SUBPART C

Section 1. Subdivision (f) of section 42 of the tax law, as added by section 1 of part RR of chapter 60 of the laws of 2016, is amended to read as follows:

(f) A taxpayer claiming the credit allowed under this section shall not be allowed to claim any other tax credit allowed under this chapter, except the credit allowed under section forty-two-a of this article, with respect to any eligible farm employee included in the total number of eligible farm employees used to determine the amount of the credit allowed under this section.

§ 2. The tax law is amended by adding a new section 42-a to read as follows:

§ 42-a. Farm employer overtime credit. (a) Notwithstanding subdivision (f) of section forty-two of this article, a taxpayer that is a farm employer or an owner of a farm employer shall be eligible for a credit against the tax imposed under article nine-A or twenty-two of this chapter, pursuant to the provisions referenced in subdivision (i) of this section.

(b) A farm employer is a corporation (including a New York S corporation), a sole proprietorship, a limited liability company or a partnership that is an eligible farmer.

(c) For purposes of this section, the term "eligible farmer" means a taxpayer whose federal gross income from farming as defined in subsection (n) of section six hundred six of this chapter for the taxable year is at least two-thirds of excess federal gross income. Excess federal gross income means the amount of federal gross income from all sources for the taxable year in excess of thirty thousand dollars. For purposes of this section, payments from the state's farmland protection program, administered by the department of agriculture and markets, shall be included as federal gross income from farming for otherwise eligible farmers.

(d) An eligible farm employee is an individual who meets the definition of a "farm laborer" under section two of the labor law who is employed by a farm employer in New York state, but excluding general executive officers of the farm employer.

(e) Eligible overtime is the aggregate number of hours of work performed during the taxable year by an eligible farm employee that in any calendar week exceeds the overtime work threshold set by the commissioner of labor pursuant to the recommendation of the farm laborers wage board, provided that work performed in such calendar week in excess of sixty hours shall not be included.

(f) Special rules. If more than fifty percent of such eligible farmer's federal gross income from farming is from the sale of wine from a licensed farm winery as provided for in article six of the alcoholic beverage control law, or from the sale of cider from a licensed farm cidery as provided for in section fifty-eight-c of the alcoholic beverage control law, then an eligible farm employee of such eligible farmer shall be included for purposes of calculating the amount of credit allowed under this section only if such eligible farm employee is employed by such eligible farmer on qualified agricultural property as

1 defined in paragraph four of subsection (n) of section six hundred six
2 of this chapter.

3 (g) The amount of the credit allowed under this section shall be equal
4 to the aggregate amount of such credit allowed per eligible farm employ-
5 ee, as follows. The amount of the credit allowed per eligible farm
6 employee shall be equal to one hundred eighteen percent of the product
7 of (1) the eligible overtime worked during the taxable year by the
8 eligible farm employee and (2) the overtime rate paid by the farm
9 employer to the eligible farm employee less such employee's regular rate
10 of pay.

11 (h)(1) Taxpayers shall have the option to request an advance payment
12 of the portion of the amount of tax credit they are allowed under this
13 section for the amount of eligible overtime that the farm employer paid
14 from January first through July thirty-first. To be eligible for the
15 advance payment, the farm employer must submit by September thirtieth a
16 properly completed application to the department of agriculture and
17 markets, in a form prescribed by the commissioner of agriculture and
18 markets, that demonstrates how much the farm employer paid in eligible
19 overtime during that period. After reviewing a farm employer's completed
20 application for the advance payment of a portion of the amount of tax
21 credit allowed under this section, the department of agriculture and
22 markets may issue to that farm employer a certificate of tax credit that
23 specifies the exact amount of the tax credit under this article that a
24 taxpayer may claim as an advance payment pursuant to this subdivision.

25 (2) A taxpayer must submit a request to the department in the manner
26 prescribed by the commissioner after it has been issued a certificate of
27 tax credit by the department of agriculture and markets pursuant to
28 paragraph one of this subdivision (or such certificate has been issued
29 to a partnership, limited liability company or subchapter S corporation
30 in which it is a partner, member or shareholder, respectively, that is a
31 farm employer), but such request must be submitted no later than Novem-
32 ber first of the taxable year for which the credit is being claimed. For
33 those taxpayers who have requested an advance payment and for whom the
34 commissioner has determined to be eligible for this credit, the commis-
35 sioner shall advance a payment of the portion of the amount of tax cred-
36 it allowed to the taxpayer. The taxpayer will claim on the taxpayers'
37 return for the taxable year the portion of the amount of tax credit
38 allowed for eligible overtime paid by the farm employer from August
39 first through December thirty-first. The taxpayer must properly recon-
40 cile the advance payment of tax credit allowed under this subdivision on
41 the taxpayer's return.

42 (3) If a taxpayer that has received an advance payment is not an
43 eligible farmer for the taxable year for which it received an advance
44 payment, the taxpayer shall be required to add back as tax the amount of
45 advance payment the taxpayer received during the taxable year.

46 (4) Notwithstanding any provision of this chapter, employees of the
47 department of agriculture and markets and the department shall be
48 allowed to share and exchange:

49 (i) information derived from tax returns or reports that is relevant
50 to a taxpayer's eligibility for the credit allowed by this section;

51 (ii) information regarding the credit applied for, allowed or claimed
52 pursuant to this section and regarding taxpayers that are applying for
53 the credit or that are claiming the credit; and

54 (iii) information collected by the department of agriculture and
55 markets and exchanged between the department of agriculture and markets

1 and the department pursuant to this section shall not be subject to
2 disclosure or inspection under the state's freedom of information law.

3 (i) Cross references: For application of the credit provided in this
4 section, see the following provisions of this chapter:

5 (1) Article 9-A: Section 210-B, subdivision 58.

6 (2) Article 22: Section 606, subsection (nnn).

7 § 3. Section 210-B of the tax law is amended by adding a new subdivi-
8 sion 58 to read as follows:

9 58. Farm employer overtime credit. (a) Allowance of credit. A taxpay-
10 er shall be allowed a credit, to be computed as provided in section
11 forty-two-a of this chapter, against the tax imposed by this article.

12 (b) Application of credit. The credit allowed under this subdivision
13 for any taxable year shall not reduce the tax due for such year to less
14 than the amount prescribed in paragraph (d) of subdivision one of
15 section two hundred ten of this article. However, if the amount of cred-
16 it allowed under this subdivision for any taxable year reduces the tax
17 to such amount or if the taxpayer otherwise pays tax based on the fixed
18 dollar minimum amount, any amount of credit thus not deductible in such
19 taxable year shall be treated as an overpayment of tax to be credited or
20 refunded in accordance with the provisions of section one thousand
21 eighty-six of this chapter. Provided, however, the provisions of
22 subsection (c) of section one thousand eighty-eight of this chapter
23 notwithstanding, no interest shall be paid thereon.

24 § 4. Subparagraph (B) of paragraph 1 of subsection (i) of section 606
25 of the tax law is amended by adding a new clause (xlix) to read as
26 follows:

27 <u>(xlix) Farm employer overtime</u>	<u>Amount of credit under</u>
28 <u>credit under subsection (nnn)</u>	<u>subdivision fifty-eight of</u>
29	<u>section two hundred ten-B</u>

30 § 5. Section 606 of the tax law is amended by adding a new subsection
31 (nnn) to read as follows:

32 (nnn) Farm employer overtime credit. (1) A taxpayer shall be allowed a
33 credit, to be computed as provided in section forty-two-a of this chap-
34 ter, against the tax imposed by this article.

35 (2) Application of credit. If the amount of credit allowed under this
36 subsection for any taxable year exceeds the taxpayer's tax for such
37 year, the excess shall be treated as an overpayment of tax to be credit-
38 ed or refunded in accordance with the provision of section six hundred
39 eighty-six of this article, provided, however, that no interest shall be
40 paid thereon.

41 § 6. This act shall take effect immediately and shall apply to taxable
42 years beginning on or after January 1, 2022.

43 § 2. This act shall take effect immediately provided, however, that
44 the applicable effective date of Subparts A through C of this act shall
45 be as specifically set forth in the last section of such Subparts.

12 aggregate amount of tax credits allowed for such year under this para-
13 graph, such excess shall be treated as having been applied for on the
14 first day of the next year. If the total amount of allocated tax credits
15 applied for under this paragraph at the conclusion of any year is less
16 than five million dollars, the remainder shall be treated as part of the

17 the tax law. Each component is wholly contained within a Subpart identi-
18 fied as Subparts A, C, D and E. The effective date for each particular
19 provision contained within such Subpart is set forth in the last section
20 of such Subpart. Any provision in any section contained within a
21 Subpart, including the effective date of the Subpart, which makes refer-
22 ence to a section of "this act", when used in connection with that
23 particular component, shall be deemed to mean and refer to the corre-

35 day for paying school taxes without incurring interest or penalty,
36 submit a written request to the commissioner asking him or her to extend
37 the filing deadline and grant the exemption. Such request shall contain

39 by an application, reflecting the facts and circumstances as they
40 existed on the taxable status date. After consulting with the assessor,
41 the commissioner may extend the filing deadline and grant the exemption
42 if the commissioner is satisfied that (i) good cause existed for the
43 failure to file the application by the taxable status date, and that
44 (ii) the applicant is otherwise entitled to the exemption. The commis-
45 sioner shall mail notice of his or her determination to such owner and
46 the assessor. If the determination states that the commissioner has
47 granted the exemption, the assessor shall thereupon be authorized and
48 directed to correct the assessment roll accordingly, or, if another
49 person has custody or control of the assessment roll, to direct that
50 person to make the appropriate corrections. ~~If the correction is not~~
51 ~~made before school taxes are levied, the school district authorities~~
52 ~~shall be authorized and directed to take account of the fact that the~~

~~commissioner has granted the exemption by correcting the applicant's tax bill and/or issuing a refund accordingly]~~ Provided, however, that if the assessment roll cannot be corrected in time for the exemption to appear on the applicant's school tax bill, the commissioner shall be authorized to remit directly to the applicant the tax savings that the STAR exemption would have yielded if it had appeared on the applicant's tax bill. The amounts so payable shall be paid from the account established for the payment of STAR benefits to late registrants pursuant to subparagraph (iii) of paragraph (a) of subdivision fourteen of this section.

35 make such adjustments to the appraisal model inputs as he or she deems
36 warranted based upon the information provided by the property owner, and
37 may recalculate the property value by entering the adjusted inputs into
38 the appraisal model.

31 subsection (g-4) to read as follows:

32 (g-4) Geothermal energy systems credit. (1) General. An individual
33 taxpayer shall be allowed a credit against the tax imposed by this arti-
34 cle equal to twenty-five percent of qualified geothermal energy system
35 expenditures, except as provided in subparagraph (D) of paragraph two of
36 this subsection, not to exceed five thousand dollars.

37 (2) Qualified geothermal energy systems expenditures. (A) The term
38 "qualified geothermal energy system expenditures" means expenditures
39 for:

40 (i) the purchase of geothermal energy system equipment which is
41 installed in connection with residential property which is (I) located
42 in this state and (II) which is the taxpayer's residence at the time the
43 geothermal energy system is placed in service; or

44 (ii) the lease of geothermal energy system equipment under a written
45 agreement that spans at least ten years where such equipment owned by a
46 person other than the taxpayer is installed in connection with residen-
47 tial property which is (I) located in this state and (II) which is the
48 taxpayer's residence at the time the geothermal energy system equipment
49 is placed in service.

50 (B) Such qualified expenditures shall include expenditures for materi-
51 als, labor costs properly allocable to on-site preparation, assembly and
52 original installation, architectural and engineering services, and
53 designs and plans directly related to the construction or installation
54 of the geothermal energy system equipment.

1 (C) Such qualified expenditures for the purchase of geothermal energy
2 system equipment shall not include interest or other finance charges or
3 costs that have been used to qualify for any other credit.

4 (D) Such qualified expenditures for the lease of geothermal energy
5 system equipment under an agreement described in clause (ii) of subpara-
6 graph (A) of this paragraph shall include an amount equal to all
7 payments made during the taxable year under such agreement. Provided,
8 however, such credits shall only be allowed for fourteen years after the
9 first taxable year in which such credit is allowed. Provided further,
10 however, the twenty-five percent limitation in paragraph one of this
11 subsection shall only apply to the total aggregate amount of all
12 payments to be made pursuant to an agreement referenced in clause (ii)
13 of subparagraph (A) of this paragraph, and shall not apply to individual
14 payments made during a taxable year under such agreement except to the
15 extent such limitation on an aggregate basis has been reached.

16 (3) Geothermal energy system equipment. The term "geothermal energy
17 system equipment" shall mean a system whose original use begins with the
18 taxpayer; which meets the eligibility criteria, if any, prescribed by
19 the department; and which is a ground coupled solar thermal system that
20 utilizes the solar thermal energy stored in the ground or in bodies of
21 water to produce heat, and which is commonly known as or referred to as
22 a ground source heat pump system.

23 (4) Multiple taxpayers. Where geothermal energy system equipment is
24 purchased and installed in a residence shared by two or more taxpayers,
25 the amount of the credit allowable under this subsection for each such
26 taxpayer shall be prorated according to the percentage of the total
27 expenditure for such geothermal energy system equipment contributed by
28 each taxpayer.

29 (5) Proportionate share. Where geothermal energy system equipment is
30 purchased and installed by a condominium management association or a
31 cooperative housing corporation, a taxpayer who is a member of the
32 condominium management association or who is a tenant-stockholder in the
33 cooperative housing corporation may for the purpose of this subsection
34 claim a proportionate share of the total expense as the expenditure for
35 the purposes of the credit attributable to the taxpayer's residence.

36 (6) Grants. For purposes of determining the amount of the expenditure
37 incurred in purchasing and installing geothermal energy system equip-
38 ment, the amount of any federal, state or local grant received by the
39 taxpayer, which was used for the purchase and/or installation of such
40 equipment and which was not included in the federal gross income of the
41 taxpayer, shall not be included in the amount of such expenditures.

42 (7) Limitation. The credit shall only be allowed for geothermal energy
43 system equipment installed in connection with residential property used
44 exclusively for personal purposes by the taxpayer. No credit shall be
45 allowed for geothermal energy system equipment installed in connection
46 with residential property that is rented at any time during the taxable
47 year for which the credit is being claimed.

48 (8) When credit allowed. The credit provided for herein shall be
49 allowed with respect to the taxable year in which the geothermal energy
50 system equipment is placed in service and shall be allowed only for
51 geothermal energy system equipment placed into service after January
52 first, two thousand twenty-two. However, the taxpayer shall be allowed a
53 credit for only one such system in any taxable year.

54 (9) Carryover of credit. If the amount of the credit, and carryovers
55 of such credit, allowable under this subsection for any taxable year
56 shall exceed the taxpayer's tax for such year, such excess amount may be

carried over to the five taxable years next following the taxable year with respect to which the credit is allowed and may be deducted from the taxpayer's tax for such year or years.

§ 2. This act shall take effect immediately and shall apply to taxable years commencing on and after January 1, 2022.

11 abatement was initially taken.

12 (b) Notwithstanding paragraph (a) of this subdivision, an enhanced tax

34 which such tax abatement is taken.

35 (ii) To the extent the amount of such enhanced tax abatement exceeds
36 the lesser of (A) forty-five thousand dollars or (B) the real property

38 such tax abatement that remains may be applied to the real property tax
39 liability of such building in succeeding tax years, provided that such
40 abatement must be applied to the real property tax liability of such
41 building in one or more of the four tax years succeeding the tax year in
42 which the tax abatement was initially taken.

43 (c) Notwithstanding paragraph (a) or (b) of this subdivision, the

3 this paragraph shall be deemed to affect the obligation of any taxpayer
4 under applicable law with respect to the payment of any installment of
5 real property tax for the fiscal year as to which such allocation is
6 made, which was due and payable prior to the date such amended real
7 property tax bills are sent, and the department of finance shall be

20 4. If, as a result of application to the tax commission or a court
21 order or action by the department of finance, the billable assessed
22 value of the eligible building for the fiscal year in which the tax
23 abatement is taken is reduced after the assessment roll becomes final,
24 the department of finance shall recalculate such abatement so that the
25 abatement granted shall not exceed the annual tax liability of such
26 building as so reduced. The amount equal to the difference between the
27 initial abatement granted by the department and the abatement as so
28 recalculated shall be deducted from any refund otherwise payable or
29 remission otherwise due as a result of such reduction in billable
30 assessed value.

48 ing described in subdivision one of section four hundred ninety-nine-
49 bbbbb of this title, or a copy of the new or amended permit issued to
50 such childcare center by the department of health and mental hygiene for
51 such operation.

52 (d) Determinations that have been certified, in a form prescribed by
53 the designated agency, by an engineer, architect, or certified public

56 design, as further designated by rule, as follows:

8 children allowed on the premises of an existing childcare center in such
9 building, such costs that were necessary to increase the maximum number
10 of children allowed on such premises; and

11 (iii) The reasonableness of the costs to construct, convert, alter or
12 improve the premises of the childcare center in the eligible building

21 by a designated agency, including electronic form.

22 4. An application for tax abatement shall be approved by a designated
23 agency upon determining that the applicant has submitted proof accepta-
24 ble to such agency that the requirements for obtaining such tax abate-
25 ment have been satisfied. The burden of proof shall be on the applicant
26 to show by clear and convincing evidence that the requirements for
27 granting such tax abatement have been satisfied.

28 5. Upon receipt of notification from a designated agency that an
29 application for tax abatement has been approved, the department of
30 finance shall apply such tax abatement to the real property tax liabil-
31 ity of the eligible building for the tax year for which the abatement

45 provision of law to the contrary, the department of finance shall
46 revoke, in whole or in part, any tax abatement granted pursuant to this
47 title whenever a designated agency has determined and notified such
48 department that:

49 (a) The childcare center in the eligible building of the owner whose
50 application for tax abatement has been approved has ceased operation as
51 a childcare center for a period exceeding one hundred eighty days of the
52 abatement period, except when such childcare center ceases operation due

8 2. The department of finance may revoke, in whole or in part, any tax

22 for whom such tax abatement has been revoked due to a false or mislead-
23 ing statement, or an omission, pursuant to paragraph (b) of subdivision
24 one of this section, shall pay, with interest, such part of any tax
25 abatement received pursuant to this title that represents the period of
26 non-compliance as determined by the designated agency or the department
27 of finance, as the case may be.

28 § 499-fffff. Enforcement and administration. 1. The department of
29 finance shall have, in addition to any other functions, powers and

13 care program for which a permit to operate such program has been issued
14 by the department of health and mental hygiene pursuant to article
15 forty-seven of the health code.

16 2. Child care rate. The term "child care rate" means the weekly child
17 care subsidy market rates, based on the sixty-ninth percentile of the
18 2017-18 New York state child care market rate survey, for infant and
19 toddler care provided by a permitted day care center in county cluster
20 five, as reflected in the 2019 child care market rate survey report
21 published by the New York state office of children and family services
22 in compliance with section 98.45 of title forty-five of the code of
23 federal regulations, provided that the department of finance may, by
24 rule, revise such rates based on subsequent editions of the child care
25 market rate survey report, as published by such office, or any other
26 similar report published by such office in compliance with such section.

27 3. Child care seats. The term "child care seats" means the maximum
28 number of children to be allowed on the premises of a child care program
29 at any time that such program is in operation as specified on the permit
30 issued for such program by the department of health and mental hygiene.

31 4. Child care seats that are occupied. The term "child care seats that
32 are occupied" means, for each service year in which a child care program
33 is in operation, the average daily number of children in attendance on
34 the premises of such child care program.

35 5. Creates child care. The term "creates child care" means the making
36 available of child care seats in a child care program by a taxpayer,

47 pursuant to article forty-seven of the health code on or after April
48 first, two thousand twenty-two, and, provided, further, that the costs
49 imposed on such employees for such child care program do not exceed
50 forty percent of the child care rate.

51 7. Service year. The term "service year" means the twelve-month period
52 commencing on October first and ending on September thirtieth in the
53 subsequent calendar year.

1 b. Credit allowed. A taxpayer that creates child care or expands child
2 care shall be allowed a credit against the tax imposed by chapter five,
3 or by subchapter two or three-a of chapter six, of this title to be
4 credited or refunded, without interest, in accordance with the
5 provisions of subdivision (q) of section 11-503, subdivision twenty-
6 three of section 11-604 and subdivision twenty-three of section 11-654
7 of this title. The amount of such credit shall be, for the portion of
8 the service year in which the child care program was in operation, the
9 sum of: (i) the product of the number of infant child care seats that
10 have been created or expanded and twenty percent of the child care rate
11 for such infant child care seats; and (ii) the product of the number of
12 toddler child care seats that have been created or expanded and twenty
13 percent of the child care rate for such toddler child care seats;
14 provided that such infant and toddler child care seats are child care
15 seats that are occupied. Notwithstanding the preceding sentence, a cred-
16 it shall not be allowed for more than twenty-five child care seats that
17 are occupied, and the amount of such credit may be reduced as a result
18 of an allocation of available funds, as described in subdivision e of
19 this section, for such credit.

20 c. Application process. A taxpayer must submit an application for such
21 credit by November first of the calendar year in which the service year
22 has ended.

23 1. Such application shall include but not be limited to:

24 (a) a permit issued by the department of health and mental hygiene to
25 operate a child care center indicating the number of child care seats
26 or, in the case of a child care center that has experienced an expansion
27 of child care seats, a permit issued by such department demonstrating
28 such expansion; and

29 (b) a certification from an independent certified public accountant
30 that provides:

31 (1) the total number of child care seats that are child care seats
32 that are occupied during such service year;

33 (2) of such total number of child care seats that are occupied, the
34 number of infant child care seats that are occupied and the number of
35 toddler child care seats that are occupied; and

36 (3) to the extent the taxpayer has expanded child care, the number of
37 child care seats in existence before such expansion and the number of
38 such child care seats that were occupied before such expansion.

39 2. No later than January thirty-first of the calendar year following
40 the calendar year in which the application was submitted, the department
41 of finance shall approve or deny such application and provide a calcu-
42 lation of the amount of such credit as determined by subdivision e of
43 this section for any application that has been approved.

44 d. Application of credit to tax year. The credit, as approved and
45 calculated by the department of finance pursuant to paragraph two of
46 subdivision c of this section, shall be applied to the tax year in which
47 the service year concludes, except that: (i) for a taxpayer whose tax
48 year concludes on or after September thirtieth and before December thir-
49 ty-first, the credit shall be applied to the tax year immediately
50 following the tax year in which the service year concludes; and (ii) to
51 provide the credit in a tax year consistent with this subdivision, the
52 department of finance may establish procedures governing the application
53 of such credit where the tax year of a taxpayer who has applied for such
54 credit is less than twelve months, or where such tax year varies in
55 accordance with subsection f of section four hundred forty-one of the
56 internal revenue code.

e. Maximum amount of credit available. For each of the three tax years in which the credit authorized by this section is available, the aggregate amount of such credit shall be a maximum of twenty-five million dollars. To the extent that the department of finance has determined that the aggregate amount of such credit, as calculated pursuant to subdivision b of this section, would exceed twenty-five million dollars, such department shall reduce the amount of credit to be granted to each taxpayer who has applied for such credit in accordance with a process to be developed in rules promulgated by such department. In developing such process, the department may consider factors including, but not limited to, the date of application, the number of child care seats in a child care program that are occupied, and the extent to which the taxpayer bears the cost of the child care that is provided to the employees of such taxpayer.

§ 2. Section 11-503 of the administrative code of the city of New York is amended by adding a new subdivision (q) to read as follows:

(q) Credit for the provision of child care. In addition to any other credit allowed under this section, a taxpayer whose application for a credit authorized by section 11-144 of this title has been approved by the department of finance shall be allowed a credit against the tax imposed by this chapter. The amount of the credit shall be determined as provided in such section. To the extent the amount of the credit allowed by this subdivision exceeds the amount of tax due pursuant to this chapter, as calculated without such credit, such excess amount shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section 11-526 of this chapter, provided, however, that notwithstanding the requirements of section 11-528 of this chapter to the contrary, no interest shall be paid thereon.

§ 3. Section 11-604 of the administrative code of the city of New York is amended by adding a new subdivision 23 to read as follows:

(23) Credit for the provision of child care. In addition to any other credit allowed under this section, a taxpayer whose application for a credit authorized by section 11-144 of this title has been approved by the department of finance shall be allowed a credit against the tax imposed by this chapter. The amount of the credit shall be determined as provided in such section. To the extent the amount of the credit allowed by this subdivision exceeds the amount of tax due pursuant to this subchapter, as calculated without such credit, such excess amount shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section 11-677 of this chapter, provided, however, that notwithstanding the requirements of section 11-679 of this chapter to the contrary, no interest shall be paid thereon.

§ 4. Section 11-654 of the administrative code of the city of New York is amended by adding a new subdivision 23 to read as follows:

(23) Credit for the provision of child care. In addition to any other credit allowed under this section, a taxpayer whose application for a credit authorized by section 11-144 of this title has been approved by the department of finance shall be allowed a credit against the tax imposed by this chapter. The amount of the credit shall be determined as provided in such section. To the extent the amount of the credit allowed by this subdivision exceeds the amount of tax due pursuant to this subchapter, as calculated without such credit, such excess amount shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section 11-677 of this chapter, provided, however, that notwithstanding the requirements of section

11-679 of this chapter to the contrary, no interest shall be paid thereon.

§ 5. PART KK

Section 1. Section 472 of the economic development law is amended by adding a new subdivision 4-a to read as follows:

4-a. "Certificate of additional tax credit" means the document issued to a business entity by the department after the department has verified that the business entity has met all applicable eligibility criteria in this article. The certificate shall specify the exact amount of the tax credit under this article that a business entity may claim pursuant to section four hundred seventy-five-a of this article.

§ 2. Subdivisions 1 and 3 of section 474 of the economic development law, as added by section 1 of subpart A of part PP of chapter 59 of the laws of 2021, are amended and a new subdivision 4 is added to read as follows:

1. A business entity must submit a complete application as prescribed by the commissioner for the restaurant return-to-work credit and the additional restaurant return-to-work credit.

3. The application for the tax credit allowed under section four hundred seventy-five of this article must be submitted by May first, two thousand twenty-two. After reviewing a business entity's completed final application for the restaurant return-to-work credit and determining that the business entity meets the eligibility criteria as set forth in this article, the department may issue to that business entity a certificate of tax credit. A business entity may claim the tax credit in the taxable year that includes December thirty-first, two thousand twenty-one.

4. The application for the tax credit allowed under section four hundred seventy-five-a of this article must be submitted by July first, two thousand twenty-two. After reviewing a business entity's completed final application for the additional restaurant return-to-work credit and determining that the business entity meets the eligibility criteria as set forth in this article, the department may issue to that business entity a certificate of additional tax credit. A business entity may claim the tax credit in the taxable year that includes December thirty-first, two thousand twenty-two.

§ 3. The economic development law is amended by adding a new section 475-a to read as follows:

§ 475-a. Additional restaurant return-to-work tax credit. 1. A business entity in the restaurant return-to-work tax credit program that applies for the additional restaurant return-to-work credit pursuant to section four hundred seventy-four of this article may be eligible to claim a credit equal to five thousand dollars per each full-time equivalent net employee increase above ten, not to exceed twenty, as defined in subdivision eight of section four hundred seventy-two of this article. The amount of the business entity's additional restaurant return-to-work tax credit shall be calculated by using the date the business entity chose to calculate its average ending full-time employment as described in subdivision three of section four hundred seventy-two of this article. Provided, however, that in calculating the full-time equivalent net employee increase above ten, the jobs must continue to exist as of March thirty-first, two thousand twenty-two. A business entity in the restaurant return-to-work program that ceased operations

1 on or before March thirty-first, two thousand twenty-two, is not eligi-
2 ble for the credit provided by this section.

3 2. A business entity, including a partnership, limited liability
4 company and subchapter S corporation, may not receive in excess of fifty
5 thousand dollars in tax credits under this program.

6 3. The credit shall be allowed as provided in section forty-six-a,
7 subdivision fifty-six-a of section two hundred ten-B and subsection
8 (nnn) of section six hundred six of the tax law.

9 § 4. The tax law is amended by adding a new section 46-a to read as
10 follows:

11 § 46-a. Additional restaurant return-to-work tax credit. (a) Allowance
12 of credit. A taxpayer subject to tax under article nine-A or twenty-two
13 of this chapter shall be allowed a credit against such tax, pursuant to
14 the provisions referenced in subdivision (f) of this section. The amount
15 of the credit is equal to the amount determined pursuant to section four
16 hundred seventy-five-a of the economic development law. No cost or
17 expense paid or incurred by the taxpayer which is included as part of
18 the calculation of this credit shall be the basis of any other tax cred-
19 it allowed under this chapter.

20 (b) Eligibility. To be eligible for the additional restaurant return-
21 to-work tax credit, the taxpayer shall have been issued a certificate of
22 additional tax credit by the department of economic development pursuant
23 to subdivision four of section four hundred seventy-four of the economic
24 development law, which certificate shall set forth the amount of the
25 credit that may be claimed for the taxable year. The taxpayer shall be
26 allowed to claim only the amount listed on the certificate of additional
27 tax credit for that taxable year. A taxpayer that is a partner in a
28 partnership, member of a limited liability company or shareholder in a
29 subchapter S corporation that has received a certificate of additional
30 tax credit shall be allowed its pro rata share of the credit earned by
31 the partnership, limited liability company or subchapter S corporation.
32 However, the taxpayer must be a partner, member or shareholder of such
33 partnership, limited liability company or subchapter S corporation as of
34 April first, two thousand twenty-two.

35 (c) Tax return requirement and advance payment option. (1) The taxpay-
36 er shall be required to attach to its tax return in the form prescribed
37 by the commissioner, proof of receipt of its certificate of additional
38 tax credit issued by the commissioner of the department of economic
39 development.

40 (2) Taxpayers shall have the option to request an advance payment of
41 the amount of tax credit they are allowed under this section. A taxpayer
42 must submit such request to the department in the manner prescribed by
43 the commissioner after it has been issued a certificate of additional
44 tax credit by the department of economic development pursuant to subdivi-
45 vision four of section four hundred seventy-four of the economic devel-
46 opment law (or such certificate has been issued to a partnership, limit-
47 ed liability company or subchapter S corporation in which it is a
48 partner, member or shareholder, respectively), but such request must be
49 submitted no later than September thirtieth, two thousand twenty-two.
50 For those taxpayers who have requested an advance payment and for whom
51 the commissioner has determined eligible for this credit, the commis-
52 sioner shall advance a payment of the tax credit allowed to the taxpay-
53 er. However, in the case of a taxpayer subject to article nine-A of this
54 chapter, such payment shall be equal to the amount of credit allowed to
55 the taxpayer less twenty-five dollars. Such twenty-five dollars shall
56 represent a partial payment of tax owed by the taxpayer under article

nine-A, including any fixed dollar minimum owed under paragraph (d) of subdivision one of section two hundred ten of this chapter. When a taxpayer files its return for the taxable year, such taxpayer shall properly reconcile the advance payment and any partial payment of fixed dollar minimum tax, if applicable, on the taxpayer's return.

(d) Information sharing. Notwithstanding any provision of this chapter, employees of the department of economic development and the department shall be allowed and are directed to share and exchange:

(1) information derived from tax returns or reports that are relevant to a taxpayer's eligibility to participate in the restaurant return-to-work tax credit program;

(2) information regarding the credit applied for, allowed, or claimed pursuant to this section and taxpayers that are applying for the credit or that are claiming the credit; and

(3) information contained in or derived from credit claim forms submitted to the department and applications for admission into the restaurant return-to-work tax credit program. Except as provided in paragraph two of this subdivision, all information exchanged between the department of economic development and the department shall not be subject to disclosure or inspection under the state's freedom of information law.

(e) Credit recapture. If a certificate of additional tax credit issued by the department of economic development under article twenty-five of the economic development law is revoked by such department, the amount of credit described in this section and claimed by the taxpayer prior to that revocation shall be added back to tax in the taxable year in which any such revocation becomes final.

(f) Cross references. For application of the credit provided for in this section, see the following provisions of this chapter:

(1) article 9-A: section 210-B, subdivision 56-a;

(2) article 22: section 606, subsection (nnn).

§ 5. Section 210-B of the tax law is amended by adding a new subdivision 56-a to read as follows:

56-a. Additional restaurant return-to-work tax credit. (a) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-six-a of this chapter, against the taxes imposed by this article.

(b) Application of credit. The credit allowed under this subdivision for the taxable year shall not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowed under this subdivision for the taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest will be paid thereon.

§ 6. Section 606 of the tax law is amended by adding a new subsection (nnn) to read as follows:

(nnn) Additional restaurant return-to-work tax credit. (1) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-six-a of this chapter, against the tax imposed by this article.

(2) Application of credit. If the amount of the credit allowed under this subsection for the taxable year exceeds the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, that no interest will be paid thereon.

§ 7. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (xlix) to read as follows:

<u>(xlix) Additional restaurant</u>	<u>Amount of credit under</u>
<u>return-to-work credit</u>	<u>subdivision fifty-six-a of</u>
	<u>section two hundred ten-B</u>

§ 8. This act shall take effect immediately.

5 eight hundred seventy-three or section thirteen hundred thirteen of the
6 tax law so long as, after giving effect to such amendment, modification
7 or other alteration, the amount of tax revenues projected by the mayor
8 to be available to the authority during each of its fiscal years follow-
