AN ACT to amend the civil practice law and rules, in relation to "economic loss" and damages for health care costs in actions for medical, dental or podiatric malpractice

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 1600 of the civil practice law and rules, as added
2 by chapter 682 of the laws of 1986, is amended to read as follows:

3 § 1600. Definitions. 1. As used in this article the term "non-economic
4 loss" includes but is not limited to pain and suffering, mental anguish,
5 loss of consortium or other damages for non-economic loss.

6 2. As used in this article, the term "economic loss" includes but is
7 not limited to the cost of medical care, dental care, custodial care,
8 rehabilitation services, loss of earnings, or other similar damages for
9 economic loss.

10 § 2. Subdivision 1 of section 1601 of the civil practice law and
11 rules, as amended by chapter 635 of the laws of 1996, is amended to read
12 as follows:

13 1. Notwithstanding any other provision of law, when a verdict or deci-
14 sion in an action or claim for personal injury is determined in favor of
15 a claimant in an action involving two or more tortfeasors jointly liable
16 or in a claim against the state and the liability of a defendant is
17 found to be fifty percent or less of the total liability assigned to all
18 persons liable, the liability of such defendant to the claimant for
19 non-economic loss and economic loss shall not exceed that defendant's
20 equitable share determined in accordance with the relative culpability
21 of each person causing or contributing to the total liability for non-e-
22 conomic loss and economic loss; provided, however that the culpable
23 conduct of any person not a party to the action shall not be considered
24 in determining any equitable share herein if the claimant proves that
25 with due diligence he or she was unable to obtain jurisdiction over such
26 person in said action (or in a claim against the state, in a court of
27 this state); and further provided that the culpable conduct of any

2 to the extent that action against such person is barred because the
3 claimant has not sustained a "grave injury" as defined in section eleven
4 of the workers' compensation law.

5 § 3. Section 3012-a of the civil practice law and rules, as amended by
6 chapter 507 of the laws of 1987, is amended to read as follows:

7 § 3012-a. [~~Certificate~~ Affidavit of merit in medical, dental and
8 podiatric malpractice actions. (a) In any action for medical, dental or
9 podiatric malpractice, the complaint shall be accompanied by [~~a certifi-~~

15 an expert dentist in a dental malpractice action or an expert podiatrist
16 in a podiatric malpractice action, stating that [+

17 ~~(1) the attorney has reviewed the facts of the case and has consulted~~
18 ~~with at least one physician in medical malpractice actions, at least one~~
19 ~~dentist in dental malpractice actions or at least one podiatrist in~~
20 ~~podiatric malpractice actions who is licensed to practice in this state~~
21 ~~or any other state and who the attorney reasonably believes is know-~~
22 ~~ledgeable in the relevant issues involved in the particular action, and~~
23 ~~that the attorney has concluded on the basis of such review and consul-~~
24 ~~tation that there is a reasonable basis for the commencement of such~~
25 ~~action; or~~

26 ~~(2) the attorney was unable to obtain the consultation required by~~
27 ~~paragraph one of this subdivision because a limitation of time, estab-~~
28 ~~lished by article two of this chapter, would bar the action and that the~~
29 ~~certificate required by paragraph one of this subdivision could not~~
30 ~~reasonably be obtained before such time expired. If a certificate is~~
31 ~~executed pursuant to this subdivision, the certificate required by this~~
32 ~~section shall be filed within ninety days after service of the~~
33 ~~complaint; or~~

34 ~~(3) the attorney was unable to obtain the consultation required by~~
35 ~~paragraph one of this subdivision because the attorney had made three~~
36 ~~separate good faith attempts with three separate physicians, dentists or~~
37 ~~podiatrists, in accordance with the provisions of paragraph one of this~~
38 ~~subdivision to obtain such consultation and none of these contacted~~
39 ~~would agree to such a consultation]~~ the physician in a medical malprac-
40 tice action, or the dentist in a dental malpractice action, or the
41 podiatrist in a podiatric malpractice action has reviewed the complaint
42 in the malpractice action and all medical records supplied by the
43 plaintiff's attorney, or plaintiff if not represented by an attorney,
44 and states each of the following with individual particularization to
45 the specifically named defendant or defendants:

46 (1) The applicable standard of practice or care concerning the allega-
47 tions contained in the complaint.

48 (2) The applicable standard of practice or care breached.

49 (3) The actions that should have been taken or omitted in order to
50 have complied with the applicable standard of care.

51 (4) The manner in which the breach of the standard of practice or care
52 was the proximate cause of the plaintiff's injury.

53 (b) [~~Where a certificate is required pursuant to this section, a~~
54 ~~single certificate shall be filed for each action, even if more than one~~
55 ~~defendant has been named in the complaint or is subsequently named]~~
56 Where an affidavit of merit is required pursuant to this section, an

1 individual affidavit shall be filed for each named defendant who is a
2 physician, dentist or podiatrist named in the complaint.

3 (c) Where the attorney intends to rely solely on the doctrine of "res
4 ipsa loquitur", this section shall be inapplicable. In such cases, the
5 complaint shall be accompanied by ~~[a certificate]~~ an affidavit, executed
6 by the attorney, declaring that the attorney is solely relying on such
7 doctrine and, for that reason, is not filing ~~[a certificate]~~ the affida-
8 vit of merit required by this section.

9 (d) ~~[If a request by the plaintiff for the records of the plaintiff's~~
10 ~~medical or dental treatment by the defendants has been made and such~~
11 ~~records have not been produced, the plaintiff shall not be required to~~
12 ~~serve the certificate required by this section until ninety days after~~
13 ~~such records have been produced]~~ The plaintiff may, in lieu of serving
14 the affidavit of merit required by this section, provide the defendant
15 or defendants with the information required by paragraph one of subdivi-
16 sion (d) of section thirty-one hundred one of this chapter within the
17 period of time prescribed by this section, provided that the disclosure
18 be executed by the physician in a medical malpractice action, or the
19 dentist in a dental malpractice action, or the podiatrist in a podiatric
20 malpractice action who has reviewed the complaint in the malpractice
21 action and all medical records supplied by the plaintiff's attorney.

22 (e) ~~[For purposes of this section, and subject to the provisions of~~
23 ~~section thirty one hundred one of this chapter, an attorney who submits~~
24 ~~a certificate as required by paragraph one or two of subdivision (a) of~~
25 ~~this section and the physician, dentist or podiatrist with whom the~~
26 ~~attorney consulted shall not be required to disclose the identity of the~~
27 ~~physician, dentist or podiatrist consulted and the contents of such~~
28 ~~consultation; provided, however, that when the attorney makes a claim~~
29 ~~under paragraph three of subdivision (a) of this section that he was~~
30 ~~unable to obtain the required consultation with the physician, dentist~~
31 ~~or podiatrist, the court may, upon the request of a defendant made prior~~
32 ~~to compliance by the plaintiff with the provisions of section thirty one~~
33 ~~hundred of this chapter, require the attorney to divulge to the court~~
34 ~~the names of physicians, dentists or podiatrists refusing such consulta-~~
35 ~~tion]~~ The plaintiff's attorney or, the plaintiff if not represented by
36 an attorney, may with good cause shown, file a motion to extend the
37 period of time to file the required affidavit of merit. The motion shall
38 be filed together with the complaint. The court may grant reasonable
39 time to file the affidavit of merit, not to exceed ninety days, except
40 the time may be extended beyond ninety days if the court determines that
41 a defendant or non-party has failed to cooperate with access to medical
42 or dental records necessary for the affidavit of merit or that other
43 circumstances warrant extension of time.

44 (f) ~~[The provisions of this section shall not be applicable to a~~
45 ~~plaintiff who is not represented by an attorney.~~

46 (g) ~~The plaintiff may, in lieu of serving the certificate required by~~
47 ~~this section, provide the defendant or defendants with the information~~
48 ~~required by paragraph one of subdivision (d) of section thirty one~~
49 ~~hundred one of this chapter within the period of time prescribed by this~~
50 ~~section]~~ Any complaint alleging medical, dental, or podiatric malprac-
51 tice that is not accompanied by an affidavit of merit as required by
52 this section shall be deemed defective as a matter of law and, upon
53 motion by the defendant, be dismissed on the merits by the court. Such
54 dismissal shall be with prejudice.

§ 4. Paragraphs 3 and 4 of subdivision (a) of section 3101 of the civil practice law and rules, as amended by chapter 98 of the laws of 1993, are amended and a new paragraph 5 is added to read as follows:

(3) a person about to depart from the state, or without the state, or residing at a greater distance from the place of trial than one hundred miles, or so sick or infirm as to afford reasonable grounds of belief that he or she will not be able to attend the trial, or a person authorized to practice medicine, dentistry or podiatry who has provided medical, dental or podiatric care or diagnosis to the party demanding disclosure, or who has been retained by such party as an expert witness; ~~and~~

(4) any other person, upon notice stating the circumstances or reasons such disclosure is sought or required~~[-]; and~~

(5) notwithstanding any provision of subparagraph (i) of paragraph one of subdivision (d) of this section to the contrary, in an action for medical, dental or podiatric malpractice, each party shall serve the disclosure described in such subparagraph within sixty days preceding the filing required by rule thirty-four hundred two of this chapter. Further, at any time after joinder of issue, any party may, by written notice made to and served upon all other parties and filed with the court; conduct an examination upon oral deposition of any person who has been disclosed as an expert witness by any other party. Each party shall be required to produce his or her expert witness for examination upon oral deposition upon receipt of a notice to take oral deposition in accordance with rule thirty-one hundred seven of this article and, unless otherwise ordered by the court, all expert witness depositions shall be taken before the filing required by rule thirty-four hundred two of this chapter. If any party, having received such notice, fails to make that party's expert witness available for oral deposition, that party shall be precluded from offering expert testimony at the trial of the action. For purposes of rule thirty-one hundred ten and rule thirty-one hundred seventeen of this article, an expert witness, as provided in this section, shall be considered a party. Each party seeking the deposition of an expert witness shall pay the expert a reasonable fee for the time spent at the deposition.

§ 5. Paragraph 1 of subdivision (d) of section 3101 of the civil practice law and rules, as amended by chapter 184 of the laws of 1988, subparagraph (ii) as amended by chapter 165 of the laws of 1991, is amended to read as follows:

1. Experts. (i) Upon request, each party shall identify each person whom the party expects to call as an expert witness at trial and shall disclose in reasonable detail the subject matter on which each expert is expected to testify, the substance of the facts and opinions on which each expert is expected to testify, the qualifications of each expert witness and a summary of the grounds for each expert's opinion. However, where a party for good cause shown retains an expert an insufficient period of time before the commencement of trial to give appropriate notice thereof, the party shall not thereupon be precluded from introducing the expert's testimony at the trial solely on grounds of noncompliance with this paragraph. In that instance, upon motion of any party, made before or at trial, or on its own initiative, the court may make whatever order may be just. ~~[In an action for medical, dental or podiatric malpractice, a party, in responding to a request, may omit the names of medical, dental or podiatric experts but shall be required to disclose all other information concerning such experts otherwise required by this paragraph.]~~

~~(ii) In an action for medical, dental or podiatric malpractice, any party may, by written offer made to and served upon all other parties and filed with the court, offer to disclose the name of, and to make available for examination upon oral deposition, any person the party making the offer expects to call as an expert witness at trial. Within twenty days of service of the offer, a party shall accept or reject the offer by serving a written reply upon all parties and filing a copy thereof with the court. Failure to serve a reply within twenty days of service of the offer shall be deemed a rejection of the offer. If all parties accept the offer, each party shall be required to produce his or her expert witness for examination upon oral deposition upon receipt of a notice to take oral deposition in accordance with rule thirty one hundred seven of this chapter. If any party, having made or accepted the offer, fails to make that party's expert available for oral deposition, that party shall be precluded from offering expert testimony at the trial of the action.~~

~~(iii)]~~ (ii) Further disclosure concerning the expected testimony of any expert, except as expressly provided in paragraph five of subdivision (a) of this section, may be obtained only by court order upon a showing of special circumstances and subject to restrictions as to scope and provisions concerning fees and expenses as the court may deem appropriate. However, a party, without court order, may take the testimony of a person authorized to practice medicine, dentistry or podiatry who is the party's treating or retained expert, as described in paragraph three of subdivision (a) of this section, in which event any other party shall be entitled to the full disclosure authorized by this article with respect to that expert without court order.

§ 6. The civil practice law and rules is amended by adding a new section 4546-a to read as follows:

§ 4546-a. Damages for health care costs in actions for medical, dental or podiatric malpractice. 1. Definitions. "Health care costs" shall mean the costs for medical care, dental care, custodial care, or rehabilitation services.

2. In any action for medical, dental, or podiatric malpractice, the amount of health care costs shall be calculated: (a) with respect to services provided in private physician practices on the basis of one hundred percent of the usual and customary rates, as defined by the commissioner of health in regulation; or (b) with respect to all other services, on the basis of Medicaid rates of reimbursement or, where no such rates are available, as defined by the commissioner of health in regulation.

§ 7. This act shall take effect on the one hundred eightieth day after it shall have become a law and shall apply to all actions and proceedings commenced on or after such date; provided, however, that sections four and five of this act shall take effect on the ninetieth day after it shall have become a law.
