

# STATE OF NEW YORK

8059--A

## IN SENATE

January 21, 2022

Introduced by Sen. BAILEY -- read twice and ordered printed, and when printed to be committed to the Committee on Agriculture -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the agriculture and markets law, in relation to establishing the office of urban agriculture

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The article heading of article 2-C of the agriculture and  
2 markets law, as added by chapter 862 of the laws of 1986, is amended to  
3 read as follows:

4 [~~COMMUNITY GARDENS~~] OFFICE OF URBAN AGRICULTURE

5 § 2. Section 31-f of the agriculture and markets law, as amended by  
6 chapter 272 of the laws of 2019, is amended to read as follows:

7 § 31-f. Legislative findings. The legislature hereby finds and  
8 declares that [~~community gardens~~] urban agriculture provide significant  
9 health, educational, economic, and social benefits to the general  
10 public, especially for those who reside in urban and suburban areas of  
11 this state. Furthermore, it is the articulated public policy of this  
12 state to promote and foster growth in [~~the number of community gardens~~]  
13 urban agriculture, including but not limited to, urban farms, community  
14 gardens, farmers markets, and community supported agriculture and the  
15 acreage of [~~such gardens~~] urban agriculture throughout the state. The  
16 [~~community garden~~] urban agriculture movement continues to provide low  
17 cost food that is fresh and nutritious for those who may be unable to  
18 readily afford or have easy access to fresh fruits and vegetables for  
19 themselves or their families, allows communities to grow food that is  
20 culturally relevant and significant, promotes public health and healthi-  
21 er individual lifestyles by encouraging better eating habits and  
22 increased physical activity by growing their own food, encourages owner-  
23 ship in agricultural enterprises for socially disadvantaged farmers who  
24 have historically been excluded from the industry, fosters the retention  
25 and expansion of open spaces, [~~particularly in urban environments~~],  
26 enhances urban and suburban environmental quality and community beauti-

1 fication, provides inexpensive community building activities, recreation  
2 and physical exercise for all age groups, establishes a safe place for  
3 community involvement and helps to reduce the incidence of crime, engen-  
4 ders a closer relationship between urban residents, nature and their  
5 local environment, and fosters green job training and ecological educa-  
6 tion at all levels. It is therefore the intent of the legislature and  
7 the purpose of this article to foster growth in the number, size and  
8 scope of [~~community gardens~~] urban agriculture structures in this state  
9 by encouraging state agencies, municipalities and private parties in  
10 their efforts to promote [~~community gardens~~] urban farms, community  
11 gardens, farmers markets, community supported agriculture, and any other  
12 agricultural structures in urban areas.

13 § 3. Section 31-g of the agriculture and markets law, as added by  
14 chapter 862 of the laws of 1986 and subdivisions 2 and 3 as amended and  
15 subdivision 4-a as added by chapter 528 of the laws of 2013, is amended  
16 to read as follows:

17 § 31-g. Definitions. As used in this article, unless another meaning  
18 is clearly indicated:

19 1. "Community garden" shall mean public or private lands upon which  
20 citizens of the state have the opportunity to garden on lands which they  
21 do not individually own.

22 2. "Community supported agriculture partnerships" or "CSA" shall mean  
23 a system that connects farmers and consumers by allowing the consumer to  
24 invest in farmers by subscribing to a harvest of a certain farm or group  
25 of farms, usually done by crop season but may be year round.

26 3. "Community owned grocery store" shall mean local stock corpo-  
27 rations, owned by residents who buy shares in the business.

28 4. "Garden" shall mean a piece or parcel of land appropriate for the  
29 cultivation of herbs, fruits, flowers, nuts, honey, poultry for egg  
30 production, maple syrup, ornamental or vegetable plants, nursery  
31 products, or vegetables.

32 [~~3-~~] 5. "Municipality" shall mean any county, town, village, city,  
33 school district, board of cooperative educational services, other  
34 special district, or any office or agency thereof.

35 [~~4-~~] 6. "Office" shall mean the office of [~~community gardens~~] urban  
36 agriculture.

37 [~~4-a-~~] 7. "State agency" shall mean any department, bureau, commis-  
38 sion, board, public authority or other agency of the state, including  
39 any public benefit corporation of which any member of whose board is  
40 appointed by the governor.

41 [~~5-~~] 8. "Urban agriculture" shall mean food systems where food is  
42 produced within an urban area and marketed to consumers within that  
43 area. Urban agricultural structures may include urban farms, community  
44 supported agriculture, community gardens, and other agricultural struc-  
45 tures in urban areas.

46 9. "Urban farming" shall mean the production of agricultural products  
47 such as produce and animal products, this may include growing crops,  
48 animal husbandry, beekeeping, aquaculture or aquaponics, vertical farm-  
49 ing, and non-food products such as producing seeds, cultivating  
50 seedlings, and growing flowers.

51 10. "Use" shall mean to avail oneself of or to employ without convey-  
52 ance of title gardens on vacant public lands by any individual or organ-  
53 ization.

54 [~~6-~~] 11. "Vacant public land" shall mean any land owned by the state  
55 or a public corporation including a municipality that is not in use for  
56 a public purpose, is otherwise unoccupied, idle or not being actively

1 utilized for a period of at least six months and is suitable for garden  
2 use.

3 § 4. Section 31-h of the agriculture and markets law, as added by  
4 chapter 862 of the laws of 1986, subdivision 2 as amended by chapter 528  
5 of the laws of 2013, paragraph e of subdivision 2 as amended by chapter  
6 525 of the laws of 2014, and paragraph f of subdivision 2 as amended by  
7 chapter 272 of the laws of 2019, is amended to read as follows:

8 § 31-h. Office of [~~community gardens~~] urban agriculture; powers;  
9 duties. 1. The commissioner shall establish within the department an  
10 office of [~~community gardens~~] urban agriculture which shall have the  
11 authority and responsibility for carrying out the provisions of this  
12 article in cooperation with the state department of environmental  
13 conservation, the state education department, the department of state,  
14 cooperative extensions and other state agencies and municipalities.

15 2. The duties of the office shall include:

16 a. [~~Upon request, the office shall assist in the identification of~~  
17 ~~vacant public land within a given geographical location~~] In cooperation  
18 with municipalities and land banks, identify, maintain, and update a  
19 comprehensive list of vacant public land in urban and suburban areas  
20 across the state and provide information regarding agency jurisdiction  
21 and the relative suitability of such lands for [~~community gardening~~]  
22 urban agriculture purposes;

23 b. Serve as a coordinator on behalf of interested community groups and  
24 the appropriate state or local agencies to facilitate the use of vacant  
25 public lands for [~~community garden~~] urban agriculture. If coordinating  
26 for use as a community garden for a nominal or no cost to the community,  
27 use for not less than one growing season by receiving and forwarding  
28 with recommendation completed applications to the appropriate state or  
29 municipal agency. If leasing for a reasonable price for an urban farm  
30 or other entrepreneurial agriculture endeavor, lease for not less than  
31 five years or five growing seasons, whichever is longer and relevant to  
32 the farm. Provided, further, that the office [~~may~~] shall develop a  
33 single [~~recommended~~] application form to be used by [~~community groups~~]  
34 individuals when applying to state agencies [~~or municipalities~~] for use  
35 of vacant public land for [~~community garden~~] urban agriculture purposes,  
36 and a recommended application form to be used by individuals when apply-  
37 ing to municipalities for use of vacant public land for urban agricul-  
38 ture purposes;

39 c. Support and encourage contact between [~~community garden programs~~]  
40 urban agriculture structures already in existence and those programs in  
41 the initial stages of development;

42 d. Seek and provide such assistance, to the extent funds or grants may  
43 become available, for the purposes identified in this article;

44 e. Assist, support and encourage contact [~~and cooperation between, and~~  
45 ~~the cooperative sharing of resources between community garden groups~~],  
46 partnerships, distributions, cooperations, and community outreach  
47 between urban agricultural businesses and organizations, community owned  
48 grocery stores, school garden programs and local voluntary food assist-  
49 ance programs, such as community food pantries, soup kitchens, senior  
50 centers, and other community and not-for-profit organizations that  
51 provide or distribute food to the elderly, poor, and disadvantaged. Such  
52 support can include the provision of surplus community garden food or  
53 other agricultural products to such local voluntary food assistance  
54 programs; and

55 f. Assist, support and encourage communication, and the sharing of  
56 resources between [~~community garden~~] urban agricultural businesses and

1 organizations, the New York Harvest For New York Kids Week program  
2 established by the department pursuant to subdivision five-b of section  
3 sixteen of this chapter and individual farm-to-school and school garden  
4 programs, and, where applicable, the department of health, the depart-  
5 ment of state, the office of children and family services and the divi-  
6 sion of housing and community renewal.

7 g. May make agreements with urban agricultural businesses and organ-  
8 izations for assistance in promulgating the programs and efforts of the  
9 office. The commissioner is hereby authorized to enter into agreements  
10 with urban agricultural businesses and organizations at no direct cost  
11 to support expansion, access, education, and development of new urban  
12 agriculture structures, particularly for socially disadvantaged farmers  
13 and in food insecure communities.

14 § 5. Section 31-i of the agriculture and markets law, as amended by  
15 chapter 528 of the laws of 2013, is amended to read as follows:

16 § 31-i. Use of state or municipally owned land for [~~community gardens~~]  
17 urban agriculture. 1. Any state agency or municipality with title in  
18 fee or of a lesser interest to vacant public land may permit [~~community~~  
19 ~~organizations to use such lands for community gardening~~] use, lease, or  
20 sell such lands for urban agriculture purposes. [~~Such~~] When use of  
21 vacant public land may be conditioned on the [~~community organization~~  
22 ~~possessing~~] possession of liability insurance and accepting liability  
23 for injury or damage resulting from use of the vacant public land for  
24 [~~community gardening~~] urban agriculture purposes.

25 2. State agencies and municipalities which have received an applica-  
26 tion for use, lease, or sale of public lands for [~~community garden~~]  
27 urban agriculture purposes shall respond to the applicant within thirty  
28 days and make a final determination within one hundred eighty days.

29 § 6. Section 31-j of the agriculture and markets law, as amended by  
30 chapter 635 of the laws of 2021, is amended to read as follows:

31 § 31-j. [~~Community gardens~~] Urban agriculture task force. 1. The  
32 commissioner shall convene [~~a community gardens~~] an urban agriculture  
33 task force to identify and develop ways to encourage state agencies,  
34 municipalities and private parties to establish and expand [~~community~~  
35 ~~gardens~~] urban agriculture and the activities conducted by such  
36 [~~gardens~~] entities and bridge the gap between urban agricultural busi-  
37 ness and organizations and urban food insecurity.

38 2. The task force shall be [~~chaired by the commissioner, or by such~~  
39 ~~officer or employee of the department as shall be designated by the~~  
40 ~~commissioner. The membership of the task force may include represen-~~  
41 ~~tation from appropriate state agencies and members that represent exist-~~  
42 ~~ing community gardens, counties, cities, towns, villages, school~~  
43 ~~districts, other special use districts, public authorities and cooper-~~  
44 ~~ative extension services. Membership of the task force shall include at~~  
45 ~~least two representatives from organizations dedicated to the promotion,~~  
46 ~~expansion or protection of community gardens.~~] comprised of nine

49 issue of urban food insecurity, such as food supply networks in urban  
50 areas including through, but not limited to local grocers, cooperations,  
51 and farmers markets, and (vii) any other activity to achieve the goals  
52 deemed appropriate by the task force according to the provisions of this  
53 article.

54 5. [~~The task force shall submit a report to the governor and the~~  
55 ~~legislature on or before January first, two thousand twenty-three and on~~

~~or before January first of each fifth year thereafter on the status of community gardens in New York state. Such report shall include:~~

- ~~(a) the number, nature and geographic location of community gardens;~~
- ~~(b) a description of the costs, benefits and impacts of community gardens;~~
- ~~(c) an assessment of the successes, failures and barriers in developing, maintaining and expanding community gardens;~~
- ~~(d) lists of funding sources available to develop and expand community gardens along with the requirements for obtaining the funding;~~
- ~~(e) an assessment of the funding, requirements and barriers for double the number of existing community gardens;~~
- ~~(f) a discussion of the goals outlined in subdivision four of this section and a description of the steps and projects undertaken to meet the goals for the task force as established in this section;~~
- ~~(g) an action plan for doubling the number of community gardens in the state of New York;~~
- ~~(h) recommendations for developing, maintaining and expanding community gardens in food deserts; and~~
- ~~(i) any other recommendations or assessments the task force deems appropriate for the report.~~

~~Between report due dates, the commissioner shall maintain the necessary records and data required to satisfy such report requirements and to satisfy information requests received from the governor and the legislature between such report due dates.]~~ The task force shall write one report to the legislature and the governor, no later than sixteen months after the effective date of the chapter of the laws of two thousand twenty-two which amended this section. The report to the governor and the legislature shall include the task force's activities, findings and recommendations.

§ 7. The agriculture and markets law is amended by adding a new section 31-k to read as follows:

§ 31-k. Office of urban agriculture website and interactive map. 1. The department shall establish a website to promote the work and programs of the office of urban agriculture. The website must include municipal vacant land available for urban agriculture. The department must provide an opportunity to private entities to list their vacant land for the purposes of urban agriculture on the website. The website must include, but is not limited to:

(a) Name, location, hours of operation, contact information, and hyperlinks, as available, to all municipalities and private entities with vacant land for urban agriculture.

(b) The website should have an interactive map where a user may find vacant land for urban agriculture. This information should also be searchable by town/city, county, region or any other criteria the commissioner deems relevant.

(c) The website must make clear distinctions between municipal and private entity land, and whether it is for use, donation, sale, or lease.

2. The department shall establish procedures and timelines for municipalities and private entities to provide updated information detailed above for the website. In these procedures, the department must provide a system in which the information required in the website is updated monthly and provide continuous maintenance as needed.

3. The department shall promulgate rules and regulations and take all other actions necessary for the effective implementation of this section. Nothing in this section shall prohibit or limit the depart-

1 ment's ability to expand access to this vacant land for urban agricul-  
2 ture map to all New Yorkers, such as creating a mobile phone applica-  
3 tion.

4 § 8. This act shall take effect on the ninetieth day after it shall  
5 have become a law. Effective immediately, the addition, amendment  
6 and/or repeal of any rule or regulation necessary for the implementation  
7 of this act on its effective date are authorized to be made and  
8 completed on or before such effective date.
