34 in such applicant's preferred language as chosen in the original appli-

51 retroactively to their first month of partial or total unemployment;
52 provided, however, that no more than three months of retroactive

51 (b) The department shall establish standards for the awarding of

Navigator services provided by qualified entities that receive navigator contracts shall be coordinated with and supplement, not supplant, services provided by the department.

(iii) The department shall ensure that selected qualified entities do not perform functions that must be performed by department staff, including following up on matters of individual eligibility and resolving such matters.

(d) All navigator services provided under this subdivision shall be performed in a manner that is culturally and linguistically appropriate to the population served, immigrants, cash earners, persons with limited English proficiency, racial and ethnic minorities, persons with low literacy, persons with disabilities and others seeking to gain employment, while recognizing the varying levels of digital literacy and access to technology among individuals in need of services.

11. (a) (i) Except where necessary to comply with a lawful court order, judicial warrant signed by a judge appointed pursuant to Article III of the United States Constitution, subpoena for individual records issued pursuant to the criminal procedure law or the civil practice law and rules, or in accordance with this section, no record or portion thereof relating to an applicant or worker who has filed an application for benefits pursuant to this section shall be a public record and no such record shall be disclosed, redisclosed, released, disseminated or otherwise published or made available.

(ii) For purposes of this subdivision:

(1) "record" means an application, a claim file, a file regarding a complaint or circumstances for which no application has been made, and/or any records maintained by the department in electronic databases in which individual applicants, recipients or workers are identifiable, or any other information relating to any person who has heretofore or hereafter filed an application for benefits pursuant to this section, including a copy or oral description of a record which is or was in the possession or custody of the department, its officers, members, employees or agents.

(2) "person" means any natural person, corporation, association, partnership, or other public or private entity.

(3) "individually identifiable information" means any data concerning any application, benefit or potential application or benefit that is linked to an identifiable worker or other natural person, including but not limited to a photo image, social security number, tax identification number, telephone number, place of birth, country of origin, place of employment, school or educational institution attended, source of income, status as a recipient of public benefits, customer identification number associated with a public utilities account, or medical or disability information.

(b) Records which contain individually identifiable information may, unless otherwise prohibited by law, be disclosed to:

(i) officers, members and employees of the department if such disclosure is necessary to the performance of their official duties pursuant

1 to a purpose of the department required to be accomplished by statute or
2 executive order or otherwise necessary to act upon an application for
3 benefits submitted by the person who is the subject of the particular
4 record;

5 (ii) officers or employees of another governmental unit, or agent or
6 contractors of another governmental unit at the request or direction of
7 such governmental unit, if the information sought to be disclosed is
8 necessary to act upon an application for benefits submitted by the
9 person who is the subject of the particular record;

10 (iii) a judicial or administrative officer or employee in connection
11 with an administrative or judicial proceeding if the information sought
12 to be disclosed is necessary to act upon an application for benefits
13 submitted by the person who is the subject of the particular record; and

14 (iv) a person engaged in bona fide statistical research, including but
15 not limited to actuarial studies and health and safety investigations,
16 which are authorized by statute or regulation of the department or other
17 governmental agency. Individually identifiable information shall not be
18 disclosed unless the researcher has entered into an agreement not to
19 disclose any individually identifiable information which contains
20 restrictions no less restrictive than the restrictions set forth in this
21 section and which includes an agreement that any research findings shall
22 not disclose individually identifiable information.

23 (c) Notwithstanding the restrictions on disclosure set forth in para-
24 graphs (a) and (b) of this subdivision, an applicant may authorize the
25 release, re-release or publication of his or her record to a specific
26 person not otherwise authorized to receive such record, by submitting
27 written authorization for such release to the department on a form
28 prescribed by the commissioner or by a notarized original authorization
29 specifically directing the department to release the applicant's records
30 to such person; provided, however, that no such authorization directing
31 disclosure of records to a prospective employer shall be valid, nor
32 shall an authorization permitting disclosure of records in connection
33 with assessing fitness or capability for employment be valid, and no
34 disclosure of records shall be made pursuant thereto. It shall be unlaw-
35 ful for any person to consider for the purpose of assessing eligibility
36 for benefits, or as the basis for an employment-related action, an indi-
37 vidual's failure to provide authorization under this paragraph.

38 (d) For the purposes of this section, whenever disclosure of records
39 is sought pursuant to a lawful court order, judicial warrant signed by a
40 judge pursuant to Article III of the United States Constitution, or
41 subpoena for individual records properly issued pursuant to the criminal
42 procedure law or the civil practice law and rules or pursuant to this
43 subdivision, such specifically sought records may be disclosed, and any
44 such disclosure shall be limited only to such records as are necessary
45 to fulfill the purpose of such disclosure.

46 (e) The commissioner shall require any person or entity that receives
47 or has access to records to certify that, before such receipt or access,
48 such person or entity shall not:

49 (i) use such records or information for civil immigration purposes; or

50 (ii) disclose such records or information to any agency that primarily
51 enforces immigration law or to any employee or agent of any such agency
52 unless such disclosure is pursuant to a cooperative arrangement between
53 city, state and federal agencies which arrangement does not enforce
54 immigration law and which disclosure is limited to the specific records
55 or information being sought pursuant to such arrangement. Violation of
56 such certification shall be a class A misdemeanor. In addition to any

1 records required to be kept pursuant to subdivision (c) of section 2721
2 of title 18 of the United States code, any person or entity certifying
3 pursuant to this paragraph shall keep for a period of five years records
4 of all uses and identifying each person or entity that primarily
5 enforces immigration law that received department records or information
6 from such certifying person or entity. Such records shall be maintained
7 in a manner and form prescribed by the commissioner and shall be avail-
8 able for inspection by the commissioner or his or her designee upon his
9 or her request.

10 (iii) For purposes of this paragraph, the term "agency that primarily
11 enforces immigration law" shall include, but not be limited to, the
12 United States immigration and customs enforcement and United States
13 customs and border protection, and any successor agencies having similar
14 duties.

15 (iv) Failure to maintain records as required by this paragraph shall
16 be a class E felony.

17 (f) Except as otherwise provided by this subdivision, any person who
18 knowingly and willfully obtains records which contain individually iden-
19 tifiable information under false pretenses or otherwise violates this
20 subdivision shall be guilty of a class E felony.

21 (g) In addition to or in lieu of any criminal proceeding available
22 pursuant to this subdivision, whenever there shall be a violation of
23 this subdivision, application may be made by the attorney general in the
24 name of the people of the state of New York to a court or justice having
25 jurisdiction by a special proceeding to issue an injunction, and upon
26 notice to the defendant of not less than five days, to enjoin and
27 restrain the continuance of such violations; and if it shall appear to
28 the satisfaction of the court or justice that the defendant has, in
29 fact, violated this subdivision, an injunction may be issued by such
30 court or justice, enjoining and restraining any further violation, with-
31 out requiring proof that any person has, in fact, been injured or
32 damaged thereby. In any such proceeding, the court may make allowances
33 to the attorney general as provided in paragraph six of subdivision (a)
34 of section eighty-three hundred three of the civil practice law and
35 rules, and direct restitution. Whenever the court shall determine that a
36 violation of this subdivision has occurred, the court may impose a civil
37 penalty of not more than five hundred dollars for the first violation,
38 and not more than one thousand dollars for the second or subsequent
39 violation within a three-year period. In connection with any such
40 proposed application, the attorney general is authorized to take proof
41 and make a determination of the relevant facts and to issue subpoenas in
42 accordance with the civil practice law and rules.

43 12. Notwithstanding any law, rule, or regulation to the contrary,
44 general operating funds required by the department shall not be reduced
45 due to monies expended from or by the excluded worker unemployment
46 program fund established pursuant to section ninety-five-k of the state
47 finance law.

48 § 3. The state finance law is amended by adding a new section 95-k to
49 read as follows:

50 § 95-k. Excluded worker unemployment program fund. 1. There is hereby
51 established in the joint custody of the commissioner of taxation and
52 finance and the state comptroller a special fund to be known as the
53 "excluded worker unemployment program fund".

54 2. Moneys in such fund shall consist of all moneys appropriated for
55 the purposes of such fund and all moneys appropriated, credited or
56 transferred thereto from any other fund or source pursuant to law. Any

1 interest received by the comptroller on money on deposit in the fund
2 shall be retained in and become part of the fund.

3 3. All moneys collected as contributions and interest relating to wage
4 replacement to workers and families unable to access traditional worker
5 wage insurance or assistance programs shall be deposited in a bank,
6 trust company or industrial bank designated by the state comptroller.
7 Moneys so deposited shall be credited immediately to the account of the
8 excluded worker unemployment program fund and shall be used for the
9 purposes set forth in section five hundred ninety-one-b of the labor
10 law. Moneys in such fund may be invested by the state comptroller in
11 accordance with the provisions of section ninety-eight of this article,
12 and shall only be used for the purposes specified herein.

13 4. Moneys in the fund shall be used exclusively for the purpose of
14 providing wage replacement to workers that do not qualify for unemploy-
15 ment insurance or other worker wage assistance programs and who have
16 lost a major source of income due to lost work. The moneys shall be paid
17 out of the fund on the audit and warrant of the state comptroller on
18 vouchers certified or approved by such commissioner or his or her duly
19 designated officer. Any balance in such fund shall not lapse at any time
20 but shall remain continuously available for such purposes.

21 5. Moneys of the fund shall not be used in whole or in part for any
22 purpose or in any manner which would (a) permit its substitution for, or
23 a corresponding reduction in, federal funds that would be available in
24 its absence to finance expenditures for the administration of this arti-
25 cle; or (b) cause the appropriate agency of the United States government
26 to withhold any part of an administrative grant which would otherwise be
27 made.

28 § 4. The sum of eight hundred million dollars (\$800,000,000) is hereby
29 appropriated from any moneys in the state treasury in the general fund
30 to the credit of the state purposes account for the excluded worker
31 unemployment program fund in carrying out the provisions of this act.
32 Such sum shall be payable on the audit and warrant of the state comp-
33 troller on vouchers certified or approved in the manner provided by law.
34 No expenditure shall be made from this appropriation until a certificate
35 of approval of availability shall have been issued by the director of
36 the budget and filed with the state comptroller and a copy filed with
37 the chairman of the senate finance committee and the chairman of the
38 assembly ways and means committee. Such certificate may be amended from
39 time to time by the director of the budget and a copy of each such
40 amendment shall be filed with the state comptroller, the chairman of the
41 senate finance committee and the chairman of the assembly ways and means
42 committee.

43 § 5. Severability Clause. If any clause, sentence, paragraph, subdivi-
44 sion, section, or part of this act shall be adjudged by any court of
45 competent jurisdiction to be invalid, such judgment shall not affect,
46 impair or invalidate the remainder thereof, but shall be confined in its
47 operation to the clause, sentence, paragraph, subdivision, section, or
48 part thereof directly involved in the controversy in which such judgment
49 shall have been rendered. It is hereby declared to be the intent of the
50 legislature that this act would have been enacted even if such invalid
51 provisions had not been included herein.

52 § 6. This act shall take effect immediately.
