

STATE OF NEW YORK

8412

IN SENATE

February 24, 2022

Introduced by Sen. ADDABBO -- read twice and ordered printed, and when printed to be committed to the Committee on Racing, Gaming and Wagering

AN ACT to amend the racing, pari-mutuel wagering and breeding law, in relation to authorizing interactive gaming

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The racing, pari-mutuel wagering and breeding law is
2 amended by adding a new article 15 to read as follows:

ARTICLE 15

INTERACTIVE GAMING

Section 1500. Legislative intent and findings.

6 1501. Definitions.

7 1502. Authorization.

8 1503. Required safeguards.

9 1504. State taxes.

10 § 1500. Legislative intent and findings. Section nine of article one
11 of the New York state constitution was recently amended and provides
12 "casino gambling at no more than seven facilities as authorized and
13 prescribed by the legislature shall hereafter be authorized or allowed
14 within this state." It has been, and continues to be, the sense of the
15 legislature that this provision is not contravened by a statute that
16 authorizes the acceptance of a wager by an individual who is betting by
17 virtual or electronic means and the wager is accepted through equipment
18 located within a licensed gaming facility; provided that any such wager
19 meets other safeguards ensuring that the plain text of this provision is
20 honored in such structure. Interactive gaming is now legal online in
21 seven states, including the bordering states of New Jersey, Pennsylvania
22 and Connecticut, while it is permitted only in person in New York at
23 four upstate commercial gaming facilities and Native American class III
24 gaming facilities. The legislature hereby finds and declares that an
25 interactive gaming wager that is made through virtual or electronic
26 means from a location within New York state and is transmitted to and
27 accepted by electronic equipment located at a licensed gaming facility,

1 including without limitation, a computer server located at such licensed
2 gaming facility, is a wager made at such licensed gaming facility,
3 notwithstanding any provisions of the penal law to the contrary.

4 § 1501. Definitions. As used in this article, the following terms
5 shall have the following meanings:

6 1. "Authorized game" means any casino slot or table game determined by
7 the commission to be compatible with the public interest and to be suit-
8 able for online use after an appropriate test or experimental period as
9 the commission may deem appropriate. An authorized game may include
10 gaming tournaments in which players compete against one another in one
11 or more of the games authorized herein or by the commission or in
12 approved variations or composites thereof if such tournaments are
13 authorized.

14 2. "Authorized participant" means an individual who is physically
15 present in the state of New York when placing an interactive gaming
16 wager, who is authorized to participate in gaming pursuant to article
17 thirteen of this chapter, and who participates in interactive gaming
18 offered by a casino or operator. All interactive gaming wagers placed in
19 accordance with this article shall be considered placed or otherwise
20 made when received by the casino or operator at the licensed gaming
21 facility, regardless of the authorized participant's physical location
22 at the time such wager is initiated. The intermediate routing of elec-
23 tronic data in connection with mobile wagering shall not determine the
24 location or locations in which a wager is initiated, received or other-
25 wise made.

26 3. "Commission" means the New York state gaming commission.

27 4. "Interactive gaming wager" means cash or cash equivalent that is
28 paid by an authorized sports bettor to a casino or operator to partic-
29 ipate in interactive gaming offered by such casino or operator. Any
30 wager through electronic communication shall be deemed to take place at
31 the physical location of the server or other equipment used by a casino
32 or operator to accept interactive gaming wagering, regardless of the
33 authorized participant's physical location within the state at the time
34 such wager is initiated.

35 5. "Interactive gaming" means wagering on authorized casino games
36 online by any system or method of wagering, including, but not limited
37 to, in-person communication and electronic communication through inter-
38 net websites accessed via a mobile device or computer, and mobile device
39 applications.

40 6. "Interactive gaming gross revenue" means the amount equal to the
41 total of all interactive gaming wagers that a casino or operator
42 collects from all authorized participants less the total of all sums
43 paid out as winnings to all participants, provided however, that the
44 total of all sums paid out as winnings shall not include the cash equiv-
45 alent value of any merchandise or thing of value awarded as a prize. The
46 issuance to or wagering by authorized participants of any promotional
47 gaming credit shall not be taxable for the purposes of determining
48 interactive gaming gross revenue.

49 7. "Interactive gaming wagering platform" means the combination of
50 hardware, software, and data networks used to manage, administer, or
51 control interactive gaming wagering and any associated wagers accessible
52 by any electronic means, including mobile applications and internet
53 websites accessed via a mobile device or computer.

54 8. "Operator" means a casino or an Indian tribe that has entered into
55 a tribal-state gaming compact in accordance with the Indian Gaming Regu-
56 latory Act that is in effect and has been ratified by the state of New

1 York, and has entered into an interactive gaming wagering agreement with
2 the commission pursuant to section one thousand five hundred two of this
3 article.

4 § 1502. Authorization. 1. (a) No casino or operator shall administer,
5 manage or otherwise make available an interactive gaming wagering plat-
6 form to persons located in New York state unless authorized by and
7 registered with the commission pursuant to this section. A casino or
8 operator may use up to two mobile interactive gaming wagering platforms
9 and brands for authorized games, provided that such platform and brands
10 have been reviewed and approved by the commission. A casino or operator
11 may contract with up to two independent contractors to provide its
12 mobile interactive gaming wagering platforms. An independent contractor
13 may display its brand on the platform in addition to the casino or oper-
14 ator brand.

15 (b) As a condition of registration, the commission shall require that
16 each casino or operator authorized to conduct mobile interactive gaming
17 wagering pay a one-time fee of two million dollars. As a condition of
18 approval of any independent contractor to provide an operator's mobile
19 interactive gaming waging platform and display its brand, the commission
20 shall require that such independent contractor pay a one-time fee of ten
21 million dollars.

22 (c) Registrations issued by the commission shall remain in effect for
23 ten years. The commission shall establish and implement a process for
24 renewal.

25 (d) The commission shall publish a list of all casinos and operators
26 registered to offer mobile interactive gaming wagering in New York state
27 pursuant to this section on the commission's website for public use.

28 (e) The commission shall prescribe the form and manner of the applica-
29 tion for registration, which shall contain all information deemed neces-
30 sary and relevant by the commission to determine whether an applicant
31 should be authorized to conduct interactive gaming wagering.

32 2. (a) As a condition of registration as an operator, each casino
33 shall agree, upon request of an Indian tribe that has not entered into
34 an agreement for mobile interactive gaming wagering with another casino,
35 to provide a site for a mobile interactive gaming wagering server and
36 related equipment for such Indian tribe as directed by the commission,
37 at no cost to such Indian tribe except the direct and actual cost of
38 hosting the server or other equipment used by such Indian tribe, as
39 determined by the commission.

40 (b) As a condition of registration as an operator in New York state,
41 an Indian tribe shall enter into an agreement with the commission with
42 respect to mobile interactive gaming wagering:

43 (i) to follow the requirements imposed on casinos and operators under
44 this section with respect to such Indian tribe's mobile interactive
45 gaming wagering, to adhere to the regulations promulgated by the commis-
46 sion pursuant to this section with respect to mobile interactive gaming
47 wagering, and to submit to the commission's enforcement of this section
48 and regulations promulgated thereunder, including by waiving tribal
49 sovereign immunity for the sole and limited purpose of such enforcement;

50 (ii) to waiver such Indian tribe's exclusive geographic right to offer
51 and conduct mobile interactive gaming wagering, but not otherwise;

52 (iii) to remit payment to the state equal to tax on interactive gaming
53 wagering revenue imposed pursuant to section one thousand five hundred
54 four of this article;

55 (iv) not to offer or to conduct any other mobile gaming unless such
56 mobile gaming is otherwise authorized by state or federal law; and

1 (v) to locate the server or other equipment used by such Indian tribe
2 to accept mobile interactive gaming wagering at a casino that has
3 applied for and is eligible to register as an operator of interactive
4 gaming wagering pursuant to this section and to pay the actual cost of
5 hosting the server or other equipment as determined by the commission.

6 (c) All agreements entered into by casinos and Indian tribes with
7 respect to hosting mobile interactive gaming wagering platforms for an
8 Indian tribe:

9 (i) shall be approved by the commission prior to taking effect and
10 before registration of such casino or Indian tribe as an operator pursu-
11 ant to this section;

12 (ii) shall provide that the Indian tribe may, at its sole discretion,
13 terminate such agreement with six months' notice, unless otherwise
14 agreed to in writing with such casino, and all commitments, undertakings
15 and waivers made by such Indian tribe thereunder, except that such Indi-
16 an tribe's waiver of its exclusive geographic right to offer and conduct
17 mobile interactive gaming wagering shall survive the termination of such
18 agreement;

19 (iii) shall be limited in applicability solely to such Indian tribe's
20 operation of mobile interactive gaming wagering and shall not extend to
21 any other operation or activity of such Indian tribe; and

22 (iv) shall not create any rights or privileges to any third party who
23 is not a party to such agreement, except that the commission shall have
24 the power to enforce such agreement, including by revoking or suspending
25 the registration of a party that fails to comply with its obligations
26 under such agreement.

27 (d) No mobile interactive gaming wagering may be conducted within an
28 Indian tribe's exclusive geographic area unless such Indian tribe with
29 exclusive geographic right to such area is registered as an operator
30 pursuant to this section. Operators shall use geo-location and geo-fenc-
31 ing technology to ensure that mobile interactive gaming wagering is not
32 available to persons who are physically located in an Indian tribe's
33 exclusive geographic area, unless such Indian tribe with exclusive
34 geographic right to that area is registered as an operator pursuant to
35 this section.

36 § 1503. Required safeguards. 1. As a condition of registration, each
37 operator shall implement the following measures:

38 (a) limit each authorized participant to one active and continuously
39 used account on their platform, and prevent anyone they know, or should
40 have known to be a prohibited bettor from maintaining accounts or
41 participating in any interactive gaming wagering offered by such opera-
42 tor;

43 (b) adopt appropriate safeguards to ensure, to a reasonable degree of
44 certainty, that authorized participants are physically located within
45 the state when engaging in mobile interactive gaming wagering;

46 (c) prohibit minors from participating in any mobile interactive
47 gaming wagering, which includes:

48 (i) if an operator becomes or is made aware that a minor has created
49 an account, or accessed the account of another, such operator shall
50 promptly, within no more than two business days, refund any deposit

53 that any refund may be offset by any prizes already awarded;

54 (ii) each operator shall provide parental control procedures to allow
55 parents or guardians to exclude minors from access to any interactive

2 number to call for help in establishing such parental controls; and

3 (iii) each operator shall take appropriate steps to confirm that an
4 individual opening an account is not a minor;

12 (f) permit any authorized participant to permanently close an account
13 registered to such bettor, on any and all platforms supported by such
14 operator, at any time and for any reason;

15 (g) offer introductory procedures for authorized participants that
16 explain interactive gaming wagering, which shall be prominently

25 civil actions against such operator;

26 (k) list on each website, in a prominent place, information concerning
27 assistance for compulsive play in New York state, including a toll-free
28 number directing callers to reputable resources containing further
29 information, which shall be free of charge;

30 (l) permit account holders to establish self-exclusion gaming limits
31 on a daily, weekly, and monthly basis that enable the account holder to
32 identify the maximum amount of money an account holder may deposit
33 during such period of time;

34 (m) when an account holder's lifetime deposits exceed two thousand
35 five hundred dollars, the operator shall prevent any wagering until such
36 account holder immediately acknowledges, and acknowledges each year
37 thereafter, that he or she has met the deposit threshold and may elect
38 to establish responsible gaming limits or close the account, and such
39 account holder has received disclosures from the operator concerning
40 problem gambling resources;

41 (n) maintain a publicly accessible internet page dedicated to respon-
42 sible play, a link to which shall appear on the operator's website and

5 2. The commission shall annually require a report to be prepared and
6 distributed to the governor and the legislature on the impact of mobile
7 interactive gaming wagering on problem gamblers in New York state. Such
8 report shall include an assessment of problem gaming among persons under
9 the age of thirty. Such report shall be prepared by a non-governmental
10 organization or entity with expertise in serving the needs of persons
11 with gambling addictions. Such report shall be prepared and distributed
12 under the supervision of and in coordination with the commission. The
13 costs associated with the preparation and distribution of such report
14 shall be borne by operators and the commission shall be authorized to
15 assess a fee against operators for such purposes. The commission shall
16 also report periodically to the governor and legislature on the effec-
