

STATE OF NEW YORK

9298--A

IN SENATE

May 13, 2022

Introduced by Sens. PARKER, COMRIE, JACKSON -- (at request of the NYC Office of the Mayor) -- read twice and ordered printed, and when printed to be committed to the Committee on Cities 1 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the New York city charter, the education law, the general municipal law, the labor law, the public authorities law, the New York city health and hospitals corporation act, and the New York city public works investment act, in relation to employment opportunities for economically disadvantaged candidates and economically disadvantaged region candidates and apprenticeship utilization on public transactions; and providing for the repeal of such provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that both with-
2 in the city of New York and across the United States, over the past
3 several decades, income inequality has expanded and that poverty is
4 frequently concentrated in economically disadvantaged regions. The
5 legislature also finds that economic disparities across individuals and
6 across communities have further expanded due to the economic and health
7 effects of the virus known as COVID-19. The purpose of this legislation
8 is to remediate these economic disparities by authorizing the city of
9 New York, the city school district of the city of New York, the New York
10 city school construction authority, the New York city health and hospi-
11 tals corporation, the New York city industrial development agency, and
12 other city-affiliated not-for-profit corporations to use the economic
13 power of their transactions to implement programs by administrative rule
14 requiring contractors and subcontractors benefitting from such trans-
15 actions to make best efforts to employ qualified economically disadvan-
16 tagged candidates and qualified candidates in such economically disadvan-
17 tagged regions.
18 § 2. The New York city charter is amended by adding a new chapter 78
19 to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

12 such goals were appropriate for such transactions.

13 b. Lists of economically disadvantaged regions. No later than ninety
14 days after the effective date of this section, and at least once during
15 each twelve-month period thereafter, the director shall publish a report

39 feasible, use data sources established or maintained by the city for
40 other programs or operations in order to minimize administrative burdens
41 on contractors and subcontractors, provided that where the director
42 determines that such data sources cannot be used to complete such
43 report, the director may adopt rules requiring contractors and subcon-

14 such project labor agreement;

15 (D) to review and organize the work under the transaction in order to
16 eliminate obstacles to meeting such employment goals;

18 efforts to meet the employment goals;

19 (F) to contact the office of community hiring and workforce develop-
20 ment at routine intervals, or as otherwise required by rule, to inform

48 of section seventeen hundred twenty-eight of this title and financing of
49 such proposals against stated selection criteria. Public notice of the
50 requests for proposals shall be given in the same manner as provided in
