(b) A farm employer is a corporation (including a New York S corporation), a sole proprietorship, a limited liability company or a partnership that is an eligible farmer.

(c) For purposes of this section, the term "eligible farmer" means a taxpayer whose Federal gross income from farming as defined in subsection (n) of section six hundred six of this chapter for the taxable year is at least two-thirds of excess Federal gross income. Excess Federal gross income means the amount of Federal gross income from all sources for the taxable year in excess of thirty thousand dollars. For purposes of this section, payments from the state's farmland protection program, administered by the department of agriculture and markets, shall be included as Federal gross income from farming for otherwise eligible farmers.

(d) An eligible farm employee is an individual who meets the definition of a "farm laborer" under section two of the labor law who is
employed by a farm employer in New York state, but excluding general executive officers of the farm employer.

(e) Eligible overtime is the aggregate number of hours of work performed during the taxable year by an eligible farm employee that in any calendar week exceeds the overtime work threshold set by the commissioner of labor pursuant to the recommendation of the farm laborers wage board, provided that work performed in such calendar week in excess of sixty hours shall not be included.

(f) Special rules. If more than fifty percent of such eligible farmer's federal gross income from farming is from the sale of wine from a licensed farm winery as provided for in article six of the alcoholic beverage control law, or from the sale of cider from a licensed farm cidery as provided for in section fifty-eight-c of the alcoholic beverage control law, then an eligible farm employee of such eligible farmer shall be included for purposes of calculating the amount of credit allowed under this section only if such eligible farm employee is employed by such eligible farmer on qualified agricultural property as defined in paragraph four of subsection (n) of section six hundred six of this chapter.

(g) The amount of the credit allowed under this section shall be equal to the aggregate amount of such credit allowed per eligible farm employee, as follows. The amount of the credit allowed per eligible farm employee shall be equal to the product of (i) the eligible overtime worked during the taxable year by the eligible farm employee and (ii) the overtime rate paid by the farm employer to the eligible farm employee less such employee's regular rate of pay.

(h) Cross references: For application of the credit provided in this section, see the following provisions of this chapter:

58. Farm employer overtime credit. (a) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-two-a of this chapter, against the tax imposed by this article. (b) Application of credit. The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowed under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

§ 4. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (xlix) to read as follows:

(xlix) Farm employer overtime credit under subsection (nnn) subdivision fifty-eight of section two hundred ten-B

(2) Application of credit. If the amount of credit allowed under this subsection for any taxable year exceeds the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provision of section six hundred eighty-six of this article, provided, however, that no interest shall be paid thereon.

§ 6. This act shall take effect immediately and shall apply to taxable years beginning on or after January 1, 2022.

§ 482. Definitions. For the purposes of this article:
1. "Certificate of tax credit" means the document issued to a business entity by the department after the department has verified that the business entity has met all applicable eligibility criteria in this article. 3. The commissioner shall solely determine the eligibility of any applicant applying for entry into the program and shall remove any business entity from the program for failing to meet any of the requirements set forth in section four hundred eighty-three of this article, or for failing to meet the requirements set forth in subdivision one of section four hundred eighty-four of this article.

However, if the amount of credit allowed under this subdivision for the taxable year reduces the tax

and reductions for taxes described in paragraphs two and three of
subsection (f) of section thirteen hundred sixty-six of the internal
revenue code which are taken into account for federal income tax

to section thirteen hundred sixty-two of the internal revenue code which
is subject to tax under article nine-A of this chapter, or (ii) [an S] a

tax purposes pursuant to section thirteen hundred sixty-two of the
internal revenue code which is the parent of a qualified subchapter S

subsection (b) of section thirteen hundred sixty-one of the internal
revenue code subject to tax under article nine-A, where the sharehold-

this subsection by reason of subparagraph three of paragraph (k) of
subsection nine of section two hundred eight of this chapter.

made at any time during the preceding taxable year of the corporation or
at any time during the taxable year of the corporation and on or before
the fifteenth day of the third month of such taxable year.
(2) Certain elections made during first two and one-half months. If an
election made under subsection (a) of this section is made for any taxa-
ble year of the corporation during such year and on or before the
fifteenth day of the third month of such year, such election shall be
treated as made for the following taxable year if
(A) on one or more days in such taxable year before the day on which
the election was made the corporation did not meet the requirements of
subsection (b) of section thirteen hundred sixty-one of the internal
revenue code or
(B) one or more of the shareholders who held stock in the corporation
during such taxable year and before the election was made did not
consent to the election.
(3) Elections made after first two and one-half months. If an election
under subsection (a) of this section is made for any taxable year of the
corporation and such election is made after the fifteenth day of the
third month of such taxable year and on or before the fifteenth day of
the third month of the following taxable year, such election shall be
treated as made for the following taxable year.
(4) Taxable years of two and one-half months or less. For purposes of
this subsection, an election for a taxable year made not later than two
months and fifteen days after the first day of the taxable year shall be
treated as timely made during such year.

election under subsection (a) of this section is made for any taxable
year (determined without regard to paragraph three of this subsection)
after the date prescribed by this subsection for making such election
for such taxable year, or if no such election is made for any taxable
year, and
(B) the commissioner determines that there was reasonable cause for
failure to timely make such election, then
(C) the commissioner may treat such an election as timely made for
such taxable year (and paragraph three of this subsection shall not
apply).
(6) Years for which effective. An election under subsection (a) of
this section shall be effective for the taxable year of the corporation
for which it is made and for all succeeding taxable years of the corpo-
ration until such election is terminated under subsection (c) of this
section.
(c) Termination. An [election under] eligible S corporation shall
cease to be subject to subsection (a) of this section [shall cease to be
effective
(1) on the day an election to be an S corporation ceases to be effec-
tive for federal income tax purposes pursuant to subsection (d) of
section thirteen hundred sixty-two of the internal revenue code], or
(2) if shareholders holding more than one-half of the stock of
the corporation on the day on which the revocation is made revoke
such election in the manner the tax commission may prescribe by regu-
lation,
(A) on the first day of the taxable year of the corporation, if the
revocation is made during such taxable year and on or before the
fifteenth day of the third month thereof, or
(B) on the first day of the following taxable year of the corporation,
if the revocation is made during the taxable year but after the
fifteenth day of the third month thereof, or
(C) on and after the date so specified, if the revocation specifies a
date for revocation which is on or after the day on which the revocation
is made, or
(3) if any person who was not a shareholder of the corporation on the
day on which the election is made becomes a shareholder in the corpo-

termination year, the amount of any item of S corporation income, loss
and deduction and reductions for taxes (as described in paragraphs two
and three of subsection (f) of section thirteen hundred sixty-six of the
internal revenue code) required to be taken account of under this arti-
cle shall be adjusted in the same manner that the S corporation's items
which are included in the shareholder's federal adjusted gross income
are adjusted under subsection (s) of section six hundred twelve.

[(e)] Inadvertent invalid elections. If (1) an election under
subsection (a) of this section was not effective for the taxable year
for which made (determined without regard to paragraph two of subsection
(b) of this section) by reason of a failure to obtain shareholder consents,
(2) the commissioner determines that the circumstances resulting in
such ineffectiveness were inadvertent,
(3) no later than a reasonable period of time after discovery of the
circumstances resulting in such ineffectiveness, steps were taken to
acquire the required shareholder consents, and
(4) the corporation, and each person who was a shareholder in the
corporation at any time during the period specified pursuant to this
subsection, agrees to make such adjustments (consistent with the treat-
ment of the corporation as a New York S corporation) as may be required
by the commissioner with respect to such period,
(5) then, notwithstanding the circumstances resulting in such ineffec-
tiveness, such corporation shall be treated as a New York S corporation
during the period specified by the commissioner.

[(d)] Qualified subchapter S subsidiaries. If an S corporation has
elected to treat its wholly owned subsidiary as a qualified subchapter S
subsidiary for federal income tax purposes under paragraph three of
subsection (b) of section thirteen hundred sixty-one of the internal
revenue code, such election shall be applicable for New York state tax
purposes and
(1) the assets, liabilities, income, deductions, property, payroll,
receipts, capital, credits, and all other tax attributes and elements of
economic activity of the subsidiary shall be deemed to be those of the
parent corporation,
(2) transactions between the parent corporation and the subsidiary,
including the payment of interest and dividends, shall not be taken into
account, and
(3) general executive officers of the subsidiary shall be deemed to be
general executive officers of the parent corporation.

[(e)] Validated federal elections. If [(1) an election under subsection
(e) of this section was made for a taxable year or years of a corpo-
ration, which years occur with or within the period for which] the
federal S election of [such] an eligible S corporation has been vali-
dated pursuant to the provisions of subsection (f) of section thirteen
hundred sixty-two of the internal revenue code, [and
(2) the corporation, and each person who was a shareholder in the
corporation at any time during such taxable year or years agrees to make
such adjustments (consistent with the treatment of the corporation as a
New York S corporation) as may be required by the commissioner with
respect to such year or years,
such corporation shall be treated as an eligible S corporation subject to subsection (a) of this section during
the year or years for which such election has been validated.

(g) Transitional rule. Any election made under this section (as in effect for taxable years beginning before January first, nineteen hundred eighty-three) shall be treated as an election made under subsection (a) of this section.

(h) Cross-reference. For definitions relating to S corporations, see subdivision one-A of section two hundred eight of this chapter.

(i) Mandated New York S corporation election. (1) Notwithstanding the provisions in subsection (a) of this section, in the case of an eligible S corporation for which the election under subsection (a) of this section is not in effect for the current taxable year, the shareholders of such eligible S corporation are deemed to have made that election effective for the eligible S corporation's entire current taxable year, if the eligible S corporation's investment income for the current taxable year is more than fifty percent of its federal gross income for such year. In determining whether an eligible S corporation is deemed to have made that election, the income of a qualified subchapter S subsidiary owned directly or indirectly by the eligible S corporation shall be included with the income of the eligible S corporation.

(2) For the purposes of this subsection, the term "eligible S corporation" has the same definition as in subsection (a) of this section.

(3) For the purposes of this subsection, the term "investment income" means the sum of an eligible S corporation's gross income from interest, dividends, royalties, annuities, rents and gains derived from dealings in property, including the corporation's share of such items from a partnership, estate or trust, to the extent such items would be includable in federal gross income for the taxable year.

(4) Estimated tax payments. When making estimated tax payments required to be made under this chapter in the current taxable year, the eligible S corporation and its shareholders may rely on the eligible S corporation's filing status for the prior year. If the eligible S corporation's filing status changes from the prior tax year the corporation or the shareholders, as the case may be, which made the payments shall be entitled to a refund of such estimated tax payments. No additions to tax with respect to any required declarations or payments of estimated tax imposed under this chapter shall be imposed on the corporation or shareholders, whichever is the taxpayer for the current taxable year, if the corporation or the shareholders file such declarations and make such estimated tax payments by January fifteenth of the following calendar year, regardless of whether the taxpayer's tax year is a calendar or a fiscal year.

§ 19. Transition rules. Any prior net operating loss conversion subtraction and net operating loss carryforward that otherwise would have been allowed under subparagraphs (viii) and (ix), respectively, of paragraph (a) of subdivision 1 of section 210 of the tax law for the taxable years beginning on or after January 1, 2023 to any taxpayer that was a New York C corporation for a taxable year beginning on or after January 1, 2022 and before January 1, 2023, and that becomes a New York S corporation for a taxable year beginning on or after January 1, 2023 as a result of the amendments made by this act, shall be held in abeyance and be available to such taxpayer if its election to be a federal S corporation is terminated. Further, any credit carryforwards allowed to such a taxpayer under section 210-B of the tax law shall be held in abeyance and be available to such taxpayer if its election to be a
federal S corporation is terminated. However, the taxpayer's years as a New York S corporation shall be counted for purposes of computing any time period applicable to the allowance of the prior net operating loss conversion subtraction or carryforward, the net operating loss deduction, or any credit carryforward.

§ 20. This act shall take effect immediately and shall apply to taxable years beginning on or after January 1, 2023.

PART S

Section 1. Subparagraph (i) of paragraph (b) of subdivision 1 of section 210-B of the tax law, as amended by section 2 of part P of chapter 59 of the laws of 2017, is amended to read as follows:

(i) A credit shall be allowed under this subdivision with respect to tangible personal property and other tangible property, including buildings and structural components of buildings, which are: depreciable pursuant to section one hundred sixty-seven of the internal revenue code, have a useful life of four years or more, are acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code, have a situs in this state and are (A) principally used by the taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (B) industrial waste treatment facilities or air pollution control facilities, used in the taxpayer's trade or business, (C) research and development property, or (D) principally used in the ordinary course of the taxpayer's trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or of commodities as defined in section four hundred seventy-five (e) of the Internal Revenue Code, (E) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for a regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue Code, or lending, loan arrangement or loan origination services to customers in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, (F) principally used in the ordinary course of the taxpayer's business as an exchange registered as a national securities exchange within the meaning of sections 3(a)(1) and 6(a) of the Securities Exchange Act of 1934 or a board of trade as defined in subparagraph one of paragraph (a) of section fourteen hundred ten of the not-for-profit corporation law or as an entity that is wholly owned by one or more such national securities exchanges or boards of trade and that provides automation or technical services thereto, or (G) principally used as a qualified film production facility including qualified film production facilities having a situs in an empire zone designated as such pursuant to article eighteen-B of the general municipal law, where the taxpayer is providing three or more services to any qualified film production company using the facility, including such services as a studio lighting grid, lighting and grip equipment, multi-line phone service, broadband information technology access, industrial scale electrical capacity, food services, security services, and heating, ventilation and air
conditioning. For purposes of clauses (D), (E) and (F) of this subpara-
graph, property purchased by a taxpayer affiliated with a regulated
broker, dealer, registered investment advisor, national securities
exchange or board of trade, is allowed a credit under this subdivision
if the property is used by its affiliated regulated broker, dealer,
registered investment advisor, national securities exchange or board of
trade in accordance with this subdivision. For purposes of determining
if the property is principally used in qualifying uses, the uses by the
taxpayer described in clauses (D) and (E) of this subparagraph may be
aggregated. In addition, the uses by the taxpayer, its affiliated regu-
lated broker, dealer and registered investment advisor under either or
both of those clauses may be aggregated. Provided, however, a taxpayer
shall not be allowed the credit provided by clauses (D), (E) and (F) of
this subparagraph unless the property is first placed in service before
October first, two thousand fifteen and (i) eighty percent or more of
the employees performing the administrative and support functions
resulting from or related to the qualifying uses of such equipment are
located in this state or (ii) the average number of employees that
perform the administrative and support functions resulting from or
related to the qualifying uses of such equipment and are located in this
state during the taxable year for which the credit is claimed is equal
to or greater than ninety-five percent of the average number of employ-
ees that perform these functions and are located in this state during
the thirty-six months immediately preceding the year for which the cred-
it is claimed, or (iii) the number of employees located in this state
during the taxable year for which the credit is claimed is equal to or
greater than ninety percent of the number of employees located in this
state on December thirty-first, nineteen hundred ninety-eight or, if the
taxpayer was not a calendar year taxpayer in nineteen hundred ninety-
eight, the last day of its first taxable year ending after December
thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes
subject to tax in this state after the taxable year beginning in nine-
teen hundred ninety-eight, then the taxpayer is not required to satisfy
the employment test provided in the preceding sentence of this subpara-
graph for its first taxable year. For purposes of clause (iii) of this
subparagraph the employment test will be based on the number of employ-
ees located in this state on the last day of the first taxable year the
taxpayer is subject to tax in this state. If the uses of the property
must be aggregated to determine whether the property is principally used
in qualifying uses, then either each affiliate using the property must
satisfy this employment test or this employment test must be satisfied
through the aggregation of the employees of the taxpayer, its affiliated
regulated broker, dealer, and registered investment adviser using the
property. For purposes of clause (A) of this subparagraph, tangible
personal property and other tangible property shall not include property
principally used by the taxpayer (I) in the production or distribution
electricity, natural gas after extraction from wells, steam, or water
delivered through pipes and mains, or (II) in the creation, production
or reproduction, in any medium, of any audio or visual recording,
including but not limited to films, television shows, commercials, and
musical recordings, or in the duplication, for purposes of broadcast in
any medium, of a master of any audio or visual recording, including but
not limited to films, television shows, commercials, and musical
recordings.
§ 2. Subparagraph (A) of paragraph 2 of subsection (a) of section 606 of the tax law, as amended by section 3 of part P of chapter 59 of the laws of 2017, is amended to read as follows:

(A) A credit shall be allowed under this subsection with respect to tangible personal property and other tangible property, including buildings and structural components of buildings, which are: depreciable pursuant to section one hundred sixty-seven of the internal revenue code, have a useful life of four years or more, are acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code, have a situs in this state and are (i) principally used by the taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (ii) industrial waste treatment facilities or air pollution control facilities, used in the taxpayer's trade or business, (iii) research and development property, (iv) principally used in the ordinary course of the taxpayer's trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or of commodities as defined in section 475(e) of the Internal Revenue Code, (v) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for a regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue Code, or lending, loan arrangement or loan origination services to customers in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or (vi) principally used as a qualified film production facility including qualified film production facilities having a situs in an empire zone designated as such pursuant to article eighteen-B of the general municipal law, where the taxpayer is providing three or more services to any qualified film production company using the facility, including such services as a studio lighting grid, lighting and grip equipment, multiline phone service, broadband information technology access, industrial scale electrical capacity, food services, security services, and heating, ventilation and air conditioning. For purposes of clauses (iv) and (v) of this subparagraph, property purchased by a taxpayer affiliated with a regulated broker, dealer, or registered investment adviser is allowed a credit under this subsection if the property is used by its affiliated regulated broker, dealer or registered investment adviser in accordance with this subsection. For purposes of determining if the property is principally used in qualifying uses, the uses by the taxpayer described in clauses (iv) and (v) of this subparagraph may be aggregated. In addition, the uses by the taxpayer, its affiliated regulated broker, dealer and registered investment adviser under either or both of those clauses may be aggregated. Provided, however, a taxpayer shall not be allowed the credit provided by clauses (iv) and (v) of this subparagraph unless (I) eighty percent or more of the employees performing the administrative and support functions resulting from or related to the qualifying uses of such equipment are located in this state, or (II) the average number of employees that perform the administrative and support functions resulting from or related to the qualifying uses of such equipment and are located in this state during the taxable year for
which the credit is claimed is equal to or greater than ninety-five percent of the average number of employees that perform these functions and are located in this state during the thirty-six months immediately preceding the year for which the credit is claimed, or (III) the number of employees located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety percent of the number of employees located in this state on December thirty-first, nineteen hundred ninety-eight or, if the taxpayer was not a calendar year taxpayer in nineteen hundred ninety-eight, the last day of its first taxable year ending after December thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes subject to tax in this state after the taxable year beginning in nineteen hundred ninety-eight, then the taxpayer is not required to satisfy the employment test provided in the preceding sentence of this subparagraph for its first taxable year. For the purposes of clause (III) of this subparagraph the employment test will be based on the number of employees located in this state on the last day of the first taxable year the taxpayer is subject to tax in this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and registered investment adviser using the property. For purposes of clause (i) of this subparagraph, tangible personal property and other tangible property shall not include property principally used by the taxpayer in the production or distribution of electricity, natural gas after extraction from wells, steam, or water delivered through pipes and mains, or (b) in the creation, production or reproduction, in any medium, of any audio or visual recording, including but not limited to films, television shows, commercials, and musical recordings, or in the duplication, for purposes of broadcast in any medium, of a master of any audio or visual recording, including but not limited to films, television shows, commercials, and musical recordings.

§ 3. This act shall take effect immediately, and shall apply to property placed in service on or after January 1, 2023.

(q) Reimbursement for tugboats and towboats. A use by a tugboat or towboat of motor fuel, diesel motor fuel, or residual petroleum product. This reimbursement may be claimed only where (1) any tax imposed pursuant to this article has been paid with respect to such gallonage and the entire amount of such tax has been absorbed by such purchaser, and (2) such tugboat or towboat possesses documentary proof satisfactory to the commissioner evidencing the absorption by it of the entire amount of such tax. Provided, that the commissioner shall require such documentary proof to qualify for any reimbursement provided hereunder as the commissioner deems appropriate.

§ 5. This act shall take effect September 1, 2022, and shall apply to uses of motor fuel, diesel motor fuel and residual petroleum product on and after such date; provided however that the amendments to the opening paragraph of section 301-c of the tax law made by section two of this act shall be subject to the expiration and reversion of such paragraph pursuant to section 19 of part W-1 of chapter 109 of the laws of 2006, as amended, when upon such date the provisions of section three of this act shall take effect.

Section 1. Subdivision (c) of section 1101 of the tax law, as added by chapter 93 of the laws of 1965, paragraphs 2, 3, 4 and 6 as amended by section 2 and paragraph 8 as added by section 3 of part AA of chapter 57 of the laws of 2010, and paragraph 5 as amended by chapter 575 of the laws of 1965, is amended to read as follows:

(c) When used in this article for the purposes of the tax imposed under subdivision (e) of section eleven hundred five of this article, the following terms shall mean:

(1) Hotel. A building or portion of it which is regularly used and kept open as such for the lodging of guests. The term "hotel" includes an apartment hotel, a motel, boarding house or club, whether or not meals are served.

(2) Occupancy. The use or possession, or the right to the use or possession, of any room in a hotel or vacation rental. "Right to the
use or possession" includes the rights of a room remarketer as described in paragraph eight of this subdivision.

(3) Occupant. A person who, for a consideration, uses, possesses, or has the right to use or possess, any room in a hotel or vacation rental under any lease, concession, permit, right of access, license to use or other agreement, or otherwise. "Right to use or possess" includes the rights of a room remarketer as described in paragraph eight of this subdivision.

(4) Operator. Any person operating a hotel or vacation rental. Such term shall include a room remarketer and such room remarketer shall be deemed to operate a hotel, or portion thereof, with respect to which such person has the rights of a room remarketer.

(5) Permanent resident. Any occupant of any room or rooms in a hotel or vacation rental for at least ninety consecutive days shall be considered a permanent resident with regard to the period of such occupancy.

(6) Rent. The consideration received for occupancy, including any service or other charge or amount required to be paid as a condition for occupancy, valued in money, whether received in money or otherwise and whether received by the operator or a room remarketer or another person on behalf of either of them.

(7) Room. Any room or rooms of any kind in any part or portion of a hotel or vacation rental, which is available for or let out for any purpose other than a place of assembly.

(8) Room remarketer. A person who reserves, arranges for, conveys, or furnishes occupancy, whether directly or indirectly, to an occupant for rent in a hotel or vacation rental for an amount determined by the room remarketer, directly or indirectly, whether pursuant to a written or other agreement. Such person's ability or authority to reserve, arrange for, convey, or furnish occupancy, directly or indirectly, and to determine rent therefor, shall be the "rights of a room remarketer". A room remarketer is not a permanent resident with respect to a room for which such person has the rights of a room remarketer.

(9) Vacation rental. A building or portion of it that is used for the lodging of guests. The term "vacation rental" includes a house, an apartment, a condominium, a cooperative unit, a cabin, a cottage, or a bungalow, or one or more rooms therein, where sleeping accommodations are provided for the lodging of paying occupants, the typical occupants are transients or travelers, and the relationship between the operator and occupant is not that of a landlord and tenant. It is not necessary that meals are served. A building or portion of a building may qualify as a vacation rental whether or not amenities, including but not limited to daily housekeeping services, concierge services, or linen services, are provided.

(10) (i) Vacation rental marketplace provider. A person who, pursuant to an agreement with an operator, facilitates the occupancy of a vacation rental by such operator or operators. A person "facilitates the occupancy of a vacation rental" for purposes of this paragraph when the person meets both of the following conditions: (A) such person provides the forum in which, or by means of which, the sale of the occupancy takes place or the offer of such sale is accepted, including a shop, store, or booth, an internet website, catalog, or similar forum; and (B) such person or an affiliate of such person collects the rent paid by a customer to an operator for the occupancy of a vacation rental, or contracts with a third party to collect such rent.

(ii) For the purposes of this article, the term "vacation rental marketplace provider" shall not include a "room remarketer" as defined.
in paragraph eight of this subdivision. For purposes of this paragraph, persons are affiliated if one person has an ownership interest of more than five percent, whether direct or indirect, in another, or where an ownership interest of more than five percent, whether direct or indirect, is held in each of such persons by another person or by a group of other persons that are affiliated persons with respect to each other. The term "vacation rental marketplace provider" shall not include a "real estate broker" as licensed under article twelve-A of the real property law.

§ 2. Subdivision (a) of section 1104 of the tax law, as added by chapter 3 of the laws of 2004, is amended to read as follows:

(a) Imposition. In addition to any other fee or tax imposed by this article or any other law, on and after April first, two thousand five, there is hereby imposed within the territorial limits of a city with a population of a million or more and there shall be paid a unit fee on every occupancy of a unit in a hotel or vacation rental in such city at the rate of one dollar and fifty cents per unit per day, except that such unit fee shall not be imposed upon (1) occupancy by a permanent resident or (2) where the rent per unit is not more than at the rate of two dollars per day.

§ 3. Paragraph 1 of subdivision (e) of section 1105 of the tax law, as amended by section 1 of part Q of chapter 59 of the laws of 2012, is amended to read as follows:

(1) The rent for every occupancy of a room or rooms in a hotel and vacation rental in this state, except that the tax shall not be imposed upon (i) a permanent resident, or (ii) where the rent is not more than at the rate of two dollars per day.

§ 4. Subdivisions 1 and 2 of section 1131 of the tax law, subdivision 1 as amended by section 2 of part G of chapter 59 of the laws of 2019 and subdivision 2 as added by chapter 93 of the laws of 1965, are amended to read as follows:

(1) "Persons required to collect tax" or "person required to collect any tax imposed by this article" shall include: every vendor of tangible personal property or services; every recipient of amusement charges; every operator of a hotel or vacation rental; every vacation rental marketplace provider with respect to the rent for every occupancy of a vacation rental it facilitates as described in paragraph ten of subdivision (c) of section eleven hundred one of this article; and every marketplace provider with respect to sales of tangible personal property it facilitates as described in paragraph one of subdivision (e) of section eleven hundred one of this article. Said terms shall also include any officer, director or employee of a corporation or of a dissolved corporation, any employee of a partnership, any employee or manager of a limited liability company, or any employee of an individual proprietorship who as such officer, director, employee or manager is under a duty to act for such corporation, partnership, limited liability company or individual proprietorship in complying with any requirement of this article, or has so acted; and any member of a partnership or limited liability company. Provided, however, that any person who is a vendor solely by reason of clause (D) or (E) of subparagraph (i) of paragraph [§§] eight of subdivision (b) of section eleven hundred one of this article shall not be a "person required to collect any tax imposed by this article" until twenty days after the date by which such person is required to file a certificate of registration pursuant to section eleven hundred thirty-four of this part. Such terms shall not include an operator of a vacation rental who rents out the operator's
own property for three days or fewer in a calendar year and does not use a vacation rental marketplace provider to facilitate such rental.

(2) "Customer" shall include: every purchaser of tangible personal property or services; every patron paying or liable for the payment of any amusement charge; and every occupant of a room or rooms in a hotel or vacation rental.

§ 5. Section 1132 of the tax law is amended by adding a new subdivision (m) to read as follows:

(m)(l) A vacation rental marketplace provider with respect to a sale for every occupancy of a vacation rental it facilitates: (A) shall have all the obligations and rights of a vendor under this article and article twenty-nine of this chapter and under any regulations adopted pursuant thereto, including, but not limited to, the duty to obtain a certificate of authority, to collect tax, file returns, remit tax, and the right to accept a certificate or other documentation from a customer substantiating an exemption or exclusion from tax, the right to receive the refund authorized by subdivision (e) of this section and the credit allowed by subdivision (f) of section eleven hundred thirty-seven of this part subject to the provisions of such subdivisions; and (B) shall keep such records and information and cooperate with the commissioner to ensure the proper collection and remittance of tax imposed, collected or required to be collected under this article and article twenty-nine of this chapter.

(2) An operator is relieved from the duty to collect tax in regard to a particular rent for the occupancy of a vacation rental subject to tax under subdivision (e) of section eleven hundred five of this article and shall not include the rent from such occupancy in its taxable sales for purposes of section eleven hundred thirty-six of this part if, in regard to such occupancy: (A) the operator of the vacation rental can show that such occupancy was facilitated by a vacation rental marketplace provider from whom such operator has received in good faith a properly completed certificate of collection in a form prescribed by the commissioner, certifying that the vacation rental marketplace provider is registered to collect sales tax and will collect sales tax on all taxable sales of occupancy of a vacation rental by the operator facilitated by the vacation rental marketplace provider, and with such other information as the commissioner may prescribe; and (B) any failure of the vacation rental marketplace provider to collect the proper amount of tax in regard to such sale was not the result of such operator providing the vacation rental marketplace provider with incorrect information. This provision shall be administered in a manner consistent with subparagraph (i) of paragraph one of subdivision (c) of this section as if a certificate of collection were a resale or exemption certificate for purposes of such subparagraph, including with regard to the completeness of such certificate of collection and the timing of its acceptance by the operator. Provided that, with regard to any sales of occupancy of a vacation rental by an operator that are facilitated by a vacation rental marketplace provider who is affiliated with such operator within the meaning of paragraph ten of subdivision (c) of section eleven hundred one of this article, the operator shall be deemed liable as a person under a duty to act for such vacation rental marketplace provider for purposes of subdivision one of section eleven hundred thirty-one of this part.

(3) The commissioner may, at his or her discretion: (A) develop a standard provision, or approve a provision developed by a vacation rental marketplace provider, in which the vacation rental marketplace provider obligates itself to collect the tax on behalf of all operators
for whom the vacation rental marketplace provider facilitates sales of occupancy of a vacation rental, with respect to all sales that it facilitates for such operators where the rental occurs in the state; and (B) provide by regulation or otherwise that the inclusion of such provision in the publicly-available agreement between the vacation rental marketplace provider and operator will have the same effect as an operator’s acceptance of a certificate of collection from such vacation rental marketplace provider under paragraph two of this subdivision.

§ 6. Section 1133 of the tax law is amended by adding a new subdivision (g) to read as follows:

(g) A vacation rental marketplace provider is relieved of liability under this section for failure to collect the correct amount of tax to the extent that the vacation rental marketplace provider can show that the error was due to incorrect or insufficient information given to the vacation rental marketplace provider by the operator. Provided, however, this subdivision shall not apply if the operator and vacation rental marketplace provider are affiliated within the meaning of paragraph ten of subdivision (c) of section eleven hundred one of this article.

§ 7. Subdivision (a) of section 1134 of the tax law is amended by adding a new paragraph 7 to read as follows:

(7) An operator of a vacation rental, as defined in paragraph nine of subdivision (c) of section eleven hundred one of this article, is relieved of the requirement to register in paragraph one of this subdivision if its sales of occupancy are wholly facilitated by one or more vacation rental marketplace providers from whom the operator has received in good faith a certificate of collection that meets the requirements set forth in paragraph two of subdivision (m) of section eleven hundred thirty-two of this part.

§ 8. Paragraph 4 of subdivision (a) of section 1136 of the tax law, as amended by section 5 of part G of chapter 59 of the laws of 2019, is amended to read as follows:

(4) The return of a vendor of tangible personal property or services shall show such vendor’s receipts from sales and the number of gallons of any motor fuel or diesel motor fuel sold and also the aggregate value of tangible personal property and services and number of gallons of such fuels sold by the vendor, the use of which is subject to tax under this article, and the amount of tax payable thereon pursuant to the provisions of section eleven hundred thirty-seven of this part. The return of a recipient of amusement charges shall show all such charges and the amount of tax thereon, and the return of an operator required to collect tax on rents shall show all rents received or charged and the amount of tax thereon. The return of a marketplace seller shall exclude the receipts from a sale of tangible personal property facilitated by a marketplace provider if, in regard to such sale: (A) the marketplace seller has timely received in good faith a properly completed certificate of collection from the marketplace provider or the marketplace provider has included a provision approved by the commissioner in the publicly-available agreement between the marketplace provider and the marketplace seller as described in subdivision one of section eleven hundred thirty-two of this part, and (B) the information provided by the marketplace seller to the marketplace provider about such tangible personal property is accurate. The return of an operator shall exclude the rent from occupancy of a vacation rental facilitated by a vacation rental marketplace provider if, in regard to such sale: (A) the vacation rental operator has timely received in good faith a properly completed certificate of collection from the vacation rental marketplace provider
or the vacation rental marketplace provider has included a provision approved by the commissioner in the publicly-available agreement between the vacation rental marketplace provider and the operator as described in subdivision (m) of section eleven hundred thirty-two of this part, and (B) the information provided by the operator to the vacation rental marketplace provider about such rent and such occupancy is accurate.

§ 9. Subparagraph (B) of paragraph 3 of subdivision (a) of section 1138 of the tax law, as amended by chapter 456 of the laws of 1998, is amended to read as follows:

(B) The liability, pursuant to subdivision (a) of section eleven hundred thirty-three of this article, of any officer, director or employee of a corporation or of a dissolved corporation, member or employee of a partnership or employee of an individual proprietorship who as such officer, director, employee or member is under a duty to act for such corporation, partnership or individual proprietorship in complying with any requirement of this article for the tax imposed, collected or required to be collected, or for the tax required to be paid or paid over to the [tax-commission] commissioner under this article, and the amount of such tax liability (whether or not a return is filed under this article, whether or not such return when filed is incorrect or insufficient, or where the tax shown to be due on the return filed under this article has not been paid or has not been paid in full) shall be determined by the [tax-commission] commissioner in the manner provided for in paragraphs one and two of this subdivision. Such determination shall be an assessment of the tax and liability for the tax with respect to such person unless such person, within ninety days after the giving of notice of such determination, shall apply to the division of tax appeals for a hearing. If such determination is identical to or arises out of a previously issued determination of tax of the corporation, dissolved corporation, partnership or individual proprietorship for which such person is under a duty to act, an application filed with the division of tax appeals on behalf of the corporation, dissolved corporation, partnership or individual proprietorship shall be deemed to include any and all subsequently issued personal determinations and a separate application to the division of tax appeals for a hearing shall not be required. The [tax-commission] commissioner may, nevertheless, of [its] his or her own motion, redetermine such determination of tax or liability for tax. Where the [tax-commission] commissioner determines or redetermines that the amount of tax claimed to be due from a vendor of tangible personal property or services, a recipient of amusement charges, or an operator of a hotel or vacation rental is erroneous or excessive in whole or in part, [it] he or she shall redetermine the amount of tax properly due from such person as a person required to collect tax with respect to such vendor, recipient, or operator, and if such amount is less than the amount of tax for which such person would have been liable in the absence of such determination or redetermination, [it] he or she shall reduce such liability accordingly. Furthermore, the [tax-commission] commissioner may, of [its] his or her own motion, abate on behalf of any such person, any part of the tax determined to be erroneous or excessive whether or not such tax had become finally and irrevocably fixed with respect to such person but no claim for abatement may be filed by any such person. The provisions of this paragraph shall not be construed to limit in any manner the powers of the attorney general under subdivision (a) of section eleven hundred forty-one of this part or the powers of the [tax-commission] commission-
to issue a warrant under subdivision (b) of such section against any
person whose liability has become finally and irrevocably fixed.
§ 10. Section 1142 of the tax law is amended by adding a new subdivi-
sion 16 to read as follows:
16. To publish a list on the department's website of vacation rental
marketplace providers whose certificates of authority have been revoked
and, if necessary to protect sales tax revenue, provide by regulation or
otherwise that a vacation rental operator will be relieved of the
requirement to register and the duty to collect tax on the rent for
occupancy of a vacation rental facilitated by a vacation rental market-
place provider only if, in addition to the conditions prescribed by
paragraph two of subdivision (m) of section eleven hundred thirty-two
and paragraph six of subdivision (a) of section eleven hundred thirty-
four of this part being met, such vacation rental marketplace provider
is not on such list at the commencement of the quarterly period covered
thereby.
§ 11. Subparagraph (i) of paragraph 3 of subdivision (a) of section
1145 of the tax law, as amended by section 48 of part K of chapter 61 of
the laws of 2011, is amended to read as follows:
(i) Any person required to obtain a certificate of authority under
section eleven hundred thirty-four of this part who, without possessing
a valid certificate of authority, (A) sells tangible personal property
or services subject to tax, receives amusement charges or operates a
hotel or vacation rental, (B) purchases or sells tangible personal prop-
erty for resale, (C) sells petroleum products, or (D) sells cigarettes
shall, in addition to any other penalty imposed by this chapter, be
subject to a penalty in an amount not exceeding five hundred dollars for
the first day on which such sales or purchases are made, plus an amount
not exceeding two hundred dollars for each subsequent day on which such
sales or purchases are made, not to exceed ten thousand dollars in the
aggregate.
§ 12. Subparagraph (v) of paragraph 4 of subdivision (a) of section
1210 of the tax law, as amended by section 2 of part WW of chapter 60 of
the laws of 2016, is amended to read as follows:
(v) shall provide that, for purposes of the tax described in subdivi-
sion (e) of section eleven hundred five of this chapter, "permanent
resident" means any occupant of any room or rooms in a hotel or vacation
rental for at least one hundred eighty consecutive days with regard to
the period of such occupancy;
§ 13. Subdivisions (a) and (b) of section 1817 of the tax law, as
amended by section 53 of part K of chapter 61 of the laws of 2011, are
amended to read as follows:
(a) Any person required to obtain a certificate of authority under
section eleven hundred thirty-four of this chapter who, without possess-
ing a valid certificate of authority, willfully (1) sells tangible
personal property or services subject to tax, receives amusement charges
or operates a hotel or vacation rental, (2) purchases or sells tangible
personal property for resale, or (3) sells petroleum products; and any
person who fails to surrender a certificate of authority as required by
such article shall be guilty of a misdemeanor.
(b) Any person required to obtain a certificate of authority under
section eleven hundred thirty-four of this chapter who within five years
after a determination by the commissioner, pursuant to such section, to
suspend, revoke or refuse to issue a certificate of authority has become
final, and without possession of a valid certificate of authority (1)
sells tangible personal property or services subject to tax, receives

amusement charges or operates a hotel or vacation rental, (2) purchases
or sells tangible personal property for resale, or (3) sells petroleum
products, shall be guilty of a misdemeanor. It shall be an affirmative
defense that such person performed the acts described in this subdivi-
sion without knowledge of such determination. Any person who violates a
provision of this subdivision, upon conviction, shall be subject to a
fine in any amount authorized by this article, but not less than five
hundred dollars, in addition to any other penalty provided by law.

§ 14. This act shall take effect immediately and shall apply to
collections of rent by the operator or vacation rental marketplace
provider on or after September 1, 2022.

Any judicial proceeding shall be commenced in the supreme court in the county of Albany or the county agreed upon by the parties in which the local public utility mass real property is located. PART Z

Section 1. This Part enacts into law major components of legislation relating to the administration of the STAR program authorized by section 425 of the real property tax law and subsection (eee) of section 606 of the tax law. Each component is wholly contained within a Subpart identified as Subparts A through E. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes reference to a section of "this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section two contains a severability clause for all provisions contained in each Subpart of this Part. Section three of this act sets forth the general effective date of this Part.

SUBPART A

Section 1. Paragraph (a-2) of subdivision 6 of section 425 of the real property tax law, as amended by section 1 of part TT of chapter 59 of the laws of 2019, is amended to read as follows:

(a-2) Notwithstanding any provision of law to the contrary, where an application for the "enhanced" STAR exemption authorized by subdivision four of this section has not been filed on or before the taxable status date, and the owner believes that good cause existed for the failure to file the application by that date, the owner may, no later than the last day for paying school taxes without incurring interest or penalty, submit a written request to the commissioner asking him or her to extend the filing deadline and grant the exemption. Such request shall contain an explanation of why the deadline was missed, and shall be accompanied by an application, reflecting the facts and circumstances as they existed on the taxable status date. After consulting with the assessor, the commissioner may extend the filing deadline and grant the exemption if the commissioner is satisfied that (i) good cause existed for the
failure to file the application by the taxable status date, and that
(ii) the applicant is otherwise entitled to the exemption. The commis-
sioner shall mail notice of his or her determination to such owner and
the assessor. If the determination states that the commissioner has
granted the exemption, the assessor shall thereupon be authorized and
directed to correct the assessment roll accordingly, or, if another
person has custody or control of the assessment roll, to direct that
person to make the appropriate corrections. If the correction is not
made before school taxes are levied, the school district authorities
shall be authorized and directed to take account of the fact that the
commissioner has granted the exemption by correcting the applicant's tax
bill and/or issuing a refund accordingly. Provided, however, that if the
assessment roll cannot be corrected in time for the exemption to appear
on the applicant's school tax bill, the commissioner shall be authorized
to remit directly to the applicant the tax savings that the STAR
exemption would have yielded if it had appeared on the applicant's tax
bill. The amounts so payable shall be paid from the account established
for the payment of STAR benefits to late registrants pursuant to subpar-
graph (iii) of paragraph (a) of subdivision fourteen of this section.
§ 2. This act shall take effect immediately.

SUBPART B

Section 1. Subparagraph (i) of paragraph (c) of subdivision 17 of
section 425 of the real property tax law, as added by section 2 of part
G of chapter 39 of the laws of 2019, is amended to read as follows:
(i) A STAR credit switch may be deferred if the application for the
credit is submitted after a cutoff date set by the commissioner. When
setting a cutoff date, the commissioner shall take into account the time
required to ensure that the STAR exemptions of all STAR credit appli-
cants in the assessing unit will be removed before school tax bills are
prepared. The commissioner shall specify the applicable cutoff dates
after taking into account local assessment calendars, provided that
different cutoff dates may be set for municipalities with different
assessment calendars, and provided further that any such cutoff date may
be no earlier than the [fifteenth] forty-fifth day prior to the date on
which the applicable final assessment roll is required by law to be
completed and filed.
§ 2. This act shall take effect immediately.

SUBPART C

Section 1. Subparagraph (A) of paragraph 3 of subsection (eee) of
section 606 of the tax law, as amended by section 2 of part RR of chap-

income tax year specified by paragraph (b-1) of subdivision three of
section four hundred twenty-five of the real property tax law. The
income limit established for the basic STAR exemption by paragraph (b-1)
of subdivision three of section four hundred twenty-five of the real
property tax law shall not be taken into account when determining eligi-
bility for the basic STAR credit.
§ 2. This act shall take effect immediately.
1. Subparagraph (B) of paragraph 7 of subsection (eee) of section 606 of the tax law, as amended by section 7 of part E of chapter 59 of the laws of 2018, is amended to read as follows:

(B) Notwithstanding any provision of law to the contrary, the names and addresses of individuals who have applied for or are receiving the credit authorized by this subsection may be disclosed to assessors, county directors of real property tax services, and municipal tax collecting officers within New York state. In addition, where an agreement is in place between the commissioner and the head of the tax department of another state, such information may be disclosed to such assessor or his or her designees. Such information may be exchanged with assessors and tax officials from jurisdictions outside New York state if the laws of the other jurisdiction allow it to provide similar information to this state. Such information shall be considered confidential and shall not be subject to further disclosure pursuant to the freedom of information law or otherwise.

§ 2. This act shall take effect immediately.

2. Subsection (c) of section 651 of the tax law, as amended by section 3 of part QQ of chapter 59 of the laws of 2019, is amended to read as follows:

(c) Decedents. The return for any deceased individual shall be made and filed by the decedent's executor, administrator, or other person charged with the decedent's property. If a final return of a decedent is for a fractional part of a year, the due date of such return shall be the fifteenth day of the fourth month following the close of the twelve-month period which began with the first day of such fractional part of the year. Notwithstanding any provision of law to the contrary, when a return has been filed for a decedent, the commissioner may disclose the decedent's name, address, and the date of death to the director of real property tax services of the county and the assessor of the assessing unit in which the address reported on such return is located.

§ 2. Paragraph (a) of subdivision 1 of section 1125 of the real property tax law, as amended by chapter 415 of the laws of 2006, is amended to read as follows:

(a) Parties entitled to notice. The enforcing officer shall on or before the date of the first publication of the notice above set forth cause a notice to be mailed to (i) each owner and any other person whose right, title, or interest was a matter of public record as of the date the list of delinquent taxes was filed, which right, title or interest will be affected by the termination of the redemption period, and whose name and address are reasonably ascertainable from the public record, including the records in the offices of the surrogate of the county, or from material submitted to the enforcing officer pursuant to paragraph (d) of this subdivision, (ii) any other person who has filed a declaration of interest pursuant to section eleven hundred twenty-six of this title which has not expired, and (iii) where a posthumous declaration of interest has been filed pursuant to section eleven hundred twenty-six-a of this title, the person specified thereon as the person to be informed when taxes are owed on the property, and (iv) the enforcing officer of any other tax district having a right to enforce the payment
Nothing contained herein shall be construed as making any such person a party to the proceeding or as making any such person personally liable for the taxes or other legal charges due thereon.

§ 3. The real property tax law is amended by adding a new section 1126-a to read as follows:

§ 1126-a. Posthumous declaration of interest. 1. Upon the death of an owner of real property, a personal representative of the decedent's estate or a successor in interest of the decedent may file a posthumous declaration of interest with the enforcing officer on a form prescribed by the commissioner. Such posthumous declaration shall provide the decedent's name and date of death, a description of the property the decedent had owned, and the name and address of a person to be informed when taxes are owed on that property. Thereafter, in addition to any other notification requirements that may apply, the enforcing officer shall cause any notices required by this article to be mailed to such person at the address so provided until such time as the acquisition of title by the decedent's successor or successors in interest has become a matter of public record, or the declaration is revoked or modified. The enforcing officer shall provide copies of any declarations so filed to the assessor, tax collecting officer and county director of real property tax services within fifteen days of receipt, or as soon thereafter as is practicable.

2. If no posthumous declaration of interest has been filed, a delinquent tax lien may be foreclosed by a proceeding in rem as otherwise provided by this article, notwithstanding the fact that the property owner has died. In such cases, the enforcing officer shall not be obliged to obtain in personam jurisdiction over a personal representative of the decedent's estate; provided, however, that nothing contained herein shall be construed to relieve the enforcing officer of the obligation to cause a notice to be mailed to any persons whose interests in the property are reasonably ascertainable from the records of the surrogate of the county, as provided by subparagraph (i) of paragraph (a) of subdivision one of section eleven hundred twenty-five of this title.

§ 4. This act shall take effect immediately.

(d) If dissatisfied with the assessed value appearing on the tentative assessment roll, the property owner may file a complaint with the board of assessment review; provided, however, that the grounds for review of an assessment determined under this section with respect to both article five and article seven of this chapter shall be limited to the accuracy of the appraisal model inputs made by the assessor.

§ 1321-e. Required capital investment. 1. The board shall establish the minimum capital investment for each unawarded gaming facility license. Such investment may include, but not be limited to, a casino area, hotel and other amenities; and provided further, that the board shall determine whether it will include the purchase or lease price of the land where the gaming facility will be located or any infrastructure designed to support the site including, but not limited to, drainage, utility support, roadways, interchanges, fill and soil or groundwater or surface water contamination issues. The board may consider private capital investment made previous to the effective date of this title, but may, in its discretion, discount a percentage of the investment made. Upon award of a gaming license by the commission, the applicant shall be required to deposit ten percent of the total investment proposed in the application into an interest-bearing account. Monies received from the applicant shall be held in escrow until the final stage of construction, as detailed in the timeline of construction submitted with the licensee's application and approved by the commission, at which time the deposit plus interest earned shall be returned to the applicant to be applied for the final stage. Should the applicant be unable to complete the gaming facility, the deposit shall be forfeited to the state. In place of a cash deposit, the commission may allow for an applicant to secure a deposit bond insuring that ten percent of the proposed capital investment shall be forfeited to the state if the applicant is unable to complete the gaming facility.

2. Each applicant shall submit its proposed capital investment with its application to the board which shall include stages of construction of the gaming facility and the deadline by which the stages and overall construction and any infrastructure improvements will be completed. In awarding a license, the commission shall determine at what stage of construction a licensee shall be approved to open for gaming; provided, however, that a licensee shall not be approved to open for gaming until the commission has determined that at least the gaming area and other ancillary entertainment services and non-gaming amenities, as required by the board, have been built and are of a superior quality as set forth in the conditions of licensure. The commission shall not approve a gaming facility to open before the completion of the permanent casino area.

3. The board shall determine a licensing fee to be paid by a licensee within thirty days after the award of the license which shall be deposited into the commercial gaming revenue fund. The license shall set forth the conditions to be satisfied by the licensee before the gaming facility shall be opened to the public. The commission shall set any renewal fee for such license based on the cost of fees associated with the evaluation of a licensee under this article which shall be deposited into the commercial gaming fund. Such renewal fee shall be exclusive of any subsequent licensing fees under this section.

4. The commission shall determine the sources and total amount of an applicant's proposed capitalization to develop, construct, maintain and operate a proposed gaming facility under this article. Upon award of a gaming license, the commission shall continue to assess the capitalization of a licensee for the duration of construction of the proposed gaming facility and the term of the license.

§ 1321-f. Minimum license thresholds. The minimum licensing thresholds shall be the same as those established under section thirteen hundred sixteen of this article.
§ 1321-g. Investigation of license applicants. The process used to investigate license applicants shall be the same process established under section thirteen hundred seventeen of this article.

§ 1321-h. Disqualifying criteria. The criteria to disqualify applicants shall be the same criteria used for upstate gaming facility licensing, which are enumerated in section thirteen hundred eighteen of this article.

§ 1321-i. Hearings. The process used for hearings shall be the same process established under section thirteen hundred nineteen of this article.

§ 1321-j. Siting evaluation. In determining whether an applicant shall be eligible for a gaming facility license, the board shall evaluate how each applicant proposes to advance the following objectives with consideration given to the differences between proposed projects related to whether it is a conversion of an existing video lottery gaming facility or new facility construction, and the proposed location. The decision by the board to select a gaming facility license applicant shall be determined based on the following factors which shall include, but not be limited to:

(a) realizing maximum capital investment exclusive of land acquisition and infrastructure improvements;

(b) maximizing revenues received by the state and localities;
