consent of the state comptroller. The legislature shall prescribe by law the qualifications for voting at any such election].

Except as otherwise provided in this constitution, any indebtedness contracted in excess of the respective limitations prescribed in this section shall be void.

[In ascertaining the power of any city having less than one hundred twenty-five thousand inhabitants according to the latest federal census to contract indebtedness, indebtedness heretofore contracted by such city for education purposes shall be excluded. Such indebtedness so excluded shall be included in ascertaining the power of a school district which is coterminous with, or partly within, or wholly within, such city to contract indebtedness. The legislature shall prescribe by law the manner by which the amount of such indebtedness shall be determined and allocated among such school districts. Such law may provide that such determinations and allocations shall be conclusive if made or approved by the state comptroller.

In ascertaining the power of a school district described in this section to contract indebtedness, certificates or other evidences of indebtedness described in paragraph A of section five of this article shall be excluded.

The average full valuation of taxable real estate of any such county, city, town[\(^{*}\)] or village[or school district] shall be determined in the manner prescribed in section ten of this article.

Nothing contained in this section shall be deemed to restrict the powers granted to the legislature by other provisions of this constitution to further restrict the powers of any county, city, town\(^{*}\) or village[or school district] to contract indebtedness.

§ 2. Resolved (if the Assembly concur), That the foregoing amendment be submitted to the people for approval at the general election to be held in the year 2023 in accordance with the provisions of the election law.
