25 (f) A taxpayer claiming the credit allowed under this section shall

27 except the credit allowed under section forty-two-a of this article,
28 with respect to any eligible farm employee included in the total number
29 of eligible farm employees used to determine the amount of the credit
30 allowed under this section.

31 § 2. The tax law is amended by adding a new section 42-a to read as
32 follows:

33 § 42-a. Farm employer overtime credit. (a) Notwithstanding subdivision
34 (f) of section forty-two of this article, a taxpayer that is a farm
35 employer or an owner of a farm employer shall be eligible for a credit
36 against the tax imposed under article nine-A or twenty-two of this chap-
37 ter, pursuant to the provisions referenced in subdivision (h) of this
38 section.

39 (b) A farm employer is a corporation (including a New York S corpo-
40 ration), a sole proprietorship, a limited liability company or a part-
41 nership that is an eligible farmer.

42 (c) For purposes of this section, the term "eligible farmer" means a
43 taxpayer whose federal gross income from farming as defined in
44 subsection (n) of section six hundred six of this chapter for the taxa-
45 ble year is at least two-thirds of excess federal gross income. Excess
46 federal gross income means the amount of federal gross income from all
47 sources for the taxable year in excess of thirty thousand dollars. For
48 purposes of this section, payments from the state's farmland protection
49 program, administered by the department of agriculture and markets,
50 shall be included as federal gross income from farming for otherwise
51 eligible farmers.

52 (d) An eligible farm employee is an individual who meets the defi-
53 nition of a "farm laborer" under section two of the labor law who is

1 employed by a farm employer in New York state, but excluding general
2 executive officers of the farm employer.

3 (e) Eligible overtime is the aggregate number of hours of work
4 performed during the taxable year by an eligible farm employee that in
5 any calendar week exceeds the overtime work threshold set by the commis-
6 sioner of labor pursuant to the recommendation of the farm laborers wage
7 board, provided that work performed in such calendar week in excess of
8 sixty hours shall not be included.

9 (f) Special rules. If more than fifty percent of such eligible farm-
10 er's federal gross income from farming is from the sale of wine from a
11 licensed farm winery as provided for in article six of the alcoholic
12 beverage control law, or from the sale of cider from a licensed farm
13 cidery as provided for in section fifty-eight-c of the alcoholic bever-
14 age control law, then an eligible farm employee of such eligible farmer
15 shall be included for purposes of calculating the amount of credit
16 allowed under this section only if such eligible farm employee is
17 employed by such eligible farmer on qualified agricultural property as
18 defined in paragraph four of subsection (n) of section six hundred six
19 of this chapter.

22 ee, as follows. The amount of the credit allowed per eligible farm
23 employee shall be equal to the product of (i) the eligible overtime
24 worked during the taxable year by the eligible farm employee and (ii)
25 the overtime rate paid by the farm employer to the eligible farm employ-
26 ee less such employee's regular rate of pay.

27 (h) Cross references: For application of the credit provided in this
28 section, see the following provisions of this chapter:

35 forty-two-a of this chapter, against the tax imposed by this article.

36 (b) Application of credit. The credit allowed under this subdivision
37 for any taxable year shall not reduce the tax due for such year to less
38 than the amount prescribed in paragraph (d) of subdivision one of
39 section two hundred ten of this article. However, if the amount of cred-
40 it allowed under this subdivision for any taxable year reduces the tax
41 to such amount or if the taxpayer otherwise pays tax based on the fixed
42 dollar minimum amount, any amount of credit thus not deductible in such
43 taxable year shall be treated as an overpayment of tax to be credited or
44 refunded in accordance with the provisions of section one thousand
45 eighty-six of this chapter. Provided, however, the provisions of
46 subsection (c) of section one thousand eighty-eight of this chapter
47 notwithstanding, no interest shall be paid thereon.

48 § 4. Subparagraph (B) of paragraph 1 of subsection (i) of section 606
49 of the tax law is amended by adding a new clause (xlix) to read as
50 follows:

55 (nnn) to read as follows:

(nnn) Farm employer overtime credit. (1) A taxpayer shall be allowed a credit, to be computed as provided in section forty-two-a of this chapter, against the tax imposed by this article.

(2) Application of credit. If the amount of credit allowed under this subsection for any taxable year exceeds the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provision of section six hundred eighty-six of this article, provided, however, that no interest shall be paid thereon.

§ 6. This act shall take effect immediately and shall apply to taxable years beginning on or after January 1, 2022.

§ 2. This act shall take effect immediately provided, however, that the applicable effective date of Subparts A through C of this act shall be as specifically set forth in the last section of such Subparts.

6 subsection (c) of section one thousand eighty-eight of this chapter
7 notwithstanding, no interest will be paid thereon.

53 before July first, two thousand twenty-three. The credit cannot exceed
54 five hundred thousand dollars per municipality.

(2) A taxpayer that is a partner in a partnership, member of a limited liability company or shareholder in a subchapter S corporation shall be allowed its pro rata share of the credit earned by the partnership, limited liability company or subchapter S corporation that meets the eligibility criteria described in subdivision (b) of this section to claim a grade no. 6 heating oil conversion tax credit. (4) Municipality, for purposes of this section, means a city or town.

(d) The commissioner, in consultation with the New York state energy research and development authority, will develop an application process to certify the expenses necessary for the conversion and a taxpayer will not be eligible to claim the credit unless it has completed that application process and the application has been approved by the New York state energy research and development authority.

9 aggregate amount of tax credits allowed for such year under this para-
10 graph, such excess shall be treated as having been applied for on the
11 first day of the next year. If the total amount of allocated tax credits
12 applied for under this paragraph at the conclusion of any year is less
13 than five million dollars, the remainder shall be treated as part of the
14 annual allocation made available to the program pursuant to paragraph

37 twenty through two thousand [~~twenty-six~~] twenty-nine. This amount shall
38 be allocated by the governor's office for motion picture and television
39 development among taxpayers in accordance with subdivision (a) of this
40 section. If the commissioner of economic development determines that the

42 empire state film production tax credit have been previously allocated,
43 and determines that the pending applications from eligible applicants
44 for the empire state film post production tax credit pursuant to section

47 pool, the remainder, after such pending applications are considered,
48 shall be made available for allocation in the empire state film tax
49 credit pursuant to this section, subdivision twenty of section two

55 eligible applicants for the empire state film production tax credit
56 pursuant to this section is insufficient to utilize the balance of unal-

The governor's office for motion picture and television development must notify taxpayers of their allocation year and include the allocation year on the certificate of tax credit. Taxpayers eligible to claim a credit must report the allocation year directly on their empire state film production credit tax form for each year a credit is claimed and include a copy of the certificate with their tax return. In the case of a qualified film that receives funds from additional pool 2, no empire state film production credit shall be claimed before the later of the taxable year the production of the qualified film is complete, or the taxable year immediately following the allocation year for which the film has been allocated credit by the governor's office for motion picture and television development.

This amount shall be allocated by the governor's office for motion picture and television development among taxpayers in accordance with subdivision (a) of this section. If the commissioner of economic development determines that the aggregate amount of tax credits available from additional pool 2 for the empire state film production tax credit have been previously allocated, and determines that the pending applications from eligible applicants for the empire state film post production tax credit pursuant to section thirty-one of this article is insufficient to utilize the balance of unallocated empire state film post production tax credits from such pool, the remainder, after such pending applications are considered, shall be made available for allocation in the empire state film tax credit pursuant to this section, subdivision twenty of section two hundred ten-B and subsection (gg) of section six hundred six of this chapter. Also, if the commissioner of economic development determines that the aggregate amount of tax credits available from additional pool 2 for the empire state film post production tax credit have been previously allocated, and determines that the pending applications from eligible applicants for the empire state film production tax credit pursuant to this section is insufficient to utilize the balance of unallocated film production tax credits from such pool, then all or part of the remainder, after such pending applications are considered, shall be made available for allocation for the empire state film post production credit pursuant to this section, subdivision thirty-two of section two hundred ten-B and subsection (qq) of section six hundred six of this chapter. The governor's office for motion picture and television devel-

20 promulgated by the commissioner of economic development to implement
21 this credit program. Provided, however, for certificates of tax credit
22 issued on or after January first, two thousand twenty-three, the amount
23 of credit shall be reduced by one-half of one percent allowed to the
24 taxpayer.

25 § 6. Paragraph 6 of subdivision (a) of section 31 of the tax law, as

~~(C) the commissioner may treat such an election as timely made for such taxable year (and paragraph three of this subsection shall not apply).~~

~~(6) Years for which effective. An election under subsection (a) of this section shall be effective for the taxable year of the corporation for which it is made and for all succeeding taxable years of the corporation until such election is terminated under subsection (c) of this section.~~

~~(c)] Termination. An [election under] eligible S corporation shall cease to be subject to subsection (a) of this section [shall cease to be effective~~

~~(1)] on the day an election to be an S corporation ceases to be effective for federal income tax purposes pursuant to subsection (d) of section thirteen hundred sixty-two of the internal revenue code[, or~~

~~(2) if shareholders holding more than one-half of the shares of stock of the corporation on the day on which the revocation is made revoke such election in the manner the tax commission may prescribe by regulation,~~

[~~(d)~~] (c) New York S termination year. In the case of a New York S termination year, the amount of any item of S corporation income, loss and deduction and reductions for taxes (as described in paragraphs two and three of subsection (f) of section thirteen hundred sixty-six of the internal revenue code) required to be taken account of under this article shall be adjusted in the same manner that the S corporation's items which are included in the shareholder's federal adjusted gross income are adjusted under subsection (s) of section six hundred twelve.

~~[(e) Inadvertent invalid elections. If (1) an election under subsection (a) of this section was not effective for the taxable year for which made (determined without regard to paragraph two of subsection (b) of this section) by reason of a failure to obtain shareholder consents,~~

~~(3) no later than a reasonable period of time after discovery of the circumstances resulting in such ineffectiveness, steps were taken to acquire the required shareholder consents, and~~

~~(4) the corporation, and each person who was a shareholder in the corporation at any time during the period specified pursuant to this subsection, agrees to make such adjustments (consistent with the treatment of the corporation as a New York S corporation) as may be required by the commissioner with respect to such period,~~

~~(5) then, notwithstanding the circumstances resulting in such ineffectiveness, such corporation shall be treated as a New York S corporation during the period specified by the commissioner.~~

~~(f)]~~ (d) Qualified subchapter S subsidiaries. If an S corporation has elected to treat its wholly owned subsidiary as a qualified subchapter S subsidiary for federal income tax purposes under paragraph three of subsection (b) of section thirteen hundred sixty-one of the internal revenue code, such election shall be applicable for New York state tax purposes and

(1) the assets, liabilities, income, deductions, property, payroll, receipts, capital, credits, and all other tax attributes and elements of economic activity of the subsidiary shall be deemed to be those of the parent corporation,

(2) transactions between the parent corporation and the subsidiary, including the payment of interest and dividends, shall not be taken into account, and

(3) general executive officers of the subsidiary shall be deemed to be general executive officers of the parent corporation.

(e) Validated federal elections. If [(1) an election under subsection (a) of this section was made for a taxable year or years of a corporation, which years occur with or within the period for which] the federal S election of [such] an eligible S corporation has been validated pursuant to the provisions of subsection (f) of section thirteen hundred sixty-two of the internal revenue code, [and

~~(2) the corporation, and each person who was a shareholder in the corporation at any time during such taxable year or years agrees to make such adjustments (consistent with the treatment of the corporation as a New York S corporation) as may be required by the commissioner with respect to such year or years,~~

~~(3) then~~] such corporation shall be treated as ~~[a New York]~~ an eligible S corporation subject to subsection (a) of this section during ~~[such]~~ the year or years for which such election has been validated.

~~[(g) Transitional rule. Any election made under this section (as in effect for taxable years beginning before January first, nineteen hundred eighty three) shall be treated as an election made under subsection (a) of this section.~~

~~(h) Cross reference. For definitions relating to S corporations, see subdivision one-A of section two hundred eight of this chapter.~~

~~(i) Mandated New York S corporation election. (1) Notwithstanding the provisions in subsection (a) of this section, in the case of an eligible S corporation for which the election under subsection (a) of this section is not in effect for the current taxable year, the shareholders of an eligible S corporation are deemed to have made that election effective for the eligible S corporation's entire current taxable year, if the eligible S corporation's investment income for the current taxable year is more than fifty percent of its federal gross income for such year. In determining whether an eligible S corporation is deemed to have made that election, the income of a qualified subchapter S subsidiary owned directly or indirectly by the eligible S corporation shall be included with the income of the eligible S corporation.~~

~~(2) For the purposes of this subsection, the term "eligible S corporation" has the same definition as in subsection (a) of this section.~~

~~(3) For the purposes of this subsection, the term "investment income" means the sum of an eligible S corporation's gross income from interest, dividends, royalties, annuities, rents and gains derived from dealings in property, including the corporation's share of such items from a partnership, estate or trust, to the extent such items would be includable in federal gross income for the taxable year.~~

~~(4) Estimated tax payments. When making estimated tax payments required to be made under this chapter in the current tax year, the eligible S corporation and its shareholders may rely on the eligible S corporation's filing status for the prior year. If the eligible S corporation's filing status changes from the prior tax year the corporation or the shareholders, as the case may be, which made the payments shall be entitled to a refund of such estimated tax payments. No additions to tax with respect to any required declarations or payments of estimated tax imposed under this chapter shall be imposed on the corporation or shareholders, whichever is the taxpayer for the current taxable year, if the corporation or the shareholders file such declarations and make such estimated tax payments by January fifteenth of the following calendar year, regardless of whether the taxpayer's tax year is a calendar or a fiscal year.]~~

§ 19. Transition rules. Any prior net operating loss conversion subtraction and net operating loss carryforward that otherwise would have been allowed under subparagraphs (viii) and (ix), respectively, of paragraph (a) of subdivision 1 of section 210 of the tax law for the taxable years beginning on or after January 1, 2023 to any taxpayer that was a New York C corporation for a taxable year beginning on or after January 1, 2022 and before January 1, 2023, and that becomes a New York S corporation for a taxable year beginning on or after January 1, 2023 as a result of the amendments made by this act, shall be held in abeyance and be available to such taxpayer if its election to be a federal S corporation is terminated. Further, any credit carryforwards allowed to such a taxpayer under section 210-B of the tax law shall be held in abeyance and be available to such taxpayer if its election to be a

1 federal S corporation is terminated. However, the taxpayer's years as a
2 New York S corporation shall be counted for purposes of computing any
3 time period applicable to the allowance of the prior net operating loss
4 conversion subtraction or carryforward, the net operating loss
5 deduction, or any credit carryforward.

6 § 20. This act shall take effect immediately and shall apply to taxa-
7 ble years beginning on or after January 1, 2023.

8 PART S

9 Section 1. Subparagraph (i) of paragraph (b) of subdivision 1 of
10 section 210-B of the tax law, as amended by section 2 of part P of chap-
11 ter 59 of the laws of 2017, is amended to read as follows:

12 (i) A credit shall be allowed under this subdivision with respect to
13 tangible personal property and other tangible property, including build-
14 ings and structural components of buildings, which are: depreciable
15 pursuant to section one hundred sixty-seven of the internal revenue
16 code, have a useful life of four years or more, are acquired by purchase
17 as defined in section one hundred seventy-nine (d) of the internal
18 revenue code, have a situs in this state and are (A) principally used by
19 the taxpayer in the production of goods by manufacturing, processing,
20 assembling, refining, mining, extracting, farming, agriculture, horti-
21 culture, floriculture, viticulture or commercial fishing, (B) industrial
22 waste treatment facilities or air pollution control facilities, used in
23 the taxpayer's trade or business, (C) research and development property,
24 or (D) principally used in the ordinary course of the taxpayer's trade
25 or business as a broker or dealer in connection with the purchase or
26 sale (which shall include but not be limited to the issuance, entering
27 into, assumption, offset, assignment, termination, or transfer) of
28 stocks, bonds or other securities as defined in section four hundred
29 seventy-five (c)(2) of the Internal Revenue Code, or of commodities as
30 defined in section four hundred seventy-five (e) of the Internal Revenue
31 Code, (E) principally used in the ordinary course of the taxpayer's
32 trade or business of providing investment advisory services for a regu-
33 lated investment company as defined in section eight hundred fifty-one
34 of the Internal Revenue Code, or lending, loan arrangement or loan orig-
35 ination services to customers in connection with the purchase or sale
36 (which shall include but not be limited to the issuance, entering into,
37 assumption, offset, assignment, termination, or transfer) of securities
38 as defined in section four hundred seventy-five (c)(2) of the Internal
39 Revenue Code, (F) principally used in the ordinary course of the taxpay-
40 er's business as an exchange registered as a national securities
41 exchange within the meaning of sections 3(a)(1) and 6(a) of the Securi-
42 ties Exchange Act of 1934 or a board of trade as defined in subparagraph
43 one of paragraph (a) of section fourteen hundred ten of the not-for-pro-
44 fit corporation law or as an entity that is wholly owned by one or more
45 such national securities exchanges or boards of trade and that provides
46 automation or technical services thereto, or (G) principally used as a
47 qualified film production facility including qualified film production
48 facilities having a situs in an empire zone designated as such pursuant
49 to article eighteen-B of the general municipal law, where the taxpayer
50 is providing three or more services to any qualified film production
51 company using the facility, including such services as a studio lighting
52 grid, lighting and grip equipment, multi-line phone service, broadband
53 information technology access, industrial scale electrical capacity,
54 food services, security services, and heating, ventilation and air

1 conditioning. For purposes of clauses (D), (E) and (F) of this subpara-
2 graph, property purchased by a taxpayer affiliated with a regulated
3 broker, dealer, registered investment advisor, national securities
4 exchange or board of trade, is allowed a credit under this subdivision
5 if the property is used by its affiliated regulated broker, dealer,
6 registered investment advisor, national securities exchange or board of
7 trade in accordance with this subdivision. For purposes of determining
8 if the property is principally used in qualifying uses, the uses by the
9 taxpayer described in clauses (D) and (E) of this subparagraph may be
10 aggregated. In addition, the uses by the taxpayer, its affiliated regu-
11 lated broker, dealer and registered investment advisor under either or
12 both of those clauses may be aggregated. Provided, however, a taxpayer
13 shall not be allowed the credit provided by clauses (D), (E) and (F) of
14 this subparagraph unless the property is first placed in service before
15 October first, two thousand fifteen and (i) eighty percent or more of
16 the employees performing the administrative and support functions
17 resulting from or related to the qualifying uses of such equipment are
18 located in this state or (ii) the average number of employees that
19 perform the administrative and support functions resulting from or
20 related to the qualifying uses of such equipment and are located in this
21 state during the taxable year for which the credit is claimed is equal
22 to or greater than ninety-five percent of the average number of employ-
23 ees that perform these functions and are located in this state during
24 the thirty-six months immediately preceding the year for which the cred-
25 it is claimed, or (iii) the number of employees located in this state
26 during the taxable year for which the credit is claimed is equal to or
27 greater than ninety percent of the number of employees located in this
28 state on December thirty-first, nineteen hundred ninety-eight or, if the
29 taxpayer was not a calendar year taxpayer in nineteen hundred ninety-
30 eight, the last day of its first taxable year ending after December
31 thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes
32 subject to tax in this state after the taxable year beginning in nine-
33 teen hundred ninety-eight, then the taxpayer is not required to satisfy
34 the employment test provided in the preceding sentence of this subpara-
35 graph for its first taxable year. For purposes of clause (iii) of this
36 subparagraph the employment test will be based on the number of employ-
37 ees located in this state on the last day of the first taxable year the
38 taxpayer is subject to tax in this state. If the uses of the property
39 must be aggregated to determine whether the property is principally used
40 in qualifying uses, then either each affiliate using the property must
41 satisfy this employment test or this employment test must be satisfied
42 through the aggregation of the employees of the taxpayer, its affiliated
43 regulated broker, dealer, and registered investment adviser using the
44 property. For purposes of clause (A) of this subparagraph, tangible
45 personal property and other tangible property shall not include property
46 principally used by the taxpayer (I) in the production or distribution
47 of electricity, natural gas after extraction from wells, steam, or water
48 delivered through pipes and mains, or (II) in the creation, production
49 or reproduction, in any medium, of any audio or visual recording,
50 including but not limited to films, television shows, commercials, and
51 musical recordings, or in the duplication, for purposes of broadcast in
52 any medium, of a master of any audio or visual recording, including but
53 not limited to films, television shows, commercials, and musical
54 recordings.

1 § 2. Subparagraph (A) of paragraph 2 of subsection (a) of section 606
2 of the tax law, as amended by section 3 of part P of chapter 59 of the
3 laws of 2017, is amended to read as follows:

4 (A) A credit shall be allowed under this subsection with respect to
5 tangible personal property and other tangible property, including build-
6 ings and structural components of buildings, which are: depreciable
7 pursuant to section one hundred sixty-seven of the internal revenue
8 code, have a useful life of four years or more, are acquired by purchase
9 as defined in section one hundred seventy-nine (d) of the internal
10 revenue code, have a situs in this state and are (i) principally used by
11 the taxpayer in the production of goods by manufacturing, processing,
12 assembling, refining, mining, extracting, farming, agriculture, horti-
13 culture, floriculture, viticulture or commercial fishing, (ii) indus-
14 trial waste treatment facilities or air pollution control facilities,
15 used in the taxpayer's trade or business, (iii) research and development
16 property, (iv) principally used in the ordinary course of the taxpayer's
17 trade or business as a broker or dealer in connection with the purchase
18 or sale (which shall include but not be limited to the issuance, enter-
19 ing into, assumption, offset, assignment, termination, or transfer) of
20 stocks, bonds or other securities as defined in section four hundred
21 seventy-five (c)(2) of the Internal Revenue Code, or of commodities as
22 defined in section 475(e) of the Internal Revenue Code, (v) principally
23 used in the ordinary course of the taxpayer's trade or business of
24 providing investment advisory services for a regulated investment compa-
25 ny as defined in section eight hundred fifty-one of the Internal Revenue
26 Code, or lending, loan arrangement or loan origination services to
27 customers in connection with the purchase or sale (which shall include
28 but not be limited to the issuance, entering into, assumption, offset,
29 assignment, termination, or transfer) of securities as defined in
30 section four hundred seventy-five (c)(2) of the Internal Revenue Code,
31 or (vi) principally used as a qualified film production facility includ-
32 ing qualified film production facilities having a situs in an empire
33 zone designated as such pursuant to article eighteen-B of the general
34 municipal law, where the taxpayer is providing three or more services to
35 any qualified film production company using the facility, including such
36 services as a studio lighting grid, lighting and grip equipment, multi-
37 line phone service, broadband information technology access, industrial
38 scale electrical capacity, food services, security services, and heat-
39 ing, ventilation and air conditioning. For purposes of clauses (iv) and
40 (v) of this subparagraph, property purchased by a taxpayer affiliated
41 with a regulated broker, dealer, or registered investment adviser is
42 allowed a credit under this subsection if the property is used by its
43 affiliated regulated broker, dealer or registered investment adviser in
44 accordance with this subsection. For purposes of determining if the
45 property is principally used in qualifying uses, the uses by the taxpay-
46 er described in clauses (iv) and (v) of this subparagraph may be aggre-
47 gated. In addition, the uses by the taxpayer, its affiliated regulated
48 broker, dealer and registered investment adviser under either or both of
49 those clauses may be aggregated. Provided, however, a taxpayer shall not
50 be allowed the credit provided by clauses (iv) and (v) of this subpara-
51 graph unless (I) eighty percent or more of the employees performing the
52 administrative and support functions resulting from or related to the
53 qualifying uses of such equipment are located in this state, or (II) the
54 average number of employees that perform the administrative and support
55 functions resulting from or related to the qualifying uses of such
56 equipment and are located in this state during the taxable year for

1 which the credit is claimed is equal to or greater than ninety-five
2 percent of the average number of employees that perform these functions
3 and are located in this state during the thirty-six months immediately
4 preceding the year for which the credit is claimed, or (III) the number
5 of employees located in this state during the taxable year for which the
6 credit is claimed is equal to or greater than ninety percent of the
7 number of employees located in this state on December thirty-first,
8 nineteen hundred ninety-eight or, if the taxpayer was not a calendar
9 year taxpayer in nineteen hundred ninety-eight, the last day of its
10 first taxable year ending after December thirty-first, nineteen hundred
11 ninety-eight. If the taxpayer becomes subject to tax in this state after
12 the taxable year beginning in nineteen hundred ninety-eight, then the
13 taxpayer is not required to satisfy the employment test provided in the
14 preceding sentence of this subparagraph for its first taxable year. For
15 the purposes of clause (III) of this subparagraph the employment test
16 will be based on the number of employees located in this state on the
17 last day of the first taxable year the taxpayer is subject to tax in
18 this state. If the uses of the property must be aggregated to determine
19 whether the property is principally used in qualifying uses, then either
20 each affiliate using the property must satisfy this employment test or
21 this employment test must be satisfied through the aggregation of the
22 employees of the taxpayer, its affiliated regulated broker, dealer, and
23 registered investment adviser using the property. For purposes of clause
24 (i) of this subparagraph, tangible personal property and other tangible
25 property shall not include property principally used by the taxpayer (a)
26 in the production or distribution of electricity, natural gas after
27 extraction from wells, steam, or water delivered through pipes and
28 mains, or (b) in the creation, production or reproduction, in any medi-
29 um, of any audio or visual recording, including but not limited to
30 films, television shows, commercials, and musical recordings, or in the
31 duplication, for purposes of broadcast in any medium, of a master of any
32 audio or visual recording, including but not limited to films, tele-
33 vision shows, commercials, and musical recordings.

34 § 3. This act shall take effect immediately, and shall apply to prop-
35 erty placed in service on or after January 1, 2023.

36 PART T

§ 4. Section 301-c of the tax law is amended by adding a new subdivision (q) to read as follows:

(q) Reimbursement for tugboats and towboats. A use by a tugboat or towboat of motor fuel, diesel motor fuel, or residual petroleum product. This reimbursement may be claimed only where (1) any tax imposed pursuant to this article has been paid with respect to such gallonage and the entire amount of such tax has been absorbed by such purchaser, and (2) such tugboat or towboat possesses documentary proof satisfactory to the commissioner evidencing the absorption by it of the entire amount of such tax. Provided, that the commissioner shall require such documentary proof to qualify for any reimbursement provided hereunder as the commissioner deems appropriate.

§ 5. This act shall take effect September 1, 2022, and shall apply to uses of motor fuel, diesel motor fuel and residual petroleum product on and after such date; provided however that the amendments to the opening paragraph of section 301-c of the tax law made by section two of this act shall be subject to the expiration and reversion of such paragraph pursuant to section 19 of part W-1 of chapter 109 of the laws of 2006, as amended, when upon such date the provisions of section three of this act shall take effect.

PART V

Section 1. Subdivision (c) of section 1101 of the tax law, as added by chapter 93 of the laws of 1965, paragraphs 2, 3, 4 and 6 as amended by section 2 and paragraph 8 as added by section 3 of part AA of chapter 57 of the laws of 2010, and paragraph 5 as amended by chapter 575 of the laws of 1965, is amended to read as follows:

(c) When used in this article for the purposes of the tax imposed under subdivision (e) of section eleven hundred five of this article, the following terms shall mean:

(1) Hotel. A building or portion of it which is regularly used and kept open as such for the lodging of guests. The term "hotel" includes an apartment hotel, a motel, boarding house or club, whether or not meals are served.

(2) Occupancy. The use or possession, or the right to the use or possession, of any room in a hotel or vacation rental. "Right to the

1 use or possession" includes the rights of a room remarketer as described
2 in paragraph eight of this subdivision.

3 (3) Occupant. A person who, for a consideration, uses, possesses, or
4 has the right to use or possess, any room in a hotel or vacation rental
5 under any lease, concession, permit, right of access, license to use or
6 other agreement, or otherwise. "Right to use or possess" includes the
7 rights of a room remarketer as described in paragraph eight of this
8 subdivision.

9 (4) Operator. Any person operating a hotel or vacation rental. Such
10 term shall include a room remarketer and such room remarketer shall be
11 deemed to operate a hotel, or portion thereof, with respect to which
12 such person has the rights of a room remarketer.

13 (5) Permanent resident. Any occupant of any room or rooms in a hotel
14 or vacation rental for at least ninety consecutive days shall be consid-
15 ered a permanent resident with regard to the period of such occupancy.

16 (6) Rent. The consideration received for occupancy, including any
17 service or other charge or amount required to be paid as a condition for
18 occupancy, valued in money, whether received in money or otherwise and
19 whether received by the operator or a room remarketer or another person
20 on behalf of either of them.

21 (7) Room. Any room or rooms of any kind in any part or portion of a
22 hotel or vacation rental, which is available for or let out for any
23 purpose other than a place of assembly.

24 (8) Room remarketer. A person who reserves, arranges for, conveys, or
25 furnishes occupancy, whether directly or indirectly, to an occupant for
26 rent in a hotel for an amount determined by the room remarketer, direct-
27 ly or indirectly, whether pursuant to a written or other agreement. Such
28 person's ability or authority to reserve, arrange for, convey, or
29 furnish occupancy, directly or indirectly, and to determine rent there-
30 for, shall be the "rights of a room remarketer". A room remarketer is
31 not a permanent resident with respect to a room for which such person
32 has the rights of a room remarketer.

33 (9) Vacation rental. A building or portion of it that is used for the
34 lodging of guests. The term "vacation rental" includes a house, an
35 apartment, a condominium, a cooperative unit, a cabin, a cottage, or a
36 bungalow, or one or more rooms therein, where sleeping accommodations
37 are provided for the lodging of paying occupants, the typical occupants
38 are transients or travelers, and the relationship between the operator
39 and occupant is not that of a landlord and tenant. It is not necessary
40 that meals are served. A building or portion of a building may qualify
41 as a vacation rental whether or not amenities, including but not limited
42 to daily housekeeping services, concierge services, or linen services,
43 are provided.

44 (10) (i) Vacation rental marketplace provider. A person who, pursuant
45 to an agreement with an operator, facilitates the occupancy of a vaca-
46 tion rental by such operator or operators. A person "facilitates the
47 occupancy of a vacation rental" for purposes of this paragraph when the
48 person meets both of the following conditions: (A) such person provides
49 the forum in which, or by means of which, the sale of the occupancy
50 takes place or the offer of such sale is accepted, including a shop,
51 store, or booth, an internet website, catalog, or similar forum; and (B)
52 such person or an affiliate of such person collects the rent paid by a
53 customer to an operator for the occupancy of a vacation rental, or
54 contracts with a third party to collect such rent.

55 (ii) For the purposes of this article, the term "vacation rental
56 marketplace provider" shall not include a "room remarketer" as defined

in paragraph eight of this subdivision. For purposes of this paragraph, persons are affiliated if one person has an ownership interest of more than five percent, whether direct or indirect, in another, or where an ownership interest of more than five percent, whether direct or indirect, is held in each of such persons by another person or by a group of other persons that are affiliated persons with respect to each other. The term "vacation rental marketplace provider" shall not include a "real estate broker" as licensed under article twelve-A of the real property law.

§ 2. Subdivision (a) of section 1104 of the tax law, as added by chapter 3 of the laws of 2004, is amended to read as follows:

(a) Imposition. In addition to any other fee or tax imposed by this article or any other law, on and after April first, two thousand five, there is hereby imposed within the territorial limits of a city with a population of a million or more and there shall be paid a unit fee on every occupancy of a unit in a hotel or vacation rental in such city at the rate of one dollar and fifty cents per unit per day, except that such unit fee shall not be imposed upon (1) occupancy by a permanent resident or (2) where the rent per unit is not more than at the rate of two dollars per day.

§ 3. Paragraph 1 of subdivision (e) of section 1105 of the tax law, as amended by section 1 of part Q of chapter 59 of the laws of 2012, is amended to read as follows:

(1) The rent for every occupancy of a room or rooms in a hotel and vacation rental in this state, except that the tax shall not be imposed upon (i) a permanent resident, or (ii) where the rent is not more than at the rate of two dollars per day.

§ 4. Subdivisions 1 and 2 of section 1131 of the tax law, subdivision 1 as amended by section 2 of part G of chapter 59 of the laws of 2019 and subdivision 2 as added by chapter 93 of the laws of 1965, are amended to read as follows:

(1) "Persons required to collect tax" or "person required to collect any tax imposed by this article" shall include: every vendor of tangible personal property or services; every recipient of amusement charges; every operator of a hotel or vacation rental; every vacation rental marketplace provider with respect to the rent for every occupancy of a vacation rental it facilitates as described in paragraph ten of subdivision (c) of section eleven hundred one of this article; and every marketplace provider with respect to sales of tangible personal property it facilitates as described in paragraph one of subdivision (e) of section eleven hundred one of this article. Said terms shall also include any officer, director or employee of a corporation or of a dissolved corporation, any employee of a partnership, any employee or manager of a limited liability company, or any employee of an individual proprietorship who as such officer, director, employee or manager is under a duty to act for such corporation, partnership, limited liability company or individual proprietorship in complying with any requirement of this article, or has so acted; and any member of a partnership or limited liability company. Provided, however, that any person who is a vendor solely by reason of clause (D) or (E) of subparagraph (i) of paragraph ~~(+8)~~ eight of subdivision (b) of section eleven hundred one of this article shall not be a "person required to collect any tax imposed by this article" until twenty days after the date by which such person is required to file a certificate of registration pursuant to section eleven hundred thirty-four of this part. Such terms shall not include an operator of a vacation rental who rents out the operator's

1 own property for three days or fewer in a calendar year and does not use
2 a vacation rental marketplace provider to facilitate such rental.

3 (2) "Customer" shall include: every purchaser of tangible personal
4 property or services; every patron paying or liable for the payment of
5 any amusement charge; and every occupant of a room or rooms in a hotel
6 or vacation rental.

7 § 5. Section 1132 of the tax law is amended by adding a new subdivi-
8 sion (m) to read as follows:

9 (m)(1) A vacation rental marketplace provider with respect to a sale
10 for every occupancy of a vacation rental it facilitates: (A) shall have
11 all the obligations and rights of a vendor under this article and arti-
12 cle twenty-nine of this chapter and under any regulations adopted pursu-
13 ant thereto, including, but not limited to, the duty to obtain a certif-
14 icate of authority, to collect tax, file returns, remit tax, and the
15 right to accept a certificate or other documentation from a customer
16 substantiating an exemption or exclusion from tax, the right to receive
17 the refund authorized by subdivision (e) of this section and the credit
18 allowed by subdivision (f) of section eleven hundred thirty-seven of
19 this part subject to the provisions of such subdivisions; and (B) shall
20 keep such records and information and cooperate with the commissioner to
21 ensure the proper collection and remittance of tax imposed, collected or
22 required to be collected under this article and article twenty-nine of
23 this chapter.

24 (2) An operator is relieved from the duty to collect tax in regard to
25 a particular rent for the occupancy of a vacation rental subject to tax
26 under subdivision (e) of section eleven hundred five of this article and
27 shall not include the rent from such occupancy in its taxable sales for
28 purposes of section eleven hundred thirty-six of this part if, in regard
29 to such occupancy: (A) the operator of the vacation rental can show that
30 such occupancy was facilitated by a vacation rental marketplace provider
31 from whom such operator has received in good faith a properly completed
32 certificate of collection in a form prescribed by the commissioner,
33 certifying that the vacation rental marketplace provider is registered
34 to collect sales tax and will collect sales tax on all taxable sales of
35 occupancy of a vacation rental by the operator facilitated by the vaca-
36 tion rental marketplace provider, and with such other information as the
37 commissioner may prescribe; and (B) any failure of the vacation rental
38 marketplace provider to collect the proper amount of tax in regard to
39 such sale was not the result of such operator providing the vacation
40 rental marketplace provider with incorrect information. This provision
41 shall be administered in a manner consistent with subparagraph (i) of
42 paragraph one of subdivision (c) of this section as if a certificate of
43 collection were a resale or exemption certificate for purposes of such
44 subparagraph, including with regard to the completeness of such certif-
45 icate of collection and the timing of its acceptance by the operator.
46 Provided that, with regard to any sales of occupancy of a vacation
47 rental by an operator that are facilitated by a vacation rental market-
48 place provider who is affiliated with such operator within the meaning
49 of paragraph ten of subdivision (c) of section eleven hundred one of
50 this article, the operator shall be deemed liable as a person under a
51 duty to act for such vacation rental marketplace provider for purposes
52 of subdivision one of section eleven hundred thirty-one of this part.

53 (3) The commissioner may, at his or her discretion: (A) develop a
54 standard provision, or approve a provision developed by a vacation
55 rental marketplace provider, in which the vacation rental marketplace
56 provider obligates itself to collect the tax on behalf of all operators

1 for whom the vacation rental marketplace provider facilitates sales of
2 occupancy of a vacation rental, with respect to all sales that it facil-
3 itates for such operators where the rental occurs in the state; and (B)
4 provide by regulation or otherwise that the inclusion of such provision
5 in the publicly-available agreement between the vacation rental market-
6 place provider and operator will have the same effect as an operator's
7 acceptance of a certificate of collection from such vacation rental
8 marketplace provider under paragraph two of this subdivision.

9 § 6. Section 1133 of the tax law is amended by adding a new subdivi-
10 sion (g) to read as follows:

11 (g) A vacation rental marketplace provider is relieved of liability
12 under this section for failure to collect the correct amount of tax to
13 the extent that the vacation rental marketplace provider can show that
14 the error was due to incorrect or insufficient information given to the
15 vacation rental marketplace provider by the operator. Provided, however,
16 this subdivision shall not apply if the operator and vacation rental
17 marketplace provider are affiliated within the meaning of paragraph ten
18 of subdivision (c) of section eleven hundred one of this article.

19 § 7. Subdivision (a) of section 1134 of the tax law is amended by
20 adding a new paragraph 7 to read as follows:

21 (7) An operator of a vacation rental, as defined in paragraph nine of
22 subdivision (c) of section eleven hundred one of this article, is
23 relieved of the requirement to register in paragraph one of this subdivi-
24 vision if its sales of occupancy are wholly facilitated by one or more
25 vacation rental marketplace providers from whom the operator has
26 received in good faith a certificate of collection that meets the
27 requirements set forth in paragraph two of subdivision (m) of section
28 eleven hundred thirty-two of this part.

29 § 8. Paragraph 4 of subdivision (a) of section 1136 of the tax law, as
30 amended by section 5 of part G of chapter 59 of the laws of 2019, is
31 amended to read as follows:

32 (4) The return of a vendor of tangible personal property or services
33 shall show such vendor's receipts from sales and the number of gallons
34 of any motor fuel or diesel motor fuel sold and also the aggregate value
35 of tangible personal property and services and number of gallons of such
36 fuels sold by the vendor, the use of which is subject to tax under this
37 article, and the amount of tax payable thereon pursuant to the
38 provisions of section eleven hundred thirty-seven of this part. The
39 return of a recipient of amusement charges shall show all such charges
40 and the amount of tax thereon, and the return of an operator required to
41 collect tax on rents shall show all rents received or charged and the
42 amount of tax thereon. The return of a marketplace seller shall exclude
43 the receipts from a sale of tangible personal property facilitated by a
44 marketplace provider if, in regard to such sale: (A) the marketplace
45 seller has timely received in good faith a properly completed certif-
46 icate of collection from the marketplace provider or the marketplace
47 provider has included a provision approved by the commissioner in the
48 publicly-available agreement between the marketplace provider and the
49 marketplace seller as described in subdivision one of section eleven
50 hundred thirty-two of this part, and (B) the information provided by the
51 marketplace seller to the marketplace provider about such tangible
52 personal property is accurate. The return of an operator shall exclude
53 the rent from occupancy of a vacation rental facilitated by a vacation
54 rental marketplace provider if, in regard to such sale: (A) the vacation
55 rental operator has timely received in good faith a properly completed
56 certificate of collection from the vacation rental marketplace provider

1 or the vacation rental marketplace provider has included a provision
2 approved by the commissioner in the publicly-available agreement between
3 the vacation rental marketplace provider and the operator as described
4 in subdivision (m) of section eleven hundred thirty-two of this part,
5 and (B) the information provided by the operator to the vacation rental
6 marketplace provider about such rent and such occupancy is accurate.

7 § 9. Subparagraph (B) of paragraph 3 of subdivision (a) of section
8 1138 of the tax law, as amended by chapter 456 of the laws of 1998, is
9 amended to read as follows:

10 (B) The liability, pursuant to subdivision (a) of section eleven
11 hundred thirty-three of this article, of any officer, director or
12 employee of a corporation or of a dissolved corporation, member or
13 employee of a partnership or employee of an individual proprietorship
14 who as such officer, director, employee or member is under a duty to act
15 for such corporation, partnership or individual proprietorship in
16 complying with any requirement of this article for the tax imposed,
17 collected or required to be collected, or for the tax required to be
18 paid or paid over to the [~~tax-commission~~] commissioner under this arti-
19 cle, and the amount of such tax liability (whether or not a return is
20 filed under this article, whether or not such return when filed is
21 incorrect or insufficient, or where the tax shown to be due on the
22 return filed under this article has not been paid or has not been paid
23 in full) shall be determined by the [~~tax-commission~~] commissioner in the
24 manner provided for in paragraphs one and two of this subdivision. Such
25 determination shall be an assessment of the tax and liability for the
26 tax with respect to such person unless such person, within ninety days
27 after the giving of notice of such determination, shall apply to the
28 division of tax appeals for a hearing. If such determination is identi-
29 cal to or arises out of a previously issued determination of tax of the
30 corporation, dissolved corporation, partnership or individual proprie-
31 torship for which such person is under a duty to act, an application
32 filed with the division of tax appeals on behalf of the corporation,
33 dissolved corporation, partnership or individual proprietorship shall be
34 deemed to include any and all subsequently issued personal determi-
35 nations and a separate application to the division of tax appeals for a
36 hearing shall not be required. The [~~tax-commission~~] commissioner may,
37 nevertheless, of [~~it~~] his or her own motion, redetermine such determi-
38 nation of tax or liability for tax. Where the [~~tax-commission~~] commis-
39 sioner determines or redetermines that the amount of tax claimed to be
40 due from a vendor of tangible personal property or services, a recipient
41 of amusement charges, or an operator of a hotel or vacation rental is
42 erroneous or excessive in whole or in part, [~~it~~] he or she shall rede-
43 termine the amount of tax properly due from any such person as a person
44 required to collect tax with respect to such vendor, recipient, or oper-

PART Z

Section 1. This Part enacts into law major components of legislation relating to the administration of the STAR program authorized by section 425 of the real property tax law and subsection (eee) of section 606 of the tax law. Each component is wholly contained within a Subpart identified as Subparts A through E. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes reference to a section of "this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section two contains a severability clause for all provisions contained in each Subpart of this Part. Section three of this act sets forth the general effective date of this Part.

SUBPART A

Section 1. Paragraph (a-2) of subdivision 6 of section 425 of the real property tax law, as amended by section 1 of part TT of chapter 59 of the laws of 2019, is amended to read as follows:

(a-2) Notwithstanding any provision of law to the contrary, where an application for the "enhanced" STAR exemption authorized by subdivision four of this section has not been filed on or before the taxable status date, and the owner believes that good cause existed for the failure to file the application by that date, the owner may, no later than the last day for paying school taxes without incurring interest or penalty, submit a written request to the commissioner asking him or her to extend the filing deadline and grant the exemption. Such request shall contain an explanation of why the deadline was missed, and shall be accompanied by an application, reflecting the facts and circumstances as they existed on the taxable status date. After consulting with the assessor, the commissioner may extend the filing deadline and grant the exemption if the commissioner is satisfied that (i) good cause existed for the

1 failure to file the application by the taxable status date, and that
2 (ii) the applicant is otherwise entitled to the exemption. The commis-
3 sioner shall mail notice of his or her determination to such owner and
4 the assessor. If the determination states that the commissioner has
5 granted the exemption, the assessor shall thereupon be authorized and
6 directed to correct the assessment roll accordingly, or, if another
7 person has custody or control of the assessment roll, to direct that
8 person to make the appropriate corrections. ~~[If the correction is not~~
9 ~~made before school taxes are levied, the school district authorities~~
10 ~~shall be authorized and directed to take account of the fact that the~~
11 ~~commissioner has granted the exemption by correcting the applicant's tax~~
12 ~~bill and/or issuing a refund accordingly]~~ Provided, however, that if the
13 assessment roll cannot be corrected in time for the exemption to appear
14 on the applicant's school tax bill, the commissioner shall be authorized
15 to remit directly to the applicant the tax savings that the STAR
16 exemption would have yielded if it had appeared on the applicant's tax
17 bill. The amounts so payable shall be paid from the account established
18 for the payment of STAR benefits to late registrants pursuant to subpar-
19 agraph (iii) of paragraph (a) of subdivision fourteen of this section.

20 § 2. This act shall take effect immediately.

21 SUBPART B

22 Section 1. Subparagraph (i) of paragraph (c) of subdivision 17 of
23 section 425 of the real property tax law, as added by section 2 of part
24 G of chapter 39 of the laws of 2019, is amended to read as follows:

25 (i) A STAR credit switch may be deferred if the application for the
26 credit is submitted after a cutoff date set by the commissioner. When
27 setting a cutoff date, the commissioner shall take into account the time
28 required to ensure that the STAR exemptions of all STAR credit appli-
29 cants in the assessing unit will be removed before school tax bills are
30 prepared. The commissioner shall specify the applicable cutoff dates
31 after taking into account local assessment calendars, provided that
32 different cutoff dates may be set for municipalities with different
33 assessment calendars, and provided further that any such cutoff date may
34 be no earlier than the ~~[fifteenth]~~ forty-fifth day prior to the date on
35 which the applicable final assessment roll is required by law to be
36 completed and filed.

37 § 2. This act shall take effect immediately.

38 SUBPART C

39 Section 1. Subparagraph (A) of paragraph 3 of subsection (eee) of
40 section 606 of the tax law, as amended by section 2 of part RR of chap-
41 ter 59 of the laws of 2019, is amended to read as follows:

42 (A) Beginning with taxable years after two thousand fifteen, a basic

45 less than or equal to five hundred thousand dollars for the applicable
46 income tax year specified by paragraph (b-1) of subdivision three of
47 section four hundred twenty-five of the real property tax law. The
48 income limit established for the basic STAR exemption by paragraph (b-1)
49 of subdivision three of section four hundred twenty-five of the real
50 property tax law shall not be taken into account when determining eligi-
51 bility for the basic STAR credit.

52 § 2. This act shall take effect immediately.

5 (B) Notwithstanding any provision of law to the contrary, the names
6 and addresses of individuals who have applied for or are receiving the
7 credit authorized by this subsection may be disclosed to assessors,
8 county directors of real property tax services, and municipal tax
9 collecting officers within New York state. In addition, [~~where an agree-~~
10 ~~ment is in place between the commissioner and the head of the tax~~
11 ~~department of another state, such information may be disclosed to such~~
12 ~~official or his or her designees] such information may be exchanged with
13 assessors and tax officials from jurisdictions outside New York state if
14 the laws of the other jurisdiction allow it to provide similar informa-
15 tion to this state. Such information shall be considered confidential
16 and shall not be subject to further disclosure pursuant to the freedom
17 of information law or otherwise.~~

18 § 2. This act shall take effect immediately.

21 section 3 of part QQ of chapter 59 of the laws of 2019, is amended to
22 read as follows:

23 (c) Decedents. The return for any deceased individual shall be made
24 and filed by [~~his~~] the decedent's executor, administrator, or other
25 person charged with [~~his~~] the decedent's property. If a final return of
26 a decedent is for a fractional part of a year, the due date of such
27 return shall be the fifteenth day of the fourth month following the
28 close of the twelve-month period which began with the first day of such
29 fractional part of the year. Notwithstanding any provision of law to the
30 contrary, when a return has been filed for a decedent, the commissioner
31 may disclose the decedent's name, address, and the date of death to the
32 director of real property tax services of the county and the assessor of
33 the assessing unit in which the address reported on such return is
34 located.

35 § 2. Paragraph (a) of subdivision 1 of section 1125 of the real prop-
36 erty tax law, as amended by chapter 415 of the laws of 2006, is amended
37 to read as follows:

38 (a) Parties entitled to notice. The enforcing officer shall on or
39 before the date of the first publication of the notice above set forth
40 cause a notice to be mailed to (i) each owner and any other person whose
41 right, title, or interest was a matter of public record as of the date
42 the list of delinquent taxes was filed, which right, title or interest
43 will be affected by the termination of the redemption period, and whose
44 name and address are reasonably ascertainable from the public record,
45 including the records in the offices of the surrogate of the county, or
46 from material submitted to the enforcing officer pursuant to paragraph
47 (d) of this subdivision, (ii) any other person who has filed a declara-
48 tion of interest pursuant to section eleven hundred twenty-six of this
49 title which has not expired, [~~and~~] (iii) where a posthumous declaration
50 of interest has been filed pursuant to section eleven hundred twenty-
51 six-a of this title, the person specified thereon as the person to be
52 informed when taxes are owed on the property, and (iv) the enforcing
53 officer of any other tax district having a right to enforce the payment

1 of a tax imposed upon any of the parcels described upon such petition.
2 Nothing contained herein shall be construed as making any such person a
3 party to the proceeding or as making any such person personally liable
4 for the taxes or other legal charges due thereon.

5 § 3. The real property tax law is amended by adding a new section
6 1126-a to read as follows:

7 § 1126-a. Posthumous declaration of interest. 1. Upon the death of an
8 owner of real property, a personal representative of the decedent's
9 estate or a successor in interest of the decedent may file a posthumous
10 declaration of interest with the enforcing officer on a form prescribed
11 by the commissioner. Such posthumous declaration shall provide the
12 decedent's name and date of death, a description of the property the
13 decedent had owned, and the name and address of a person to be informed
14 when taxes are owed on that property. Thereafter, in addition to any
15 other notification requirements that may apply, the enforcing officer
16 shall cause any notices required by this article to be mailed to such
17 person at the address so provided until such time as the acquisition of
18 title by the decedent's successor or successors in interest has become a
19 matter of public record, or the declaration is revoked or modified. The
20 enforcing officer shall provide copies of any declarations so filed to
21 the assessor, tax collecting officer and county director of real proper-
22 ty tax services within fifteen days of receipt, or as soon thereafter as
23 is practicable.

24 2. If no posthumous declaration of interest has been filed, a delin-
25 quent tax lien may be foreclosed by a proceeding in rem as otherwise
26 provided by this article, notwithstanding the fact that the property
27 owner has died. In such cases, the enforcing officer shall not be
28 obliged to obtain in personam jurisdiction over a personal represen-
29 tative of the decedent's estate; provided, however, that nothing
30 contained herein shall be construed to relieve the enforcing officer of
31 the obligation to cause a notice to be mailed to any persons whose
32 interests in the property are reasonably ascertainable from the records
33 of the surrogate of the county, as provided by subparagraph (i) of para-
34 graph (a) of subdivision one of section eleven hundred twenty-five of
35 this title.

36 § 4. This act shall take effect immediately.

37 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
38 sion, section or subpart contained in any part of this act shall be
39 adjudged by any court of competent jurisdiction to be invalid, such
40 judgment shall not affect, impair, or invalidate the remainder thereof,
41 but shall be confined in its operation to the clause, sentence, para-
42 graph, subdivision, section or subpart contained in any part thereof
43 directly involved in the controversy in which such judgment shall have
44 been rendered. It is hereby declared to be the intent of the legislature
45 that this act would have been enacted even if such invalid provisions
46 had not been included herein.

47 § 3. This act shall take effect immediately, provided, however, that
48 the applicable effective date of Subparts A through E of this act shall
49 be as specifically set forth in the last section of such Subparts.

(b) The property owner may advise the assessor of any alleged errors to the appraisal model inputs believed to have been made by the assessor, and may provide information to the assessor in support of any proposed change to those inputs.

(c) If the property owner provides such information to the assessor prior to the filing of the tentative assessment roll, the assessor may make such adjustments to the appraisal model inputs as he or she deems warranted based upon the information provided by the property owner, and may recalculate the property value by entering the adjusted inputs into the appraisal model.

(d) If dissatisfied with the assessed value appearing on the tentative assessment roll, the property owner may file a complaint with the board of assessment review; provided, however, that the grounds for review of an assessment determined under this section with respect to both article five and article seven of this chapter shall be limited to the accuracy of the appraisal model inputs made by the assessor.
