2 public office to be voted on by the voters of the entire state or for  
3 nomination to any such office, and has been made by a natural person who  
4 is a resident in the state of New York; or (ii) is for a candidate for  
5 election to the state assembly or state senate or for nomination to any  
6 such office, and has been made by a natural person who is also a resi-  
7 dent of such state assembly or state senate district for which such  
8 candidate is seeking nomination or election. Any contribution, contrib-  
9 utions, or a portion of a contribution determined to be invalid for  
10 matching funds by the PCFB may not be treated as a matchable contrib-  
11 ution for any purpose.

12 (b) The following contributions are not matchable:

- 13 (i) loans;
- 14 (ii) in-kind contributions of property, goods, or services;
- 15 (iii) contributions in the form of the purchase price paid for an item
- 16 with significant intrinsic and enduring value;
- 17 (iv) transfers from a party or constituted committee;
- 18 (v) anonymous contributions;
- 19 (vi) contributions whose source is not itemized as required by [~~these~~
- 20 ~~recommendations~~] this title;
- 21 (vii) contributions gathered during a previous election cycle;

- 23 (ix) contributions from minors;
- 24 (x) contributions from vendors for campaigns hired by the candidate
- 25 for such election cycle;

- 28 (xii) any portion of a contribution when the aggregate contributions
- 29 within the election cycle are in excess of two hundred fifty dollars
- 30 from any one contributor to such participating candidate for nomination
- 31 or election.

32 19. "surplus" means those funds where the total sum of contributions  
33 received and public [~~matchable~~] matching funds received by a participat-  
34 ing candidate and his or her authorized committee exceeds the total  
35 campaign expenditures of such candidate and authorized committee for all  
36 covered elections held in the same calendar year or for a special  
37 election to fill a vacancy.

38 § 2. Subparagraphs (iii), (iv), and (v) of paragraph (i) of subdivi-  
39 sion 1 and subdivision 2 of section 14-203 of the election law, as added  
40 by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended  
41 to read as follows:

42 (iii) Nothing in this section shall be interpreted to require a candi-  
43 date who retains funds raised during any previous election cycle to  
44 forfeit such funds. Funds raised during a previous election cycle may be  
45 retained and used by the candidate for the candidate's campaign in the  
46 next election cycle but funds shall not qualify for satisfying the  
47 threshold for participating in the public campaign finance program  
48 established in this title nor shall they be eligible to be matched. [~~The~~  
49 ~~PCFB shall adopt regulations to ensure that contributions that would~~  
50 ~~satisfy the applicable contribution limits authorized in this title~~  
51 ~~shall be transferred into the appropriate campaign account.~~] Only  
52 contributions that would satisfy the applicable contribution limits  
53 authorized by this title shall be transferred into the appropriate  
54 campaign account. The PCFB shall adopt regulations to ensure compliance  
55 with this subparagraph.

(iv) Contributions received and expenditures made by the candidate or an authorized committee of the candidate prior to the effective date of this title shall not constitute a violation of this title. Unexpended contributions shall be treated the same as ~~[campaign surpluses]~~ funds raised during a previous election cycle under subparagraph (iii) of this paragraph. Nothing in this recommendation shall be construed to limit, in any way, any candidate or public official from expending any portion of pre-existing campaign funds for any lawful purpose other than those related to his or her campaign.

(v) A candidate who has raised matchable contributions but, in the case of a covered primary, general or special election, is not opposed by another candidate on the ballot who is not a write-in candidate, or who chooses not to accept ~~[matchable]~~ matching funds, may retain such contributions and apply them in accord with this title to the candidate's next campaign, should there be one, in the next election cycle.

2. Threshold for eligibility. (a) The threshold for eligibility for public funding for participating candidates shall be in the case of:

(i) governor, not less than five hundred thousand dollars in contributions ~~[including at least five thousand matchable contributions shall be counted toward this qualifying threshold]~~ from residents of the state of New York, including matchable contributions from at least five thousand unique contributors;

(ii) lieutenant governor, attorney general and comptroller, not less than one hundred thousand dollars in contributions ~~[including at least one thousand matchable contributions shall be counted toward this qualifying threshold]~~ from residents of the state of New York, including matchable contributions from at least one thousand unique contributors;

(iii) state senator, except as otherwise provided in paragraph (c) of this subdivision, not less than twelve thousand dollars in contributions ~~[including at least one hundred fifty matchable contributions shall be counted toward this qualifying threshold]~~ from residents of the district in which the seat is to be filled, including matchable contributions from at least one hundred fifty unique contributors; and

(iv) member of the assembly, except as otherwise provided in paragraph (c) of this subdivision, not less than six thousand dollars in contributions ~~[including at least seventy-five matchable contributions shall be counted toward this qualifying threshold]~~ from residents of the district in which the seat is to be filled, including matchable contributions from at least seventy-five unique contributors.

(b) However, solely for purposes of achieving the monetary thresholds in paragraph (a) of this subdivision, the first two hundred fifty dollars of any contribution of more than two hundred fifty dollars to a candidate or a candidate's committee which would otherwise be matchable except that it comes from a contributor who has contributed more than two hundred fifty dollars to such candidate or candidate's committee, is deemed to be a matchable contribution and shall count toward satisfying such monetary threshold but shall not otherwise be considered a matchable contribution.

(c) With respect to the minimum dollar threshold for participating candidates for state senate and state assembly, in such districts where ~~[average median income ("AMI") is below the AMI as determined by the United States Census Bureau three years before such election for which public funds are sought]~~ the average of the district's median income as determined by the bureau of the census of the United States department of commerce for the three years prior to such election is below the median income for the state according to the most recent census data

1 available, such minimum dollar threshold for eligibility shall be  
2 reduced by one-third. The PCFB shall make public which districts are  
3 subject to such reduction no later than two years before the first  
4 primary election for which funding is sought.

5 (d) Any participating candidate meeting the threshold for eligibility  
6 in a primary election for one of the foregoing offices shall be  
7 ~~[applied]~~ deemed to satisfy the threshold for eligibility for such  
8 office in any other subsequent election held in the same calendar year.  
9 Any participating candidate who is nominated in a primary election and  
10 has participated in the public financing program set forth in this  
11 title~~[, must]~~ shall also participate in the public financing program in  
12 the general election for such office.

13 § 3. Subdivisions 2 and 4 of section 14-205 of the election law, as  
14 added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are  
15 amended to read as follows:

16 2. Calculation of payment. (a) In any election for a public office to  
17 be voted on by the voters of the entire state or for nomination to any  
18 such office, if the threshold for eligibility is met, the participating  
19 candidate's authorized committee shall receive payment for qualified  
20 campaign expenditures of six dollars of public matching funds for each  
21 one dollar of matchable contributions, obtained and reported to the PCFB  
22 in accordance with the provisions of this title. The maximum payment of  
23 public matching funds shall be limited to the amounts set forth in  
24 ~~[this]~~ section 14-204 of this title for the covered election.

25 (b) In any election for state senate or state assembly or for nomi-  
26 nation to any such office, if the threshold for eligibility is met, the  
27 participating candidate's authorized committee shall receive payment for  
28 qualified campaign expenditures for matchable contributions of eligible  
29 private funds per contributor, obtained, and reported to the PCFB here-  
30 in, of: twelve dollars of public matching funds for each of the first

33 contributions; and eight dollars for ~~[the]~~ each of the next one hundred  
34 dollars of public matchable contributions. The maximum payment of public  
35 matching funds shall be limited to the amounts set forth in this section  
36 for the covered election.

37 4. Notwithstanding any provision of this section to the contrary, the  
38 amount of public funds payable to a participating candidate on the  
39 ballot in any covered election shall not exceed one-quarter of the maxi-  
40 mum public funds payment otherwise applicable ~~[and no participating~~  
41 ~~candidate shall be eligible to receive a disbursement of public funds~~  
42 ~~prior to two weeks after the last day to file designating petitions for~~  
43 ~~a primary election]~~ unless the participating candidate is opposed by a  
44 competitive candidate. The PCFB shall, by regulation, set forth objec-  
45 tive standards to determine whether a candidate is competitive and the  
46 procedures for qualifying for the payment of public funds.

47 § 4. Subdivisions 1 and 2 of section 14-207 of the election law, as  
48 added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are  
49 amended to read as follows:

17 as a commissioner appointed hereunder, each such commissioner is barred  
18 from making, or soliciting from other persons, any contributions to

36 terms of this public campaign finance system as provided for in [~~these~~  
37 ~~recommendations~~] this title, as well as auditors, trainers, attorneys,

40 year, the PCFB shall submit to the governor and the division of the  
41 budget a request for appropriations for the next state fiscal year to  
42 fully support the administration of the public campaign finance program

55 erroneous payment was the result of an error by the PCFB, then the erro-

1 no future payment is to be made then neither the candidate nor the  
2 committee shall be liable to repay the excess amount to the PCFB. The
