Kennedy Marina and Trevor Park north to provide increased public access to the Hudson River and enhance said parks through the development of a new sustainable river-front, transit-oriented project by enhancing the existing parks with new amenities; and to amend chapter 125 of the laws of 2013, relating to authorizing the alienation of certain parkland required to support the redevelopment of the historic Glenwood Power Plant, uniquely located on the Hudson River in the City of Yonkers, which site lacks any land for parking, and which project was contemplated in the approved May 2009 City of Yonkers Alexander Street Master Plan with a new road network connecting Alexander Street to the south past the Glenwood Power Plant through John F. Kennedy Marina and Trevor Park north to provide increased public access to the Hudson River and enhance said parks through the development of a new sustainable river-front, transit-oriented project by enhancing the existing parks with new amenities, in relation thereto

3 ter acting by and through its mayor, was authorized to alienate by lease
4 or sale 14.257 acres of parkland in the city of Yonkers as described in
5 section four of such chapter of the laws of 2013, necessary to support

1 of 2013 and has therefore satisfied the conditions set forth in section
2 three of such chapter of the laws of 2013. The city of Yonkers, in
3 consultation with The Plant Powerhouse LLC, the successor to Glenwood
4 POH, LLC, has determined that due to a redesign of the project only
5 5.17321 acres are now required to be alienated to support such redevel-
6 opment project and therefore 9.01 acres of the parkland temporarily
7 alienated pursuant to chapter 125 of the laws of 2013 shall revert to
8 the city of Yonkers for exclusive park and recreational purposes.
9 Because the project, as authorized pursuant to chapter 125 of the laws
10 of 2013 and modified herein, will continue the use of the J.F. Kennedy
11 Marina Park as a publicly accessible park, the alienations by such chap-
12 ter of the laws of 2013 and this act will not implicate any reverter
13 provision or any other rights of the city of Yonkers pursuant to the
14 1964 letters patent. The purpose of this act is to amend the alienation
15 authorization so that the City of Yonkers, acting by and through its
16 governing body, is authorized to alienate the parcels that are necessary
17 to the redevelopment of the historic Glenwood Power Plant, the
18 construction of a public parking garage and the creation of other
19 improvements related to providing access to the redeveloped Glenwood
20 Power Plant and the surrounding parkland areas and to eliminate the
21 authorization to alienate parkland that is not necessary for those
22 purposes.

23 § 2. (a) Subject to the provisions of this act, the city of Yonkers,
24 in the county of Westchester, acting by and through its governing body,
25 is hereby authorized to temporarily discontinue the use of the municipi-
26 ally owned parklands described in section four of chapter 125 of the
27 laws of 2013, as amended by section three of this act that are no longer
28 needed for park purposes and to convey by lease, license or easement
29 those parcels for a term of not to exceed forty years, to The Plant
30 Powerhouse, LLC, the Yonkers Economic Development Corporation, and/or
31 the City of Yonkers Industrial Development Agency in connection with the
32 redevelopment of the historic Glenwood Power Plant, the construction of
33 a public parking garage and the creation of other improvements related
34 to access to the redeveloped Glenwood Power Plant and the surrounding
35 parkland areas.

36 (b) Subject to the provisions of this act, the 9.01 acres of the
37 14.257 acres of the parkland that were temporarily discontinued pursuant
38 a lease authorized by chapter 125 of the laws of 2013 that are no longer
39 needed for the purposes set forth in sections one and two of such chap-
40 ter of the laws of 2013 shall hereby revert to the city of Yonkers for
41 exclusive park and recreational purposes.

42 § 3. Sections 1, 2 and 4 of chapter 125 of the laws of 2013, relating
43 to authorizing the leasing of certain parkland in the city of Yonkers
44 relating to authorizing the alienation of certain parkland required to
45 support the redevelopment of the historic Glenwood Power Plant, uniquely
46 located on the Hudson River in the City of Yonkers, which site lacks any
47 land for parking, and which project was contemplated in the approved May
48 2009 City of Yonkers Alexander Street Master Plan with a new road
49 network connecting Alexander Street to the south past the Glenwood Power
50 Plant through John F. Kennedy Marina and Trevor Park north to provide
51 increased public access to the Hudson River and enhance said parks
52 through the development of a new sustainable riverfront, transit-orient-
53 ed project by enhancing the existing parks with new amenities, are
54 amended to read as follows:

55 Section 1. Subject to the provisions of this act, the city of Yonkers,
56 in the county of Westchester, acting by and through its ~~mayor~~ govern-

1 ing body, is hereby authorized to discontinue the use of the municipally
2 owned parkland described in section four of this act that are no longer
3 needed for park purposes.

4 § 2. Subject to the provisions of this act, the city of Yonkers, in
5 the county of Westchester, acting by and through its [~~mayor~~] governing
6 body, is hereby authorized to temporarily discontinue use of the park-
7 land described in section four of this act for the purpose of [~~leasing~~]
8 conveying by lease, license or easement the land under such park to
9 Plant Powerhouse LLC, a successor entity to Glenwood POH LLC, the Yonk-
10 ers Economic Development Corporation, and/or the City of Yonkers Indus-
11 trial Development Agency, for a term not to exceed [~~thirty~~] forty years,
12 to facilitate the building of a public parking garage and a public park.
