, 2024. There will be no return of member
contributions.

Section 25 does not apply.

Insofar as this bill affects the New York State and Local Employees'
Retirement System (NYSLERS), if this legislation is enacted during the
2022 legislative session, there will be an increase in the present value
of benefits of approximately \$27 million which would be shared by the
State of New York and all participating employers in the NYSLERS. The
estimated first-year cost would be approximately \$1.2 million to the
State of New York and approximately \$1.7 million to the participating
employers in the NYSLERS.

Insofar as this bill affects the New York State and Local Police and
Fire Retirement System (NYSLPFRS), if this legislation is enacted during
the 2022 legislative session, there will be an increase in the present
value of benefits of approximately \$5 million which would be shared by
the State of New York and all participating employers in the NYSLPFRS.
The estimated first-year cost would be approximately \$0.1 million to the
State of New York and approximately \$0.4 million to the participating
employers in the NYSLPFRS.

In addition to the first-year costs discussed above, implementing the
provisions of this legislation would generate administrative costs.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

As this bill relates to the New York State Teachers' Retirement System, this bill would amend Section 613 of the Retirement and Social Security Law to permit the employee contribution rate for Tier 6 members to be determined using only a member's annual base wages and would not include compensation earned for extracurricular programs or any other pensionable earnings paid in addition to the annual base wages, for employee contributions to be made during the two fiscal years ending June 30, 2023 and June 30, 2024. Currently, the employee contribution rate for a Tier 6 member is determined using a member's total annual wages, including earnings from extracurricular programs and any other pensionable earnings paid to the member.

The cost for using only annual base wages to determine the employee contribution rate for Tier 6 members during 2023 and 2024 is estimated to be \$9.3 million, over the two-year period, if this bill is enacted. This is not a recurring annual cost, but rather a temporary cost due to the projected decrease in employee contributions to be made during the two fiscal years ending June 30, 2023 and June 30, 2024.

Member data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report and the 2021 Actuarial Assumptions Report.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation, as it relates to the New York City Retirement Systems and Pension Funds (NYCRS), would amend Section 613 of the Retirement and Social Security Law (RSSL) to limit the salary used in determining employee contribution rates during a certain period of time by excluding compensation earned for work performed outside of the regular hours or workday for Tier 6 members of

the New York City Employees' Retirement System (NYCERS), the New York City Teachers' Retirement System (NYCTRS), and the New York City Board of Education Retirement System (BERS).

Effective Date: Upon enactment.

BACKGROUND: Currently, Tier 6 members of NYCERS, NYCTRS, and BERS are required to make Basic Member Contributions (BMC) ranging from 3% to 6% depending on the members' applicable annual wages. Annual wages include overtime up to a certain limit (\$17,301 for calendar year 2021).

Under the proposed legislation, if enacted, any pensionable earnings paid in addition to the annual base wages, including overtime and compensation earned for extracurricular activities, during the specified period would be excluded from annual wages used to calculate Tier 6 BMC rates.

FINANCIAL IMPACT - PRESENT VALUES: The estimated financial impact of implementing the changes described above is a decrease in the Present Value of member contributions. There is also a small decrease in the Present Value of Future Benefits (PVFB) as a result of reduced refunds of member contributions upon termination of employment. The net result is an increase in the Present Value of future employer contributions and annual employer contributions of NYCERS, NYCTRS, and BERS. A breakdown of the financial impact by System is shown in the table below.

NYCRS	Additional Present Value of Future Employer Contributions (\$ Millions)	Estimated First Year Annual Employer Contributions (\$ Millions)
NYCERS	\$ 9.9	\$0.9
NYCTRS	6.1	0.4
BERS *	<u>0.0</u>	<u>0.0</u>
Total	\$16.0	\$1.3**

* The increase in the Present Value of future employer contributions and annual employer contributions for BERS is expected to be de minimis.

** The increase in the employer contributions is estimated to be \$0.8 million for New York City and \$0.5 million for the other obligors of NYCERS.

In accordance with Section 13-638.2(k-2) of the Administrative Code of the City of New York (ACCNY), new Unfunded Accrued Liability (UAL) attributable to benefit changes are to be amortized as determined by the Actuary but are generally amortized over the remaining working lifetime of those impacted by the benefit changes.

As of June 30, 2021, the remaining working lifetime of NYCERS Tier 6 members is approximately 16 years, NYCTRS Tier 6 members is approximately 20 years, and BERS Tier 6 members is approximately 15 years.

For purposes of this Fiscal Note, the increase in the UAL for NYCERS was amortized over a 16-year period (15 payments under the One-Year Lag Methodology (OYLM)) using level dollar payments. Under the same methodology the increase in the UAL for NYCTRS and BERS was amortized over 19 and 14 payments, respectively.

CONTRIBUTION TIMING: For the purposes of this Fiscal Note, it is assumed that the changes in the Present Value of future employer contributions and annual employer contributions would be reflected for the first time in the Final June 30, 2021 actuarial valuation of NYCERS, NYCTRS, and BERS. In accordance with the OYLM used to determine employer

contributions, the increase in employer contributions would first be reflected in Fiscal Year 2023.

CENSUS DATA: The estimates presented herein are based on the census data used in the Preliminary June 30, 2021 (Lag) actuarial valuation of NYCERS, NYCTRS, and BERS to determine the Preliminary Fiscal Year 2023 employer contributions.

The table below contains a summary of the census data for Tier 6 members in NYCERS, NYCTRS, and BERS as of June 30, 2021.

NYCRS	Active Count	Average Age	Average Service	Average Salary
NYCERS	71,663	41.3	3.9	\$72,000
NYCTRS	49,642	37.1	4.5	\$74,600
BERS	12,229	45.5	3.3	\$50,400

ACTUARIAL ASSUMPTIONS AND METHODS: The changes in the Present Value of future employer contributions and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the June 30, 2021 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2023 employer contributions of NYCERS, NYCTRS, and BERS.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCERS, NYCTRS, and BERS and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

* The initial, additional administrative costs of NYCERS, NYCTRS, and BERS and other New York City agencies to implement the proposed legislation.

STATEMENT OF ACTUARIAL OPINION: I, Michael J. Samet, am the Interim Chief Actuary for, and independent of, the New York City Retirement Systems and Pension Funds. I am a Fellow of the Society of Actuaries and a Member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of my knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2022-16 dated April 7, 2022 was prepared by the Interim Chief Actuary for the New York City Employees' Retirement System, the New York City Teachers' Retirement System, and the New York City Board of Education Retirement System. This estimate is intended for use only during the 2022 Legislative Session.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide members of Tier 5 and Tier 6 in the New York State and Local Employees' Retirement System (NYSLERS) or in the New York State and Local Police and Fire Retirement System (NYSLPFRS) vested status upon attainment of 5 years of service credit. It also clarifies that these NYSLERS members will only be ineligible for a service retirement benefit prior to attaining 5 years of service credit, to align with the revised vesting requirement. Currently, these members are ineligible for a service retirement benefit prior to attaining 10 years of service credit, after which they become vested and eligible for a vested deferred benefit.

Insofar as this bill affects the NYSLERS, if this legislation is enacted during the 2022 legislative session, there would be an increase in accrued liabilities of approximately \$430 million, due to the past service accruals of tier 5 and 6 members, which would be shared by the State of New York and all local participating employers in the NYSLERS. This will increase the billing rates charged annually to all participating employers by approximately 0.2% of salary, beginning with the fiscal year ending March 31, 2023.

In addition to the cost for past service above, there would be a cost for future service accruals which would further increase the annual billing rates for tier 5 members by 0.2% of salary (for a 0.4% total annual rate increase) and further increase the annual billing rates for tier 6 members by 0.1% of salary (for a 0.3% total annual rate increase).

Insofar as this bill affects the NYSLPFRS, if this legislation is enacted during the 2022 legislative session, there would be an increase in the billing rates charged annually to the State of New York and all other participating employers in the NYSLPFRS of approximately 0.1% of salary, beginning with the fiscal year ending March 31, 2023.

These estimated costs are based on 250,109 affected members with annual salary of approximately \$11.6 billion as of March 31, 2021.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

As this bill relates to the New York State Teachers' Retirement System, this bill would amend Sections 602 and 612 of the Retirement and Social Security Law by reducing the number of years of credited service

required for vesting to five years for Tier 5 and 6 members for purposes of eligibility for a service retirement benefit or a deferred-vested retirement benefit. Currently, Tier 5 and 6 members need to have ten years of credited service to be vested for a service retirement benefit or a deferred-vested retirement benefit. Members who withdraw with between five and ten years of service credit will have the option of either receiving a refund of their accumulated member contributions or receiving the deferred-vested retirement benefit when eligible.

The annual cost to the employers of members of the New York State Teachers' Retirement System for this benefit is estimated to be \$6.2 million or .04% of payroll if this bill is enacted.

The System's "new entrant rate", a hypothetical employer contribution rate that would occur if we started a new Retirement System without any assets, is equal to 4.69% of pay under the current Tier 6 benefit structure. This can be thought of as the long-term expected employer cost of Tier 6, based on the current actuarial assumptions. For the proposed change to the Tier 6 benefit structure under this bill, this new entrant rate is estimated to increase to 4.76% of pay, an increase of .07% of pay.

Member data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Data distributions and statistics can be found in the System's Annual Report. System assets are as reported in the System's financial statements and can also be found in the System's Annual Report. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report and the 2021 Actuarial Assumptions Report.

The source of this estimate is Fiscal Note 2022-36 dated April 8, 2022, prepared by the Office of the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2022 Legislative Session. FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation, as it relates to the New York City Retirement Systems (NYCRS), would amend Article 15 of the Retirement and Social Security Law (RSSL) to reduce vesting requirements for certain Tier 4 members with a membership date after December 10, 2009 and Tier 6 members of the New York City Employees' Retirement System (NYCERS), the New York City Teachers' Retirement System (NYCTRS), and the New York City Board of Education Retirement System (BERS).

Effective Date: Upon enactment.

IMPACT ON BENEFITS: Currently, Tier 6 members of NYCERS, NYCTRS, and BERS, as well as Tier 4 members of NYCTRS and BERS who held a position represented by the recognized teacher organization and who became members after December 10, 2009, need a minimum of 10 years of Credited Service to be eligible for a vested benefit. Such members are also ineligible to retire for service without at least 10 years of Credited Service.

Under the proposed legislation, if enacted, the required service for a vested benefit or service retirement benefit would be lowered to five years.

FINANCIAL IMPACT-SUMMARY: The financial impact will generally increase as the impacted populations increase over time, assuming that the demographics of new entrants remain similar to what they were historically.

The estimated financial impact of implementing the changes described above is an increase in the Present Value of Future Benefits (PVFB) and a decrease in the Present Value of member contributions. The net result is an increase in the Present Value of future employer contributions and annual employer contributions for NYCERS, NYCTRS, and BERS. A breakdown of the financial impact by System is shown in the table below.

NYCRS	Additional Present Value of Future Employer Contributions (\$ Millions)	Estimated First Year Annual Employer Contributions (\$ Millions)
NYCERS	\$110.8	\$25.8
NYCTRS	39.8	7.8
BERS	<u>30.9</u>	<u>5.0</u>
Total	\$181.5	\$38.6*

* The increase in the employer contributions is estimated to be \$24.5 million for New York City and \$14.1 million for the other obligors of NYCERS.

In accordance with Section 13-638.2(k-2) of the Administrative Code of the City of New York (ACCNY), new Unfunded Accrued Liability (UAL) attributable to benefit changes are to be amortized as determined by the Actuary but are generally amortized over the remaining working lifetime of those impacted by the benefit changes. As of June 30, 2021, the remaining working lifetime of NYCERS Tier 6 members is approximately 16-years, NYCTRS impacted members is approximately 20 years, and BERS impacted members is approximately 14 years.

For purposes of this Fiscal Note, the increase in the UAL for NYCERS was amortized over a 16-year period (15 payments under the One-Year Lag Methodology (OYLM)) using level dollar payments. Under the same methodology the increase in the UAL for NYCTRS and BERS was amortized over 19 and 13 payments, respectively.

CONTRIBUTION TIMING: For the purposes of this Fiscal Note, it is assumed that the changes in the Present Value of future employer contributions and annual employer contributions would be reflected for the first time in the Final June 30, 2021 actuarial valuations of NYCERS, NYCTRS, and BERS. In accordance with the OYLM used to determine employer contributions, the increase in employer contributions would first be reflected in Fiscal Year 2023.

CENSUS DATA: The estimates presented herein are based on the census data used in the Preliminary June 30, 2021 (Lag) actuarial valuations of NYCERS, NYCTRS, and BERS to determine the Preliminary Fiscal Year 2023 employer contributions.

The table below contains a summary of the census data for the members in the plans affected by the proposed legislation as of June 30, 2021.

NYCRS	Active Count	Average Age	Average Service	Average Salary
NYCERS	71,663	41.3	3.9	\$72,000
NYCTRS	59,134	38.0	5.4	\$76,200
BERS	12,707	45.5	3.5	\$52,100

ACTUARIAL ASSUMPTIONS AND METHODS: The changes in the Present Value of future employer contributions and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the June 30, 2021 (Lag) actuarial valuations

used to determine the Preliminary Fiscal Year 2023 employer contributions of NYCERS, NYCTRS, and BERS.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCERS, NYCTRS, and BERS and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

- * The initial, additional administrative costs of NYCERS, NYCTRS, BERS, and other New York City agencies to implement the proposed legislation.

- * The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.

- * Costs associated with former members of NYCERS with five or more years of service who may become eligible to vest under the proposed legislation.

- * The cost of potential Tax-Deferred Annuity (TDA) plan accelerated vesting.

I am a Fellow of the Society of Actuaries and a Member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. 31 behavior of the individual in the present contact with the officer and
32 facts regarding the person's condition that indicates a sign of distress
33 to such a degree that the person would face harm without immediate
34 medical or mental health care, that bringing the person before the court
35 would be in such person's interest in addressing that need; provided,
36 however, that before making the arrest, the officer shall make all

For the purposes of this subparagraph, any of the underlying crimes need not be a qualifying offense as defined in this subdivision. For the purposes of this paragraph, "harm to an identifiable person or property" shall include but not be limited to theft of or damage to property. In such instances, the court shall release the principal under non-monetary conditions, selecting the least restrictive alternative and conditions that will reasonably assure the principal's return to court. The court shall explain its choice of alternative and conditions on the record or in writing. In making its determination, the court must consider and take into account available information about the principal, including:

(a) the principal's activities and history;

(b) if the principal is a defendant, the charges facing the principal;

(c) the principal's criminal conviction record if any;

(d) the principal's record of previous adjudication as a juvenile delinquent, as retained pursuant to section 354.1 of the family court act, or of pending cases where fingerprints are retained pursuant to section 306.1 of such act, or a youthful offender, if any;

For the purposes of this subparagraph, any of the underlying crimes need not be a qualifying offense as defined in this subdivision. For the purposes of this paragraph, "harm to an identifiable person or property" shall include but not be limited to theft of or damage to property. However, based upon a review of the facts alleged in the accusatory instrument, if the court determines that such theft is negligible and does not appear to be in furtherance of other criminal activity, the principal shall be released on his or her own recognizance or under appropriate non-monetary conditions; or

SUBPART C

Section 1. Subdivision 1 of section 510.10 of the criminal procedure law, as amended by section 2 of part JJJ of chapter 59 of the laws of 2019, is amended to read as follows:

1. When a principal, whose future court attendance at a criminal action or proceeding is or may be required, comes under the control of a court, such court shall, in accordance with this title, by a securing order release the principal on the principal's own recognizance, release the principal under non-monetary conditions, or, where authorized, fix bail or commit the principal to the custody of the sheriff. In all such cases, except where another type of securing order is shown to be required by law, the court shall release the principal pending trial on the principal's own recognizance, unless it is demonstrated and the court makes an individualized determination that the principal poses a risk of flight to avoid prosecution. If such a finding is made, the court must select the least restrictive alternative and condition or conditions that will reasonably assure the principal's return to court. The court shall explain its choice of release, release with conditions, bail or remand on the record or in writing. In making its determination,

1 the court must consider and take into account available information
2 about the principal, including:

3 (a) The principal's activities and history;

4 (b) If the principal is a defendant, the charges facing the principal;

5 (c) The principal's criminal conviction record if any;

6 (d) The principal's record of previous adjudication as a juvenile
7 delinquent, as retained pursuant to section 354.1 of the family court
8 act, or, of pending cases where fingerprints are retained pursuant to
9 section 306.1 of such act, or a youthful offender, if any;

10 (e) The principal's previous record with respect to flight to avoid
11 criminal prosecution;

12 (f) If monetary bail is authorized, according to the restrictions set
13 forth in this title, the principal's individual financial circumstances,
14 and, in cases where bail is authorized, the principal's ability to post
15 bail without posing undue hardship, as well as his or her ability to
16 obtain a secured, unsecured, or partially secured bond;

17 (g) Any violation by the principal of an order of protection issued by
18 any court;

19 (h) The principal's history of use or possession of a firearm;

20 (i) Whether the charge is alleged to have caused serious harm to an
21 individual or group of individuals; and

22 (j) If the principal is a defendant, in the case of an application for
23 a securing order pending appeal, the merit or lack of merit of the
24 appeal.

25 § 2. Subdivision 1 of section 510.30 of the criminal procedure law, as
26 amended by section 5 of part JJJ of chapter 59 of the laws of 2019, is
27 amended to read as follows:

28 1. With respect to any principal, the court in all cases, unless
29 otherwise provided by law, must impose the least restrictive kind and
30 degree of control or restriction that is necessary to secure the princi-
31 pal's return to court when required. In determining that matter, the
32 court must, on the basis of available information, consider and take
33 into account information about the principal that is relevant to the
34 principal's return to court, including:

35 (a) The principal's activities and history;

36 (b) If the principal is a defendant, the charges facing the principal;

37 (c) The principal's criminal conviction record if any;

(a) In cases other than as described in paragraph (b) of this subdivision the court shall release the principal pending trial on the principal's own recognizance, unless the court finds on the record or in writing that release on the principal's own recognizance will not reasonably assure the principal's return to court. In such instances, the court shall release the principal under non-monetary conditions, selecting the least restrictive alternative and conditions that will reasonably assure the principal's return to court. The court shall explain its choice of alternative and conditions on the record or in writing. In making its determination, the court must consider and take into account available information about the principal, including:

(i) the principal's activities and history;

§ 4. Subparagraphs (xix) and (xx) of paragraph (b) of subdivision 1 of section 530.20 of the criminal procedure law, as amended by section 3 of part UU of chapter 56 of the laws of 2020, are amended and a new subparagraph (xxi) is added to read as follows:

(xx) any felony or class A misdemeanor involving harm to an identifiable person or property, or any charge of criminal possession of a firearm as defined in section 265.01-b of the penal law where such charge arose from conduct occurring while the defendant was released on

1 his or her own recognizance [~~or~~], released under conditions, or had yet
2 to be arraigned after the issuance of a desk appearance ticket for a
3 separate felony or class A misdemeanor involving harm to an identifiable
4 person or property, provided, however, that the prosecutor must show
5 reasonable cause to believe that the defendant committed the instant
6 crime and any underlying crime. For the purposes of this subparagraph,
7 any of the underlying crimes need not be a qualifying offense as defined
8 in this subdivision. For the purposes of this paragraph, "harm to an
9 identifiable person or property" shall include but not be limited to
10 theft of or damage to property. However, based upon a review of the
11 facts alleged in the accusatory instrument, if the court determines that
12 such theft is negligible and does not appear to be in furtherance of
13 other criminal activity, the principal shall be released on his or her
14 own recognizance or under appropriate non-monetary conditions; or
15 (xxi) criminal possession of a weapon in the third degree as defined
16 in subdivision three of section 265.02 of the penal law or criminal sale

18 § 5. This act shall take effect on the thirtieth day after it shall
19 have become a law.

SUBPART D

21 Section 1. Subdivision 4 of section 245.50 of the criminal procedure
22 law, as amended by section 7 of part HHH of chapter 56 of the laws of
23 2020, is amended and a new subdivision 1-a is added to read as follows:

24 1-a. Any supplemental certificate of compliance shall detail the basis
25 for the delayed disclosure so that the court may determine whether the
26 delayed disclosure impacts the propriety of the certificate of compli-
27 ance. The filing of a supplemental certificate of compliance shall not
28 impact the validity of the original certificate of compliance if filed
29 in good faith and after exercising due diligence pursuant to section
30 245.20 of this article, or if the additional discovery did not exist at
31 the time of the filing of the original certificate of compliance.

32 4. (a) Challenges to, or questions related to a certificate of compli-
33 ance shall be addressed by motion.

34 (b) To the extent that the party is aware of a potential defect or
35 deficiency related to a certificate of compliance or supplemental
36 certificate of compliance, the party entitled to disclosure shall notify
37 or alert the opposing party as soon as practicable.

38 (c) Challenges related to the sufficiency of a certificate of compli-
39 ance or supplemental certificates of compliance shall be addressed by
40 motion as soon as practicable, provided that nothing in this section
41 shall be construed to waive a party's right to make further challenges,
42 including but not limited to a motion pursuant to section 30.30 of this
43 chapter.

44 § 2. Paragraph (a) of subdivision 1 and subdivision 2 of section
45 245.80 of the criminal procedure law, as added by section 2 of part LLL
46 of chapter 59 of the laws of 2019, are amended to read as follows:

47 (a) When material or information is discoverable under this article
48 but is disclosed belatedly, the court shall impose [~~an appropriate~~] a
49 remedy or sanction [~~if~~] that is appropriate and proportionate to the
50 prejudice suffered by the party entitled to disclosure [~~shows that it~~
51 ~~was prejudiced~~]. Regardless of a showing of prejudice the party entitled
52 to disclosure shall be given reasonable time to prepare and respond to
53 the new material.

2. Available remedies or sanctions. For failure to comply with any discovery order imposed or issued pursuant to this article, the court may make a further order for discovery, grant a continuance, order that a hearing be reopened, order that a witness be called or recalled, instruct the jury that it may draw an adverse inference regarding the non-compliance, preclude or strike a witness's testimony or a portion of a witness's testimony, admit or exclude evidence, order a mistrial, order the dismissal of all or some of the charges provided that, after considering all other remedies, dismissal is appropriate and proportionate to the prejudice suffered by the party entitled to disclosure, or make such other order as it deems just under the circumstances; except that any sanction against the defendant shall comport with the defendant's constitutional right to present a defense, and precluding a defense witness from testifying shall be permissible only upon a finding that the defendant's failure to comply with the discovery obligation or order was willful and motivated by a desire to obtain a tactical advantage.

§ 3. Section 450.20 of the criminal procedure law is amended by adding a new subdivision 12 to read as follows:

12. That portion of an order dismissing an accusatory instrument or some of its counts pursuant to subdivision two of section 245.80 of this part as a sanction for failure to comply with any discovery order issued pursuant to article two hundred forty-five of this part.

§ 4. Section 530.50 of the criminal procedure law is amended by adding a new subdivision 3 to read as follows:

3. Where an appeal by the people has been taken from an order dismissing one or more counts of an accusatory instrument for failure to comply with a discovery order pursuant to subdivision twelve of section 450.20 of this chapter and the defendant is charged with a qualifying offense in the remaining counts in the accusatory instrument, pending determination of an appeal, the defendant may apply for an order of recognizance or release on non-monetary conditions, where authorized, or fixing bail. A judge identified in subdivision two of section 460.50 of this chapter or paragraph (a) of subdivision one of section 460.60 of this chapter may, in accordance with law, and except as otherwise provided by law, issue a securing order releasing the defendant on the defendant's own recognizance or under non-monetary conditions where authorized, fixing bail, or remanding the defendant to the custody of the sheriff where authorized.

§ 5. Subparagraph (iii) of paragraph (a) of subdivision 1 of section 245.10 of the criminal procedure law, as amended by section 1 of part HHH of chapter 56 of the laws of 2020, is amended to read as follows:

(iii) [~~Notwithstanding the timelines contained in the opening paragraph of this paragraph, the prosecutor's discovery obligation under subdivision one of section 245.20 of this article shall be performed as soon as practicable, but not later than fifteen days before the trial of a simplified information charging a traffic infraction under the vehicle and traffic law, or by an information charging one or more petty offenses as defined by the municipal code of a village, town, city, or county, that do not carry a statutorily authorized sentence of imprisonment, and where the defendant stands charged before the court with no crime or offense, provided however that nothing in this subparagraph shall prevent a defendant from filing a motion for disclosure of such items and information under subdivision one of such section 245.20 of this article at an earlier date.~~] Notwithstanding the previous provisions of this section, the prosecutor's obligations shall not apply

1 to a simplified information charging a traffic infraction under the
2 vehicle and traffic law, or to an information charging one or more petty
3 offenses as defined by the municipal code of a village, town, city, or
4 county, that do not carry a statutorily authorized sentence of imprison-
5 ment, and where the defendant stands charged before the court with no
6 crime or offense, provided however that nothing in this subparagraph
7 shall prevent a defendant from filing a motion for disclosure of such
8 items and information under subdivision one of section 245.20 of this
9 article. The court shall, at the first appearance, advise the defendant
10 of their right to file a motion for discovery.

11 § 6. This act shall take effect on the thirtieth day after it shall
12 have become a law.

13 SUBPART E

14 Section 1. Section 302.1 of the family court act is amended by adding
15 a new subdivision 4 to read as follows:

16 4. Where a proceeding had been commenced in the youth part of a supe-
17 rior court for an act alleged to have been committed prior to his or her
18 eighteenth birthday and then had been removed to family court, the fami-
19 ly court shall exercise jurisdiction under this article, notwithstanding
20 the fact that the respondent may be over the age of eighteen prior to
21 the proceeding having commenced in the family court.

22 § 2. Section 302.2 of the family court act, as added by chapter 920 of
23 the laws of 1982, is amended to read as follows:

24 § 302.2. Statute of limitations. A juvenile delinquency proceeding
25 must be commenced within the period of limitation prescribed in section
26 30.10 of the criminal procedure law or, unless the alleged act is a
27 designated felony as defined in subdivision eight of section 301.2 of
28 this part or is an act allegedly committed when the respondent was aged
29 sixteen years or older, commenced before the respondent's eighteenth
30 birthday, whichever occurs earlier, provided however, that consistent
31 with subdivision four of section 302.1 of this part, a proceeding
32 commenced for an act allegedly committed when the respondent was aged
33 sixteen years or older shall be considered timely if it is commenced
34 within such period of limitation prescribed in section 30.10 of the
35 criminal procedure law or prior to the respondent's twentieth birthday,
36 whichever occurs earlier, regardless of whether the action had
37 originally been commenced prior to the respondent's eighteenth birthday
38 in a youth part of a superior court. When the alleged act constitutes a
39 designated felony as defined in subdivision eight of section 301.2 of
40 this part or is an act allegedly committed when the respondent was aged
41 sixteen years or older, such proceeding must be commenced within such
42 period of limitation or before the respondent's twentieth birthday,
43 whichever occurs earlier.

44 § 3. The family court act is amended by adding a new section 309.1 to
45 read as follows:

46 § 309.1. Community based treatment referrals. 1. A youth who is
47 released prior to the filing of a petition shall be made aware of and
48 referred to community based organizations offering counseling, treat-
49 ment, employment, educational, or vocational services in which they may
50 voluntarily enroll or participate. Such services shall be separate from
51 and in addition to any adjustment services provided under section 308.1
52 of this part, where applicable.

53 2. The youth shall be advised that the service referrals are being
54 made as a resource and participation in them is voluntary and that

1 refusal to participate will not negatively impact any aspect of their
2 pending case. Provided, however, nothing shall preclude the youth from
3 voluntarily providing information, after consulting with their attorney,
4 demonstrating successful enrollment, participation, and completion,
5 where applicable, of any such services. The court shall consider any
6 information provided by the youth regarding such participation in the
7 case proceedings including but not limited to dispositional or placement
8 determinations. The court may require supporting documentation for any
9 such consideration that the youth requests, provided however, that such
10 information shall be maintained as confidential in accordance with any
11 applicable state or federal law.

12 3. No statements made to probation when discussing any service refer-
13 als under this section shall be admissible in a fact-finding hearing.

14 § 4. This act shall take effect immediately; provided that section
15 three of this act shall apply to offenses committed on or after such
16 date and to offenses for which the statute of limitations that was in
17 effect prior to such date has not elapsed as of such date.

18 SUBPART F

19 Section 1. Section 500.10 of the criminal procedure law is amended by
20 adding a new subdivision 3-c to read as follows:

21 3-c. (a) "Release for mental health assessment and evaluation." When a
22 principal appearing before the court appears, by clear and convincing
23 evidence, to be mentally ill at the present moment such that if left
24 unattended their conduct may result in harm to himself or herself or
25 others, the court may: order as a condition of release under supervision
26 that the principal seek a voluntary psychiatric assessment under section
27 9.13 of the mental hygiene law if the principal has a recently docu-
28 mented history of mental illness or psychiatric hospitalization, and the
29 defense consents to the assessment.

30 (b) "Involuntary assessment pending release." When a principal appear-
31 ing before the court appears, by clear and convincing evidence, to be
32 mentally ill at the present moment such that if left unattended their
33 conduct may result in immediate serious harm to himself or herself or
34 others, the court may order as a condition of release under supervision
35 that the principal be taken by an entity, including but not limited to,
36 pretrial services agencies, or another qualified provider, to a local
37 hospital for immediate psychiatric assessment involuntarily under
38 section 9.43 of the mental hygiene law if the principal is conducting
39 himself or herself before the court, in such a manner which in a person
40 who is not mentally ill would be deemed disorderly conduct which is
41 likely to result in immediate serious harm to himself or herself or
42 others. The court is also authorized to request peace officers, when
43 acting pursuant to their special duties, or police officers, who are
44 members of an authorized police department or force or of a sheriff's
45 department, to take into custody and transport such person to a hospital
46 for determination by the director of community services when such person
47 qualifies for admission pursuant to this section. The court may author-
48 ize an ambulance service, as defined by subdivision two of section three
49 thousand one of the public health law, to transport such person to any
50 hospital specified in subdivision (a) of section 9.39 of the mental
51 hygiene law or any comprehensive psychiatric emergency program specified
52 in subdivision (a) of section 9.40 of the mental hygiene law, that is
53 willing to receive such person. Upon removal, there shall be a determi-
54 nation made by the director of such hospital or program whether such

1 person should be retained therein pursuant to section 9.39 of the mental
2 hygiene law. If the principal is hospitalized, at the time of release
3 the hospital shall complete a discharge plan with linkages to communi-
4 ty-based mental health treatment, including services that are provided
5 after the individual has stabilized, if applicable and other community-
6 based services as may be deemed necessary and appropriate and notify
7 pretrial services agencies and the defense counsel of the person's
8 discharge. Pretrial services agencies are responsible for ensuring
9 continuity of care for the principal in the community.

10 (c) "Pretrial services." Pretrial services agencies shall be required,
11 upon the request of the court to provide a summary of the assessment,
12 limited to necessary and relevant information relating to the princi-
13 pal's completion of an assessment and evaluation, placement, treatment,
14 and discharge from the hospital solely for the purpose of ensuring
15 compliance with the conditions of release and in accordance with any
16 applicable state and federal confidentiality laws. Conditions of release
17 may not be revoked solely based on noncompliance with treatment.

18 (d) "Confidential." Any clinical record produced as a part of the
19 assessment, services or treatment plans required pursuant to this subdi-
20 vision shall be considered confidential and shall not be considered part
21 of the public record, and access to such records shall be limited in
22 accordance with applicable federal and state privacy laws. Such informa-
23 tion shall not be used as part of the criminal proceeding and shall be
24 expunged upon the resolution of the case.

25 (e) "Referral." Courts shall refer the principal, where appropriate,
26 to a judicial diversion program as defined in section 216.00 of this
27 chapter or to any other appropriate treatment court.

28 § 2. This act shall take effect on the thirtieth day after it shall
29 have become a law.

34 which such judgment shall have been rendered. It is hereby declared to
35 be the intent of the legislature that this act would have been enacted
36 even if such invalid provisions had not been included herein.

37 § 3. This act shall take effect immediately provided, however, that
38 the applicable effective date of Subparts A through H of this act shall
39 be as specifically set forth in the last section of such Subparts.

40 PART VV

41 Section 1. Short title. This act shall be known and may be cited as
42 the "private activity bond allocation act of 2022".

43 § 2. Legislative findings and declaration. The legislature hereby
44 finds and declares that the federal tax reform act of 1986 established a
45 statewide bond volume ceiling on the issuance of certain tax exempt
46 private activity bonds and notes and, under certain circumstances,
47 governmental use bonds and notes issued by the state and its public
48 authorities, local governments, agencies which issue on behalf of local
49 governments, and certain other issuers. The federal tax reform act
50 establishes a formula for the allocation of the bond volume ceiling
51 which was subject to temporary modification by gubernatorial executive
52 order until December 31, 1987. That act also permits state legislatures
53 to establish, by statute, an alternative formula for allocating the
54 volume ceiling. Bonds and notes subject to the volume ceiling require an

1 allocation from the state's annual volume ceiling in order to qualify
2 for federal tax exemption.

3 It is hereby declared to be the policy of the state to maximize the
4 public benefit through the issuance of private activity bonds for the
5 purposes of, among other things, allocating a fair share of the bond
6 volume ceiling upon initial allocation and from a bond reserve to local
7 agencies and for needs identified by local governments; providing hous-
8 ing and promoting economic development; job creation; an economical
9 energy supply; and resource recovery and to provide for an orderly and
10 efficient volume ceiling allocation process for state and local agencies
11 by establishing an alternative formula for making such allocations.

48 the purposes of this act.

51 New York state.

52 13. "Future allocations" means allocations of statewide ceiling for up
53 to two future years.

54 14. "Multi-year housing development project" means a project (a) which
55 qualifies for covered bonds; (b) which is to be constructed over two or

1 more years and (c) in which at least twenty percent of the dwelling
2 units will be occupied by persons and families of low income.

3 § 4. Local agency set-aside. A set-aside of statewide ceiling for
4 local agencies for any calendar year shall be an amount which bears the
5 same ratio to one-third of the statewide ceiling as the population of
6 the jurisdiction of such local agency bears to the population of the
7 entire state. The commissioner shall administer allocations of such
8 set-aside to local agencies.

9 § 5. State agency set-aside. A set-aside of statewide ceiling for all
10 state agencies for any calendar year shall be one-third of the statewide
11 ceiling. The director shall administer allocations of such set-aside to
12 state agencies and may grant an allocation to any state agency upon
13 receipt of an application in such form as the director shall require.

14 § 6. Statewide bond reserve. One-third of the statewide ceiling is
15 hereby set aside as a statewide bond reserve to be administered by the
16 director.

17 1. Allocation of the statewide bond reserve among state agencies,
18 local agencies and other issuers. The director shall transfer a portion
19 of the statewide bond reserve to the commissioner for allocation to and
20 use by local agencies and other issuers in accordance with the terms of
21 this section. The remainder of the statewide bond reserve may be allo-
22 cated by the director to state agencies in accordance with the terms of
23 this section.

24 2. Allocation of statewide bond reserve to local agencies or other
25 issuers.

26 (a) Local agencies or other issuers may at any time apply to the
27 commissioner for an allocation from the statewide bond reserve. Such
28 application shall demonstrate:

29 (i) that the requested allocation is required under the code for the
30 interest earned on the bonds to be excluded from the gross income of
31 bondholders for federal income tax purposes;

32 (ii) that the local agency's remaining unused allocation provided
33 pursuant to section four of this act, and other issuer's remaining
34 unused allocation, or any available carryforward will be insufficient
35 for the specific project or projects for which the reserve allocation is
36 requested; and

37 (iii) that, except for those allocations made pursuant to section
38 thirteen of this act to enable carryforward elections, the requested
39 allocation is reasonably expected to be used during the calendar year,
40 and the requested future allocation is reasonably expected to be used in
41 the calendar year to which the future allocation relates.

42 (b) In reviewing and approving or disapproving applications, the
43 commissioner shall exercise discretion to ensure an equitable distrib-
44 ution of allocations from the statewide bond reserve to local agencies
45 and other issuers. Prior to making a determination on such applications,
46 the commissioner shall notify and seek the recommendation of the presi-
47 dent and chief executive officer of the New York state housing finance
48 agency in the case of an application related to the issuance of multi-
49 family housing or mortgage revenue bonds, and in the case of other
50 requests, such state officers, departments, divisions and agencies as
51 the commissioner deems appropriate.

52 (c) Applications for allocations shall be made in such form and
53 contain such information and reports as the commissioner shall require.

54 (d) On or before September fifteenth of each year, the commissioner
55 shall publish the total amount of local agency set-aside that has been

1 recaptured pursuant to section twelve of this act for that year on the
2 department of economic development's website.

3 3. Allocation of statewide bond reserve to state agencies. The direc-
4 tor may make an allocation from the statewide bond reserve to any state
5 agency. Before making any allocation of statewide bond reserve to state
6 agencies the director shall be satisfied:

7 (a) that the allocation is required under the code for the interest
8 earned on the bonds to be excluded from the gross income of bondholders
9 for federal income tax purposes;

10 (b) that the state agency's remaining unused allocation provided
11 pursuant to section five of this act or any available carryforward will
12 be insufficient to accommodate the specific bond issue or issues for
13 which the reserve allocation is requested; and

14 (c) that, except for those allocations made pursuant to section thir-
15 teen of this act to enable carryforward elections, the requested allo-
16 cation is reasonably expected to be used during the calendar year, and
17 the requested future allocation is reasonably expected to be used in the
18 calendar year to which the future allocation relates.

19 § 7. Access to employment opportunities. 1. All issuers shall require
20 that any new employment opportunities created in connection with indus-
21 trial or manufacturing projects financed through the issuance of quali-
22 fied small issue bonds shall be listed with the New York state depart-
23 ment of labor and with the one-stop career center established pursuant
24 to the federal Workforce Innovation and Opportunity Act (Pub. L. No.
25 113-128) serving the locality in which the employment opportunities are
26 being created. Such listing shall be in a manner and form prescribed by
27 the commissioner. All issuers shall further require that for any new
28 employment opportunities created in connection with an industrial or
29 manufacturing project financed through the issuance of qualified small
30 issue bonds by such issuer, industrial or manufacturing firms shall
31 first consider persons eligible to participate in the Workforce Inno-
32 vation and Opportunity Act (Pub. L. No. 113-128) programs who shall be
33 referred to the industrial or manufacturing firm by one-stop centers in
34 local workforce investment areas or by the department of labor. Issuers
35 of qualified small issue bonds are required to monitor compliance with
36 the provisions of this section as prescribed by the commissioner.

37 2. Nothing in this section shall be construed to require users of
38 qualified small issue bonds to violate any existing collective bargain-
39 ing agreement with respect to the hiring of new employees. Failure on
40 the part of any user of qualified small issue bonds to comply with the
41 requirements of this section shall not affect the allocation of bonding
42 authority to the issuer of the bonds or the validity or tax exempt
43 status of such bonds.

44 § 8. Overlapping jurisdictions. In a geographic area represented by a
45 county local agency and one or more sub-county local agencies, the allo-
46 cation granted by section four of this act with respect to such area of
47 overlapping jurisdiction shall be apportioned one-half to the county
48 local agency and one-half to the sub-county local agency or agencies.
49 Where there is a local agency for the benefit of a village within the
50 geographic area of a town for the benefit of which there is a local
51 agency, the allocation of the village local agency shall be based on the
52 population of the geographic area of the village, and the allocation of
53 the town local agency shall be based upon the population of the
54 geographic area of the town outside of the village. Notwithstanding the
55 foregoing, a local agency may surrender all or part of its allocation
56 for such calendar year to another local agency with an overlapping

1 jurisdiction. Such surrender shall be made at such time and in such
2 manner as the commissioner shall prescribe.

3 § 9. Ineligible local agencies. To the extent that any allocation of
4 the local agency set-aside would be made by this act to a local agency
5 which is ineligible to receive such allocation under the code or under
6 regulations interpreting the state volume ceiling provisions of the
7 code, such allocation shall instead be made to the political subdivision
8 for whose benefit that local agency was created.

9 § 10. Municipal reallocation. The chief executive officer of any poli-
10 tical subdivision or, if such political subdivision has no chief execu-
11 tive officer, the governing board of the political subdivision for the
12 benefit of which a local agency has been established, may withdraw all
13 or any portion of the allocation granted by section four of this act to
14 such local agency. The political subdivision may then reallocate all or
15 any portion of such allocation, as well as all or any portion of the
16 allocation received pursuant to section nine of this act, to itself or
17 any other issuer established for the benefit of that political subdivi-
18 sion or may assign all or any portion of the allocation received pursu-
19 ant to section nine of this act to the local agency created for its
20 benefit. The chief executive officer or governing board of the political
21 subdivision, as the case may be, shall notify the commissioner of any
22 such reallocation.

23 § 11. Future allocations for multi-year housing development projects.

24 1. In addition to other powers granted under this act, the commissioner
25 is authorized to make the following future allocations of statewide
26 ceiling for any multi-year housing development project for which the
27 commissioner also makes an allocation of statewide ceiling for the
28 current year under this act or for which, in the event of expiration of
29 provisions of this act described in section eighteen of this act, an
30 allocation of volume cap for a calendar year subsequent to such expira-
31 tion shall have been made under section 146 of the code: (a) to local
32 agencies from the local agency set-aside (but only with the approval of
33 the chief executive officer of the political subdivision to which the
34 local agency set-aside relates or the governing body of a political
35 subdivision having no chief executive officer) and (b) to other issuers
36 from that portion, if any, of the statewide bond reserve transferred to
37 the commissioner by the director. Any future allocation made by the
38 commissioner shall constitute an allocation of statewide ceiling for the
39 future year specified by the commissioner and shall be deemed to have
40 been made on the first day of the future year so specified.

41 2. In addition to other powers granted under this act, the director is
42 authorized to make future allocations of statewide ceiling from the
43 state agency set-aside or from the statewide bond reserve to state agen-
44 cies for any multi-year housing development project for which the direc-
45 tor also makes an allocation of statewide ceiling from the current year
46 under this act or for which, in the event of expiration of provisions of
47 this act described in section eighteen of this act, an allocation of
48 volume cap for a calendar year subsequent to such expiration shall have
49 been made under section 146 of the code, and is authorized to make
50 transfers of the statewide bond reserve to the commissioner for future
51 allocations to other issuers for multi-year housing development projects
52 for which the commissioner has made an allocation of statewide ceiling
53 for the current year. Any such future allocation or transfer of the
54 statewide bond reserve for future allocation made by the director shall
55 constitute an allocation of statewide ceiling or transfer of the state-
56 wide bond reserve for the future years specified by the director and

1 shall be deemed to have been made on the first day of the future year so
2 specified.

3 3. (a) If an allocation made with respect to a multi-year housing
4 development project is not used by September fifteenth of the year to
5 which the allocation relates, the allocation with respect to the then
6 current year shall be subject to recapture in accordance with the
7 provisions of section twelve of this act, and in the event of such a
8 recapture, unless a carryforward election by another issuer shall have
9 been approved by the commissioner or a carryforward election by a state
10 agency shall have been approved by the director, all future allocations
11 made with respect to such project pursuant to subdivision one or two of
12 this section shall be canceled.

13 (b) The commissioner and the director shall have the authority to make
14 future allocations from recaptured current year allocations and canceled
15 future allocations to multi-year housing development projects in a
16 manner consistent with the provisions of this act. Any such future allo-
17 cation shall, unless a carryforward election by another issuer shall
18 have been approved by the commissioner or a carryforward election by a
19 state agency shall have been approved by the director, be canceled if
20 the current year allocation for the project is not used by December 31,
21 2023.

22 (c) The commissioner and the director shall establish procedures
23 consistent with the provisions of this act relating to carryforward of
24 future allocations.

25 4. The aggregate future allocations from either of the two succeeding
26 years shall not exceed six hundred fifty million dollars for each such
27 year.

28 § 12. Year end allocation recapture. On or before September first of
29 each year, each state agency shall report to the director and each local
30 agency and each other issuer shall report to the commissioner the amount
31 of bonds subject to allocation under this act that will be issued prior
32 to the end of the then current calendar year, and the amount of the
33 issuer's then total allocation that will remain unused. As of September
34 fifteenth of each year, the unused portion of each local agency's and
35 other issuer's then total allocation as reported and the unallocated
36 portion of the set-aside for state agencies shall be recaptured and
37 added to the statewide bond reserve and shall no longer be available to
38 covered bond issuers except as otherwise provided herein. From September
39 fifteenth through the end of the year, each local agency or other issuer
40 having an allocation shall immediately report to the commissioner and
41 each state agency having an allocation shall immediately report to the
42 director any changes to the status of its allocation or the status of
43 projects for which allocations have been made which should affect the
44 timing or likelihood of the issuance of covered bonds therefor. If the
45 commissioner determines that a local agency or other issuer has overes-
46 timated the amount of covered bonds subject to allocation that will be
47 issued prior to the end of the calendar year, the commissioner may
48 recapture the amount of the allocation to such local agency or other
49 issuer represented by such overestimation by notice to the local agency
50 or other issuer, and add such allocation to the statewide bond reserve.
51 The director may likewise make such determination and recapture with
52 respect to state agency allocations.

53 § 13. Allocation carryforward. 1. No local agency or other issuer
54 shall make a carryforward election utilizing any unused allocation
55 (pursuant to section 146(f) of the code) without the prior approval of
56 the commissioner. Likewise no state agency shall make or file such an

1 election, or elect to issue or carryforward mortgage credit certifi-
2 cates, without the prior approval of the director.

3 2. On or before November fifteenth of each year, each state agency
4 seeking unused statewide ceiling for use in future years shall make a
5 request for an allocation for a carryforward to the director, whose
6 approval shall be required before a carryforward election is filed by or
7 on behalf of any state agency. A later request may also be considered by
8 the director, who may file a carryforward election for any state agency
9 with the consent of such agency.

10 3. On or before November fifteenth of each year, each local agency or
11 other issuer seeking unused statewide ceiling for use in future years
12 shall make a request for an allocation for a carryforward to the commis-
13 sioner, whose approval shall be required before a carryforward election
14 is filed by or on behalf of any local or other agency. A later request
15 may also be considered by the commissioner.

16 4. On or before January fifteenth of each year, the director shall
17 publish the total amount of unused statewide ceiling from the prior year
18 on the division of budget's website.

19 § 14. New York state bond allocation policy advisory panel. 1. There
20 is hereby created a policy advisory panel and process to provide policy
21 advice regarding the priorities for distribution of the statewide ceil-
22 ing.

23 2. The panel shall consist of five members, one designee being
24 appointed by each of the following: the governor, the temporary presi-
25 dent of the senate, the speaker of the assembly, the minority leader of
26 the senate and the minority leader of the assembly. The designee of the
27 governor shall chair the panel. The panel shall monitor the allocation
28 process through the year, and in that regard, the division of the budget
29 and the department of economic development shall assist and cooperate
30 with the panel as provided in this section. The advisory process shall
31 operate through the issuance of advisory opinions by members of the
32 panel as provided in subdivisions six and seven of this section. A meet-
33 ing may be held at the call of the chair with the unanimous consent of
34 the members.

35 3. (a) Upon receipt of a request for allocation or a request for
36 approval of a carryforward election from the statewide reserve from a
37 local agency or other issuer, the commissioner shall, within five work-
38 ing days, notify the panel of such request and provide the panel with
39 copies of all application materials submitted by the applicant.

40 (b) Upon receipt of a request for allocation or a request for approval
41 of carryforward election from the statewide reserve from a state agency,
42 the director shall, within five working days, notify the panel of such
43 request and provide the panel with copies of all application materials
44 submitted by the applicant.

45 4. (a) Following receipt of a request for allocation from a local
46 agency or other issuer, the commissioner shall notify the panel of a
47 decision to approve or exclude from further consideration such request,
48 and the commissioner shall state the reasons. Such notification shall be
49 made with or after the transmittal of the information specified in
50 subdivision three of this section and at least five working days before
51 formal notification is made to the applicant.

52 (b) Following receipt of a request for allocation from a state agency,
53 the director shall notify the panel of a decision to approve or exclude
54 from further consideration such request, and shall state the reasons.
55 Such notification shall be made with or after the transmission of the
56 information specified in subdivision three of this section and at least

1 five working days before formal notification is made to the state agency.
2 cy.

3 5. The requirements of subdivisions three and four of this section
4 shall not apply to adjustments to allocations due to bond sizing changes.
5 es.

6 6. In the event that any decision to approve or to exclude from
7 further consideration a request for allocation is made within ten working
8 days of the end of the calendar year and in the case of all requests
9 for consent to a carryforward election, the commissioner or director, as
10 is appropriate, shall provide the panel with the longest possible
11 advance notification of the action, consistent with the requirements of
12 the code, and shall, wherever possible, solicit the opinions of the
13 members of the panel before formally notifying any applicant of the
14 action. Such notification may be made by means of telephone communication
15 to the members or by written notice delivered to the Albany
16 office of the appointing authority of the respective members.

17 7. Upon notification by the director or the commissioner, any member
18 of the panel may, within five working days, notify the commissioner or
19 the director of any policy objection concerning the expected action. If
20 three or more members of the panel shall submit policy objections in
21 writing to the intended action, the commissioner or the director shall
22 respond in writing to the objection prior to taking the intended action
23 unless exigent circumstances make it necessary to respond after the
24 action has been taken.

25 8. On or before the first day of July, in any year, the director shall
26 report to the members of the New York state bond allocation policy advisory
27 panel on the actual utilization of volume cap for the issuance of
28 bonds during the prior calendar year and the amount of such cap allocated
29 for carryforwards for future bond issuance. The report shall
30 include, for each local agency or other issuer and each state agency the
31 initial allocation, the amount of bonds issued subject to the allocation,
32 the amount of the issuer's allocation that remained unused, the
33 allocation of the statewide bond reserve, carryforward allocations and
34 recapture of allocations. Further, the report shall include projections
35 regarding private activity bond issuance for state and local issuers for
36 the calendar year, as well as any recommendations for legislative
37 action. The director shall publish the report on the division of budget's
38 website concurrently with the release of the report to the panel.

39 § 15. Severability. If any clause, sentence, paragraph, section, or
40 item of this part shall be adjudged by any court of competent jurisdiction
41 to be invalid, such judgment shall not affect, impair, or invalidate the
42 remainder thereof, but shall be confined in its operation to the clause,
43 sentence, paragraph, section, or item thereof directly involved in the
44 controversy in which such judgment shall have been rendered.
45

46 § 16. Notwithstanding any provisions of this act to the contrary (1)
47 provided that a local agency or other issuer certifies to the commissioner
48 on or before October 1, 2022 that it has issued private activity bonds
49 described in this act and the amount thereof which used statewide ceiling,
50 a commitment or allocation of statewide ceiling to a local agency or other
51 issuer pursuant to the federal tax reform act of 1986 on or after January
52 1, 2022 and prior to the effective date of this act, in an amount which
53 exceeds the local agency set-aside established by section four of this
54 act, shall be first chargeable to the statewide bond reserve established
55 pursuant to section six of this act, and (2) a commitment or
56

1 allocation of statewide ceiling to a state agency made to or used by
2 such agency pursuant to the internal revenue code, as amended, on or
3 after January 1, 2022 and prior to the effective date of this act, shall
4 be first chargeable to the state agency set-aside established pursuant
5 to section five of this act, and, thereafter, to the statewide bond
6 reserve established by section six of this act.

7 § 17. Nothing contained in this act shall be deemed to supersede,
8 alter or impair any allocation used by or committed by the director or
9 commissioner to a state or local agency or other issuer pursuant to the
10 federal tax reform act of 1986 and prior to the effective date of this
11 act.

12 § 18. This act shall take effect immediately; provided, however, that
13 sections three, four, five, six, seven, eight, nine, ten, twelve, thir-
14 teen and fourteen of this act shall expire July 1, 2025 when upon such
15 date the provisions of such sections shall be deemed repealed; except
16 that the provisions of subdivisions two and three of section thirteen of
17 this act shall expire and be deemed repealed February 15, 2025.

18 PART WW

19 Section 1. Subdivision (c) of section 103 of the public officers law,
20 as added by chapter 289 of the laws of 2000, is amended to read as
21 follows:

22 (c) A public body [~~that uses videoconferencing to conduct its meet-~~
23 ~~ings~~] shall provide an opportunity for the public to attend, listen and
24 observe [~~at any site~~] meetings in at least one physical location at
25 which a member participates.

26 § 2. The public officers law is amended by adding a new section 103-a
27 to read as follows:

28 § 103-a. Videoconferencing by public bodies. 1. For the purposes of
29 this section, "local public body" shall mean a public corporation as
30 defined in section sixty-six of the general construction law, a poli-
31 tical subdivision as defined in section one hundred of the general
32 municipal law or a committee or subcommittee or other similar body of
33 such entity, or any entity for which a quorum is required in order to
34 conduct public business and which consists of two or more members,
35 performing a governmental function for an entity limited in the
36 execution of its official functions to a portion only of the state, or a
37 political subdivision of the state, or for an agency or department ther-
38 eof. For the purposes of this section, a public body shall be as
39 defined in subdivision two of section one hundred two of this article.

40 2. A public body may, in its discretion, use videoconferencing to
41 conduct its meetings pursuant to the requirements of this article
42 provided that a minimum number of members are present to fulfill the
43 public body's quorum requirement in the same physical location or
44 locations where the public can attend and the following criteria are
45 met:

46 (a) the governing board of a county, city, town or village has adopted
47 a local law, or a public body has adopted a resolution, or the senate
48 and assembly have adopted a joint resolution, following a public hear-
49 ing, authorizing the use of videoconferencing:

50 (i) for itself and its committees or subcommittees; or,

52 determination;

53 (iii) provided however, each community board in a city with a popu-
54 lation of one million or more shall make its own determination;

2 member and public attendance consistent with this section, and such
3 written procedures shall be conspicuously posted on the public website
4 of the public body;

6 meeting unless such member is unable to be physically present at any
7 such meeting location due to extraordinary circumstances, as set forth
8 in the resolution and written procedures adopted pursuant to paragraphs

18 (d) In all instances recovery of inappropriate bonus payments shall be
19 recovered from the employer. The employer shall not have the right to
20 recover any inappropriately paid bonus from the employee.

21 (b) Notwithstanding any other provision of law to the contrary,
22 including, specifically, the provisions of chapter 59 of the laws of
23 2000 and section sixty-seven-b of the state finance law, the dormitory
24 authority of the state of New York and the corporation are hereby
25 authorized to issue personal income tax revenue anticipation notes with
26 a maturity no later than March 31, 2023, in one or more series in an
27 aggregate principal amount for each fiscal year not to exceed three
28 billion dollars, and to pay costs of issuance of such notes, for the
29 purpose of temporarily financing budgetary needs of the state. Such
30 purpose shall constitute an authorized purpose under subdivision two of
31 section sixty-eight-a of the state finance law for all purposes of arti-
32 cle five-C of the state finance law with respect to the notes authorized
33 by this paragraph. Such notes shall not be renewed, extended or
34 refunded. For so long as any notes authorized by this paragraph shall be
35 outstanding, the restrictions, limitations and requirements contained in
36 article five-B of the state finance law shall not apply.

37 (c) Such notes of the dormitory authority and the corporation shall
38 not be a debt of the state, and the state shall not be liable thereon,
39 nor shall they be payable out of any funds other than those appropriated
40 by the state to the dormitory authority and the corporation for debt
41 service and related expenses pursuant to any financing agreement
42 described in paragraph (d) of this subdivision, and such notes shall
43 contain on the face thereof a statement to such effect. Such notes shall
44 be issued on a subordinate basis and shall be secured by subordinate
45 payments from the revenue bond tax fund established pursuant to section
46 ninety-two-z of the state finance law. Except for purposes of complying
47 with the internal revenue code, any interest income earned on note
48 proceeds shall only be used to pay debt service on such notes. All of
49 the provisions of the state finance law, the dormitory authority act and
50 this act relating to notes and bonds which are not inconsistent with the
51 provisions of this section shall apply to notes authorized by paragraph
52 (b) of this subdivision, including but not limited to the power to
53 establish adequate reserves therefor, subject to the final maturity
54 limitation for such notes set forth in paragraph (b) of this subdivi-
55 sion. The issuance of any notes authorized by paragraph (b) of this

1 subdivision shall further be subject to the approval of the director of
2 the division of the budget.

3 (d) Notwithstanding any other law, rule or regulation to the contrary
4 but subject to the limitations contained in paragraph (b) of this subdivi-
5 vision, in order to assist the dormitory authority and the corporation
6 in undertaking the administration and financing of such notes, the
7 director of the budget is hereby authorized to supplement any existing
8 financing agreement with the dormitory authority and/or the corporation,
9 or to enter into a new financing agreement with the dormitory authority
10 and/or the corporation, upon such terms and conditions as the director
11 of the budget and the dormitory authority and the corporation shall
12 agree, so as to provide to the dormitory authority and the corporation,
13 a sum not to exceed the debt service payments and related expenses
14 required for any notes issued pursuant to paragraph (b) of this subdivi-
15 sion. Any financing agreement supplemented or entered into pursuant to
16 this section shall provide that the obligation of the state to pay the
17 amount therein provided shall not constitute a debt of the state within
18 the meaning of any constitutional or statutory provision and shall be
19 deemed executory only to the extent of monies available and that no
20 liability shall be incurred by the state beyond the monies available for
21 such purposes, subject to annual appropriation by the legislature. Any
22 such financing agreement or any payments made or to be made thereunder
23 may be assigned or pledged by the dormitory authority and the corpo-
24 ration as security for the notes authorized by paragraph (b) of this
25 subdivision.

26 (e) Notwithstanding any other provision of law to the contrary,
27 including specifically the provisions of subdivision 3 of section 67-b
28 of the state finance law, no capital work or purpose shall be required
29 for any issuance of personal income tax revenue anticipation notes
30 issued by the dormitory authority and the corporation pursuant to para-
31 graph (b) of this subdivision.

32 (f) Notwithstanding any other law, rule, or regulation to the contra-
33 ry, the comptroller is hereby authorized and directed to deposit to the
34 credit of the general fund, all proceeds of personal income tax revenue
35 anticipation notes issued by the dormitory authority and the New York
36 state urban development corporation pursuant to paragraph (b) of this
37 subdivision.

38 2. Effect of inconsistent provisions. Insofar as the provisions of
39 this section are inconsistent with the provisions of any other law,
40 general, special, or local, the provisions of this section shall be
41 controlling.

42 3. Severability; construction. The provisions of this section shall be
43 severable, and if the application of any clause, sentence, paragraph,
44 subdivision, section or part of this section to any person or circum-
45 stance shall be adjudged by any court of competent jurisdiction to be
46 invalid, such judgment shall not necessarily affect, impair or invali-
47 date the application of any such clause, sentence, paragraph, subdivi-
48 sion, section, part of this section or remainder thereof, as the case
49 may be, to any other person or circumstance, but shall be confined in
50 its operation to the clause, sentence, paragraph, subdivision, section
51 or part thereof directly involved in the controversy in which such judg-
52 ment shall have been rendered.

53 § 55. Section 1 of chapter 174 of the laws of 1968, constituting the
54 New York state urban development corporation act, is amended by adding a
55 new section 55-b to read as follows:

1 § 55-b. Line of credit facilities. 1. Findings and declaration of
2 need. (a) The state of New York finds and determines that shortfalls in
3 the state's financial plan arising from adverse economic and fiscal
4 events and risks, disasters and emergencies, including but not limited
5 to, public health emergencies, may occur or develop, and that the finan-
6 cial impact of such events, risks, disasters and emergencies could be
7 prudently mitigated by certain fiscal management authorization measures
8 being legislatively authorized and established.

9 (b) Definitions. When used in this subdivision:

10 (i) "Line of credit facility" shall mean one or more revolving credit
11 commitment arrangements between the dormitory authority of the state of
12 New York and/or the urban development corporation with an individual
13 financial institution or a consortium of financial institutions for the
14 purpose of assisting the state to temporarily finance its budgetary
15 needs.

16 (ii) "Related expenses and fees" shall mean interest costs, commitment
17 fees and other costs, expenses and fees incurred in connection with a
18 line of credit facility and/or a service contract or other agreement of
19 the state securing such line of credit facility that contractually obli-
20 gates the state to pay debt service subject to an appropriation.

21 (c) Notwithstanding any other provision of law to the contrary,
22 including, specifically, the provisions of chapter 59 of the laws of
23 2000 and section 67-b of the state finance law, the dormitory authority
24 of the state of New York and the urban development corporation are
25 authorized until March 31, 2023 to: (i) enter into one or more line of
26 credit facilities not in excess of two billion dollars in aggregate
27 principal amount; (ii) draw, at one or more times at the direction of
28 the director of the budget, upon such line of credit facilities and
29 provide to the state the amounts so drawn for the purpose of assisting
30 the state to temporarily finance its budgetary needs; provided, however,
31 that the total principal amounts of such draws for each fiscal year
32 shall not exceed two billion dollars; and (iii) secure repayment of all
33 draws under such line of credit facilities and the payment of related
34 expenses and fees, which repayment and payment obligations shall not
35 constitute a debt of the state within the meaning of any constitutional
36 or statutory provision and shall be deemed executory only to the extent
37 moneys are available and that no liability shall be incurred by the
38 state beyond the moneys available for such purpose, and that such
39 payment obligation is subject to annual appropriation by the legisla-
40 ture. Any line of credit facility agreements entered into by the dormi-
41 tory authority of the state of New York and/or the urban development
42 corporation with financial institutions pursuant to this section may
43 contain such provisions that the dormitory authority of the state of New
44 York and/or the urban development corporation deem necessary or desira-
45 ble for the establishment of such credit facilities. The maximum term of
46 any line of credit facility shall be one year from the date of incur-
47 rence; provided however that no draw on any such line of credit facility
48 shall occur after March 31, 2023, and provided further that any such
49 line of credit facility whose term extends beyond March 31, 2023 shall
50 be supported by sufficient appropriation authority enacted by the legis-
51 lature that provides for the repayment of all amounts drawn and remain-
52 ing unpaid as of March 31, 2023, as well as the payment of related
53 expenses and fees incurred and to become due and payable by the dormito-
54 ry authority of the state of New York and/or the urban development
55 corporation.

1 (d) Notwithstanding any other law, rule, or regulation to the contra-
2 ry, the comptroller is hereby authorized and directed to deposit to the
3 credit of the general fund, all amounts provided by the dormitory
4 authority of the state of New York and/or the urban development corpo-
5 ration to the state from draws made on any line of credit facility
6 authorized by paragraph (c) of this subdivision.

7 (e) Notwithstanding any other provision of law to the contrary, for so
8 long as any amounts under a line of credit facility authorized by para-
9 graph (c) of this subdivision are due and payable, such amounts shall
10 not constitute nor be treated as state-supported debt for purposes of
11 article 5-B of the state finance law. As applicable, all of the
12 provisions of the state finance law, the dormitory authority act and the
13 New York state urban development corporation act relating to notes and
14 bonds which are not inconsistent with the provisions of this section
15 shall apply to any line of credit facility established in accordance
16 with the authorization contained in paragraph (c) of this subdivision.

17 (f) Each draw on a line of credit facility authorized by paragraph (c)
18 of this subdivision shall only be made if the service contract or other
19 agreement entered into in connection with such line of credit facility
20 is supported by sufficient appropriation authority enacted by the legis-
21 lature to repay the amount of the draw and to pay the related expenses
22 and fees to become due and payable. Amounts repaid under a line of cred-
23 it facility may be re-borrowed under the same or another line of credit
24 facility authorized by paragraph (c) of this subdivision provided that
25 the legislature has enacted sufficient appropriation authority that
26 provides for the repayment of any such re-borrowed amounts and the
27 payment of the related expenses and fees to become due and payable.
28 Neither the dormitory authority of the state of New York nor the urban
29 development corporation shall have any financial liability for the
30 repayment of draws under any line of credit facility authorized by para-
31 graph (c) of this subdivision and the payment of the related expenses
32 and fees beyond the moneys received for such purpose under any service
33 contract or other agreement authorized by paragraph (g) of this subdivi-
34 sion.

35 (g) The director of the budget is authorized to enter into one or more
36 service contracts or other agreements, none of which shall exceed one
37 year in duration, with the dormitory authority of the state of New York
38 and/or the urban development corporation, upon such terms and conditions
39 as the director of the budget and dormitory authority of the state of
40 New York and/or the urban development corporation shall agree. Any
41 service contract or other agreement entered into pursuant to this para-
42 graph shall provide for state commitments to provide annually to the
43 dormitory authority of the state of New York and/or the urban develop-
44 ment corporation a sum or sums, upon such terms and conditions as shall
45 be deemed appropriate by the director of the budget and the dormitory
46 authority of the state of New York and/or the urban development corpo-
47 ration, to fund the payment of all amounts to become due and payable
48 under any line of credit facility. Any such service contract or other
49 agreement shall provide that the obligation of the director of the budg-
50 et or of the state to fund or to pay the amounts therein provided for
51 shall not constitute a debt of the state within the meaning of any
52 constitutional or statutory provision and shall be deemed executory only
53 to the extent moneys are available and that no liability shall be
54 incurred by the state beyond the moneys available for such purpose, and
55 that such obligation is subject to annual appropriation by the legisla-
56 ture.

1 (h) Any service contract or other agreement entered into pursuant to
2 paragraph (g) of this subdivision or any payments made or to be made
3 thereunder may be assigned and pledged by the dormitory authority of the
4 state of New York and/or the urban development corporation as security
5 for any related payment obligation it may have with one or more finan-
6 cial institutions in connection with a line of credit facility author-
7 ized by paragraph (c) of this subdivision.

8 (i) In addition to the foregoing, the director of the budget, the
9 dormitory authority of the state of New York and the urban development
10 corporation shall each be authorized to enter into such other agreements
11 and to take or cause to be taken such additional actions as are neces-
12 sary or desirable to effectuate the purposes of the transactions contem-
13 plated by a line of credit facility and the related service contract or
14 other agreement, subject to the limitations and restrictions set forth
15 in this subdivision.

16 (j) No later than seven days after a draw occurs on a line of credit
17 facility, the director of the budget shall provide notification of such
18 draw to the president pro tempore of the senate and the speaker of the
19 assembly.

20 2. Effect of inconsistent provisions. Insofar as the provisions of
21 this section are inconsistent with the provisions of any other law,
22 general, special, or local, the provisions of this act shall be control-
23 ling.

24 3. Severability; construction. The provisions of this section shall be
25 severable, and if the application of any clause, sentence, paragraph,
26 subdivision, section or part of this section to any person or circum-
27 stance shall be adjudged by any court of competent jurisdiction to be
28 invalid, such judgment shall not necessarily affect, impair or invali-
29 date the application of any such clause, sentence, paragraph, subdivi-
30 sion, section, part of this section or remainder thereof, as the case
31 may be, to any other person or circumstance, but shall be confined in
32 its operation to the clause, sentence, paragraph, subdivision, section
33 or part thereof directly involved in the controversy in which such judg-
34 ment shall have been rendered.

35 § 56. Section 1 of chapter 174 of the laws of 1968, constituting the
36 New York state urban development corporation act, is amended by adding a
37 new section 58 to read as follows:

38 § 58. Gateway project. 1. Findings and declaration of need. The state
39 of New York finds and determines that providing funding for the passen-
40 ger rail transportation project commonly known as the gateway project,
41 is needed to preserve and improve the functionality and strengthen the
42 resiliency of long-distance and commuter rail infrastructure between the
43 state of New York and the state of New Jersey.

44 2. Definitions. When used in this section:

45 "Commission" shall mean the gateway development commission, a bi-state
46 commission and a body corporate and politic established by the state of
47 New Jersey and the state of New York, acting in the public interest and
48 exercising essential governmental functions in accordance with the Gate-
49 way development commission act, and any successor thereto.

50 "Federal transportation loan" shall mean one or more loans made to the
51 commission to finance the Hudson tunnel project under or pursuant to any
52 U.S. Department of Transportation program or act, including but not
53 limited to the Railroad Rehabilitation & Improvement Financing Program
54 or the Transportation Infrastructure Finance and Innovation Act, which
55 loan or loans are related to the state capital commitment.

1 "Gateway development commission act" shall mean chapter 108 of the
2 laws of New York, 2019, as amended.

3 "Gateway project" shall mean the Hudson tunnel project.

4 "Hudson tunnel project" shall mean the project consisting of
5 construction of a tunnel connecting the states of New York and New
6 Jersey and the completion of certain ancillary facilities including
7 construction of concrete casing at Hudson Yards in Manhattan, New York
8 and the rehabilitation of the existing North River Tunnels.

9 "State capital commitment" shall mean an aggregate principal amount
10 not to exceed \$2,350,000,000, plus any interest costs, including capi-
11 talized interest, and related expenses and fees payable by the state of
12 New York to the commission under one or more service contracts or other
13 agreements pursuant to this section, as well as any expenses of the
14 state incurred in connection therewith.

15 "Related expenses and fees" shall mean commitment fees and other
16 ancillary costs, expenses and fees incurred, and to become due and paya-
17 ble, by the commission in connection with the Federal transportation
18 loan.

19 3. Notwithstanding any other provision of law to the contrary, in
20 order to provide for the payment for the state capital commitment, the
21 director of the budget is hereby authorized to enter into one or more
22 service contracts or other agreements with the commission, none of which
23 shall exceed the maximum duration of the Federal transportation loan,
24 upon such terms and conditions as the director of the budget and commis-
25 sion agree, so as to provide to the commission, for each state fiscal
26 year, a sum not to exceed the amount required for the payment of the
27 state capital commitment for such fiscal year. Any such service contract
28 or other agreement shall provide that the obligation of the state to pay
29 the amount therein provided shall not constitute a debt of the state
30 within the meaning of any constitutional or statutory provision and
31 shall be deemed executory only to the extent of monies available, that
32 no liability shall be incurred by the state beyond the monies available
33 for such purpose, and that such obligation is subject to annual appro-
34 priation by the legislature. Any such service contract or other agree-
35 ment and any payments made or to be made thereunder may be assigned and
36 pledged by the commission as security for the repayment by the commis-
37 sion of the Federal transportation loan.

38 4. The director of the budget is also authorized to enter into such
39 other agreements and to take or cause to be taken such additional
40 actions as are necessary or desirable to effectuate the purposes of the
41 transactions contemplated by the state capital commitment provided for
42 herein and the service contract or other agreement authorized by subdi-
43 vision 3 of this section.

44 § 57. Subdivisions 4 and 5 of section 16 of part T of chapter 57 of
45 the laws of 2007, relating to providing for the administration of
46 certain funds and accounts related to the 2007-2008 budget, are
47 REPEALED.

48 § 58. Notwithstanding any law to the contrary, the comptroller is
49 hereby authorized and directed to transfer, upon request of the director
50 of the budget, on or before March 31, 2023, the following amounts from
51 the following special revenue accounts or enterprise funds to the gener-
52 al fund, for the purposes of offsetting principal and interest costs,
53 incurred by the state pursuant to section fifty-nine of this act,
54 provided that the annual amount of the transfer shall be no more than
55 the principal and interest that would have otherwise been due to the
56 power authority of the state of New York, from any state agency, in a

1 given state fiscal year. Amounts pertaining to special revenue accounts
2 assigned to the state university of New York shall be considered inter-
3 changeable between the designated special revenue accounts as to meet
4 the requirements of this section and section fifty-nine of this act:

5 1. \$7,000,000 from the miscellaneous special revenue fund, state
6 university general income reimbursable account (22653).

10 operating fund (60851).

11 § 59. Section 1 of chapter 174 of the laws of 1968, constituting the
12 New York state urban development corporation act, is amended by adding a
13 new section 59 to read as follows:

14 § 59. The dormitory authority of the state of New York, the New York
15 state urban development corporation, and the New York state thruway
16 authority are hereby authorized to issue bonds in one or more series
17 under either article 5-C or article 5-F of the state finance law for the
18 purpose of refunding obligations of the power authority of the state of
19 New York to fund energy efficiency projects at state agencies including,
20 but not limited to, the state university of New York, city university of
21 New York, the New York state office of general services, New York state
22 office of mental health, state education department, and New York state
23 department of agriculture and markets. The aggregate principal amount
24 of bonds authorized to be issued pursuant to this section shall not
25 exceed two hundred million dollars (\$200,000,000), excluding bonds
26 issued to pay costs of issuance of such bonds and to refund or otherwise
27 repay such bonds. Such bonds issued by the dormitory authority of the
28 state of New York, the New York state urban development corporation, and
29 New York state thruway authority shall not be a debt of the state, and
30 the state shall not be liable thereon, nor shall they be payable out of
31 any funds other than those appropriated by the state under article 5-C
32 or article 5-F of the state finance law, as applicable.

33 § 60. This act shall take effect immediately and shall be deemed to
34 have been in full force and effect on and after April 1, 2022; provided,
35 however, that the provisions of sections one, one-a, two, three, four,
36 five, six, seven, eight, thirteen, fourteen, fifteen, sixteen, seven-
37 teen, eighteen, nineteen, twenty, twenty-two, and twenty-three of this
38 act shall expire March 31, 2023 when upon such date the provisions of
39 such sections shall be deemed repealed; provided, further, that the
40 amendments to section 89-h of the state finance law made by section
41 twenty-eight of this act shall not affect the repeal of such section and
42 shall be deemed repealed therewith; and provided, further, that section
43 twenty-eight-a of this act shall expire March 31, 2027.

44 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
45 sion, section or part of this act shall be adjudged by any court of
46 competent jurisdiction to be invalid, such judgment shall not affect,
47 impair, or invalidate the remainder thereof, but shall be confined in
48 its operation to the clause, sentence, paragraph, subdivision, section
49 or part thereof directly involved in the controversy in which such judg-
50 ment shall have been rendered. It is hereby declared to be the intent of
51 the legislature that this act would have been enacted even if such
52 invalid provisions had not been included herein.

53 § 3. This act shall take effect immediately provided, however, that
54 the applicable effective date of Parts A through FFF of this act shall
55 be as specifically set forth in the last section of such Parts.
