[~~and~~] (vii) **any person who has voluntarily and successfully completed the training described in paragraph (c) of subdivision two of this section; and (viii)** any other person or entity designated or approved, or in a category designated or approved pursuant to regulations of the commissioner in consultation with other appropriate agencies.

§ 2. Section 3000-c of the public health law is amended by adding a new subdivision 5 to read as follows:

**5. The department shall establish and regularly update a registry of persons currently trained to administer epinephrine by use of an epinephrine auto-injector device as provided in subparagraph (vii) of paragraph (a) of subdivision one of this section. A person's name shall be added to the registry upon request by the person and submission of information as determined by the commissioner documenting the successful completion by the person of the requisite training. A person whose name appears on the registry may obtain a non-patient-specific prescription for an epinephrine auto-injector device as provided in subdivision three of this section from a healthcare practitioner or from the department. The registry shall be maintained as an internal resource solely for the department's use and shall not be disclosed to the general public.**

§ 3. This act shall take effect immediately.
