AN ACT to amend the education law, in relation to first aid certification for coaches and staff of high school athletics

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3001-b of the education law, as added by chapter
2 498 of the laws of 1991, is amended to read as follows:

3 § 3001-b. First aid instruction mandatory for coaches of extra-class
4 public school athletic activities. 1. On and after the effective date of
5 this section, in addition to any provision of law or rule or regulation
6 of the department related to the requirements necessary for teachers
7 within the public school systems, whether certified in physical educa-
8 tion or not, to coach any extra-class athletic activity, it shall be
9 required of such teachers, except as provided in subdivision two or
10 three of this section, to hold a valid certificate of completion of a
11 course of study in first aid knowledge and skills offered by the Ameri-
12 can National Red Cross and approved by the commissioner, or to meet
13 equivalent requirements as certified by the commissioner. Any such
14 course of study or equivalent requirements must include instruction in
15 the administration of adult cardiopulmonary resuscitation. Prior to the
16 start of each sports season, coaches must provide valid evidence to
17 their chief school officer that their first aid and adult cardiopulmo-
18 nary resuscitation knowledge and skills are current pursuant to the
19 requirements established by the American National Red Cross or that they
20 meet equivalent requirements as certified by the commissioner.

21 2. [~~Persons~~] Except as provided in subdivision three of this section,
22 persons who have been employed as coaches of extra-class athletic activ-
23 ities in a public school system on the effective date of this section
24 who do not hold a valid certificate of completion of a course of study
25 in first aid knowledge and skills pursuant to subdivision one of this
26 section may continue to coach such sports, provided, however, that such

coaches do receive such certification required in subdivision one of this section as soon as practicable after the effective date of this section but not later than twelve months thereafter, provided, however, that the commissioner shall have the authority to establish by rule or regulation an additional time schedule for compliance with this section.

3. A teacher or person who is unable to hold a valid certificate of completion of a course of study in first aid knowledge and skills pursuant to subdivision one of this section due to a physical disability may coach any extra-class athletic activity if there is another teacher or person employed by the public school system who holds a valid certificate of completion pursuant to subdivision one of this section and is present with such teacher or person who is unable to hold such certificate of completion at all times during the extra-class athletic activities including but not limited to practices, scrimmages and during competition.

§ 2. Subdivision 1 of section 3001-b of the education law, as amended by chapter 500 of the laws of 2021, is amended to read as follows:

1. On and after the effective date of this section, in addition to any provision of law or rule or regulation of the department related to the requirements necessary for teachers within the public school systems, whether certified in physical education or not, to coach any extra-class athletic activity, it shall be required of such teachers, except as provided in subdivision two or three of this section, to hold a valid certificate of completion of a course of study in first aid knowledge and skills offered by a nationally recognized organization, as defined in paragraph (d) of subdivision one of section three thousand-b of the public health law and approved by the commissioner, or to meet equivalent requirements as certified by the commissioner. Any such course of study or equivalent requirements must include instruction in recognizing signs and symptoms of cardiac arrest and sudden cardiac arrest and the administration of adult cardiopulmonary resuscitation. Prior to the start of each sports season, coaches must provide valid evidence to their chief school officer that their first aid and adult cardiopulmonary resuscitation knowledge and skills are current pursuant to the requirements established by a nationally recognized organization, as defined in paragraph (d) of subdivision one of section three thousand-b of the public health law and approved by the commissioner, or that they meet equivalent requirements as certified by the commissioner.

§ 3. Section 3001-c of the education law, as added by chapter 39 of the laws of 1994, is amended to read as follows:

§ 3001-c. First aid instruction mandatory for coaches of high school extra-class nonpublic school athletic activities. 1. On and after the effective date of this section, it shall be required of coaches of high school extra-class athletic activities in a nonpublic school system, except as provided in subdivision two or three of this section, to hold a valid certificate of completion of a course of study in first aid knowledge and skills offered by the American National Red Cross and approved by the commissioner, or to meet equivalent requirements as certified by the commissioner. Any such course of study or equivalent requirements must include instruction in the administration of adult cardiopulmonary resuscitation. Prior to the start of each sports season, coaches must provide valid evidence to their chief school officer that their first aid and adult cardiopulmonary resuscitation knowledge and skills are current pursuant to the requirements established by the American National Red Cross or that they meet equivalent requirements as certified by the commissioner.

2. ~~[Persons]~~ Except as provided in subdivision three of this section,
persons who have been employed as coaches of high school extra-class
athletic activities in a nonpublic school system on the effective date
of this section who do not hold a valid certificate of completion of a
course of study in first aid knowledge and skills pursuant to subdivi-
sion one of this section may continue to coach such sports, provided,
however, that such coaches do receive such certification required in
subdivision one of this section as soon as practicable after the effec-
tive date of this section but not later than twelve months thereafter,
provided, however, that the commissioner shall have the authority to
establish by rule or regulation an additional time schedule for compli-
ance with this section.

3. A teacher or person who is unable to hold a valid certificate of
completion of a course of study in first aid knowledge and skills pursu-
ant to subdivision one of this section due to a physical disability may
coach any high school extra-class athletic activities if there is anoth-
er teacher or person employed by the nonpublic school system who holds a
valid certificate of completion pursuant to subdivision one of this
section and is present with such teacher or person who is unable to hold
such certificate of completion at all times during the high school
extra-class athletic activities including but not limited to practices,
scrimmages and during competition.

§ 4. Subdivision 1 of section 3001-c of the education law, as amended
by chapter 500 of the laws of 2021, is amended to read as follows:

1. On and after the effective date of this section, it shall be
required of coaches of high school extra-class athletic activities in a
nonpublic school system, except as provided in subdivision two or three
of this section, to hold a valid certificate of completion of a course
of study in first aid knowledge and skills offered by a nationally
recognized organization, as defined in paragraph (d) of subdivision one
of section three thousand-b of the public health law and approved by the
commissioner, or to meet equivalent requirements as certified by the
commissioner. Any such course of study or equivalent requirements must
include instruction in recognizing signs and symptoms of cardiac arrest
and sudden cardiac arrest and the administration of adult cardiopulmo-
nary resuscitation. Prior to the start of each sports season, coaches
must provide valid evidence to their chief school officer that their
first aid and adult cardiopulmonary resuscitation knowledge and skills
are current pursuant to the requirements established by a nationally
recognized organization, as defined in paragraph (d) of subdivision one
of section three thousand-b of the public health law and approved by the
commissioner, or that they meet equivalent requirements as certified by
the commissioner.

§ 5. This act shall take effect immediately provided, however that:

(a) the amendments to subdivision 1 of section 3001-b of the education
law made by section two of this act shall take effect on the same date
and in the same manner as chapter 500 of the laws of 2021, takes effect;
and

(b) the amendments to subdivision 1 of section 3001-c of the education
law made by section four of this act shall take effect on the same date
and in the same manner as chapter 500 of the laws of 2021, takes effect.
